VOLUME 30 Number 01 SEPTEMBER 2015

## Revised Suspension Policy

The Board of Directors amended the suspension policy that affects clubs that have not paid their club balances in a timely manner.

A Club which has an unpaid balance in excess of US\$20 per member or US\$1,000 per club, whichever is less, outstanding past 120 days will be automatically suspended including the charter, rights, privileges, and obligations of the Lions Club. In the event, the Club does not reach an active status by the 28th day of the month following suspension; their charter would be automatically cancelled.

Beginning July 1, 2015, clubs will automatically be placed on Financial Suspension if balances beyond 90 days are equal to or exceeding US\$20/ member or \$1,000 or greater, and cancellation will occur after the 28th day of the month following suspension if full payment is not received. As a result, anticipated high suspension will be reported in October and April. Also, clubs cancelled more than twice will be ineligible for reactivation.

Suspension is the temporary deferment of the charter, rights, privileges and obligations of a Lions club due to an unpaid balance.

### Clubs on suspension shall not:

- a) Conduct service activities
- b) Conduct fund raising activities;
- c) Participate in district and multiple district functions or seminars;
- d) Participate in any voting procedures outside of the club
- e) Endorse or nominate a candidate for district, multiple district and international office;
- f) Submit Monthly Membership Report and report forms;
- g) Sponsor a Lions club, or organize a Leo or a Lioness club.

### Clubs on Suspension shall:

- a) Hold meetings to discuss the future of the club and identify the steps needed to regain an active status.
- b) Make Payments to clear the existing outstanding balance, or request a payment plan.

This amended policy has serious consequences for clubs that are in arrears in paying their club balances. To rectify this past due condition, clubs placed on suspension may regain an active status by paying the balance in review and update the membership roster after a Club is released from Suspension. Visit [www.lionsclubs.org](http://www.lionsclubs.org) reactivation. Clubs should work to avoid cancellation at all times.

Please feel free to contact us at [membershipbilling@lionsclubs.org](mailto:membershipbilling@lionsclubs.org) should you require additional information. We trust all clubs will review their statements regularly, and will send the necessary payments to ensure their active status is protected.

# Dignity through service

2015-16 International President  
Dr. Jitsuhiro Yamada

No Translation Required: WE SERVE

皆さんの国際会長を務めることを、大変光栄に思います。

These Japanese words mean

“I am honored to serve as international president.”

素晴らしい奉仕の1年となることを楽しみにしています。

That means “I look forward to a year of great service.”

So how do Lions in Japan say “We Serve”? Well, it’s “We Serve.” Our motto is not translated. Lions throughout the world proudly proclaim “We Serve.” The universality of our motto underscores that despite language and cultural differences we Lions share a common purpose. And although I am the 99th international president, each of my predecessors having had their own priorities and approaches, international presidents have shared a common commitment to service.

So I hope my year as

president is like any other as Lions continue to serve with tremendous enthusiasm and impact. Yet I also hope to make a difference in how we serve. My theme is Bringing Dignity to Others Through Humanitarian Service. That’s something that has been inherent in Lions’ service since Melvin Jones first gathered Lions together. But by intentionally focusing on my theme and keeping it in the forefront we can be sure to maintain and even improve our commitment to service.

As a doctor, I have always been dedicated

to healing and to do so while treating patients in a dignified manner. A good doctor not only treats illness but pays attention to the entire person—their worries, their concerns, their struggles. If you had asked me after many years as a doctor if I treated the whole person, I would have said, “Of course.” But it took a serious illness for me to re-evaluate my approach as a doctor. Likewise, as Lions we are dedicated to service, but reassessing our approach and focusing on the dignity of others in all we do will take our service

to a new level.

I ask each of you this year especially to bring dignity to children. Through a project or program I ask you to make their lives better. Working together, 1.4 million Lions can help the next generation prosper and secure good health, find opportunity and achieve happiness.

Dr. Jitsuhiro Yamada  
Lions Clubs  
International President

DISTRICT GOVERNOR LOUISE KERNERSTED

2015 - 2016 District Governors and spouses with Council Chair Kathy Jensen and IPDG Dave at the 98th Lions International Convention in Honolulu, Hawaii.

Greetings to everyone. We are well into the second month of our Lion's year, time really flies.

The visit to Hawaii for the DGE training and the International Convention was very impressive. Being part of a group of 18,000 Lions from countries around the world certainly makes one become more aware of the immense size of the organization and the great things that are being done by Lions around the world.

There was around 740 DGE's there for training. My group consisted of 29 DGE's from Canada, United States, Thailand, India, Israel, Pakistan, Bulgaria, Lithuania and Macedonia. Working with a group of this nature was in itself a great experience. The youngest DGE in our group was 36, we won't mention the oldest.

