OUR IMPACT OUR WORK LIONS OF OKLAHOMA MERRY CHRISTMAS!

By PCC Virginia Rodriguez

When it comes to meeting challenges, our response is simple! "We Serve"! This is something that unites us as Lions across all of our Oklahoma Communities during the year and here at the Christmas Season! Our Lions Clubs help wherever, whenever, and however needed.

Our Clubs are rich in heritage and pride! We are so proud of the many community projects in helping others in need at this Christmas Season as well as all throughout the year! From the many Christmas food baskets donated by our clubs, the clubs assisting with eye care to those at risk of losing their sight, the clubs assisting with winter coats, Christmas gifts to children, clubs providing a beautiful Christmas parade in their communities. I have listed just a few ways our clubs have assisted those in our communities at the holidays, as well as throughout the year!

Communities are blessed that the Lions in Oklahoma are able to offer their assistance with: Lions Quest, Peace Poster, Dr. Eugene Briggs Memorial Scholarship, Oklahoma Lions Service Foundation with Oklahoma Lions Eye Bank and Oklahoma Lions Boys Ranch, and the Oklahoma Lions Mobile Health Screening Unit. I am amazed to read how our Lions Clubs assist the well being of these projects as well as in their communities

Lions Clubs in Oklahoma serve the unique needs of our state projects as well as their communities, and through Lions Clubs International, globally!

For all that you do, we here, at YOUR Lions State Office are grateful and want to Thank you and "Wish You and Your Families a Blessed Christmas and a prosperous New Year"!

As the Council Chair I am supposed to set a high example for our Governors. In the beginning of the year I would send reminders that our monthly articles are due on the 20th of each month. As I write these words I look at my calendar and it is now the 27th of the month. As a business owner I was expected to give advice to my employees based upon my many years experience. As a Lion Club President I was required to offer suggestions and then advice on Lion Club business. As a District Governor I went through several Governor Training Schools both here and at International so that I would be a better leader and when asked I would be able to offer good advice.

So often we are the first to give advice and the last to follow the good advice that we offer.

We sometimes get in a rut and offer advice when no one has asked us to comment. We

get so used to running our jaws that we don't know when to stop. Some say "I offer advice because I know that due to my vast experience someone will want my opinion". When what they may really be saying is I wish he would keep quiet for a minute and let someone else talk.

Collectively, everyone working together as a team is smarter than most of us individually. My Dad always told me "Marvin, you've got two ears and one mouth...so be quiet and listen"

That being said, the next time I offer advice or my opinion and it's not asked for or warranted...just ask me if I remember what my Dad always said.

Remember that Lions Clubs are team efforts and not dictatorships. So step up and be a part of the team!!!!

Marvin, Mary, and Dixie would like to wish everyone a Very Happy Holiday Season and a Prosperous New Year!!!

STATE OFFICE HOLIDAY SCHEDULE

Our Christmas Schedule is: We will be closed December 21 through 26 to observe the Christmas Holiday. Due to this we will need your articles for the December papers by the 15th of December.

HAPPY HOLIDAYS? 'Tis the Season

Troy Jenkins, Oklahoma Lions Service Foundation, Executive Director

"People are often unreasonable and self-centered. Forgive them anyway. If you are kind, people may accuse you of ulterior motives. Be kind anyway. If you are honest, people may cheat you. Be honest anyway. If you find happiness, people may be jealous. Be happy anyway. The good you do today may be forgotten tomorrow. Do good anyway. Give the world the best you have and it may never be enough. Give your best anyway. For you see, in the end, it is between you and God. It was never between you and them anyway."

Mother Teresa

As the weather turns colder and we all gear up for the holiday season (and yes, I did say "holiday season" in deference to my friends that celebrate differently than what you or I might), many of us turn to familiar patterns. We all seem to feel a little more eager to give at this time of year. Obviously, giving is a big part of what Lions do, but we all seem to step it up a bit at this time of year. Another common habit in this season is reflection on the year that is ending. Countless magazines, TV shows, and websites will share their year-end awards, in forms ranging from Top Ten lists to Best and Worst lists to Man/Woman/Person of the Year awards. In this same spirit of reflection, it seems like a great time to recap the year from the point of view of the Oklahoma Lions Service Foundation.

To say that it has been an eventful year is an understatement. The ten months since I began have been nothing short of a whirlwind! As a volunteer, I have had the opportunity to train on the Club Excellence Program, attend an Extension Workshop, help launch a Disaster Relief Committee, serve as a Facilitator for the Club Excellence program, and participate in many great activities with my own club, the Stillwater Noon Lions. Having said that, it is in my role as Director of the OLSF that my eyes have been truly opened to the world of Lionism! This has given me the opportunity to see what so many other clubs do in their communities, meet so many great Lions, and work together with all of you to accomplish our goals. So as we walk through the accomplishments of the year, let us all remem-

ber that our successes belong to all of us, and in any areas where we might have fallen short, it is just an opportunity to learn and improve.

