VOLUME 29 Number 01 JUNE 2014

THE ONLY ALL CANADIAN DISTRICT IN 5M

A "pride" is a close-knit family of lions, as can be found in the savannahs of central Africa. Each member of the pride has responsibilities. Whether they are the hunters, protectors, caregivers, teachers, or learners, they work as a team, for survival and prosperity. If even one member of the pride does not fulfill its role, it can affect the entire group.

There is another group of Lions just as proud. But unlike the lions of Africa, these Lions aren't feared. Instead they are admired and respected. They, too, form a ring of protection, and they have shown themselves to be skilled hunters providing food for the hungry and tending to the needs of a different flock. Their territory has spread to every corner of the world and they bring goodness wherever they exist. It's us – the 1.35 million members of Lions Clubs International.

The English dictionary provides another definition of the word **"Pride"** – a feeling of happiness that you get when you or someone you know does something good. It is not the pride of being boastful it is the pride of accomplishment in building communities, doing good, and reaching out to assist others.

Lions are indeed a proud organization. There is a feeling of pride shared among our members, knowing that our commitment to serve the needs of others is what has made us, and keeps us, the global leader in humanitarian service. It is the same pride that has sustained us for 97 years.

We can "Strengthen the Pride" by bringing the full Lion's family closer together, working in a spirit of cooperation and understanding, with each Lion member doing their share. And we can **"Strengthen the Pride"** through our many meaningful accomplishments. This is the platform for not only success this year, but through our centennial and well into the next hundred years.

PRESIDENT
JOE PRESTON

This year, I want to focus on strengthening our clubs, our service and our association. To do this, I'll be sharing valuable information and resources with Lions leaders and members throughout the year. I am asking for your help in working closely with your members. Together, we can strengthen the pride!

Lions are international leaders in humanitarian service because of clubs like yours and leaders like you. A club with strong leaders and engaged members can make a real difference in the community.

Lions are already responding to the

"Ask One" campaign and clubs around the world are encouraging members to ask one friend, one neighbor or one family member to join their club! The concept is simple, and Ask One could make a big difference in your membership efforts.

There's nothing like the feeling of serving those in need, so let's pass it on. In September, I'd like you to help inspire the next generation of Lions by engaging our youth in service.

Consider promoting LCI youth programs, starting a Leo Club or partnering with a local school on a literacy project. Better yet—get young people involved in planning a project so they can learn *and* serve with you.

The Centennial Service Challenge encourages Lions around the world to serve 100 million people by December 2017. Every club can play a part in reaching our goal. Here's how you can join the Centennial Service Challenge:

Here's how you can join the Centennial Service Challenge:

Host service projects throughout the year that impact Youth, Vision, Hunger or the Environment.

Report your service activities through the Service Activity Report on MyLCI.

Earn a Centennial Banner Patch with a progressive gemstone design for each year your club participates.

As Lions, we know that a single act of service can change a life. But when 1.35 million members come together to serve, we can change the world.

When we engage our youth, we can earn special recognition in the centennial service challenge. In the coming months, be a role model. Be a mentor. Be a Lion!

Thanks to all Lions for all that you do.

PCC Lion Miles Phillips dies at 84

Lions International has lost one of its well known advocates.

Past Council Chairman Lion Miles Phillips and former longtime editor and publisher of the Boissevain Recorder, and The Manitoba Lion, died August 2, 2014 at the Boissevain Hospital after a short battle with bone cancer. He was 84.

Lion Miles was an outstanding member of the Boissevain Lions Club since February 15, 1957 when the club was chartered. During that time he had served on countless committees and offices, including director, secretary and president.

In addition, Lion Miles has served at the district level as Zone chair (1961), Vice District Governor 5M3 (1962) and District Governor 5M3 (1964). During

his term as DG he visited all of the 66 clubs in the 5M3 District in Manitoba, NW Ontario and NW Minnesota.

In 1965 Lion Miles served as Council Chair for MD5.

Lion Miles was presented with a Life Membership in 1977. He received numerous attendance awards, Governor's Awards, Melvin Jones Award and International President's Award. He has personally sponsored in excess of 15 members.

But probably his greatest contribution to Lionism was his personal public relations with everyone he met, everyone loved Miles. His personal ambassadorship was priceless and unmeasurable. Lionism was always a high priority in Mile's life. He epitomizes the QUALITY Lion.

