

“

When I was a boy and I would see scary things in the news, my mother would say to me, 'Look for the helpers. You will always find people who are helping.'

”

Mr. Rogers

Responding to the Coronavirus

Lions have served for more than one hundred years. We have been there for our communities during countless challenges to the world.

Let's continue to put our kindness in action while keeping health and safety in mind.

Now more than ever, it is important that we stand together as local communities, as a global community, and as Lions. Thank you for serving your community and the world.

Together WE SERVE

DISTRICT GOVERNOR Lion Dwayne Moncur

Message from District Governor Dwayne Moncur: Together We Serve

Hello Lions,

Things certainly have changed over the past couple of weeks due to COVID-19.

In light of this horrible pandemic, all Lions activities in 5M13 have been cancelled such as training, zone meetings, etc. Sadly the Brandon Fair was cancelled, but thank you to those who had signed to volunteer to work at the Lions booth. We will look forward to it next year.

The club visits that Lion Barb and I had scheduled have been postponed until further notice. We do hope we will get back on schedule before too long. We miss meeting the clubs and members.

The last visit we had was at Holland with both clubs and truly enjoyed ourselves. A reminder to clubs that have not contacted us yet, there may still be time, presuming of course that we may still get travel soon.

Our District Governor Group had a conference call and voted unanimously to cancel the Multiple District Convention in Rochester, MN. Arrangements are being made by the Convention Committee to refund those that had registered and had made hotel reservations.

The International Convention that was scheduled for Singapore has also been cancelled. The next convention will be held in Montreal, Canada in 2021. We will forward additional information as we get it.

There are a number of clubs that had planned to hold elections over the next few months, but with regular club meetings cancelled for now, there is an alternative.

All Lions clubs are permitted to conduct meetings via an alternative meeting format.

Lions Clubs can conduct elections via phone, email, or any other method that will permit the club to move forward.

Practically speaking, as each Lions Club is an independent legal entity, it can conduct elections (or choose not to conduct elections) at the discretion of the club - provided the decision is supported by the membership and no complaint is filed, the actions of the club will be accepted in good faith.

You have heard me speak about the Lions Legacy Project at Lions Manor in Winnipeg and you've seen it in this newsletter.

I'm pleased to let you know that the support from Districts 5M10, 5M11 and 5M13 has been very positive. As a point of inter-

est, 5M13 has donated the most money to the cause. It makes my day to be able to remind other District Governors that our district has donated the most so far.

Our Lions motto is "We Serve". I wonder if there are ways in your communities that we can continue to help out? Local organizations that may need volunteers for the short term? Donate to Food Banks that are going to get busier than they normally are? You will have many ideas and opportunities to do what Lions do best.

I truly don't know what I can say that other than to stay safe through this difficult time. Give a thanks to those that are working because they work in an essential service. Barb and I will look forward to getting back to the club visits in the next while.

Thanks to all of you for your support.

"WE SERVE"

DG Dwayne Moncur

Club Elections During COVID-19

The COVID-19 pandemic has forced us to adapt the way we work, live and serve. With the current limitations surrounding meeting in groups, Lions Clubs International has posted the following notice re club elections.

**If your club cannot meet,
you can still conduct your annual election of club officers.**

Unless prohibited under a club's constitution and by-laws, the Standard Club By-Laws permits all Lions clubs to conduct meetings via alternative meeting formats. This allows each Lions club to choose a method of conducting elections that is suitable for those members. This can be via phone, email, a combination of the two, or any other method that is acceptable to the Lions club members.

Over the winter, before our world has been exposed to Covid19, we were able to get in some very enjoyable visits to Lions Clubs in our district. It never ceases to amaze me as to how busy the Lions are in our district.

Our visits include talking about things that are happening with Lions but one of the duties I enjoy most is presenting the Milestone chevrons to deserving Lions, after 10 years you get recognized in 5-year increments. The largest one presented so far is 50 years. Congratulations to all you that have received them so far.