White Cane: Our White Cane campaign was pawing at the gate when I got here; as it is typically a Spring Campaign, the planning generally starts the previous fall. Regardless, it was a fairly successful campaign, with just over \$24,000 raised. While this was a sizeable increase from the previous year, our biggest opportunity is club involvement. With less than 25% of the clubs around the state participating, there is a tremendous upside for this year. We just need to get everybody involved and work together.

Red, White and Blue Dirt Benefit: As discussed before, our concert provides us with a lot of opportunities to improve. Though the concert was not successful, it did provide a lot of insight into ideas that might work better in the future. The OLSF is going to continue to look for new ways to generate revenue for the Boys Ranch and the Eye Bank; a concert still seems like a very viable idea. If we do it again, we will do a lot of things differently in the marketing and execution, and look forward to creating an event that is looked forward to year after year.

Cowboy Cadillac: This one is obviously still fresh on everybody's mind, as it just wrapped up a few weeks ago. There were a lot of positives about the campaign, not the least of which was the fantastic turnout at the event itself! Our opportunities for improvement include moving the date back and getting the tickets out earlier. In an effort to keep the drawing from conflicting with the holidays and the Boys Ranch Christmas party, the drawing was held at the beginning of November. Next year, we are going to shoot for the Saturday before Thanksgiving, and plan to have the tickets out by the end of June (barring anything unforeseen). The other monkey-wrench in the works this year was our grand prize. After the tickets were printed, I found out the truck had been used as either a demo unit or service loaner. I did not think this was a big deal since the truck had not been titled; I thought it was still considered a new vehicle. Apparently, some of you felt very differently. Again, this is a great opportunity to learn, and my mistake will not be repeated. In the end, the campaign was very successful. While we did not

sell as many tickets as we did the year before, we cut our costs considerably, and actually netted more than the year before. The winners are all happy with their prizes, and we have a great foundation upon which we can continue to improve and build for future success!

Building the Foundation: The Building the Foundation continues to be a work in progress. We have definitely seen an increase in contributions over the course of the year, but still have less than 250 of the more than 4,500 Oklahoma Lions contributing. Most of you have heard the numbers – if every Lion in the state gave just \$5 a month, we would have \$277,000 annually to support the Boys Ranch and the Service Foundation. Some of you are giving directly to our state projects, and

that is absolutely fine. Just bear in mind that our state projects should be a source of pride to each and every one of us, and we should be willing to support them any way we can. If you are not contributing regularly to Building the Foundation, or directly to the Boys Ranch or the Eye Bank, what a great opportunity to get personally involved!

So, as the year draws to a close, it is a great time to look back and reflect on all that we have accomplished together. Along with the main campaigns mentioned above, the Lions of Oklahoma have also been generous with their Linen sales, donating cell phones and ink cartridges, and just providing their time and energy in service. By the time you read this article, many of you will have attended the Christmas party for the Boys Ranch and shown another great example of giving and what it means to be a Lion. It is in this spirit that we ask all of you to take pride in our successes, join with us as we learn and grow from our mistakes, and most of all, to work together in the coming year as we exemplify our motto, "We Serve!"

Oklahoma Lions Boys Ranch

Happy Holidays

by Colleen Fowler

It's that time of year again! Time for Family gatherings, reminiscing about past holidays and making lists of must have gifts...unless you have been in DHS custody...separated from your families...only have bad memories of too much drinking, partying and too little money...list of gifts you never got, so why start now.

I am Christmas crazy!!! I love decorating, making crafts and cooking and everything connected with it. I was a child who though I didn't have perfect parents, still knew I was loved and safe and overly blessed with most things I wanted. Bob and I raised our sons with a strong sense of family and tradition and strong faith. So how do we share and teach this to our guys at the Ranch? We follow your example. Lions are focused on service, love for family, faith and tradition. So together we incorporate the sense of wonder and excitement that we feel. We give the boys opportunities to experience different celebrations, traditions and share our memories. Most of all We (and you) share our hearts. The toughest, coldest, most angry kid still needs a stocking hung on the mantle! Just because you might be on Santa's naughty list doesn't mean your Ranch Parents got that memo. We shop for gifts, wrap presents, decorate trees and serve meals. We go caroling, volunteer in our community and read the Christmas story. Our goal isn't for them to copy our traditions, but make their own memories, start their own plans for their family holidays when they are the parents! Lead by example, love with your whole heart and reach for the highest star on the tree. Our wish for them is a life rich in Faith, Family and a Future that they have designed for themselves. Aren't we the blessed ones to be spectators on their journey to success? Merry Christmas from "The Cedars, The Meadows and our OLBR Staff!

