100 Years

5M13 Lions Convention
NOVEMBER 17-19, 2017
Winkler, Manitoba

FRIDAY ENTERTAINMENT
Corny Rempel - Canada's
#1 Elvis Tribute Artist

**NEW: Register online at www.5m13lions.org
or complete registration form on page 3.**

It is getting to be an exciting time in 5M13. DG Helmut and First Lady Rosana have officially taken the reigns as our fearless leaders for the next year, summer is over, autumn is here, and winter is around the corner (not so exciting), but that means Convention is also just around the corner.

Hotels are booking up very quickly so please book earlier than later!

The committee is very excited about our Friday evening entertainment. Corny Rempel of Steinbach, Manitoba is the best Elvis/Johnny Cash tribute artist I have ever seen. He is so good that he recently won the Penticon, BC Elvis competition and will be representing Canada in Memphis at this year's Ultimate Elvis Tribute Artist Contest.

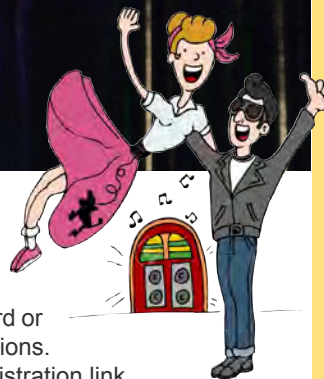

Elvis is alive and will be in the building!

On page 3 you will find the convention registration form. New this year - you can now register online and PAY with your credit Card or PAYPAL. Visit www.5m13lions.org to access the online registration link.

We have some amazing speakers throughout the weekend including none other than the FIRST LADY of 5M9 Lion Michele Plagman. I can't wait to hear what she has to say. It should be a hoot!!

We are very excited for our Convention in November but it won't be as much fun unless you are all there to enjoy it with us!

Yours in Lionism,
Lion Shannon Dueck, Convention Chair

The Morden & District Lions Club is organizing a power point display for the Convention. We would like assistance from all the 5M13 Clubs. To celebrate 100 years of Lionism

participation in Lionism.**

PID Brian Sheehan
MD5M
Candidate for
3rd Vice President
LCI

Congratulations to Brian and Lori. Brian has received the endorsement from the Executive Officers of LCI to run for 3rd International Vice President at the convention in Las Vegas in 2018. So we need to attend the convention and vote to get Brian elected.

The International Convention is a great experience. There are plenty of activities to do along with enough free time to visit the host city. A Lion can participate in seminars; enjoy entertainment shows by fellow Lions and professionals, sign up to help with a community project, walk in or watch the International parade and more.

The International Convention will be held at the MGM Grand Hotel. The delegation hotel for MD5M is the Luxor hotel which is only 15 minutes away and is reasonably priced. You can find the room rates at lionsclubs.org / LCICON. After January 12, the delegation hotels tend to fill up quickly, so early registration is good.

To register: go to Lions clubs international website lionsclubs.org and click LCICON on the right side of the Lions Emblem at the top. There you will find information about the convention. Please visit this website often as LCI updates the information especially closer to the date of the convention which is June 29 – July 3.

The Power of We: 100 years in the making

I think it is about time that I introduce myself.

My name is Lion Helmut Neufeld and I am your District Governor Elect for 2017/18. This means that I will be your DG for the Li-

DG Helmut Neufeld

ons Centennial year. My wife Lion Rosana and I have been married, (to each other) I might add, for the past 45 years. We are members of the Shoal Lake Lions Club and have served in various capacities. I have been Vice President, President and Zone Chair and my wife is presently the Secretary for our club. Besides our Lion Family we have a daughter Shannon who is married to David Dueck. They have two teen age daughters and Dave and Shannon are both members of the Morden Lions Club. I had the pleasure and honour of inducting both of them. I believe that Dave has the honour of being the first Lion in our district to be inducted electronically as he was out of town that day. Shannon is presently Vice President of that Club and is also my Centennial Convention Chair. Our son Jason lives with us in Shoal Lake and he is a parts technician with Rocky Mountain Equipment.

The past year has been a busy one for Rosana and I as we have been busy travelling to various locations within MD5M. These trips included one to Mahnomen, then to Detroit Lakes, then Minneapolis for training and Council of Governors meetings and then off to Bemidji for the Multiple Convention. Besides these trips I have attended various club meetings and zone meetings within our district.

As your DGE, I have had the obligation to produce a number of plans or goals which our district will attempt to achieve. While I had the task of drafting these plans it is my hope that we as a district can claim these plans as ours and strive to accomplish them. It is my aim that we as a unit concentrate on having all our clubs being in a healthy position. With this I mean hav-

ing each club with a healthy sustainable number of members and having each club with a healthy active service plan.