We continue to promote the Lions 2020, Campaign 100 and NAMI (North America Membership Initiative) projects. The Lions Manor Legacy Project is one that we are excited about as well, it will be

DG Dwayne Moncur and Lion Barb stopped in to say hello to Paul Bunyan and Babe in Bemidji, MN

done in conjunction with Districts 5M10 and 5M11.

It is still a goal to have all our clubs report their service projects to LCI. Despite

all of the things your clubs are doing, very few service reports are forwarded, please send them in.

The Journey for Sight Draw took place on Feb 18 at the Birtle Lions regular meeting. Congratulations to Garry Russell of Sinclair, the winner of the 2019 Ski Doo.

Thanks to all of you that distributed, sold and purchased tickets. Your support helped make the Journey for Sight ride a success.

I would remind you that we are looking for Lions that are interested in becoming Zone Chairs. Please contact me or a member of our cabinet for further information.

Thanks to all of you for your support, "WE SERVE"

Online Meeting Etiquette

Hello everyone,

In this time of evolution of the regular club meeting, we need to remember how to work in a new environment. Some clubs are choosing to have meetings via email, and via platforms like Zoom, Go To Meeting etc...

Below, you will find a short list of etiquette to remember when

having your online meetings. This is by no means complete, but more of a reminder and a starting point for everyone.

1. Have one person set as a moderator and to chair the meeting
2. Have an agenda.
3. Be on time. Some platforms/subscriptions to them can only have one meeting at a time. So please make sure that you stick to your time slot and try not to go over time.
4. Have your device plugged into a power source, video takes a lot of power.
5. Place your device on a hard surface to avoid shaking all over.

6. Make sure that you are comfortable and have all that you need close at hand so that you don't have to leave.
7. Be aware of lighting if you choose to have the camera on.
8. If you are able to, go to a quiet room in the house where there won't be as many distractions and/or people/pets coming and going.
9. Remain muted until you are asked to speak, raise your hand to ask permission to speak. Being muted helps limit the risk of having feedback.
10. If you are joining the meeting via phone, identify yourself before speaking.
11. Discussion is for everyone. Be respectful of others and the time that you have for your meeting. No need to hog all of the time.

I hope that you are all able to evolve with all that is going on in our world right now. If you have any questions about hosting an online meeting, please contact your zone chair, or anyone on Cabinet. We'll be happy to help you out, in any way we can.

Yours in Lionsim,
DGE Anita Hart

The coronavirus (COVID-19) has changed the way we travel, congregate and serve in communities. We care about every member, and the people we serve, which is why we all need to put health and safety first in this challenging time for the world.

We have several photos and news submissions of activities that have happened over the winter months in 5M13. We also have updates of events and programs available.

We will be holding over these submissions and will include in a future newsletter when we can better report on them.

stay home . stay safe

LIONS EMERGENCY AMENITIES DELIVERY SERVICE

RECOMMENDED PROGRAM PROTOCOLS

The following LEADS is being introduced during this worldwide, Covid-19 outbreak, and in order to offer Lions helpful, safe and timely protocols for activities such as food drives, collections and making deliveries to our homebound, infirm, elderly or quarantined neighbors. Of utmost importance is that we, and those we are extending this service to, are not harmed by our actions. Avoid contact and strictly observe social distancing recommendations.

Intent:

While this document has been prepared with a delivery service in mind, LEADS Lions may be asked to serve in other ways, for example, at a food drive. All the same principles will apply: NEVER serving if you are in the higher risk group, or sick at all. Maintain social distancing, utilize gloves or hand cleansing and observe respiratory etiquette such as sneezing into your elbow.

Recommendations:

To reduce risk, Lions performing this service should be in excellent health with no cold or flu symptoms, should not be from the age group that is the most susceptible (65+) to the flu and/or Covid-19, should not have knowingly been exposed to Covid-19 or the flu in preceding 14-days, shall not be a diabetic or have respiratory disease, or any other underlying health condition that you know is a risk factor, and will conform with NO EXCEPTIONS, to Social Distancing & Drop-Off Protocols.

