Lions honored at Manitoba Legislature

Lions from across Manitoba were invited to the Manitoba Legislature on October 3, and were honoured by a statement read by MLA Lion Jeff Wharton at the opening session of legislature, recognizing the work of Lions.

"It was an honour to be asked to attend and stand with other Lions of Manitoba to receive this recognition," said PDG Lion Cheryl McKittrick of the Crystal City Lions Club.

Following is the opening statement.

"Madam Speaker, today I would like to take a few minutes to recognize the excellent work that Lions Clubs across Manitoba do. With over 75 chapters and over 1500 members in Manitoba, this organization is an important part of our provincial landscape. As a Lions Club member myself, I can personally attest to the hard work and dedication to our community that our groups exhibit.

They provide numerous benefits and services to our various communities, including providing Guide Dogs at no cost to Canadians with disabilities.

Grassroots Musings

Hello Lions. I hope you had an enjoyable Thanksgiving with family and friends. With all the weather and the destruction, it is a good reminder of how much we have to be thankful for. It seems that we all need to be reminded of that every so often as we tend to dwell on the negative that is all around us.

I hope your year is going well and your Lions Club projects are progressing. I know I have been busy planning and organizing myself for all the different events. Let's not forget to invite that person you wanted to ask but haven't gotten around to asking, to your next Lions' meeting or work project. I have found that so often the thought of doing something or planning it is worse than the actual doing it!

A couple more memory joggers: Club and member dues are to be submitted. The 5M13 Convention is just around the corner – November 4-6 in Brandon. Registration for the Northern Pride Lions Leadership forum needs to be in "tout suite". The diabetes tag day – when are you holding yours?

When looking for something to add a little extra to your meetings don't forget that the committee chairs are there for your clubs education and can provide lots of information about their portfolio. These programs like Centennial, Lions Clubs International Foundation, Youth Exchange, Public Relations and Diabetes, all have information about how and what the programs entail so please don't forget to call on them. If you are not sure whom to contact – give myself or your Zone Chair a call.

How are your inter-club visitation plans progressing? I encourage you to do more visiting with your neighbouring Lions, a great time to refresh that friendship or just meet someone new. I know we are all busy but there is a balance between busy and taking a break. Sometimes that gives us a chance to sit back and look at

DG Gord Kingdon

a hurdle from a different perspective and then we wonder why it was such a hurdle in the first place.

The District Club visits are starting to fall into place so please consider booking yours soon so that we can accommodate your club's date. I look forward to presenting Length of Service Chevron Awards, Centennial Challenge Patches, and would really like to induct your new members. Meeting with you is an opportunity both Lion Wanda and I enjoy.

In September we attended the Neepawa Club meeting and inducted three members. We also attended a great weekend at 3-Creeks Campground at Austin, using it as a base to attend the Lions Foundation of MB & NW Ontario board meeting in Winnipeg on September 10. The next day we participated in the ROAR for HEARING Poker Derby to raise funds for the Children's Hearing Assistance programs.

Our next few days were spent attending a very educational, inspiring and enjoyable three days in Omaha, Nebraska at the USA/CANADA Forum. They say you never stop learning and this event just re-enforced this for us. I highly recommend this event in the future for anyone interested in advancing personally in your Lions leadership opportunities.

Your district leadership has been busy and we have met with the Zone Chairs to stay on top of and deal with the challenges and successes as a team.

That about wraps up what was rattling around in my noggin. I hope to see you at the convention. Come and do some visiting, learning and have a LARGE amount of fun.

Madam Speaker, these clubs also work to help children with hearing disabilities, and provide eye tissue for both surgical transplantation and medical research.

As well, one of the most important aspects of our work is supporting youth through scholarships, exchanges and youth development programs.

The Lions Club International Foundation, which Manitoba Lions Clubs are a part of and support, engage in important causes such as providing disaster relief for communities through grants, assisting in humanitarian needs around the world and working to make eye-care accessible to those who need it.

I would also like to take a moment to acknowledge the fact

that, globally through the Centennial Service Challenge, which is an initiative to celebrate the Lions' 100 years of service with service, we have together just reached the milestone of helping 100 million individuals.

