SEPTEMBER 2019

It has been two months since induction in Milan, Italy, and even though most clubs take the summer off, it has been busy.

I attended a Council of Governors meeting in St Cloud, MN and the District Cabinet Meeting in Brandon.

We have set our goals for the year and the Zone Chairs and Cabinet members will be presenting them to you as they attend your meetings.

Training will continue to be a priority as those Lions that attend the courses appreciate the information

they get from the Lions presenting the course.

There is much taking place regarding Lions ie: Campaign 100 and Canada's 100 Anniversary in Lions. As the information becomes available, we will keep you posted.

Please contact myself if you would like me to attend any club meetings as some dates are booked. dmoncur60lions@gmail.com 204-773-6543.

I look forward to visiting you and any feedback you may have.

WANTED

GANGSTERS + MOLLS

To join the mob and attend the
5M13 Lions Convention

November 15 - 17, 2019

Russell, Manitoba

Hosted by Binscarth, Birtle and Russell Lions Clubs held at George P. Buleziuk Centre, Russell, Manitoba

Registration form inside.

Money, Moonshine & Mayhem

Hello Gentle Lions. The Birtle, Binscarth and Russell Lions Clubs have been working hard on the 5M13 District Convention, Nov. 15-17, 2019.

The Gangster Friday evening event will be all about Money, Moonshine, and Mayhem. Be warned attendees that if you show up for our Friday evening not in the spirit of the party, you will likely end up behind bars. We have already had some Lions trying to figure out what the fines or punishments may be. As your convention is only a couple of weeks after Halloween, you should be able to scoop some bargains.

Vocal entertainment will be a local performer, Mike Oakley from Binscarth, and our very own Lion Denis Delaurier from Portage will be with us guaranteeing a fun evening.

What would a Gangster night be without a bit of money? We will see who will be the big winner at the casino games – come prepared to win – blackjack, poker and other games of chance, or is it skill?

Oh, and get this, as you are a Lion, we have, at great expense, made arrangements to meet your namesake. Pictures can be taken. You might hear a roar or two. Don't forget your camera. Final arrangements are underway to have the agenda nailed down, however as a bit of a teaser we will be having a STARS VIP from Russell chat with us, as well we will have the STARS Mobile Education Unit on hand (now that is something to see).

The amazing youth "Speak Off" will blow your socks off as it does every year.

We are hoping to send someone home with pockets full of cash due to the 50/50 raffle draw on Saturday evening. Someone will take home up to \$3,000. If any questions drop me a line to wlbrown@mymts.net or call me at 204-773-6360.

Registration forms are on the 5M13 District website and inside this issue.

Congratulations PID Dr Patti Hill, Elected International 3rd Vice President at Milan, Italy

We witnessed history in Milan, Italy in July 5-9, 2019 when our very own Canadian Candidate of Edmonton, Dr. Patti Hill was elected 3rd Vice President of Lions Clubs International. The room was electric when the rally stepped off! It was an incredible experience to have so many different countries join in with us as we marched with 100 Canadian flags and hundreds of Patti placards in support of our candidate. It truly was a sea of red!

Psychologist and educator Dr. Patti Hill earned her PhD from the University of Alberta in 2000. Dr. Hill has taught in Alberta and California. She is a teacher, a cer-

tified teacher of the deaf and hard of hearing, a registered psychologist, and a former principal and post-secondary instructor.

She believes that, "The ultimate role of

every leader is to mentor the leadership development of those around them."

Message from 1st Vice District Governor Anita Hart

Welcome to another wonderful Lions year!

My name is Lion Anita Hart, and I have the honour of being your Vice District Governor this year. I started in Lions in June of 2010, in Beausejour, Manitoba. My first club was in District 5M11, the Beausejour Lions. At the time, I had been a Constable with the RCMP. I was transferred to the Wasagaming detachment in 2011, and I moved over to the Elphinstone Lions at that time. I held the position of club secretary while part of this club.