In July there was a Council of Governors meeting in St. Cloud, Minnesota.

Many of the discussions and reports centered on activities that affect the Minnesota Clubs as they form the largest part of our Multiple District.

Lion Bill McKittrick gave us an excellent report on The Lions Foundation of Canada - Dog Guides. In the past year 28 Canine Vision, 22 Service Assistance, 24 Hearing Assistance, 12 Seizure Response, 53 Autism Assistance and 5 Diabetic Assistance Dogs have graduated. Let's keep up our support of this great work.

Lion Chris Barnard submitted a report from the Lions Eye Bank and Lions Foundation of Manitoba and North West Ontario. We have

recycled over 1.6 million pairs of eyeglasses since we started the operation. We have four one-bedroom apartments in the Lions Manor on Sherbrook Street in Winnipeg for people from rural Manitoba to use when they come in for medical treatments, etc. The occupancy rate has been 98%.

Our Children's Hearing Research center has recently opened and we have already worked with 36 families. Your continuing support improves the lives of so many.

## WHAT ABOUT 5M13?

I am looking forward to visiting with you. Because of the traveling distance and the limited budget, LCI has suggested that two or more clubs combine to organize a visit. I hope this will be possible and we can have a fun evening.

We are still looking for Lions to fill positions on your District Cabinet.

At present we do not have: Zone Chair for Zone 3 (Dauphin, Gilbert Plains, Ethelbert and Pine River); Global Membership Team Coordinator; 2nd Vice District Governor.

# GRASSROOTS MUSINGS

LION GORD KINGDON,  
1ST VICE DISTRICT GOVERNOR

Welcome to the new Lions year!

It is always a wonder to us as to where did the long days of summer disappear to. I hope you enjoyed the summer and got to do at least some of the things you had planned, and got to spend time with family.

Summer is a busy time for a lot of Lion clubs in our district. I know it is a busy time for our club, especially during July.

In early August I had the opportunity to go on a tour of the Leader Dog Training Facility in the state of Michigan that helps the visually impaired. This facility is very much like our own Guide Dog facility in Oakville, Ontario. It was a great opportunity to see Lions support in action as they raise, train, and provide the dogs at no cost to the client. They also train the visually impaired to live and work within the parameters of their challenges, helping with the use of physical aids like using a cane or other electronic devices.

This gave rise to some thoughts as I was travelling home, on how we can keep our motto "We Serve" close to our hearts and minds as we go through the new Lions year. There are many faces

to these two words, and they don't always apply to just the work we do for the people of the local or global community, although those are the ones that we need to promote so folks see what we can and are doing. On that line of thought, I was speaking to a couple the other day, about their monthly trips to Winnipeg to have their son attend medical appointments. I was able to offer them some

*I believe you have a lot to offer your club and Lions International not only in doing the great work you do, fundraising and doing the projects you help with, but also by expanding your comfort zone, and stepping into a leadership or committee chair to work with others in the district.*

comfort by telling them about the availability of the accommodations provided by 5M13 Lions Clubs at the Lions Manor. That is one of the "feel good" moments of "we serve", but what I would like to remind you of is that there are other ways that you can help.

As in all organizations, Lions clubs and the district don't operate without the behind the scenes work, and all that goes with it. What I am alluding to is the people that serve as your club officers, the Zone Chairs, and the other committee chair people, as well as your District Governor, who offer their time and talents to provide leadership and

guidance to keep the machinery oiled and operating, so to speak.

So what can you offer? Yes you.

Oh I can hear you say, "but I don't have anything to offer", and that is where we differ in our opinion of you and what

you can do! I believe you have a lot to offer your club and Lions International not only in doing the great work you do, fundraising and doing the projects you help with, but also by expanding your comfort zone, and stepping into a leadership or committee chair to work with others in the district. Take baby steps or the one step at a time approach, and talk to someone that can help guide you. No one else got to be where they are without taking steps to learn something new, whether that is by taking a course, tagging along to learn what is behind the scenes, or talking to someone about "how do I get there from here".

How did you get to where you are now, in your job or profession? By stepping up and learning something new, right! You are in charge of you, so you are the only one that can hold you back. It is time to take that next step. I extend my hand to you and together we can take on that new challenge. It takes time to learn something new and nobody expects you to know all about it when you start out.

The reason I thought I would bring this forward is that the District Governor and the district need your help to fill some positions on cabinet, not only this year but in those years to come. Yes it is a bit more of a commitment in time and responsibility, but it isn't anything you can't handle. Please take the time to consider the request when you are asked, to use your talents or skills and take the opportunity to try something new, whether it is on a committee, in your club or district. Someone else obviously believes in you. Shouldn't you too!!