Miles emigrated to Boissevain in 1952, a young man fresh out of Scotland with a farm diploma and work experience under his belt.

He purchased The Boissevain Recorder in 1966 and was publisher and editor of the weekly newspaper until his retirement in 1999.

He also served on Boissevain Town Council for 20 years.

Left to cherish his memory are: wife Shirley, children Margaret Lea (Paul Conway), Robert (Andrea), Nancy (Lee Richels) as well as grandchildren Cally and Thomas Phillips, Jonathon Richels and Miles Phillips, sister-in-law Lynda (Clifford) Harbin, and family Kari (Jayme) Nelson, Bruce (Joni) Harbin, Lana (Greg) Hynd and families.

PDG Lion Lloyd McCabe to chair 5M13 LCIF

This is to inform each of you that I have agreed to Chair the Lions Clubs International Foundation (LCIF) committee for this coming year. PDG Harvey Kingdon has represented LCIF in our District for many, many years and we all need to thank him for the excellent job that he has done. I know I will be turning to him for advice through out the year.

My goals for the year include the following:

To visit at least 6 – 10 clubs through the year, so if any club wishes me to come to talk about LCIF please don't hesitate to call me or I may just show up at a meeting.

I would like to increase our Clubs

participation in LCIF by 6 – 15%, 33 Clubs participated last year.

I do plan on having 3 – 5 articles in the Manitoba Lion during the year.

I will have available an update for each Club on their Melvin Jones Fellowship (MJF) recognition credits. Please contact me if you want an update.

Our District Club donations for 2013-2014 was \$15,365.84. I would like to see this increased to \$17,000.

I would like to set a goal of \$2000 towards the One Shot, One Life Measles Initiative. Any child that is affected can have severe consequences.

The recent earthquake in China affected many thousands of people with an estimated 600 lives lost and more

than 25,000 homes lost.

As you've probably read LCIF provided a US\$250,000 Major Catastrophe Grant with money from the disaster relief fund. We now have over 21,000 Lions in China, many of whom were impacted by the disaster. Please consider donating to the Foundation for disaster relief. Any donation gets your Club on the road to qualifying for the Club Excellence Award.

Yours in Lionism
IPDG Lloyd McCabe

New 5M13 flyers and brochures available to help boost your clubs public relations

The Lions District 5M13 brochure and flyer have become a reality thanks to the Lions International Public Relations Matching Grant we applied for and received. A copy of the final report for the grant appears in this paper. Some

brochures have already been distributed to clubs for use at their summer activities. Congratulations to Sandy Lake, Shoal Lake and Wawanesa for jumping on the bandwagon. Brochures were also put in the goody bags for the "Lions Roar for Hearing". If your club is having an event, brochures are available for information purposes or for membership recruitment. Just contact me at dmmart@mts.net or 204-824-2457.

In June, flyers promoting Lionism were inserted in the "Westman Journal" and from all reports it was rather exciting to open the paper to see the smiling faces of our District Lions. The remainder of the flyers will be placed in selected community newspapers in our District

There are extra copies of the "Manitoba Lion" available to Lions clubs each month on a first come, first serve basis for use in your community. You may wish to deliver them door-to-door or perhaps, do a bulk mailing. How you use them is your choice,

however all costs associated with getting the papers and distributing them are the club's responsibility. Please contact me if interested in promoting Lionism in your community.

Lions Clubs International Public Relations Matching Grant 2013 – 2014 District 5M13

District 5M13 initially applied for a LCI Public Relations Grant on September 14, 2013 and then, because that application went astray, reapplied on January 19, 2014. Approval for the grant of \$1750US was received on February 14, 2014.

The Public Relations Matching Grant was used to publicize and promote Lions District 5M13 in the following ways:

1. The District Public Relations Chair designed and produced a Lions District 5M13 double fold, full-colour brochure. 7500 brochures were printed for distribution to District Lions Clubs as an information tool for prospective members, community events, etc. They will also be used by the district Governor and Cabinet for P.R. purposes.

2. Extra copies of the District 5M13 newspaper, "Manitoba Lion" were used as inserts in

a community newspaper for publicity purposes.

