## **The Power of the Circle: Membership, Service, and Leadership**

Lions, have you ever thought about our organization as a continuous, unbreakable circle? At the heart of everything we do—our ability to serve, lead, and grow—is a cycle that connects **membership, service, and leadership** in a powerful way. When this circle remains strong, our clubs thrive, our impact expands, and our leadership strengthens. But if any part weakens, the entire structure is at risk.

### **Membership: The Force Multiplier**

Everything starts with our members. Each new Lion brings fresh energy, ideas, and talents that help us make a greater impact. The more members we have, the more hands we have to serve. A strong membership base allows our clubs to expand service projects, reach more people in need, and create a lasting difference in our communities.

### **Service: The Heart of Lions**

Service is what defines us. It's not just about giving back to the community—it's also about **supporting those who serve alongside us**. When Lions come together for service and fundraising projects, we learn from one another, grow stronger as a team, and create opportunities for leadership development. By working side by side, we build camaraderie, mentor one another, and help each other become better leaders.

### **Leadership: Strengthening Our Clubs**

Leadership doesn't happen overnight—it develops through experience, training, and the support of fellow Lions. As members take part in service and club activities, they gain confidence and skills that prepare them for leadership roles. Strong leaders create strong clubs, and strong clubs attract more members. **If you are a Lion, you are a leader in your community already!**

### **Keeping the Circle Unbroken**

The magic happens when these three elements—**membership, service, and leadership**—work together in a continuous cycle:

- More **members** enable more **service**.
- More **service** creates opportunities for **leadership development**.
- Strong **leaders** build **stronger clubs**, attracting even more **members**.

The cycle repeats, growing our impact and strengthening our organization.

If this circle is broken—if we stop growing, if we stop serving, if we fail to develop leaders—our ability to fulfill our mission is weakened. It takes all of us, working with motivation, will, and commitment, to keep the circle strong.

Lions, let's continue this cycle together. Let's **grow our membership, serve our communities, and develop leaders** who will carry our mission forward. Because when we keep the circle unbroken, there's no limit to what we can achieve.

**We Serve. We Lead. We Grow.** Let's do it together!

## 1ST Vice District Governor Kelvin Hite

Hello Linos,

I would like to thank all the lions for coming to the OH-7 Convention and showing your support, you have in me for, District Governor. I am learning a lot every day and trying to keep up with it.

It was wonderful to see and hear all the clubs doing so much and getting recognized for all the challenging work you did this year.

[kelvinhite@gmail.com](mailto:kelvinhite@gmail.com)

I know it has been cold this winter, but it is getting closer to spring and warmer weather. Let us get thinking about all the service jobs that your club will be doing and add two more for me. Don't forget to ask someone to join when you are out there.

I need some help with some good members that has been President or secretary to step up to be Zone Chairs and Assistant Zone Chairs. It is one of the easiest jobs out there and an enjoyable time. We will train you at the Leadership School on May 10, 2025, or June 14, 2025, at Zone Chair Training. Please let me know if anyone is interested. We need Zone Chairs for Zones 1,3,7,8 and Assistants in Zones 1,3,4,6,7,8.

If there is anything you need just call, text, or email us any time.

WE SERVE,

DG-e Kelvin Hite

## 2ND Vice District Governor Tamarra Parker Stephens

Hello Fellow Lions!

I hope this message finds you well and enjoying these spring-like days. Let's hope that the cold weather and gloomy days are behind us.

February was quite a whirlwind, and March is shaping up to be even busier!

**lions\_tamarra@gmail.com**  
**740-407-4002**

Albeit busy, last month was quite inspiring for me. Some highlights are: tales from Danville's Annual Raccoon Dinner, great networking and ideas from the online Growth Workshop including learning about exciting new Lions AI resources, proudly representing OH7 with DG Lilane and 1VDG Kelvin at the quarterly MD13 Council of Governors meeting, which also included a New Voice report, Recruiter's Passport distribution, and a VDG training session, presenting a Member Orientation for the Pleasantville Lions Club, attending the Annual MD13 Leo Convention with my own club-sponsored Laker Leos and 1VDG Kelvin, not to mention my regular club and BOD meetings, other visitations, and getting ready for our district convention... Whew!