Another move with the RCMP had me heading down to Portage la Prairie in 2014. I transferred into the Portage la Prairie Lions club right away. After a year with this club, I held the office of secretary (2015-2017) and vice president (2016-2017). I became club president during the 2016-2017 year and held that office for the remainder of that year and the next (2017-2018). I became a zone chair in 2016.

I've been fortunate to have been able to attend different training weekends with the Lions. I've attended Regional Lions Leadership Institute, Advanced Lions Leadership Institute and Faculty Development Institute. I would encourage everyone to take advantage of the amazing training that we have available to us. It gives us tools to use in our personal/work/volunteer lives.

I've also attended the Northern Pride weekend and many district conventions and multiple district conventions. This year, I was able to attend my first International Convention for Lions Clubs International, in Milan, Italy. What an experience! I would really recommend that everyone attend at least one international convention.

I'm very passionate about Lions. I love what we do and love hearing about everyone's projects. Please let me know what you are doing. I'd love to share it with others in our district/multiple and around the world. I'm so

1st VDG Anita Hart with Lions of England at the International Convention in Milan Italy, July 5-9, 2019

proud of the Lions of 5M13. I'm also interested in helping clubs gain new members and looking for new communities to start a club. If you know of a location, would like for me to help with a membership drive,

help with a project, give me a ring. If I can, I'd love to help you out. Even if it is putting on coveralls and helping with garbage pick up on the side of the highway. I want to learn about your clubs and what is important to all of you.

If you have any questions, would like for me to attend an event/project/meeting, please contact me at:

lionanitahart@gmail.com
or 204-333-7622.

I would like to help you in any way I can and look forward to working with you all this year.

Thank you for all that you do.

*Yours in Lionism,
Lion Anita*

Int. Director Lion Mark Lyon to attend 5M13 Conventon at Russell, November 15 - 17, 2019

We are excited to have International Director Lion Mark S. Lyon attend our convention in Russell, November 15 - 17, 2019

Lion Mark has served our International Association of Lions Clubs in many capacities for over 21 years. A proud member of the Brookfield Lions Club since 1996, Lion Mark has a great appreciation for what our local Lions Clubs do every day to improve the wellbeing of their communities through active service.

Lion Mark and his wife Lion Lyn have been married for over 35 years, and are the proud parents of three daughters. They are a recognized part of their community, not just for their Lions activities, but also for their past and present involvement in local church and school groups. Both are career-minded professionals – Lion Mark in legal and financial services and Lion Lyn in accounting and operations. In their occasional free moments, Lion Lyn enjoys crafting and crocheting, while Lion Mark is a cyclist, golfer, and has been a guitar player and singer in local bands.

Don't Cry Lions – Its not that scary to sponsor youth into the 5M13 District Speak Off

Now is the time for your Lions Club to participate in Speak Off 2019.

This is your opportunity to have your local youth be participants in the contest.

This is a fun event and our young people never fail to amaze me with their passion and insight to this world we live in, the topics are endless.

With the Convention being held in early November time is short, however with a little concentrated effort and a willingness to help, we can pull this off.

Speak Off will provide students from our communities an opportunity to:

- Think about important current issues.
- Organize, present and defend their thoughts and ideas.
- Present these ideas publicly and effectively
- Develop and practice effective public speaking skills
- Build self confidence and enhance self image
- Meet and interact with peers from other areas of the District

Speak Off will provide members from our clubs to feel what it is like to be young again, that life is worth living, to learn about a subject that has never in your life crossed your mind and to believe the future and the communities we are building will be in capable hands.

Your club has the rules for the District Speak Off and I suggest you follow these guidelines when having Speak Off at club level.

Depending on the number of participants there may be a zone Speak Off required. Clubs are responsible for prizes offered at club level be they monetary or recognition awards.

Over the past couple of years the top winners have chosen to participate in the Youth Exchange option and have travelled to the United Kingdom, Austria and Japan. The life skills and the experiences afforded these youth by Lions Clubs will never be forgotten and will forever be a testament of the differences that Lions make in the lives of others.

As the chair for Speak Off I want to look you in the eye and thank you in advance for being part of the team that will make Speak Off a success this year. (That may be my picture at the right) Now lets Talk about Speak Off in your communities.