I would like each member to be aware of these goals and therefore I will list them.

- 1: Have each Club at a plus two in membership by July 1st of 2018.
- 2: Start a new club in 5M13 by March 1st of 2018.
- 3: Increase female membership by 25% in 5M13.
- 4: Reduce membership loss by 15%. (this does not include health issues).
- 5: Provide training to all club officers and have 80% of officers trained during the year.
- 6: Provide training to all Zone Chairs prior to the first Cabinet meeting.
- 7: Have the District executive highly involved in all aspects of these plans.

I think that you can see that each of these goals is achievable and that achieving them will make for healthy clubs within our district. Just imagine if each club was a plus two. That would make 110 new members.

Think of what new enthusiasm that would create.

Think of the community service work that could be accomplished.

Think of the service that could be done in the greater local community such as the number of dogs that could be trained for those in need. If we try we can do this.

Remember Lion Brian's famous say, "Don't quit, don't give up, keep trying!"

DG Helmut Neufeld

100th Lions International Convention in Chicago

What a convention! Were you there? If not, you missed something that will never be repeated at a Lions Convention until 2117.

The International Parade was awesome! The inflatable snowman made his first appearance since the 2009 International Convention in Minneapolis. He was the hit of the parade as MD5M was the only delegation with an inflatable in the parade.

We had 3 snowman outfits that were loved by everyone. Before the parade began, they were posing to be in pictures with other countries and many children.

We had 2 bands from Minnesota in the parade. One band walked the parade twice to provide music to everyone. Waconia High School placed 1st in Division 2 and East Central/Willow River High School placed 2nd in Division 1.

The entertainment topped any other convention ever held. We enjoyed the "Beach Boys", "Chicago", "Blues Brothers Review", "Charley Daniels Band" and "Patti LaBelle", along with a few others.

The message of the Plenary Sessions was the Environment with Former Vice President Al Gore, Former U.N. Secretary General Ban Ki Moon spoke on International Relations, and Vision was highlighted.

Patti LaBelle spoke on living with Diabetes as well as singing. Let's not forget the amazing African Children's Choir. The Exhibit Hall contained the ever popular Lions Store, Technology and Leo's just to name a few.

The vendor booths are always interesting

and very popular. If your club is interested in a great fundraiser, contact TerriLynnCares.com or call 888-736-9568. They sell fabulous bagged nuts and chocolate covered nuts that can earn your club those funds you need to add to your treasury. Of course there were others but this was one of my favorites.

The time you spent away from the convention was not really down time since there is so much to sightsee in Chicago. The sightseeing tours of the city, boat tours of architecture and history was a hit, along with the sculptures, statues, Lake Michigan, the Navy Pier, Cloud

Gate (Chicago Bean), and baseball games.

We said our goodbyes to the Immediate Past International President Bob Corlew & Lion Diane and elected our new International President Lion Dr. Naresh Aggarwal from India. The delegation from India put on quite a show with their music, dancers and speeches. Also were elected was our 1st International Vice President Lion Gudrun Yngvadottir from Iceland who will be Lions Clubs 1st woman International President next year, 2nd Vice President Lion Jung-Yul Choi from the Republic of Korea and 3rd Vice President Lion Judge Haynes Townsend from Tennessee. If you remember he has been in MD5M a number of times as a visiting ID at many conventions.

What else did you miss? FRIENDS! The visiting, the hugs, the handshakes, and conversations. You did not pass a restaurant, bar or even lounge area in a hotel without a group of Lions & Leos clustered and visiting. It was wonderful to see people and meet new friends from other countries.

So now, mark your calendar for next year's convention in Las Vegas, NV from Friday, June 29-Tuesday, July 3, 2018. MD5M Past International Director Lion Brian Sheehan throws his hat into the ring to be elected Lions Clubs International's 3rd Vice President. There will be campaigning help needed plus all the other wonderful things you will be able to do in Las Vegas. Hope to see you there!

Central Bark - A place for dogs to play

SUBMITTED BY HILLARY CAMPBELL

On Sunday, May 28, people gathered around the new Minnedosa dog park along the river's edge. They braved the cold wind, and threatening rain to see the unveiling of the new sign. Dogs and children alike ran freely through the park, and the barbeque gave it a celebratory feel.

The Minnedosa Lions Club sponsored part of the park, which meant that they were in charge of naming the park. They decided to bring the challenge to the experts and enlisted the help of Tanner's Crossing School's grade 7 and 8 students.