Madam Speaker, today we are joined by Lions Club representatives from the following branches in Manitoba:

Winnipeg Beach, Dunnottar, Lakeside; Winnipeg West; East Kildonan; Winnipeg South; Ste. Anne; Winnipeg Ma'di; West St. Paul; Riverside; Shoal Lake; Stonewall; Crystal City; Brandon; Beausejour; Rapid City; East St. Paul; Pinawa; and Minnedosa.

I'd like to ask my fellow Legislative Assembly members to join me in congratulating them, and the club as a whole, for all of their service to this province."

On
the
lighter
side

Things may not seem to be as they appear!!

The mayor of a city was being driven to work one morning and he observes an employee digging a hole along the side of the road. Very good to see our people working for their wage he thinks to himself. A short time later he observes another employee filling these same holes and as he goes along he can see much evidence of the same filled holes. He mutters to himself that this is a total waste of the taxpayers money and he is going to get to the bottom of this waste. He gets to the office and calls his assistant in and in no uncertain terms tells him to get an explanation. Off goes the assistant ... on his return a short time later and he is very excited to tell his boss of his findings. The mayor sitting behind his desk looks up and asks for the reason for the filled in holes. The assistant tells the mayor not to be too concerned and that the two fellows are part of the tree planting crew and the third guy in the crew is away on holidays and he is the tree planter.

32nd Annual 5M13 Lions Convention November 4-6, 2016

BRANDON, MANITOBA At Canad Inns Destination Centre
Hosted by Minnedosa Lions Club

Friday Evening Entertainment with BACK 40 DRIFTERS

In the spring of 2015, five seasoned musicians from divergent backgrounds merged and quickly became the tight knit unit that is the Back 40 Drifters. Not only do they enjoy performing, but their fun, energetic spirit resonates with the crowd until that energy has infected everyone in the room. The Back 40 Drifters have impressed audiences across Saskatchewan and Manitoba, garnering a solid following as they go.

The band, which is based in southeastern Saskatchewan, presents a show that walks their audience through the decades contemporary country and rock music. They'll pump you up with their own, audacious versions of tunes like Elvis Presley's "Little Sister" or a revved up version of George Strait's "The Fireman", then slow things down with Roger Miller's "Husbands and Wives" or Blue Rodeo's "Bad Timing". Finally, the Back 40 Drifters will take you back in time, granting dancers an opportunity to two-step to "Heartaches by the Number" or "Always Late".

And just about the time you've caught your breath, there's more!

The band's set list will have you grooving to covers by numbers by Bruce Springsteen, Steve Miller Band, CCR, Steve Earl, Toby Keith, Garth and of course a few original songs.

LITPC Youth Scholarship

This past June, one of the two Youth Scholarship winners was from Minnesota!! She received a \$2,500 scholarship!! This was the 5th year that scholarships were given from the LITPC. The most important aspect of the Youth Scholarship is to help a young person pursue his/her education and follow their dreams!!

Molleysa Yang, Minnesota, will be attending the College of Biological Sciences at University of Minnesota-Twin Cities in pursue of a pre-medicine path. Molleysa was part of the student council, National Honor Society, Leo Club, TRIO Upward Bound and the President of the Asian Club. During high school, she had dedicated over six-hundred service hours of volunteering with the Leo Club and National Honor Society.

The LITPC (Lions International Trading Pin Club) takes great pride in fulfilling the motto of Lions Clubs International "WE SERVE". During the SightFirst II Campaign, the Pin Traders contributed US \$144,000 to LCIF.

The Youth Scholarship Program is another example of the Pin Trader's slogan, "Lions First". The 5M Pin Traders Club along with 13 other Pin Trader Clubs from across the USA support the LITPC Scholarship Program.

Selection of a scholarship recipient is based on academic achievement, an essay stating the student's goals, a statement of reason(s) for applying and an overview of work, community and school service, and letters of recommendation. Applications and supporting documentation are to be completed and submitted to the pin trading club scholarship chairman named below by March 1, 2017.

ALL graduating seniors who are the children/grandchildren of Lions, Lioness, or members of Leos Clubs are encouraged to participate in the Scholarship program.

this UNBELIEVABLE OPPORTUNITY!!**

ATTENTION Club Secretaries

With the year well underway, I just wanted to let you know where things are with the District Reporting Site.

We are working on getting a site back into place. Our challenge is to make the site relatively secure (with a very small budget to do so) so that we are not 'attacked' again with useless reports from third parties – this is what brought the original site down.

