

#05 Zone 3

District OH-7 Cabinet Report

Zone 3 Notes

- The Zone-specific email group appears to be effective in addition to other methods of communication.
- **The Zone 3 (Muskingum County Clubs) third Zone Meeting will be hosted by New Concord Lions Club on 12 February 2019.**
- As I reflect on past Zone meetings, they have been a great success with about 50 people in attendance. Soon after the November 2018 Zone 3 meeting, I attended a Zone 5 Meeting to do some benchmarking. I found their Zone meeting to be excellent and well organized. A special part of their program included PDG Fred Boring performing a New Member Inspection. I think someone took a picture of me -- proving that I do smile when I laugh. PDG Boring, is anything but!
- Each of the clubs in the Zone were offered a chance to provide nominations for Zone 3 Lion of the Year. I received more than one nomination for excellent Lions in the Zone. It was difficult to single one excellent Lion out for the award but I accomplished that task. The Zone 3 Lion of the Year will be announced at the OH7 District Convention. We're currently 'warming' up to the Convention.
- Zone 3 currently has **165 members** with a current **net gain/loss of zero (0)** members. However, Frazeyburg Lions has two (2) members pending applications which possibly places Zone 3 at a net gain of two (2) members in the coming month.

Club Notes

- **Duncan Falls-Philo**
 - This club is the largest club in the Zone, and as such, hosted the first Zone meeting in August which was well attended. The club reports many activities and regularly honors local veterans. The club had their 65th Anniversary dinner meeting on 5 November 2018.
 - **The club membership is at 53 with a net gain of 4 new members. The club should be noted for leading membership recruitment in Zone 3.**
 - L to R: Lions Sam & Glenna Mitchell, Lion Gerald Smitley, and Lion Terry Khune were featured long-standing volunteers of Duncan Falls Philo Club in January 2019.

- **Fazeysburg**

- Fazeysburg conducted an annual Holiday Bazaar on 1 Dec 2018 and conducted the annual Mitten Tree Project in December 2018 serving 15 children in the Tri-Valley area.
- Fazeysburg Lions had previously conducted their 65th Charter Night in October 2018.
- The club membership is at 18 with a current net loss of one (1) member. However, Fazeysburg Lions has two (2) members pending applications which possibly places the Club and Zone 3 at a net gain in the coming month. Both new members were sponsored by Lion Charlotte Jenkins.

- **Limestone Valley**

- Limestone Valley hosted the second Zone 3 meeting on 7 November 2018.
- The club membership is at 15 with no change in membership.

- **New Concord**

- **New Concord will be hosting the third Zone 3 meeting on 12 Feb 2019.**
- Recently, the club modified their meeting schedule where they meet in the evening on the 2nd Tuesday and then at noon on the 4th Tuesday.
- The club membership is at 29 with a net gain/loss of zero (0) members.

- **Springfield Township**

- The club membership is at 21 with a net loss of one (1) member.

- **West Muskingum**

- The club membership is at 14 with a net loss of one (1) member.

- **Zanesville Host**

- The club membership is at 15 with a net loss of one (1) member.
