A Heartfelt Thank You from Your District Governor

As we enter our final month of this incredible Lions year, I want to extend my deepest thanks to every club in District 13 OH7. Your dedication to serving your communities is what makes our organization strong. It's why we are Lions — to help those in need, bring hope to others, and lead with compassion. It has been my great honor to serve as your District Governor this year. While I believe every DG feels this at the end of their term, I truly wish I could have done more. Yet, looking back, I am filled with pride at what we have accomplished — together.

We didn't achieve every goal, but we achieved some big ones:

- ☐ 100% service reporting — an incredible show of commitment and transparency.
- ☐ 25% reduction in dropped members — far surpassing the 10% reduction target.
- ☐ Club officer training participation exceeded our goal by 8% — Strong leaders lead to strong clubs, and your investment in leadership is already making a difference.
- ☐ LCIF fundraising goal achieved which was \$36,620! An historic accomplishment for our district!

These milestones are not mine — they are ours! They belong to every Lion who stepped up, served, led, recruited, fundraised, and believed in the power of “We Serve.”

As you continue the journey this Lions year and into the next, I encourage you to:

- Keep spreading Lionism to more people;
- Be willing to try new things and embrace innovation;
- Listen to your members and support their ideas;
- And above all — serve your communities and each other.

Thank you for an unforgettable year so far. I am proud beyond words to be a part of this remarkable District. We are truly making our mark with a servant's heart this year!

In service and gratitude,

DG Lilane

1ST Vice District Governor Kelvin Hite

kelvinhite@gmail.com

Well fellow Lions, another year has passed, and we need to thank DG Lilane Fox for a great year of Leadership and direction that OH7 has gone.

It will be up to me to continue to lead you too keep growing this District. We are doing a great job, but we cannot take that foot off the accelerator. We must keep looking for new members and new clubs.

Robin and I will be going to the International Convention in Orlando Fl. In July. That is where I become your District Governor. Hold on and ride with me for a couple of months I will get things going as soon as I can. If I can do half as good as our last two DG's it will be fine.

I'm still looking for Zone Chairs for zones 1,3,7. I don't know why no one wants to help. This is one of the best offices I have ever held. This is a two-year position, you DO NOT have to move up after two years. You have the best time visiting clubs, meeting other lion members, and finding a place to meet 3 times a year.

We are having Zone Chair Training on June 7th in Logan, OH.

Please give me or Sara a call if interested.

Yours in Service

Hello fellow Lions!

It's hard to believe that we have arrived at the final month of this Lion's year. There have been so many wonderful activities and service done in our communities! As I look back on them, I am truly inspired.

lionsamarra@gmail.com

740-407-4002

It's exciting to see the upcoming, district-wide schedule of events, including car shows, tractor pulls, breakfasts lunches, and dinners, festivals, tree, plantings, road, cemetery, and neighborhood cleanups, and all of the other wonderful projects that we do during the warmer months.

We continue to work on starting two new clubs, Lithopolis and Baltimore, and I do hope that we see their formation very soon. Do keep your eyes open for other areas that need clubs, because I truly believe that every community needs a Lions club to make it complete.

As always, membership issues are always on my mind, and I encourage you to invite someone to be a part of our Lions family. The Recruiter's Passport is a resource that is always available to you, so please reach out if you would like more copies. Remember that when you complete the booklet and invite someone to join, you get a recognition pin... we do love our pins!

To those of you who have already recruited a new member, I thank you from the bottom of my heart. Without hands to do service, we are unable to do the best work we can for our communities. Please continue to make our important work possible, keep bringing in those hands that want to serve from their servants heart.

Thank you for a wonderful year as 2VDG. I look forward to serving all the Lions of district OH7 as 1VDG and beyond. Please don't hesitate to reach out to me for visitations, events, and questions.

Lastly, I just want to thank DG Lilane for being a true inspiration and passionate leader. I look forward to working and serving with DGE Kelvin and our newest officer, 2VDGE Kitty. Again, thank you for a wonderful year, let's finish strong, and start off our next Lions year even stronger.

Yours in Lionism and service,

1VDGe Lion Tamarra

PICKERINGTON LIONS CLUB

For the family of **Lion Shirley Jacobs, of the Pickerington Lions Club, who passed away last month.** She was 92. She joined the Pickerington Lions with her husband, Terry, in 2004. Although Lion Shirley's health didn't allow her to be active in the club in recent years, she was quite active in her early Lionism. She served on the club's Board of Directors, served on our Sunshine Committee and was a strong supporter and ambassador for the Central Ohio Lions Eye bank, giving talks and even making videos about the sight-saving surgery she received from COLEB.

Lion Shirley enjoyed the fellowship of Lions and those who served with her will miss her greatly.

State Convention News

My Reason For Attending The State Convention

was to witness the re-enactment of Helen Keller's address to Lions International, where it happened, exactly 100 years ago. I was not disappointed. It was a moving experience to hear her words in the same building where they ignited the passion of Lions Clubs a century ago. The re-enactment wasn't limited to that speech alone but the rapt audience was presented with four vignettes of Helen's life at various stages, from untamed child to ambassador to the world for the ideals of compassion, peace, and justice. Written by Lion Kris Keller

The crowd was captivated as they watched history being re-enacted before them; A peek of how amazing it was back then and all the lives that were touched since then.

Dear Aspiring Lion Leader,

We are pleased to inform you that MD13 GLT will be offering a Regional Lions Leadership Institute (RLLI) to the Lions of Ohio! All three levels will be offered this year. All Levels will be limited to twenty-five participants each Level, so you'll want to get registered ASAP since class size is limited!!

The Lions Institutes are indeed the "Ivy League" of leadership training. The institute at all levels will be a two-and-a-half-day immersion into developing and improving your leadership skills. This training will help you in your work life, your Lions career, and in your personal life as well. If you've ever thought about taking on a Leadership role in your club and beyond, this is the Institute for you!!

The institute is specifically designed to enhance your leadership skills. It will **not** be about fundraising, membership, or service projects. It will be about **Leadership!** This will be held at Deer Creek State Park, Mt Sterling, Ohio on October 24 - 26 and attendance is required for the entire event.

The cost to participants is \$185.00. The total institute cost per participant amounts to over \$300. Thanks to Grants from LCI and funds from the MD13 GLT committee you can attend for much less than the institute cost. Your only other expenses will be your breakfast and transportation to and from. Your hotel bill, 2 lunches and 1 dinner will be paid in full by MD13 GLT.

Below you will find the list of criteria and qualifications for all levels. Remember, space is limited to 25 participants for each level so make sure you get signed up before space runs out! We **MUST** have at least 15 Lions per level to hold this RLLI, so make sure you get the word out to **all** Lions.

We are proud to be able to offer this opportunity to the Lions of Ohio and look forward to receiving your application. If you have questions feel free to contact any committee member listed on the side column.

Sincerely,

PDG Jackie Miller

MD13 GLT Coordinator