Social Distancing:

LEADS Lions will deliver the pre-paid amenities, step at least six feet back from the door, and wait for occupant to get the package, then move on. No hand-to-hand exchanges or payments, in either direction, will be allowed.

If the occupant does not come out to get it, Lion will call.

Take precautions to avoid conveying Covid-19, the flu or a cold from to our delivery recipients, or vice versa, through coughing, vaporized air particles, exchanging items or other direct contact.

Again...maintain at least six feet of distance from each other.

Drop-Off:

Contactless collections and/or drop-offs are the rule, NO EXCEPTIONS.

Ring the bell and step back at least six feet until product is taken inside. Deliveries will be left at the door or a designated, predetermined place outside. NO EXCEPTIONS.

No entering into the neighbor's home. Hang items on door handle, place on a table/shelf or set near door. Intent is to keep items off the ground.

And again...Keep at least six feet of distance from each other. NO EXCEPTIONS.

Conform to the CDC's latest recommendations for best hygiene and appropriate precautions.

Miscellaneous:

Assess yourself for Covid-19, cold or flu symptoms regularly...Any indications, call your MD.

Go right home if ill or if knowingly exposed to Covid-19. Contact your physician.

Practice careful and frequent hand hygiene. No touching your face with unwashed hands.

Use the provided protective gloves (if available) or wash hands with sanitizer EVERY time you touch foodstuffs or money.

Follow Link to directions in the video: The Globus Guide to putting on and using non-sterile disposable gloves.

https://www.youtube.com/watch?v=3I_kKVNrEMO

LEADS Lions will use respiratory etiquette such as sneezing/coughing into your elbow.

INTERESTING TIMES

We are living in interesting times ! Never has this been more true than right now for almost all of us. For some people it is very scary and totally unpredictable from one day to the next. For others it is so very lonely as family and friends can no longer visit in person and hugs are not forthcoming. For businesses almost everything is changing from day to day. We all know these realities and do what we can to help our community members.

For Lions around the World, there is no shortage of ways that we can and are serving. One thing that Canadian Lions might not have thought about is the plight of **our Canadian Charities- Lions Quest Canada and Lions Foundation of Canada, Dog Guides.**

With Conventions in many areas being cancelled and most people staying at home, the major fund-raising activities for our Charities are being severely impacted. Spring is usually the time of year when many clubs do events and fund-raising activities for **Lions Quest Canada and Lions Foundation of Canada.** Without those opportunities to promote our Charities, the cash flow for the daily work of these important Canadian Foundations is impacted severely.

Lions Quest Canada relies on its annual Promotional Contest for 25 % of its budget. When Clubs are not meeting in person, it is hard to have members purchase the tickets. Some Clubs purchase all the tickets sent out but again, without meetings they are not always purchased. When you add that loss of revenue to the fact that there cannot be any workshops held due to the situation, our Lions Quest Canada is struggling to meet its financial obligations.

Lions Foundation of Canada, with a much larger operating budget, is also struggling with cash flow. There are still dogs to be fed and looked after, so staying away from work is not an option for many of our staff members. Cute little puppies are still being born and need specialized care. Their moms may provide the food but the care of the mothers is even more critical at this time when even volunteers who help with exercising etc. are not able to walk and play with them.

There are many ways we, as Lions of Canada, can help both personally and as part of our clubs. Personal donations to our Lions Charities are eligible for tax receipts. No matter how large or small a donation you might be able to afford, it could make a difference for these Organizations. Your Clubs can help by ensuring that any funds designated to purchase an award , Lions Quest Fellowship, Q Bear Fan Club, Lions Foundation Fellowship or Judge Brian Stevenson Fellowship are forwarded to the Foundation now. The recipient can be designated later. Funds are needed now.

Lions Quest Canada and Lions Foundation of Canada need our help. **"We Serve"** needs to extend to our Foundations at this time. Please do what you can as an individual Lion and as a Lions Club.

Dear Lions,

The Board of Directors has voted to cancel the 2020 Lions International Convention due to concerns about the coronavirus (COVID-19).

