Thank-You Lions

Colleen Fowler, Communications Director
Lions Meadows of Hope

This year I have had the pleasure of attending most of the District Conventions and it has been a blast!

Each District and its' Governors are so individual, different styles, atmospheres, different programs and priorities. One thing though, has been consistent in every club, convention, meeting I have been able to attend and that is the compassion for your communities and the desire to make a difference. In numbers it seems the Lions organization has had a decrease in memberships and some clubs have dissolved. More often than not though, I am reading of clubs welcoming new members and reaching new goals for service and funds raised. Times are different and the way we did things in the past doesn't always translate to the present...trust me, we here at the OLBR-Meadows of Hope are living the changes every day! The ways you relate to your community have changed, pancake events are still successful, but maybe the way you reach young people has changed. The opportunities to become Leo's is amazing, the Leos I have talked to are energetic visionaries with a sense of adventure and respect. The mentoring your clubs do is solid and strong. Our schools are in crisis and who reaches out to help...Lions. Hospitals need volunteers...call a Lion. Youth sports teams need parking help, concessions, uniforms,

you the Lions Clubs of Oklahoma step up and step out. As I read on Facebook and the other newsletters and papers about all you do and who you are, it makes me so proud to be a part of your heart here with our foster kids. During the last six months, we have tried to spread the word. Over and over we have gladly traveled throughout the state to come speak about the circumstance and legalities that prompted such a drastic change to our program. As we anticipated, once folks had knowledge and could see our success and progress, attitudes began to change and the Meadows of Hope once again shared your heart and love. The majority, have hung on with us trusting Bryan and the Board to make the right decisions and as someone who lived through it, it was a turbulent fearful time. In the last 6 months we have grown from the remnant of boys and parents (Bob & I) who came from the group homes to 4 (2)-parent families with 25 kids on our campus! Four homes provide safety and security for 19 foster kids, and 2 who were fosters, but were adopted by one of our families February 1st, 15 of our kids are in sibling groups, (3) sets of 3 and (3) sets of 2. We are working on certifying our first community based foster home in Drumright with the desire of the Drumright Lions to be there as supporters and friends. Some folks have said to me

that 19 kids don't make a difference in a sea of 11,000 + who need homes...but it makes a difference to those 19! When one of our sets of three siblings finally were all together at the Payne's foster home, mom Pauletta said these little ones just sat together on the sofa with their arms around each other with happy tears. Just think...this absolutely would not happen anywhere else but the Lions Meadows of Hope. It's not about long-term placements or short-term stays, it's about finding joy in the journey.

There is a line from one of my favorite musicals that says..."Don't let it be forgot... that once there was a spot...for one brief and shining moment that was known as Camelot." My prayer is that these children will remember as the years go by that "once there was a spot" where I was safe, loved and allowed to grow and thrive.

Our folks may not share the same blood, but we share the same heartbeat...living it every-day as the families of the Lions Meadows of Hope!

Thank you Lions for your consistent love and support!

OKLAHOMA LIONS SERVICE FOUNDATION

Fellowship Awards

By Lion Marie Burns, OLSF Executive Director

Oklahoma Lions Top 2015 Fellowship Awards

Each year during the annual State Convention, the Oklahoma Lions Service Foundation awards the following fellowship awards to members who have partnered with the foundation to support Lions projects within the preceding year. The following Fellowship Awards recognize members who have contributed, or had contributions made in their name. Cowboy Cadillac ticket sales are counted towards the total.

Platinum -Judge Edgar S. Vaught \$1000 Award

Lions sixth International President (1922-23), Judge Edgar S. Vaught was a native Virginian but moved to Oklahoma in 1901, to become head of the Oklahoma School system (The LION,

January 1906) He served as the superintendent of Oklahoma City schools from 1902 until 1906. In the latter year he was admitted to the Oklahoma Bar and began to practice law. He became a United States District Court Judge appointed by President Coolidge in 1929 retiring in 1956. He was the only appointed District Judge until Alfred P. Murrah, 1937. He was involved in various civic clubs, however Lions held his greatest and deepest interest. He served as President of the Oklahoma City Lions club for the term 1921-22 and was a delegate to the annual Lions International Convention at Oakland. His personal capacities were well attested by the circumstances that surrounded the "political upset" election honoring him as the 1922-23 Lions Clubs International President without serving in the prior capacity, as senior Vice President. To his death his interest in Lions and service was one of his personal greatest joys. The Lions club Health Camp for youth in Northeast Oklahoma City brought him abiding pleasure (Shirk, George H., Year unknown. The Chronicles of Oklahoma. Judge Edgar S. Vaught).