## Lions Eye Bank, Lions Foundation and Lions Hearing

Lions Eye Bank, Lions Foundation and Lions Hearing say **THANK YOU!**

We thought you would like to know how meaningful you have assisted those in need.

The Lions year 2014 – 2015 accomplished the following:

### Eye Bank

32 eye exams and eyewear  
6 surgeries, prosthetics and equipment  
Committed \$48,000 to Misericordia Health Centre for equipment  
Committed \$1,900.00 toward computers for the visually impaired

### CLERC

With your efforts we shipped 37,170 pairs of glasses to Calgary to assist those in developing countries. Please continue to recycle eyeglasses on our behalf.

### Hearing

We assisted 19 people in obtaining hearing aids that otherwise would not be able to afford them.  
We have collected over 800 pairs of hearing aids to date. Please continue to recycle hearing aids on our behalf.

### MAP

We have financially assisted 20 individuals for medical situations not covered by Manitoba Health.

### Rural Housing

We have 4 new 1 bedroom apartments to assist those needing medical treatment in Winnipeg. This past year 28 people have stayed with us for anywhere for 2 days to 3 months.

We were pleased to award **62 Hope Medals** and **21 Ben Ward plaques** to clubs. Your contributions mean a great deal and individuals receiving this recognition are deserving.

The **Parade of Green** generated \$40,875.00 from all 3 Districts for the Lions Eye Bank, Lions Foundation and Lions Hearing.

**Journey for Sight** created another "banner year". Raffle tickets raised \$24,500.00. Thank you to the Bowsman Lions Club. At time of submitting this newsletter, we do not know the amount raised from this year's ride. However, Journey for Sight has raised \$2,101,497.36 since 1986. What an accomplishment!! The Lions Eye Bank is very grateful for their dedication.

With our combined support we made someone's life a little easier!

This past Lions year our programs spent over \$100,000.00 assisting with Lions Eye Bank, Lions Foundation (MAP) and Lions Hearing Canada. With a commitment of an additional \$48,000.00 designated to Misericordia Health Centre at the Buhler Eye Care Centre Medical Lab.

Please view our Web Site at [eyebankmanitoba.com](http://eyebankmanitoba.com) for information that you may find useful.

We ask that Brandon and surrounding areas, please donate your used eyeglasses for recycling for CLERC to Doug Smallwood with Brandon Wheat City Lions Club.

Let us look forward to another exciting and beneficial year.

Pallets of batteries are assembled, boxed and bound by two teams of Virden Lions Club members on May 29. Garnet Goodridge, on the right, is operating the strapping machine. This team, (from l-r) Murray Hagyard, Alex Grieve, Dick Noble, Ken Wardle and Tom Makarchuk (kneeling).

## Virden Lions recycle batteries

By Anne Davidson  
Virden Empire Advance

"It's a win-win. We raise money and we help out the environment," says Barry O'Grady, treasurer for the Virden Lions Club.

The club has just finished boxing, binding and loading

about 1000 used batteries that will be sent to Winnipeg; exchanged for cash.

O'Grady was the photographer and gofer. He explained that about a dozen Lions, of the 36 club members in Virden, worked together in two teams to get the job done.

Fontana Trucking volunteered a forklift and a driver to lift the pallets of bundled batteries onto the

Gardewine truck. A single layer of batteries was topped with a couple of bundles of flattened radiators.

The club assembled the load at Garnet Goodridge's property northeast of Virden. The batteries are shipped when a full truckload has been assembled. The Lions will travel for batteries. If a person or business at a distance has assembled a few batteries, a call

to a Lions member will put the plan into action. They will pick up the used batteries and/or radiators. Even smaller batteries from motorcycles and small engines are welcome.

Later in the day, the reward for a job done - Virginia Goodridge served pie and coffee following a field feast of take-out fried chicken.

## Leo Report

Hello I am Lion John Peters from the Wawanesa Lions Club. I am the new Leo Chairmen for 5M13. I am in this position because I believe generosity, good fellowship and ethical ambition to be good deeds and are rare qualities that are created in the raising and teachings of an individual. Even rarer is to see these qualities in youth.

My goals I will be trying to complete for this year are:

1. To make contact with all the advisers and their Leos and see what kind of kids these are and what they're doing.

2. Then I'm going to promote what they are doing and try to create a sense of wanting this type of club in other communities through newspapers, radios, Facebook, etc.

3. Then with a little luck, I wish for all the Leos to attend the February 2016 Mid-Winter Convention in Portage for one day, whether for a Leo presentation or just to watch the festivities. The goal here is that they meet like-minded youths from other places.

4. Finally at the end of this fiscal year I will deliver pins, certificates and awards to deserving Leos, and advisers as recognition for their efforts this year.

5. By the very end of this year I hope another Leo club will be established in Brandon.