It's time!

"We are under a GREEN flag race"

The District held an Extension Workshop on Nov 4th - 7th. As a result the District is the process of forming 4 new clubs. A special thank you goes to PID Yamandu P. Acosta of Eufaula AL., and PDG Arthur Drouin of Conroe Texas, for the workshop, they did a great job for us. Our District Convention was held on November 17th. The success was due to the participation of the clubs in the district. Clubs represented - Bartlesville - Bartlesville Green Country - Bartlesville Limestone - Broken Arrow Evening - Claremore Will Rogers - Dewey - Glenpool - Jay - Sapulpa - Tulsa Brookside - Tulsa Metro-McCullough - Tulsa Red Fork - Vinita - Wyandotte . Thanks to convention committee for the fine work they each contributed. A special thanks to the Girl Scout Troop 808, they performed the color guard/flag ceremony at the convention. It was really great to have District 3-K DG Billy and PDG Cloye Thompson of the Ardmore Lions Club. Other 3-K members were PDG Tony Dowell, Lion Linda Dowell Ada Lions Club, and PDG Gary Wilburn Seminole Lions club. It was really great to have PDG / Council Chair Marvin Ainsworth and Lion Mary Ainsworth of the OKC West Side Lions Club. Other 3-H members VDG Tom Cummings Cushing Lions Club, and Lion Dawn Miller OKC Westside Lions club. It was really great to have district 3-A DG Deane Wymer and Lion Ester Wymer of the Fairview Lions Club, Other 3-A members PDG / PCC / State Secretary Virginia Rodriguez and PDG Franny Rodriguez of the Pioneer Pleasant Vale Lions Club. And to all who attended thank you.

"Our thoughts and prayers go to the Carl Schonborg family. Carl was a friend to all of us and will be missed by his Lions family."

"Challenge to District 3-O Clubs"

My challenge to the clubs in district 3-O is to have each club look into their community or surrounding communities and identify at least one person that they know has the "Heart of a Lion". Once that person or person's have been identified, tell that person(s) that your lions club wants to recognize their activities in the community that are just like those we do as Lions. Some lions are reluctant to invite new members to join. It's easier to tell someone that your Lions club wants to recognize them with an award for being "Lion Like" than it is to just ask someone to join the club. Maybe it is because of a secret fear of rejection some are reluctant to ask. This has worked in other districts and I believe that we can increase our membership by at least 30 new members. IP Madden told his story of waiting a long time to be invited to join Lions. We need to think about membership in new terms. The publicity from this activity is easy to get - newspapers like to publish award ceremonies - and will help us in our effort to start new clubs. Using membership tools such as "How Are Your ratings", a member satisfaction survey, and the Community Needs Assessment will help insure the future success of your club.

FAIRVIEW LIONS CLUB lost a 54 year member this month, George Barkett, who died 10/20/2012; Lion Charles Burlison sponsored a new member, Lion Kim Pierce, Pierce Funeral Home. Upcoming in November: Chicken Noodle Supper, 11/02/2012; 5K run, 1 Mi walk 10/10/2012; Annual Holiday Parade 11/20/2012.

Greetings:

Is it the Season of the Year, the month this year or will every month be like the current month? Are all Lions Clubs as busy as the last one I visited! We will not have additional hours in the day; nor have any more days in the week; they will not add a week to any month; and, do not expect a new month during this year!

Sometimes it seems that the more things change, the more they stay the same. But, each Lions Club seems to stay the same as all the others. The Lions Clubs visited to date have their own community foremost in the focus of their service to and for others! Is this as it should be? After all, this is the Season of we Lions being thankful for the opportunity to serve others!

However, do remember each Lions Club is not an isolated island. We are strengthened by our relationship with each of our neighboring Clubs, which becomes our District. Then our Districts together become our State, which united with all the rest of the States becomes our National, an integral part of our International Lions Club which encompasses some 206 countries around the world! Think about this, what we do in our local Lions Club can be heard around the world! The point is, that we are remiss in our services if we fail to support our fellow Lions at all and every level!

NORTH ENID LIONS CLUB has taken to heart their fellow Lions endeavors by promoting the Okarche Lions Supper held 10/19/2012; the United Way Chili Cookoff on 10/26/2012; the beans and cornbread supper on 10/27/2012 at the North Enid Community Center. Several of their members have a challenge to visit their neighbors Clubs meetings; nine members visited Okarche for their supper; three visited **PONCA AFTER FIVE LIONS CLUB** on 10/22/2012; four went to **PIONEER PLEASANTVALE** on 10/09/2012. They have contributed \$500 to LCIF for MJF & Measles initiatives. They are serving at all levels as we all should and could!