I can be reached at wlbrown@mymts.net or at 204 773 6360 for questions, comments, suggestions or more information.

Brandon Lions hold wind-up

On June 18 the Brandon Lions Club had their final meeting and windup for the 2018/19 year, joined by members of the Sprucewoods Branch Lions Club. There was a bbq potluck supplied by the club and members. The members got to enjoy a miniature horse show put on by Lion Larry Mennie, his family and his miniature horses. It was a great show! This was followed by a clydesdale drawn wagon ride around the yard.

Lions Kathryn Geisbrecht and Lion Carl Johanson were presented with Certificates of Appreciation for everything they had done for the Brandon Lions Club in the previous year.

During the Brandon Lions Clubs wind-up, the winning ticket for their annual 50/50 was drawn. The winner was Jim Christie of Brandon and he was presented with a cheque for \$18,15.00.

Wawanesa Lions Club honour Beth Smale - "Lion of the Year"

Lion Beth Smale was surprised with a very special award at the wind-up (or "turn-down" as Jaime called it) for the Wawanesa Lions Club when Vice-President Lion Jaime Kelloway congratulated her as "Lion of the Year". She received a keepsake trophy to remind her of this well-deserved honour.

Lion Beth is the organizer behind the Wawanesa Lions Club. As Secretary she keeps accurate records of all meetings, informs the members of important correspondence from the Lions organization and the local community and submits reports to Lions International at all levels. It is because of her diligence that the Wawanesa Lions Club is highly regarded and even, envied, by other Lions clubs! An example of how seriously she takes her duties occurred recently when she discovered that she was the only Secretary filing monthly reports to the District, no longer necessary with today's technology. Because she is so well-prepared, Lion Beth also does an admirable job of keeping the President (or whoever is chairing the

meeting) on track – not always an easy task!

In addition to her secretarial duties, Lion Beth is in charge of publicity for the club. She reports to the *Lioness Express* regularly so that the community and surrounding area is aware of the activities of the Wawanesa Lions Club thus increasing the support received. She has also perfected her social media skills with regular posts on Facebook where she publicizes Lions events such as "Chase the Ace" and informs the public of Lions projects both local and beyond.

All Lions projects are supported by Lion Beth because she believes in giving back to the community. Often these projects involve the youth in our community such as the Children's

Fair (held on August 24), the Lion's Art Sale, the Lions District Speak-Off and the Lions Reading Action Program, ongoing for eight years. I might add that Lion Beth's energy is not limited to Lion's activities alone, as she is actively involved in other areas of the community and area as well.

As you can see, Lion Beth is most deserving of the title of "Lion of the Year" and the Wawanesa Lions Club appreciates her devotion. If you meet Lion Beth on the street or at a Lions function, please congratulate her and thank her for being a Lion.

Lion Margaret Martin is a busy member of the Wawanesa Lions Club. She is active in every project. However, as a retired teacher, it seems that she has a special interest in youth projects and leads her club in doing Project Pride, Peace Poster contest, Reading Action Program and supporting Speak Off. In June, her club presented her with a Hope Medal.

On Friday, June 7, members of the Wawanesa Lions Club and the grade one class of Wawanesa School met together at the Lions Clubhouse to celebrate the 2019 edition of Lions Project Pride. This special event raises funds for the Lions Foundation of Canada Dog Guides through the sale of flags which are presented to Grade One students all across Canada, thus promoting respect for our flag and pride in being a Canadian. “Keep an accurate record of the proceedings of all meetings of the Cabinet, and written fifteen (15) days after each meeting forward copies of the same to all members of the cabinet”.

4.

14. ARTICLE II, Section V, b. - Page 20

Whereas the distribution of Cabinet minutes have changed,
BE IT RESOLVED THAT after District Convention add the words “Business Meeting” and drop the rest of the statement.

The item Article II, Section V. b. would then read:

“Take and keep minutes of the District Convention Business Meeting”.