My objective is to have a permanent reporting site up and in place that is simple to use, secure, and more interactive by the beginning of 2017.

What do we do in the meanwhile?

In the meanwhile, I am asking that you simply write an e-mail to **5M13ClubSec@googlegroups.com** by the 17th of each month.

- Provide any information about your planned club activities, as well as recent activities of your club. Indicate if you would like to see an item get into Gleanings/The MB Lion/and the District Facebook Page.
- The Subject Line of the email should be:
<Month> Report - <ClubName>,
so for example, "September Report - MacGregor Lions"
This will create its own topic in the groups.google.com area. I will ensure your club information will get to the right people-- your zone chair, Public Relations, and the executive for the district.
- You can attach photos if you like as well -- a benefit we didn't have with the old reporting system.
- Can you please also inform us of monies raised and monies donated and to whom. Please also indicate member numbers -- and new member notices as well.

Thanks for your support with this. The Groups feature so far seems to be working well and I am hoping we can use it to help get us through this period for club reporting. If questions or comments, don't hesitate to call, or email

Reporting your activities UPDATE

5M13 Centennial Service Challenge and Legacy Projects

Here we are with just a few months left until the culmination of our 100th anniversary celebration for Lions world wide. You may have seen on-line where we have exceeded the 100 million serviced to our communities where we have Engaged our Youth, Protecting the Environment, Sharing the Vision, and Relieving the Hunger. It is reported that 61% of our clubs world wide have shared in this goal by reporting their activities. I know our district of 5M13 has also been very active in these four areas with their reports to LCI as we have 72% of our clubs reporting. Some Clubs need to be congratulated on attaining banner patches for the past two years and I know they will be going full force to attain that third year. If your club has not earned a banner patch yet, it is not too late to start, we have until June of 2018.

I am asking all clubs to report your activities as our DG Gord Kingdon has asked, and lets reaffirm that 5M13 is one of the best districts in our multiple.

Reporting your activities UPDATE:

STEP 1: Log on to MyLCI and select Service Activities from My Lions Club menu

STEP 2: Select Add Activity

STEP 3: Enter Basic Activity Information Fiscal Year: The current fiscal year is displayed. Activity Date: For activities that occur over multiple days, select the beginning date of the activity.

For Centennial Community Legacy Projects that were completed between July 2014 and June 2015, enter "July 1" and include the actual date in the Description field.

Signature Activity: Signature activities are those that clubs engage in on a repeated basis. If the signature activity type has already been identified as a CSC activity, the corresponding CSC campaign will automatically be selected in the Detailed Activity Information section. If the signature activity type has not already been identified, manually select the appropriate CSC campaign in the Detailed Activity Information section.

Activity Type: Click on the "Select Type" button to view all service categories and subcategories. Activities that count towards the CSC have a special CSC logo next to them.

Centennial Community Legacy Projects are located under the "Community & Cultural Activity" category and also have a special logo next to them.

LEVEL 1 Legacy Projects raise your club's community visibility, such as donating a park bench, bike rack or a new sign.

LEVEL 2 projects are larger contributions, such as refurbishing a park, establishing a community garden or providing medical equipment.

LEVEL 3 projects make a significant community impact, such as building a clinic, school, hospital or library. Select the box that best reflects your activity. If an activity is both a CSC activity and a Legacy Project, select the appropriate Legacy Project box and then select the relevant CSC campaign in the Detailed Activity Information section below. Activity Title Enter a few keywords or a phrase to help identify this activity, such as a partner organization or beneficiaries.

STEP 4: Enter Detailed Activity Information: Share this Story - This box is automatically selected, allowing all MyLCI users to learn the details of this service project. Deselect the box to opt out.

Centennial Service Challenge Campaign Box - If you selected an activity subcategory that is identified as a CSC activity, the campaign it applies to should be automatically selected. \$120,000 donation for Heart Monitor Clubs working together

On Saturday, October 1, 2016 at the Bowsman Bull-A-Rama Rough Stock Rodeo a cheque in the amount of \$120,000 was presented to the Swan Valley Health Centre for the purchase of heart monitor equipment by Bowsman Lion Albert Outhwaite. This was made possible by the joint fundraising efforts of the Bowsman Lions Club, and donations by the Swan Valley Health Foundation and Lions Foundation of Manitoba & Northwestern Ontario. We were honored to have District Governor Gord Kingdon in attendance for this presentation.