The students provided the Lions Club with 33 different options for a park name. The students were given five criteria: The name had to incorporate "Minnedosa Lions", "dog park", it had to be original, and the fourth and fifth criteria were that the students had to have fun.

Some great names that did not make the list of the top three were "Diggety Dogg Dog Park", "Chew Bakka Dog Park", "The Woofers Park", and "Dogs Gone Wild Park".

The committee narrowed down the names, and came up with three finalists. The three finalists were acknowledged and presented with cheques by Minnedosa Lions Club President Donna Illerbrun.

In third place, was Chloe Kushner, who was unable to attend the unveiling, but who submitted "Happy Hounds Park". She was awarded in absentia with a cheque for \$25.

In second place was Cole Cibula, for his creative submission, "Kanine Korale". Cole was awarded with a cheque for \$25.

Finally, the winner of the contest was Robert Tomlinson, for his submission, "Central Bark". Tomlinson was awarded with a giant cheque for \$100, and was involved in the unveiling process. Next, Paul Laliberte, from River's Edge came forward to help Illerbrun cut the ribbon for the new park. Congratulations to Robert Tomlinson for his creative naming rights.

Morden Lions Club Centennial Legacy Tree Planting Project

SUBMITTED BY LION SANDRA LAWRENCE

The Morden Lions Club, consists of members from Morden, Winkler & the RM of Stanley. The Club decided that an appropriate way to leave a lasting tribute to "100 Years For Lions International" would be to plant 100 trees. Some of the trees were planted in Lions Park while the remainder were planted at various locations throughout the City where space and suitability of tree species determine the best sites. Species of trees planted included Ponderosa Pine, Silver Maple, Manitoba maple, Gladiator Crab, Linden and White Spruce. The trees will be an immediate benefit to Lions Park and other areas of Morden and will be there for the enjoyment of many people for many more years.

Our only remaining charter member, Lion Lyle Meeks was able to be part of this project.

The tree planting project was made possible with the cooperation and support from the City of Morden's Community Services Department – Clare Agnew and Parks Manager – Shawn Dias. Funding for the project came from Morden Lions fundraising projects including the Morden Toy Show. Our Charter Member Lion Lyle Meeks was even able to attend the picture shoot.

The Morden & District Lions Club has completed their Centennial Legacy Project. We planted 100 trees in the City of Morden as our Centennial Legacy. Some of these trees were planted in our Lions Park, the remainder in various parts of the city. The funds for this project came from our March annual Toy Show. Our Charter Member Lion Lyle Meeks was even able to attend the picture shoot.

Laura Barker wins Brandon Lions Club 50/50 Draw, proceeds to provide bursaries to nursing students

Each year the Brandon Lions Club organizes a 50/50 draw as one of its major fund-raising events and donates the proceeds as bursaries to the three nursing programs at Brandon University and other local charities. As in the past, the draw was a sell-out and raised a total of \$3430.

The draw was made June 21 and congratulations goes to Laura Barker of Brandon who was the winner of \$1715 and to this year's bursary recipients Robert Boyce, Kathryn Hall, and Marie-Louise Schneeberger. The Club wishes to thank all who supported this project.

Pictured is Laura Barker being presented with a cheque for \$1715 by Ben Ward, Brandon Lions Club Treasurer.

Flin Flon present farewell gift to devoted member

The Flin Flon Lions Club is losing a valued member of the team. Lion (PDG) Andy Stewart is moving to Toronto. He is seen here being presented an award/farewell gift by Flin Flon Lions president John Kuzub. Lion Andy devoted 47 years to the Lions and made the community a better place for his efforts. He will be missed.

Boissevain Lions Club celebrates Canada's 150th and Club's 60th

On July 1st, 2017, the Boissevain Lions Club celebrated 60 years of serving the community by hosting a BBQ and provided free cake in the park during the Canada Day Car Show. Over 300 people stopped by to celebrate with the Lions.

Following the BBQ the club took part in the Canada Day parade with their new float of a train pulling a cage of wild Lions.

Virден Lions host donation evening: 21 groups receive \$63,500

On May 16, in the Lions Hall, 18 Lion members assembled to donate cheques to 21 groups in Virден and area.

Lion members, 34 last count, made possible a financial contribution of \$63,500 to community groups ranging from minor sports, the Fire Department, to Christmas Cheer and animal rescues.

Virден Lions Club helps community life in a variety of ways.

These members contribute to projects that bring in the thousands of dollars that the club donates to organizations and to individuals who may suddenly find themselves in need, sometimes for medical reasons or other unforeseen situations.