15. ARTICLE II, Section V, f. - a new item for Page 21

Whereas both Multiple District 5M and Lions Clubs International require the names of the incoming District Governor and the Vice District Governors,

BE IT RESOLVED THAT a new item “f.” be added to read:

Complete and send Form DA-901, which is the Multiple Office reporting Form (incoming District Governor and Vice District Governors) to the Multiple District Executive Secretary and to Lions Clubs International immediately following the District Conventions.

16. Add a new Section VI for the “District Administrator” and change the following Section numbers accordingly.

ARTICLE II, Section VI - Page 21

Whereas a District may appoint a District Administrator to assist the District Governor, “Article II - Duties” needs to include a description for this position,

BE IT RESOLVED THAT a new Section VI - District Administrator be added and if the District Governor decides to appoint someone to act as the District Administrator the “Access to MYLCI Form” needs to be sent to Lions clubs International (LCI) by the District Governor Elect by mid June, so that the position can take immediate effect after the International Convention in July.

g) Follow up monthly with clubs who are not reporting to MYLCI and MyLion.

h) Monitor the “Monthly Club Health Record and RECAP of Accounts Form” and share with the Global Action Team the clubs that are in arrears.

i) Send reminders to clubs who qualify for the “Club Excellence Award”.

j) Present at District Leadership seminars if requested by the Global Action Team.

Lions Quest Fellowship

Lions Clubs around the world live by the motto WE SERVE. We address big issues like hunger and devastation and we address smaller issues like vision and hearing screening and eye glasses. One issue that we are all aware of is the increase of bullying and violence within in our world. Social media gives people anonymity to say hurtful and hateful things. No surprise then, that our children and youth are learning the same distressing behaviours. Lions do not have a solution to this BUT we do have a way to assist other adults and community members to help us to help our children and youth recognize that there are alternative behaviours that they can learn so that they do not have to grow up with the bullying and violence.

We often say that young people are our future but we often forget that they are also our present. What are we doing to give them a better environment than they currently have? Lions around the world are just now discovering the power of what we have had in Canada for over 35 years - Lions Quest. Our Lions and Clubs need to rediscover it.

The Lions in 5M13 can help!

We need the financial support of every Lions Club in District 5M13. If each club would include financial support of Lions Quest Canada in the yearly budget, we could be assured that this programme and workshops can and will grow and change lives. Your Club can make a direct contribution to Lions Quest Canada, donate at the Parade of Green, or purchase a Lions Quest Fellowship in honour of some Lion or community member who is currently making a difference in the lives of children and youth. It could be a dedicated coach or volunteer school helper or Sunday School Teacher or any other adult who helps our children and youth. The Fellowship costs \$500 and is beautiful tribute to someone who is living our motto of WE SERVE by working with our children and youth.

Lions Quest Fellowship

Supporting Lions Quest Canada with a donation or the purchase of a Fellowship helps Canadian Lions ensure that our Lions Quest programs are meeting the curriculum outcomes of Canadian school systems.

Please make Lions Quest Canada a regular budget line every year so that our children learn that bullying and violence both physical and verbal do not need to be a part of their future. As Helen Keller told us, "Alone we can do so little, together we can do so much."

How can I support the Lions Quest Program in Canada?

The Lions Quest Fellowship was established in 2003 to recognize Lions and Lioness Club members and other deserving recipients who truly care about Canadian children, regardless of the challenges they may face or the gifts they may possess. Lions Quest Fellows will receive the new award pictured above and a lapel pin.

The Lions Quest Fellowship funds will be used to promote, enhance and expand the work being done to 'empower adults to develop healthy, capable young people of strong character' – our Mission.

Who can receive a Lions Quest Fellowship?

The Fellowship is an honour given to individuals for a contribution of \$500 in support of Lions Quest Programs in Canada. The Fellowship may be given in memory of a deceased individual and is prepared for presentation based on the information provided by the donor.

Contributions to the Lions Quest Fellowship can be made in installments over a period of three years at a minimum amount of \$100 per installment. Contributions can be made to the Fellowship by individuals including non-Lions Club members, clubs, districts or multiple districts. Please allow 4-6 weeks for delivery.