3. It was decided that more people could be reached if a one-page flyer was produced to be inserted in community newspapers in selected areas of the District. As a result 30,000 full-colour flyers were printed. To date, 15,700 flyers have been inserted in the Brandon Wheat City Journal which covers the city of Brandon and surrounding area. The remainder of the flyers will be used as inserts in other community newspapers early in the fall when the clubs are back meeting regularly and more active.

Both the brochure and flyers have been very well received by Lions and the general public because they are bright, clear and readable. The fact that local District Lions are featured makes the publications even more attractive.

Project Pride

Crystal City Lions once again serve their community

Canada Day is July 1st and it is an opportunity to gather in our communities from British Columbia to Newfoundland, to celebrate being a Canadian.

As we look ahead we have every reason to face the future with hope, confidence and enthusiasm.

Crystal City Lion Cheryl McKittrick presents the Crystal City Early Years Grade One students with a Canadian Flag, a Canadian Flag pin from Candace Bergen's Office, and a certificate that states "I am proud to be a Canadian". All the children dressed in red and white in preparation for the Lions visit. It is so special to see the students and their many smiles and "Thank You's" when they received their Flags.

Project Pride at Ethelbert School - Flags and certificates were presented to Kindergarten, Grade 1 and Grade 2 by Lions Marjorie Linaschuk, Linda Soloway and Betty Brasseur.

Protect your children!!

Lion Cheryl McKittrick, Lion Bruce Buchanan and Lion Matt Balky from the Crystal City Lions Club completing Identification Kits for Kindergarten Students in the Crystal City Early Years School. Each Kit has an area for the parents to complete and the Lions complete the finger printing area.

This is an annual service that the Lions club started many years ago and will continue to complete this process on all Kindergarten students. All costs are covered by the Crystal City Lions Club. What a great protection for the youth in our communities. Lions are proud "To Serve".

Bowsman Bull-A-Rama to host rodeo group finals

Attention rodeo fans!!! The 2014 Bowsman Bull-A-Rama Rough Stock Rodeo will be held on Saturday, October 4th and this year we will have an exciting new event being held in conjunction with Bull-A-Rama, the hosting of the Sask Buckin Group's Finals.

The SBG is promoting the saddlebronc and bareback horse riding events to younger riders and this year the top three riders in each event will be riding in Bowsman. Come and see the future champions in the sport of rodeo makin' eight, just like past Bowsman Bull-A-Rama competitors who are now PBR bull riders, Tanner Byrne and Zane Lambert. Tanner was fifteen years old when he came to ride in Bowsman and said that Bull-A-Rama was the first event he ever rode in.

We will also have top riders from the Canadian Cowboy Association competing in the saddlebronc, bareback, and bullriding events for a spot in the CCA Finals Rodeo. Due to popular demand, the Wild Horse Race will be returning as well. Emery Erickson will be the announcer and Prime Time Rodeos will be providing the stock.

Get here early and take a wagon ride to the Bowsman Curling Rink to enjoy a steak and live music at the Old Western Family BBQ and Saloon on Saturday afternoon before the Rodeo starts. Kids accompanied by a paid adult get a free hot dog and drink. Music will be provided by the Ken Thompson Band. There are also rumours that the wanted outlaw "Bad Bart", who was captured after the "shoot out" at last year's BBQ, is looking for revenge after his escape from the gallows.

Starting at 9pm there will be an all ages dance back at the Curling Rink. Free camping is available again, so bring your campers and tents if you want to stay the night.

2 FREE TRIPLE PACK TICKETS will be given out on the 2014 Bowsman Bull-A-Rama Rough Stock Rodeo Facebook Event page.

A Triple Pac ticket will get you into the BBQ, rodeo, and dance. Join as a guest and to see who is going to be eligible. Don't forget to invite your family and friends. Winners will be decided a week before on Saturday, September 27, 2014

Boissevain Lions pays homage to Tommy's 40 years

Most of us would kill to look better at 40 than we did a few days earlier, but this was possible for Boissevain's icon just before his big day.

Brandon artist Anne Boychuk was able to finish putting a fresh coat on Tommy Turtle in time for his 40th birthday bash on July 18. Although just a few weeks before he looked more like a polar bear than a western painted turtle, he was fully decked out in fresh colours looking like the important mascot he has been for many decades.

The Boissevain Lions Club organized Tommy's celebration.