The Lions Campground is a beautiful, well-kept camp facility on the east edge of Virден. Treed lots and a nearby creek, along with the necessary amenities,

provide visitors to Virден with a great place to camp from spring through to fall. This campground helps make Virден a destination. In recent years, the club has carved out a few more camping spots. The Lions were joined by Cubs and Scouts for the spring clean-up.

The battery drive is another fundraiser of note. Hard work, commitment and donations from the public make this possible,

usually twice per year.

As well Lions cleaned up ditches around Virден and were the attendants for the Household Hazardous Waste collection day.

Aside from the work, the club also has fun. They meet twice per month. At present Virден has only one lady Lion, but the club would gladly welcome more women to the ranks.

Project pride

PDG Lion Josip Lecnik and Lion Steven Shinnie of the Teulon & Area Lions Club presenting Project Pride flags and Certificates to the Grade One students of Teulon Elementary. It was the first time our club participated in Project Pride.

The Wawanesa Lions Club has once again connected with Mrs. Kaastra's Grade 1 and 2 class by hosting a Flag Day ceremony.

The weather cooperated as the class walked up to the Lions clubhouse, sporting their newly minted Canadian flag shirts. Every student graciously accepted a certificate, pin, tattoo and Canadian flag, being reminded of how fortunate we are to live in this country. To top off the visit, everyone was treated to popcorn, water and juice, to be enjoyed on the walk back to the school. Mrs. Kaastra commented "Thank you so much to our Lions. We appreciate the very special relationship that our youngest learners have with you."

The Wawanesa Lions also enjoy a special relationship with the students of Nature Valley School at Treesbank Hutterite Colony. In recognition of Canada 150, Lions Project Pride was shared with all the students there. Canadian flags, certificates, pins and pencils were presented to each student. Lions recited the "Pledge to the Flag" and students sang "O Canada" as a way of showing their pride in being Canadians.

Creation Of Children's Hearing Aid Loaner Bank

Lions Roar for Hearing Donates \$17,000 to the Lions MD5M Hearing Foundation, Canadian Division – Hearing Committee

The Lions Roar for Hearing, a fundraiser that takes place annually in Austin, Manitoba (5M13 District) has generously raised \$17,000 for the Hearing Committee over the past three years. A cheque in this amount was presented at the Hearing Committee Meeting on June 2nd by two Lion Roar for Hearing Committee members, Lions Don Makinson and Lion Bev McCabe, to Lion Wendy Wiedenhoef, chair of the Hearing Committee. Also on hand to accept the donation were Hearing Committee members, Lions Lloyd McCabe and Helmut Neufeld.

These funds will be used to initiate the Lions Children's Loaner Hearing Aid program that will see loaner hearing aids provided to all Manitoba Regional Health Authority Hearing Clinics across Manitoba for the use of infants and children who are newly diagnosed with hearing loss and are waiting for their hearing aid to arrive or who have hearing aids that are being repaired. The use of loaner hearing aids will ensure that children do not have to go without hearing aids at this important time in their language and cognitive development. This program will be administered by Central Speech & Hearing Clinic (an affiliate of Victoria General Hospital) along with the Manitoba Audiologist Working Group.

The following audiological sites will be eligible to receive hearing aids as part of this loaner program:

- Specialized Services for Children and Youth (SSCY) Centre and Central Speech & Hearing Clinic in Winnipeg Regional Health Authority;
- Portage la Prairie Audiology Centre, Boundary Trails Health Centre (Morden/Winkler), and Steinbach Hearing Centre in Southern Health-Santé Sud;
- Selkirk and District General Hospital and Beausejour Primary Health Care Centre in the Interlake-Eastern Regional Health Authority;
- Dauphin Regional Health Centre and Brandon Hearing Centre in Prairie Mountain Health; and
- The Pas & Flin Flon Hearing Clinics and Thompson Hearing Centre in the Northern Regional Health Authority

As a bit of background as to what Lions have done. A Universal Newborn Hearing Screening (UNHS) program for rural Man-

Lion Don Makinson presenting cheque to Lion Wendy Wiedenhoef Chair of the Hearing Foundation. Cheque was the proceeds from the Lions Roar for Hearing fundraiser in establishing a Lions Hearing Aid Loaner bank for Children. (l-r) DGE Helmut Neufeld, Lion Don Makinson (Chair of Roar for Hearing), Lion Bev McCabe, Lion Wendy Wiedenhoef and Lion Lloyd McCabe.

itoba was initiated by Lions in conjunction with Manitoba Health in November of 2000 in the Brandon and Thompson hospitals. This program continued until September 2016 when Manitoba Health agreed to have a fully funded program through the Manitoba Government. Early detection and diagnosis of hearing loss helps children with congenital hearing loss get the treatment they need as early as possible. During this 16 year period the Lions donated over \$300,000 to purchase equipment to provide diagnostic equipment in the seven RHAs at the time.