So, why did I mention all of those activities? It's because I want to show you where and how I am inspired and encouraged by all of our fellow Lions. Their work, play, and projects refill my mind with ideas and inspiration, as well as my heart with warmth and hope for all of the things we can and will do as Lions in the future. Yes, sometimes it feels busy, but mostly it keeps me motivated to be the best Lion I can be, and to be involved with the most impactful service possible.

Thank you for all that you do, and for being a Lion. Together, our servant's hearts truly are changing lives and making our mark in communities far and wide.

### Convention Thoughts

What a wonderful convention we had! DG Lilane, Convention Chair Brian Fox, and the Lions of Pickerington were the major players in putting on a great convention to celebrate this Lions year; Congratulations and thank you!

ID Joanne Ogden and PDG Angie were friendly and inspiring guests. They each shared their passion for innovative service with us, which included ideas on how to make ideas into action, and took the time to get to know many Lions in attendance.

Congratulations to DG elect, Lion Kelvin Hite as he takes on the gavel of leadership on July 1. Thank you for entrusting me with your support as 1VDG elect. I am honored to serve the Lions of OH7.

Yours in Lionism,

*Lion Tamarra Parker-Stephens*

***Changing the World One Voice at a time!***

**Lions Clubs International  
FOUNDATION**

**Thank you for your continued support for LCIF.** As of February 26, the total donations received and processed from our district by LCIF total \$29,979.00. As a reminder the goal set for our district is \$36,620.00. Donations to LCIF from around the world currently total \$42,456,361.94. Every gift helps us achieve our fundraising goals and enables LCIF to award more grants to enhance our service.

**Our district has again used our District Community Impact Grant for humanitarian service. The funds are available by returning 15% of undesignated donations made by clubs and Lions the previous Lions year (2023-2024). Our grant was \$3,180.00 which was used to purchase 265 blankets from My Very Own Blanket to be completed by Lions and Leos and given to foster children in our service area.**

We are again having the Melvin Jones Fellowship fund raiser at our district convention which is a way to donate \$1,000.00 to LCIF. There are 100 boxes with \$10 for each box. After all squares are sold a winner will be drawn at our convention. The winner will be known by the time you read this but not as I write. This will be our third year for this fund raiser for LCIF. If the winner is already a Mevin Jones Fellow, they may designate another person or receive a Progressive Melvin Jones Fellowship.

This is taken from the 2023-2024 LCIF Annual Report which was recently published. The following highlight a couple of grants awarded by LCIF. Lions all over the world have found unique ways to support families facing childhood cancer. In Ribeirao Petro, Brazil, the Lions of District LC6 decided to help expand a family hostel with a \$80,602 LCIF Childhood Cancer Grant, so the Children with Cancer Support Group can serve an additional 27 children and their caregivers each year. The second grant expands services at a diabetes camp. Camp Sweet Life is an overnight type 1 diabetes camp in Southern Minnesota for youth eight to 15, with a day camp option for children aged five to seven. Lions of District 5M-2 recognized the significance of supporting the expansion and enhancement of the camp, so they decided to apply for a grant. LCIF awarded Lions a \$37,500 Diabetes Grant to fund medical supplies, counselor training and programmatic expenses to enhance camp experience.

### Sneak Peak at the 2025 Festival

*Just released photos*

Left: Reigning Queen Allison Bonito. Everyone who has met her praise her intelligence, grace and poise. Those aspects certainly shine through in the official photographs.

Right: Durant Amusement announced that they will be bringing their brand new Expo Wheel to the festival this year.

A crew of Lions cleared the new section of the clubhouse so that a new floor could be installed. They returned three days later to put it all back. The upgrade replaces a 60 year old tile floor that had greatly outlived its expected life. It was replaced by 21st century luxury vinyl tile which is the current standard for commercial flooring installation and enhances the look and functionality of the space. While costly, it will save thousands of dollars in upkeep over the life of the floor as compared to trying to extend the life of the previous floor. The work crew included Lions Shawn Carter, Michael Starr, Richard Neff, Steve Shover, Kelvin Hite, Ron Keller, Patti Betts, and Betsy Wolf, with special shout out to Lions Cyndi and Jim Condrey who moved the entire contents of the office out and then came before anyone else to move it all back in place.