The party started with a photo with Tommy. The fun continued downtown with a BBQ lunch served by the Lions, followed by birthday cake, kids carnival and entertainment.

"Tommy has been part of our family for 40 years," said Lion Lorraine Houston, "and the community came out to spend his special day with him."

In celebration of Tommy Turtle's 40th birthday, a large group of "Turtlets" came out to start the party and have their picture taken with him on July 18th.

Sharron Fikkert of the Boissevain Bakery went above and beyond creating a special birthday cake for Tommy.

Boissevain Lions served about 500 guests at a BBQ lunch for Tommy's Birthday. Chefs of the day included: Back row (l-r) Lions Gord and Laura Turner, Ron Turner, Lorraine Houston, Hugh McRuer, Melanie Beard, Larry Rainnie, Bill Dougall, John Smith. Front: Doug Robertson, Les Hosuton and Maurice Kohut.

Birtle Lions raise \$3,444 for Lions Dog Guides

Birtle Lions Club held their 1st Annual Purina Walk for Guide Dogs on Sunday, May 25 at the Birtle Riverside Park. Participating in the event were 11 dogs and 19 walkers.

Total donations and pledges received were \$1,722 which was matched by the Birtle Lions Club for a total amount of \$3,444. These funds have been sent to the Lions Dog Guides, located in Oakville, Ontario where the funds raised help train Dog Guides for Canadians with visual, hearing, medical or physical disabilities.

It costs \$25,000 to train each dog and the service is provided at no cost to eligible individuals, anywhere in Canada. Dog Guides are not government sponsored and rely solely on donations from individuals, corporate sponsors and service clubs. Each walk is organized by local volunteers with support from Lions Foundation of Canada.

Birtle Lions Club would like to thank the many people who participated and supported this event through their generous donations. Special thanks to Lions Ruth and Myrtle who organized the event and are already making plans for next year.

Hamiota Lions dog walk raises \$1,341

The Hamiota Lions dog walk took place on Friday, May 23rd, starting about 2:00 pm at the Hamiota Elementary School. The walkers consisted of 28 Grade One's and some younger siblings, their teachers, 8 mothers and their dogs and 4 Hamiota Lion members. The walk went around the town, passing Lilac and Park senior citizen residences.

When the walkers returned to the school each child was given a treat bag as a thank you for participating in the walk. The Hamiota Lions raised 1,341.35 dollars for this event.

Rossburn Lions activities

Rossburn Lions Club were busy roaring with local activities. On May 27 there was a Lions Day at Rossburn High School where Lion members hosted a pancake breakfast for students and staff and Lion President Shirley Kalyniuk shared how valuable a volunteer is any community and how little effort it takes to become passionate and available to help make a school and community a place that gives when needs arise.

Grade 1 class also enjoyed a visit from Lions members with Project Pride on June 3. It reminds us all how we should be proud to be Canadian. We are free to be individuals regardless of colour or beliefs and to remember the symbol of our country is the Maple Leaf.

Rossburn Lions Club had one more activity. Goods and Services Auction on July 19 at the

Rossburn Lion Shirley Kalyniuk sharing volunteerism with RCI students and staff

Agri Rec complex, and concluding their busy year with windup and award presentations on June 11 at Golf Course Restaurant. Lion George Davis and Lion Mark Wood received Hope Medal awards and Lion Shirley Kalyniuk received the Ben Ward award presented by Zone Chairman Lion Roy Graham.

33 clubs in 5M13 give \$15,916 to Lions Clubs International Foundation

For the past five years I was the District 5M-13 LCIF Ambassador for the Lions Clubs International official charitable organization. It was founded in 1968 to accumulate funds to help those in need in five large scale humanitarian areas – promoting sight, combating disabilities,

promoting health, supporting youth, and providing disaster relief.

Thank you for your efforts in annually increasing the number of clubs involved and the total contributions made. During the past year 33 of our 61 clubs contributed to LCIF

for a total of US \$15,916.36.

This year our IPDG Lion Lloyd McCabe is our LCIF Ambassador. Please give him the support required in raising funds for these large scale humanitarian projects.

Students wanted for travel, fun and new experiences

Students wanted: For travel, fun and new experiences! A three week commitment to make new friends, have fun and see a different country (of your choice) somewhere in the world. You'll only have 107 different camps to choose from. No parents allowed!