Since the Manitoba Government have now provided a fully funded (UNHS) program the Lions initiated a new program known as the Lions Infant Hearing Aid Loaner Bank for the purpose of lending hearing aids to an eligible infant or child to ensure that children under the age of thirty-six months will have consistent and appropriate access to auditory input during the critical period of oral language development.

The Loaner Hearing Aid Bank will be available to infants and children identified with permanent hearing loss in Manitoba. Hearing aid loaner priority will be given to infants and children ages zero to three years with an immediate need for hearing aids. This will typically be as a result of the child's personal hearing aid(s) needing repair or replacement or as arrangements for initial permanent am-

plification is being secured through third party reimbursement.

This year's Roar for Hearing fundraising event will be their 4th Annual Poker Derby and will take place at the Austin Community Hall in Austin, Manitoba on Saturday, September 9th. Camping facilities are available. Events include the following:

- 9:00 am - Pancake breakfast
- 10:00 am to 4:00 pm - Ride (motor cycles/ antique cars) and Poker Derby (any licenced vehicle is welcome to participate)
- 4:00 pm to 6:30 pm - Pasta Supper – All are welcome to attend and enjoy the festivities

Lions come from all across Manitoba to participate in this event and organizers would most certainly welcome anyone with a licenced vehicle. For more information, pledge sheets, or a poker hand if you cannot attend the event, phone or e-mail Lion Don Makinson at 204-637-2533 /204-526-0710 or Lion Marie at 204-573-1853 or e-mail lionsroarforhearing@gmail.com. Roar for Hearing committee members include the following Lions: Don & Bev Makinson and Chad Bodnarchuk and Marie McKean (Austin Lions), Don & Margaret Martin and Keith Murray (Wawanesa Lions), Anita Hart (Portage Lions), Brad Verniest (Holland Lions), Bev & Lloyd McCabe (Brandon Wheat City Lions).

A message from the Executive Director

As we prepare to wrap up our 2016-17 year, we would like to extend a heartfelt thank you to our many donors and volunteers for the tremendous support they have offered our Foundation. This has been an incredible year, and as our fiscal year draws to a close we are thrilled to look back at the many benchmarks achieved!

Congratulations to everyone who was instrumental in ensuring 182 clients and Dog Guides graduated this past year. This planned increase comes on the heels of last year's record year of 159 graduates, while also putting us on track for our long-range target of seeing 200 teams graduate. Being able to achieve long-term goals like these helps to ensure there isn't too long a wait for the individuals who have applied for one of our Dog Guides.

Adding to our overall feeling of success this year were the very strong satisfaction ratings from our recently released Client Survey, which is highlighted for you in this issue of the newsletter. The Client Survey is a valuable tool for our Foundation, and an important means of communication for our clients. This year we learned a significant number of our clients are "extremely satisfied" with their Dog Guides; they place a tremendous value on the importance of their Dog Guides, which brings our Foundation great satisfaction.

This newsletter will also highlight the triumphant success of this year's Pet Valu Walk for Dog Guides. A record-breaking 290 communities provided great support to our six Dog Guides programs through this year's Walk. Your support – and this phenomenal growth – is helping our Foundation to continue to do more for Canadians living with a medical or physical disability. Thank you to all involved!

Sandy Turney

Executive Director

A message from the Board Chair

On June 30th, at our most recent year-end, the Foundation reached several new milestones. For 2016-17, we'd set a lofty goal of seeing 180 teams graduate from our Dog Guides programs; we were able to pass that goal by placing a total of 182 Dog Guides with Canadians in need. We know these Dog Guides will help to make a difference in the lives of each of the individuals who received them. Our objective is to continue to set higher goals; this coming year we are aiming for 200 graduates.

Records were set in another area this year thanks to a very successful Pet Valu Walk for Dog Guides. More than \$1.48 million was raised as a result of 290 walks held in communities across Canada. These numbers were up considerably this year, which is something our Foundation is very grateful for. I would like to personally thank all of the individuals and communities across the country for the hard work and unwavering support that led to these considerable numbers. This year we had a new national sponsor for our Walk, Pet Valu. I would also like to personally thank Pet Valu for their extremely generous support, and for helping to ensure this year's Walk was our most successful yet.

I want to thank all Lions and Lioness clubs, along with individual supporters, corporate sponsors, volunteers, and the entire staff at Dog Guides for helping to improve the lives of individuals living with a medical or physical disability. Together, we are helping many Canadians regain their independence.

Let's keep working together to make a difference in people's lives.
