A New Year

By PCC Virginia Rodriguez State Secretary

It seems the more mature we get the time sure flies faster. I do hope that all Lions in Oklahoma did have a Good Christmas and that the New Year will bless us with a lot of new Lion members.

I hope that you have filled out your registration forms, which have been in previous issues and some in this one, for our midwinter conventions and the 1st Southwest Pin Swap. The dates of the conventions are as follows: January 19th-1st Southwest Pin Swap, Lake Murray Lodge, Ardmore. (For further information call PDG Bill Middleton, 1-580-747-1158. January 25-26 is the District K Mid-Winter Convention and will be held at St. Crispins Conference Center in Seminole. DG Billy Thompson has a very impressive Convention planned, (See information on his governors page.) District 3-A (DG Deane Wymer) will hold their convention February 2nd at the First United Methodist Church in Fairview, OK (See their convention registration on his governors page in this paper. February 9th will be the

convention of District 3-H (DG Robert McMasters). They will be having a Mardi Gras

Wild convention. February 15th is the date for District 3-L Convention (DG Wes Williams) and it will be held at the Apache Casino Hotel located at I-44 and Gore Blvd, Lawton, OK.

The conventions are a good time to meet new Lions and renew Lion Friendships of the past. The second half club state dues billing will be sent to all of the Oklahoma Lions Clubs the first part of January. Return in a timely manner is most appreciated.

If your club has not paid your first half dues you will be billed for that in this invoice, too. In closing, a great quote from Helen Keller, who played an important part in the history of Lions International.

"Happiness cannot come from without. It must come from within. It is not what we see and touch or that which others do for us which makes us happy; it is that which we think and feel and do, first for the other fellow and then ourselves" -Helen Keller.

As you read this another calendar year has come and gone. We hope you had a Happy Holiday, and wish you a Happy and Prosperous New Year. I am amazed how true the saying; "My how time flies". It seems only yesterday that I became your Council Chair. Everyone said the physical demands would be less than when I was Governor. They were right that the physical stress is less; but I do miss seeing all the clubs; so I have tried to attend the District Cabinet meetings throughout the State. I am excitedly looking forward to all the District Conventions coming up in January and February. I do enjoy being with Lions as they go about the work of making the World a better place to live.

We are all Lions but how we "Serve" as Lions is as different as the Communities we "Serve". What works for your Club and Community may not work for another Club or Community. And that's what makes being a Lion so inter-

esting. Our primary goal of "We Serve" is the same but the journey each of us takes to get there is so different.

We can always learn from other clubs...that's why it is so important for your Club to make visits to other Clubs. Not only do you get to stay close with your neighboring Lions but you learn new and fresh ideas that will benefit your Club and keep the spark alive. I hope to see you at your District Convention and at our next Council Meeting on January 12th.

Ted Matson; Lions Quest-K-12 grade positive youth development and prevention program to cultivate capable and strong young people, **PDG Tony Dowell**; Lions Clubs International Foundation, **PCC Kent Clovis**; USA/Canada Forum-Overland Park, KS, **Kansas Lions**; Entertainment, **Ms Oklahoma-Vicky Rose and Alyssa Danley**; Parade of Banners, Memorial Service to honor our departed Lions. There will be scrumptious food, Good Fellowship, Fun, Recognition of Dedicated Lions, Youth Speech Contest and well as an Adult Speech Contest. Recognition of 25 years of Peace Poster and this year's winner. Silent Auction

items are needed for items to buy and Pin Traders will be present. In support of IP Wayne Madden's Reading Program, **please bring children's books, color books to give to a day care in Oklahoma City**. We need your Presence-The committee and I are looking forward to seeing you there. More to come in February issue about the Passport - A day of visitation to the Oklahoma Lions State Projects, April 25. The Redhawks will be playing the New Orleans Zephyrs on April 25, which we will be able to attend. Tickets will be \$11.00 apiece. Thank You, VCC Arlene Shore, Convention Chair.

A New Year for a New Lion

Troy Jenkins, Oklahoma Lions Service Foundation, Executive Director

"Yesterday, everybody smoked his last cigar, took his last drink and swore his last oath. Today, we are a pious and exemplary community. Thirty days from now, we shall have cast our reformation to the winds and gone to cutting our ancient shortcomings considerably shorter than ever."

Mark Twain

During this time of year, it is customary for many of us to participate in the traditions of the holiday. Ideally, we stay up late to see the New Year arrive, often buoying our spirits with spirits and celebrating the arrival by kissing the one we love. We spend the first day of the New Year recovering from the night before and watching parades and football. And dramatically, we make resolutions of all the ways we are going to improve ourselves in the coming year. In reality, however, these traditions look a lot different for some of us, especially as we get older. Some of us (me) need to set the alarm for 11:55 to ensure we see the year change, at which point a quick peck is exchanged and sleep resumes. While the tradition of watching parades and games usually remains intact, the resolutions typically go by the wayside before January comes to an end. So this year, let's make a change! Let's resolve to have resolve! Let's step up and do our best to serve as Lions!