Does that sound like something you and your community would be interested in?

As Lions clubs, you have the opportunity to provide that for a youth in your community! Male or female, between the ages of 16 and 22, and a desire to meet and learn

about new people of the world, that is all they need, well maybe a passport too.

As a Lions club your club can support them in different ways but in the past some of the clubs have provided each student with a monetary assistance package but there is no set amount or type of assistance that you have to provide. There is also no limit on the number of students you can send!!

It is easier to get the students into the exchange and camp of their choice the earlier we put the applications into the various YCE

chairpersons, so don't wait too long to get the applications to me. (Hopefully I will have another chairperson learning the ropes and we will do it together!!) There is a listing of the exchanges and camps available on the LCI website – just type in “youth camp” in the upper right corner of the MYLCI webpage. The application forms are also available on the website.

Give me a call if you have more questions or need some help with it.

Lion Gord, YCE chair
5M13 District

How would you like to show off Canada to the rest of the world?

5M13 Youth Camp & Exchange Program New Chairperson needed!

Hello fellow Lions of 5M13! Well 3 years has gone by pretty quickly and things change, so I have decided to move forward and with that come new challenges and responsibilities. For that reason I'm on the hunt for a new Chairperson for the 5M13 Youth Camp and Exchange program!

This position is an exciting one and does require some time and effort throughout the year, there is no getting around it, but it is also very rewarding as you deal with Lions around the world and the young people from many different cultures. Every year you get to learn about somewhere new and develop new friendships with these young people. I have been more involved on a personal basis than some like to be but that is also part of the uniqueness of this program, you can be as involved as you want to be in the actual day to day part of the exchange and camp. You work with Manitobans to set up some activities and you won't believe how much we have in this province until you start working to try to choose which ones to include in your program. WOW it is just amazing how rich we are here, with so many things to do and see.

The chairperson is responsible for running the budget, reviewing, selecting applicants, identifying host families and arranging some of the activities of the camp and exchange. There is lots of information about your responsibilities in the long range

planning book, put together by the district, and on the LCI website. You will also communicate with the District Governor and LCI through reports throughout the year. You won't be alone! If I learned it you certainly can.

I am prepared to work with the new chair of the YCE through this Lions year of 2014-2015 and assist them getting a handle on the ropes. I would like to concentrate on promoting the outgoing side of the program and speak to the clubs about sponsoring a Manitoban youth on an exchange.

I would like to thank my family, especially my wife Lion Wanda, for indulging my requests to be a host family and allowing the time commitment that permitted my full attention to this program. Thank you to all the Lions and their families that have taken in an exchange student and showed off Canadian life and Manitoba sights and sounds.

Lion Gord Kingdon

First VP Lion Ron Findlay drives the new Lions Train, which he created, in the Teulon Rodeo parade. There are six cars, which are used to give children rides at the various events in which the Lions take part.

2014 marked the 30th anniversary of the Teulon and Area Lions Club

Our 30th year saw the Lions engaged in a very busy summer. A rainy Canada Day caused the celebrations to be moved from an outdoor venue to Teulon Hall. Despite that, the Lions managed to serve a tasty turkey dinner to a large appreciative crowd.

On the hot August 16th weekend, we operated the canteen for the Teulon Truck and Tractor Pull, and had a record crowd attend! And, we have an added attraction! A new

train! The little train is the creation of Lion Ron Findlay who spent months working out its plan, and then constructing it! The Lions' Train has already visited a summer camp, was on display at the Tractor Pull, and Lion Ron proudly drove it in the Teulon Rodeo parade, on August 23rd. We plan to make good use of it in the future!

The Teulon and Area Lions Club look forward to its next 30 years!

New Teulon Lion member shaves head to raise funds for young boy

Teulon Lions newest member is a very special young woman! Cheryl Stark shaved her head to raise funds for a local 4 year old boy! The local paper, The Stonewall and Teulon Tribune, featured a photo of Cheryl, having her head shaved, on the front page of their May 15th issue! We are very glad she decided to join because she is just the type of community-minded individual the Lions need!

Submitted by Lion Judith Dedrick-Williams, President, Teulon and Area Lions

Lions prepare the turkey for the Canada Day dinner. Yes, that is a rare photo of PDG Lion Josip Lecnik hamming it up for the camera!