ENID NOON-BRIGGS LIONS President Lion Leland Streck has two additional jobs: works at the Outreach Center; provides Ministerial Service to at least one Church, occasionally two. Lion Doug Swanson continues to provide piano music for Lions lunch and dinners. There will be a November meeting on 11/28 instead of 11/22. There will be no meeting on December 26.

BURINGTON LIONS CLUB hosted the Alumni Parade held in September and paid bills, but did not officially meet until November 7 and 14, the beginning of their fiscal year. They were chartered December 15, 1965.

LAVERNE LIONS CLUB sponsored a chili supper on Friday, October 26, 2012, which included Stew as well. They received their nuts for distribution and had one guest at their 10/24/2012 meeting.

LAHOMA LIONS CLUB held a School Carnival on 10/24/2012. They made a Lions Club collection box for eyeglasses and cell-phones specifically for the carnival, but will utilize the boxes elsewhere.

PONCA CITY NOON LIONS CLUB held their "Lionstride" fundraiser for Juvenile Diabetes on October 13, 2012. They had 54 walkers and raised over \$6,000 for this project. Member Lion Ted Matson has initiated the project with the "Prevent Blindness" effort in Oklahoma. They utilize what is called SPOT equipment which focuses on the eyes and will check near sightedness, far sightedness, myopia, stigmatism and a couple other potential eye difficulties. This can be done for youth of age 6 months upward. There have been several hundred checked in the Ponca area. This "PB" group has several SPOT units scattered around the State and several Clubs have indicated an interest in using their screening tests.

ROBERT'S REMARKS

As District Governor, I am looking forward to three holidays: Chanukah, Christmas and New Years.

I remember Norman, my Jewish Lions friend in Muskogee. Chanukah starts the evening of December 8th. I wish a Joyous Chanukah to all our Jewish Lions.

Chanukah is the celebration of the light from the oil lamp in the newly rededicated Temple lasting eight nights instead of just one as expected.

Just as light is a symbol of sight in so many religions, the light of Chanukah calls upon all Lions to remember our commitment to sight conservation.

Since 1925, Lions have brought light to many by providing eye exams, eye glasses, new corneas and other sight conservation programs.

Executive Director Jeanette King, of the Eye Bank tells me that they still need about \$200,000.00 before they can start building.

I wish a Merry Christmas to all Lions who celebrate Christmas. Christmas is an important gift giving celebration for so many of us. As Lions, this should call upon us to reflect upon the gifts of service we give to our communities. We need to remember that Service Projects are a Gift to our communities, not just a work project to be accomplished.

Finally I extend a Happy New Year Greeting to All.

For many, New Years is a time to make resolutions for the next year. This is a time to resolve to become better Lions and Lions Clubs.

One way we might become better Clubs is to make use of the Club Excellence Project Workshop where we do a community survey to find out what service projects are actually needed in our communities and do a "How Are Your Ratings" survey of our members to see how we might make our club better.

In addition, all of us need to resolve to ask persons to join us as members of a Lions Club. Don't just leave it to the few. Join me in committing to ask three or more persons to become Lions.

3-H DISTRICT CONVENTION

Our Convention will be Saturday, February 8, at the Village United Methodist Church, 2501 W. Britton Road, Oklahoma City. We are still planning this event.

There will be at least two training events: Certified Guiding Lions, and one on Leadership Development.

Again this year we are inviting Clubs to

help in providing our Lunch. This year's theme is "Mardi Gras." Clubs are invited to either bring a Cajan dish or a desert. More on this later.

Besides the training and fellowship, the major reason for the District Convention is to elect officers and Board members. I already have the nomination submission of Lion Tom Cummings for District Governor Elect. We will also be moving Lion Dawn Miller from Second VDG to First VDG. The other officer to be elected is that of Second Vice District Governor.

Anyone who has been President for their Lions Club and served as a Zone Chair, Region Chair, Cabinet Secretary or Cabinet Treasurer is eligible to seek election to this position.

Nominations must be sent in to myself, as District Governor, PDG Jim Barnett, Nominations and Elections Committee Chair, and State Secretary Virginia Rodriguez no later than January 7, 2013.

The nominations package consists of a "Letter of Candidacy" from the person running for an office, and a copy of a "Resolution of Support" from the candidates club signed by the secretary.

In addition, we will be electing persons to a three year term on: Oklahoma Lions Service Foundation, Oklahoma Lions Boys Ranch, Oklahoma Lions Eye Bank, the Dr. Eugene Briggs Memorial Scholarship Foundation, and the Southwest and Central Oklahoma Eyeglass Recycling Project. If you are thinking of running for the Boys Ranch, you have to submit your name to the Boys Ranch Executive Director for approval. Other than the Boys Ranch, nominations from the floor can take place if no one has submitted their nomination application before hand.