The OLSF is proud to present our first year Vaught Platinum recipients listed below. Congratulations to these very special Lions!

Gold-Dr. Bob McCullough \$500 Award

Dr. Robert D. McCullough Fellowship award is given to individuals who have contributed or had contributions made in their name of at least \$500.

An osteopathic physician and surgeon, Dr. Bob received his doctorate from Kansas City College of Osteopathy and Surgery. He joined the Muskogee Lions Club in 1941 and then transferred to the Downtown Lions Club in 1943 where he maintained perfect attendance. Dr. Bob was elected Third International Vice-President in 1967 during the 50th annual International Convention in Chicago and as International President in Atlantic City, New Jersey, in 1970. His history of dedication to Lions includes his service as District Governor and two-year term on the International Board of Directors where he served as a member of the Executive Committee. He was the recipient of a Master Key Award, six International President's Awards, and the Ambassador of Good Will Award.

By the time this reaches you we will be down to about 90 days left in this Lion year. I hope it has been a rewarding year for your clubs thus far. One thing that would brighten up your outlook is to bring in a few new members before the end of the year.

Should you want to join the fun, I had two nice plaques made up for the club that has the most NET new members for the year and one for the club that has the largest PERCENTAGE GAIN in membership. I will use the numbers that will come out the first week of June from International and compare that to the July 1, 2015 numbers. The awards will be presented during the last cabinet meeting for the year in mid June. Every club still has an opportunity to have their name put on a plaque, so get out there and ask someone!

Speaking of awards, the Centennial Service Challenge is a good way for your club to be recognized by International. The challenge is to serve 100,000,000 (that's one hundred million) people around the globe before the 2017-18 year is over. If your club has a service activity related to youth, vision, hunger or the environment, and if it is reported to International by the secretaries, your club will receive a nice colorful banner patch with one to four gems indicating the number of areas your club served in. Every club has service activities. Why else are we Lions?? Check and make sure your club is reporting to International and get the reward you have earned.

Spring is in the air and Lions are as bees serving their communities. I have so many great pictures to share I will be a lady of few words this month and let the pictures speak for me and our District.

But first I must brag a little on our District! District 3K is currently at a net gain in membership. This is a great accomplishment. Keep up the great work and keep inviting friends and family to your meeting and service projects.

Ada-Instructor Steve Dunn teaching a Lions -Quest curriculum workshop with 80 of this year's ECU senior education major.

Ardmore-I had the honor of presenting a Lions Club International Lifetime Membership to Martin Dyer. Lion Dyer has been a member of the Ardmore Lions for 60 years. Thank you Lion Dyer for your service to Lionism! I also had the honor of inducting three new members, Stephanie Choate, and Vance Porter, sponsored by Tina Graham and Scott walker, sponsored by Tim Green.

Durant Lions Club and other volunteers showed the true meaning of the Christmas spirit Saturday, December 19th, by handing out toys to approximately 1,500 children.

Idabel Lions

McAlester Lions collected numerous pairs of socks to be donated to the warm Fuzzies Foundation, which was started by a young high school student to collect warm item to be donated to the local shelters and the Youth Emergency Shelter. The McAlester Lions also enjoyed the company of students from McAlester High School selected as Good Citizens each month. These Good Citizens helped draw the winners of the prizes in connection with our club's annual fall fundraiser. Proceeds go to the club's local eye care assistance program.

Seminole-presented awards to their Students of the Month.

Wewoka-Lions took 72 print cartridges and 55 pairs of glasses to the state office. Spent 48 hours registering children for their upcoming baseball season. We are donating a Melvin Jones Fellowship to one of our members at our 90th anniversary in June We donated \$250 to Wewoka school students who are going to New York City as finalist in THE STEM contest.