This means that the next International Convention will be held in 2021 in Montreal, Canada.

After evaluating a variety of different options including moving the convention to a different venue or postponing the convention to a later date, the Board of Directors voted to cancel the 2020 convention. This decision was made with the health and safety of our Lions, staff and vendors in mind.

Canceling the International Convention for 2020 impacts international officer continuity and candidate elections. After review of the International Constitution and By-Laws, this impact is outlined below:

Executive officers and international directors will continue in their respective positions until the 2021 convention in Montreal. All candidate elections for these positions shall comply with the provisions of the International Constitution and By-Laws for election at the convention in Montreal.

An international director from the areas of Africa and Australia, New Zealand, Papua New Guinea, Indonesia and the Islands of the South Pacific is permitted only in even-numbered years. As a result, no director from Africa or Australia, New Zealand, Papua New Guinea, Indonesia and the Islands of the South Pacific would be eligible for election until the 2022 convention.

Barring any district election complaints, district governors,

first vice district governors and second vice district governors elected during a convention of their respective districts will be accepted by Lions International. The International Board of Directors intends to authorize commencement of the DG terms beginning July 1, 2020.

We are disappointed that we will not be able to move forward with this international event, but we are optimistic that with each new day there is hope, and as Lions we will continue to find new ways to put our kindness in action while safely serving our communities.

In the meantime, our Convention Team will be working diligently to assist you. Lions International will issue full refunds for all registration fees paid. At this time, we kindly ask that you do not contact LCI Registration to inquire about your registration, ticket or housing cancellations as we establish our cancellation details.

We are disappointed, but we will continue to move forward as a global organization, keeping the health and safety of our members in mind.

Regards,
Dr. Jung-Yul Choi
International President

International
First Vice President
JUDGE HAYNES H.
TOWNSEND, 64,
passed away
on December 17, 2019.

It is with great sadness that we have experienced an incredible loss to our Lion family. On December 17, International First Vice President Judge Haynes H. Townsend passed away. We are heartbroken by this tragic loss to our Lion family, to the Townsend family and his loving wife, Donna.

Judge Townsend was a capable man, a humble man, a man who believed in the power of kindness to help and to heal. He was a judge who presided over his courtroom with integrity and heart, knowing that lives and destinies hung in the balance. He was a leader who believed that big ideas should drive us but that compassion should guide us. And above all, he was a Lion.

For 40 years, Judge Townsend served. He was an active member of the Dalton Noon Lions Club in his home of Dalton, Georgia, USA. He believed that acts of kindness, both big and small, could change lives. And that's just what he did as a Lion.

It is difficult to lose an international leader of such importance. But it is even harder to lose a man of such character. We will always cherish the time we had with Judge Townsend, and we will continue to move forward, working to bring his vision for Lions, and a world of kindness, to life.

Why report service

How do clubs and districts individually benefit from reporting service?

- » Reporting service helps transfer knowledge and best practices to your club's future leaders. Club officers can review past service activity reports, learn from the successes of the club's previous activities and better plan for their future activities.
- » Reporting service is a matter of local pride. Reporting puts your club on the map as leaders in your local community, and it's an important way to share success with other clubs in your district and around the world.
- » A high percentage of clubs reporting service is a sign of a healthy district.
- » Reporting service allows you to become eligible for service awards.

How do clubs and districts collectively benefit from reporting service?

- » Reporting shines a light on how and where local clubs are making a difference. This elevates the profile of Lions Clubs International as a global service club organization.
- » Service reports provide tangible evidence of our global engagement and impact to prospective partners of Lions Clubs International. These relationships strengthen the organization and yield benefits at the local level.
- » People want to participate in real, visible change. Service reporting allows clubs to continually engage communities, tell stories more effectively and ultimately grow their member base.

How does reporting service benefit the people we serve?