So what, exactly, will this entail? Well, that answer is going to be different for everybody. Every one of the Lions of Oklahoma has a different set of circumstances that affect the amount of time and effort that can be devoted to Lionism. Between family, work, and other obligations, time to spare is a precious commodity. With that in mind, there are a lot of actions that require very little time, but can have a tremendous impact. For example, you might set aside a single day during the year to tour the Oklahoma Lions Eye Bank or the Oklahoma Lions Boys Ranch. This is a very small portion of your year, but could have a very large impact on your understanding of, and attachment to, our state projects. Any time you can make a personal connection to a project or a cause, you will likely find it more satisfying (and easier) to continue working to support it.

There are a number of ideas like this that you can implement at the community as

well as the state level. The quickest and easiest way to provide support, however, is also the most impactful – donating to Building the Foundation, or directly to the Boys Ranch or the Eye Bank. This has been discussed many, many times in this publication, but the importance of this simple action cannot be stressed enough! The service that is provided at both the Boys Ranch and the Eye Bank should be a source of pride for each and every Lion in the state. With very little effort from each and every one of us, we could easily support and expand these efforts!

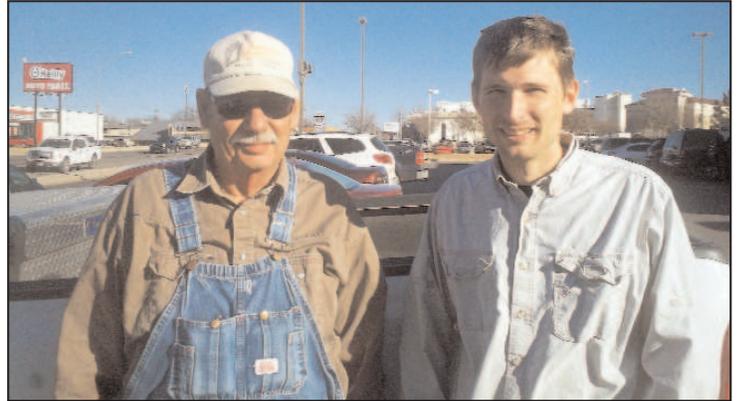

As a reminder, the underlying concept of Building the Foundation is very simple: we would like every Lion in the state to give five dollars a month (though more would be fantastic!). Five dollars a month works out to about 17 cents each day. Would you miss it? Five dollars is about the cost of a single Starbucks Latte. Would you miss it? With about 4,700 Lions in the state, that 17 cents a day from each of us would turn into about \$277,000 a year. \$277,000 would fund all 12 boys at the Boys Ranch (above what is paid by DHS and the Irrevocable Trust) for an entire year, with enough left over to fund almost a third of our goal for the new Foster Home community project, which will allow the Lions of Oklahoma to serve even more children, including girls.

Five dollars is about the cost of a Quarter Pounder combo meal at McDonald's. Would you miss it? \$277,000 would cover over a third of the cost of the entire new building fund for the Oklahoma Lions Eye Bank. Replacing the building, which is over 60 years old, and too small for our current needs, would allow us to expand our service. The Eye Bank processes all of the corneas donated in Oklahoma; the corneas processed have been involved in more than 20,000 successful cornea transplants since the inception of the Eye Bank in 1957. Imagine what could be accomplished with room for more staff and more equipment?

So, as we roll into the New Year and make our resolutions to live our lives better, why not consider making our service as Lions a big part of that plan? Why not consider giving 17 cents a day? Will you miss it? Why not consider taking five minutes to fill out the form for an automatic monthly (or quarterly, or semi-annually, or annually) withdrawal from your account to sup-

port Building the Foundation (you can find the form right here in this newspaper!)? Why not consider taking five minutes to write a check and mail it to the OLSF, the OLBR, or the OLEB? Why not consider making and keeping a resolution to do more for Lionism? Let us all give just a

little more of ourselves and give an even deeper meaning every time we say "We Serve!"

Terrill Unruh (right) was the grand prize winner of this year's Cowboy Cadillac. Pictured with him is Lion Dwight Unruh from the North Enid Lions Club, who sold the winning ticket.

ROBERT'S REMARKS

We are at the half way point in our Lions Year. As of December 12th, we have 7 clubs which have gained in membership, 11 clubs which have lost members; and 10 clubs with neither any gains nor losses. With our District Goal of 150 new members from our established clubs, our gain of 24 new members is only 16 percent. At the same time we have lost twice as many as we have gained. A total of 49 drops. During November the same pattern held, a gain of 8 with a loss of 15 for a net loss of 7. So far in December we have gained 2 new members while only losing 1.

Last month I ask all of us in district 3-H to commit ourselves to ask at least 5 persons to join our Lions Club. We can grow our club if we are willing to ask individuals to join us in service to our communities.

Our seven clubs with a net gain are:

OKC Northwest	+3
Perry	+2
Cashion	+1
Harrah	+1
OKC Metro	+1
OKC West Side	+1
The Village	+1