The Bowsman Lions Club has for many years designated the proceeds from their Bowsman Bull-A-Rama to be used towards the purchase of medical equipment for use in the Swan River Valley. After our share of the cataract equipment purchase with the Swan River Lions Club and Minitonas Lions Club was completed, money raised from the following Bull-A-Ramas had been saved for the next equipment purchase.

Deciding what equipment to purchase next was a result of a few Club members contacting the local hospital and having some meetings with them. These meetings were to determine what type of equipment was needed now and if it was thought to be reasonably affordable so it could be purchased soon. There were a few items on the "wish list" but the upgrading of the heart monitor equipment met the requirements for both need and affordability. This upgraded equipment would double the amount of patients that could be monitored and can also be used remotely. It would also help keep patients closer to home rather than being transferred to other hospitals hours away.

Once it was decided which equipment was to be purchased, we then knew how much money was still needed to be raised. The 2nd Annual "Fun"draiser Bonanza was our next major fundraiser. It was a joint project with the Friends of the Swan River Valley at the Swan River Golf & Country Club which was held on June 18, 2016.

The first "Fun"draiser Bonanza came about due to a request for help from the Swan River Golf & Country Club a few years ago. The weather had not been kind to the Golf Course for a few years. It was in financial need and our Club had been approached about a donation. We were in need of some more people to help us put on Bull-A-Rama. With the addition of the BBQ, it was now three separate events being held in two locations during harvest time. It was proposed that if they helped us with Bull-A-Rama we would help them with a fundraiser. They accepted

\$120,000 presented to Swan Valley Health Center for Heart Monitor equipment, a joint fundraising effort of the Bowsman Lions Club.

the offer and planning was started for a fun day of golf with hole sponsors having games or activities at each hole which was then followed by a steak supper, auction, and dance.

This joint fundraiser with them was such a success that it was able to put the Golf Course back in the black. We were approached by them about doing a second "Fun"draiser Bonanza but this time we would split the profits. This offer came around the same time we found out what the cost of heart monitor equipment would be. We gladly accepted the offer and began the planning again.

During the time between the planning and the event, both the Swan Valley Health Foundation and Lions Foundation of Manitoba & Northwestern Ontario had been approached about donating to our heart monitor purchase, which they did.

With the success of the 2nd "Fun"draiser Bonanza and the generous donations, we exceeded the amount needed to purchase the heart monitor equipment. We already have a good start on our next purchase and the heart monitor equipment is expected to be in use by the end of the year. We will also be able to announce soon what our next equipment purchase will be.

The help and support from the community has really been incredible. There have been many Valley residents involved with both Bull-A-Rama and the "Fun"draiser Bonanzas. Sometimes the help from the two other Clubs, sponsors, and

individuals is both financial as well as their time and labour. Some sponsors like Kal Tire have not only assisted with both of these events annually but have even brought spouses, family members, and even their staff to help out. It has been really great bringing all these people together to work towards such really great causes.

Lions Roar for Hearing

The third annual poker derby for Lions Roar for Hearing was held on Sunday, September 11, 2016 at the Three Creeks campground in Austin. Motorcycles and classic vehicles registered and followed a route beginning in Austin and then on to Holland, Wawanesa, Sprucewoods and back to Austin. At each site participants drew a card and were welcomed by local Lions. The day ended with a supper and much camaraderie during which time the penny parade winners were picked, an auction was held and the three best poker derby hands were presented with prizes. ***We are happy to report nearly \$10,000 was raised to be used towards the enhancement of hearing programs for children.***

During the past several months the committee consisting of Lions Don & Bev Makinson, Don & Margaret Martin, Marie McKean, Chad Bodnarchuk, Anita Hart and Bev & Lloyd McCabe called on businesses and Lions Clubs looking for support. ***We especially want to thank the 30 sponsors who provided financial or gifts-in-kind and most particularly our main sponsor Westjet.*** The winning Westjet ticket was won by Donnie Hamilton from Dauphin which was a trip for two anywhere that WestJet flies. We also want to especially thank the following Lions Clubs who provided financial and/or gifts-in-kind in support of our event: Austin, Oakville, Brandon Wheat City, Oakburn, Sandy Lake, Portage La Prairie, Oakville, and MacGregor.