- » Service data helps everyone understand the needs of communities around the world and how our Lions and Leos are serving those needs.
- » Because service activities are scalable, one small service project can become the next global initiative of the organization. But Lions Clubs International is not aware of such projects unless they are reported.
- » Service data enables Lions Clubs International to identify best practices that can be shared globally.
- » Measurement leads to insight. Setting higher goals each year mobilizes the organization toward growth.
- » Service reports show how Lions and Leos around the world are using funds from Lions Clubs International Foundation grants to serve their communities. This visibility encourages Lions and Leos to think creatively about their own projects and apply for LCIF grants themselves.

Additional benefits

- » Reporting is the final step in completing a service project. If it's not reported, it's not done!
- » Reporting service is a lot like voting. You may think your report doesn't make a big difference, but the only way we'll be successful is if everyone does their small part.
- » Reporting is considered service in itself. The time clubs and districts spend reporting their service are considered volunteer hours, and can be reported in MyLion.

Snow storm can't stop Journey for Sight

Story and photo courtesy of
Kyle Darbyson, The Brandon Sun

The 34th Journey for Sight wrapped up Saturday, January 25, 2019 with a massive blizzard covering the final leg, making it difficult for participants to see.

But this poor visibility still didn't prevent 20 snowmobilers from pulling into the Commonwealth Air Training Plan Museum in Brandon at approximately 4:30 p.m., marking the end of a three-day excursion that originally began in Flin Flon.

After packing away their machines, each participant sought shelter inside the museum's canteen, where they received a hot meal and stiff drink courtesy of local Lions Club members.

Despite the odd frozen body part, these riders seemed to be in good spirits knowing that they had raised a hefty sum for the Lions Eye Bank, a program that aims to help the visually impaired.

Right before dinner, Lions Foundation of Manitoba and Northwestern Ontario executive director Tammy Bach thanked this year's group for their support, especially since the Journey for Sight has raised more than \$2 million for the Eye Bank since it debuted in 1986.

"It means a lot to me personally," Bach told them on Saturday. "My uncle is blind and my mother passed away a few years ago, and she was legally blind, so this stuff is near and

Elphinstone resident Blair McIntyre rides into Brandon's Commonwealth Air Training Museum to mark the end of this year's Journey for Sight fundraiser. (Kyle Darbyson/The Brandon Sun)

dear to my heart."

Following Saturday's dinner, organizer Dave Mullin told the Sun that they managed to raise \$34,000 so far this year, although that number is to likely more than double once late pledges and a February raffle are taken into account.

Outside of this fundraising aspect, the annual marathon snowmobiling trip also serves as an excuse for Westman snowmobiling enthusiasts to meet up every year and bond over their mutual love of the hobby.

"I think the main reason we keep coming back is the guys that do it," Mullin said. "There's a core group of us who have been there for 25, 27 years. There's another group that has been there for 10 or more and they're all good guys."

Even for a first-timer like Erickson's Andrea Pochinco, this sense of camaraderie was palpable.

"At the end of the night, we got together and we shared stories. They talk about their wives and their kids and we talk about moose meat," she said. "As for the ride itself ... we had -41 degree temperatures all the way to -20. We had a little bit of poor visibility today. But I would do it again, for sure."

Now that he has inherited the role of Journey for Sight chair from Brad Henderson, Mullin is looking to increase the event's participation rates, which have been lagging over the last couple of years.

To increase their annual haul, Mullin is hoping to work closely with Bach to make more connections with communities in the Portage la Prairie and Winnipeg area.

"We don't get a lot (of money) out of there, we don't have any kind of foot in the door," he said. "So we're looking to get something lined up ... because there were a couple years where we had well over \$100,000 raised and I'd sure like to get back up to that number."

Journey for Sight Raffle raises funds for Lions Eye Bank

DG Dwayne Moncur, and Journey for Sight raffle organizer holds the winning ticket of the 2019 Ski Doo Backcountry 600. Gary Russell of Sinclair, Manitoba (on right) was presented the sled by Chair of the ride Brad Henderson. The JFS ride and raffle raised approximately \$80,000 for the Lions Eye Bank.