Wilburton -EOSC Baseball visited the Wilburton Lions, and talked about the upcoming spring season and the players involved. Left to right: Brett Akins, Kent Keeling, coach Craig Price, and club president Wayne Vogt.

Thank you to all the District 3-L Lions and Lions of Oklahoma that attended our convention which I thought was a great success and lots of fun. We enjoyed PID Mark Hintzmann and Lion Jayne and hope to see again in our many Lion travels. One of the greatest treats for me was all the Leos from Lawton that came to the convention and the awesome presentation they gave at lunch and hope they can share at the state convention plus I joined in on their meeting with PID Mark and we just have amazing Leos and future Lions. I received a letter from one of their advisors about the desire to go to International Convention in Chicago. I hope to see a big

group of Lions and Leos going to Chicago for the Centennial.

I want to give a big thank you to Elk City Lioness Lions, Canute Lions, Elk City Lions and PDG Lora (plus all of Lora's personal helpers) as I could not have got through the weekend with all of the help. If you were in attendance I want to thank you because you made a difference and helped with the convention and made it a successful event. I will share the convention in pictures.

While at the convention PID Pat Shurley receive a message from ID Bill Phillipi that our re-districting request extended to July 2017 was approved by the board. Here is the election results: DGE Dan Farrell; 1st DGE John P. Williams; OLBR – Gerald Lacy (Altus); Dr. Eugene Briggs Memorial Scholarship Foundation - Verdana Toyekoyah (Anadarko); OLSF – John King (Altus); OLEB – PDG Sue Thompson (Altus); OK State Convention Planning – Vicki King (Altus); and SW&

Well, it IS official. We received approval from Lions Club International to go forward with the redistricting with an effective date of July 1st, 2017. Finally we have a firm target date. No more changes. There is much to be done. New election criteria this year and combining five districts to three. Most of the upcoming District Governors are working it out among themselves. District Constitution and By-Laws will need to be combined -lots of decisions to be made. The next Council meeting is scheduled for April 2nd at the OKC West Side Town Hall. All lions are invited as this is always an open event. The Oklahoma Lions State Convention will be May 20th & 22nd in Lawton at the Hilton Garden Inn. Since it is Armed Services week-end, the theme is Proud to be an American. Lawton will be having a parade and the Oklahoma Lions will participate. We are ready to make Official Visits to the club so just drop me an e-mail at mooneytunes@cox.net. We are here to serve YOU.

District 3-H Club Activities

Crescent: This wonderful club just celebrated their 81st birthday. 1stVDGE Tom Mulligan and I were guests at their celebratory dinner.

Cushing: Cushing Lions Club graciously accepted a proclamation from the city of Cushing that celebrates and recognizes the 95th anniversary of the club.

Edmond: Edmond held a successful Chilli supper this month.

Midwest City: Plans are underway for our yearly BBQ dinner fundraiser to be held April 23rd from 4:30-7:00 at the MWC High School Cafeteria.

Morrison: DGE Troy Jenkins visited this strong club. They have a large number of projects which include sponsoring an Academic Team, hosting an annual Easter Egg Hunt, hosting an After-Prom party and a new club project Lend-a-Crib program.

Newcastle Community: April 23rd marks the date for the Newcastle LC Great American Clean-up Trash-off day, 9am until noon. All volunteers welcome. Each teenager that participates will get a shirt. April 30th from 7am-10am at Ribs N Moore will be their first ever Pancake & Sausage Breakfast, \$5 each. Their first Flag project this year started with 30 businesses and 40 residences participating. Plans are underway for the Newcastle Community Lions Club Concert in the park series-2nd Saturday of the month starting June 11th. Concert, food trucks, crafts, and fun.

Norman: Below photo features their International Student of the Month, Harris Nkhata Jr from Liongwe, Malawi.

Harris Nkhata Jr and his parents Mr. and Mrs. Harris Nkhata Sir along with Lion Claude Duchon and Lion B. Don Steveson