Brandon Lions helping build student leaders

With the help of Brandon Lions Club, student leaders from across Manitoba took to the International Peace Garden to develop those skills they will need in the future. October 12-13, the Manitoba Student Leadership Association held its annual conference, hosted by three high schools in Brandon – Vincent Massey, Crocus Plains and Neelin, and ***with a financial support of the Brandon Lions Club, donating \$3700.***

“The Manitoba Student Leadership Conference (MSLC) has the goal of putting like-minded student leaders in contact with each other to network and gain support and ideas for their own schools,” said organizer Kyleigh Bromley. She said they understand that schools are very different from each other, but from

the conference they can grow in confidence, make contacts and develop much needed leadership skills.

There were 184 students (grades 9-12) and teacher advisors from 24 different schools in the province as well as some from Saskatchewan, plus 50 Brandon School Division students and advisors.

Boissevain Lion and family lacing up for the Red Shoe Walk

The Denbow family of Souris, were among the many supporters who walked to raise money for rural families who have to travel to medical appointments with their children.

Ronald McDonald House Charities Manitoba hosted their second annual Red Shoe Crew Walk fundraising event on September 24, 2016. The Three-kilometer walks were held in five locations around the province including, Winnipeg, Brandon, Portage la Prairie, Dauphin and Waywayseecappo First Nation. As of date the walk has raised over \$57,750.

“Team Denbow”, who included Blake and Beth Denbow and their children, Mailie and

Kai participated in the Brandon Walk. They were also joined by Beth's parents, Lion Glen and Barb LePoudre of Boissevain. The team jointly raised \$2,800 for the Ronald McDonald House Charity. ***The Boissevain Lions Club proudly supported Boissevain Lion Glen with a donation of \$500. Presenting cheque to Mailie is Boissevain Lions Past President Ken Sanderson.***

The Ronald McDonald House charity has a special spot in the hearts of the Denbow family. Blake and Beth welcomed their daughter,

Mailie, to the world 10 years ago, on October 4, 2006, but the only problem was she only weighed 1 pound, 7 ounces. Born at just 26 weeks, it was uncertain their newborn daughter was even going to make it. For the next 4 ½ months little Mailie remained at the Children's Hospital in Winnipeg, and the Ronald McDonald House provided a living place for Blake and Beth so they could be close to their daughter while she grew and gained strength.

Binscarth donate \$5000 for iceplant at Foxwarren Rink

Binscarth Lions Club had quit a few activities in 2016. In early spring Lion President Bill Thompson presented a cheque of \$5000 to the Foxwarren Skating Rink Committee to help pay for a new iceplant.

On July 1, we served breakfast to over 600 people at the Binscarth Home Coming. After, we had three floats entered in The Home Coming Parade. In the evening we served hot dogs for almost 800 people before the fireworks.

In June we had Pride Day at Binscarth School, serving hot dogs and drinks to students and staff; and we replaced the felt covering on the legs at the Binscarth Drop-in Centre.

In September we lost a very good club member, Lion Phlyp Birch. Some members represented the club as a honour guard.

Virten Lions hand out Personal ID kits for kindergarten students

Lions Murray and Brian Hagyard of the Virten Lions Club with teacher Cheryl Klasen of Mary Montgomery School with 'My Personal ID kit' packets.

Earlier this fall Virten Lions Club distributed 80 personal ID kits to kindergarten students in Kola, Elkhorn, Virten's Mary Montgomery and Virten Goulter Schools.

Virten Lions Highway Clean Up

On the evening of September 29, eight members of the Virten Lions Club spent a couple of hours cleaning the west ditches of the Trans Canada Highway. This group included the newest Lion, Paula Brazil. In photo right is Lion Al Elliott cleaning up the north side ditch.

To be forewarned is to be forearmed. The kits prepare and organize identification of parents and their children. The kits include a page for parents to fill in regarding their own identification, place of work and contact information. This would then be ready for use by authorities, in case of an emergency.

The brochure includes colouring pages designed to assist parents in teaching their kids personal safety and how to recognize "common lures". It states that the most common warnings parents give their children, such as 'don't talk to strangers', in an attempt to prevent abduction or exploitation, are inadequate. "These warnings ignore everything that is known about people who commit these crimes against children," says the information. Perpetrators of crimes against children are most often people known to the child. There's a page for the child's finger prints to be applied, as a final identification point.
