Lions District 13K Newsletter-August 2014

BEEF IT UP!

Hi Lions all of District 13K,
As we start our new Lions year, let's all pledge to do our best for our District. Our leaders in the past have worked hard and left a very progressive Lions District for us to work with. I am sure you have heard that Multiple District 13 will be Redistricting in the year of 2016-2017. Some of the Districts do not have the required 1250 members to get the benefits from LCI (Lions clubs International),

leaving them at a great disadvantage. By redistricting from 10 districts down to 7, all districts in Multiple District 13 will be eligible for benefits from LCI. District 13K has kept its membership well over the minimum due to the good hard-working leaders and Lions. With this in mind, I would like to thank the preceding Cabinets and Lions for a job well done. I will do my best to continue with tradition and keep 13K near the top of the Pride.

Speaking of the Pride, you will hear the expression "Strengthen the Pride" many, many times this year. It is the theme of our new International President Lion Joe Preston from the State of Nevada. Our President is one of the most dynamic individuals you will ever meet. When he speaks, he has your attention from the beginning of his talk to the very end. He keeps you hanging on every word wanting to know what the next word will be and know that it's great to be a Lion. If his speech isn't enough to keep your attention, his theme song will. He wrote, composed, and sings the song "Strengthen the Pride" and he is good.

The word Pride comes from a pride of lions, a family of lions. President Joe is pushing to get the family involved in Lions. If we are going to continue to grow Lions and gain more members, we will need to get the family involved. When the children are involved at a young age, they will continue to be involved in Lions as adults. There are many ways to get the whole family involved. You can start a Leo Club as young as the 5th or 6th grade and continue on through Junior High and have the students thinking Leos into high school. The Cub program is for ages 3-12. We already have a start with all of the Leo Clubs in our district; we need to be thinking of more ways to involve our youth and families in Lions.

As always, the International Convention was entertaining, very interesting, and educational. My family and I have been to several International Conventions beginning in 1977—this was our 10th International Convention. The education and training I received at this convention was intense. I would like to thank the Lions of 13K for giving me the opportunity to obtain this training and to work for you.

Just Dropping a Line....

(with 1st Vice
District Governor Dan
O'Connor)

Hello Lions All,

Pam & I attended a picnic at Licking Valley Lions. And installed there new officers. We had great time!

We attended our first International Convention. We kept very busy we met a lot of interesting people. Pam liked the flag ceremonies and thought the entertainment was very good. I have never seen so many Lions in one place. Unfortunately we had some issues with the busing on the first day, however, after that the busing got better.

Congratulations to Richard for getting inducted in as Governor.

I am looking forward to starting my visitations in region 2.

Yours in Lionism,

1st VDG *Dan O'Connor*

Let's talk
about it!

With 2nd Vice District Governor Sue Diehm

Hello, Fellow Lions of 13-K

ASK 1. That is a phrase you'll be hearing a lot this Lions year. It is International President Joe Preston's request to all Lions. His theme is "Strengthen the Pride." We can accomplish this by recruiting new members to energize and strengthen our Lions clubs.

Where do we find these potential members? Take advantage of places where your Lions club meets the public. For instance, last Sunday our Lions club participated in the Carroll Market. We sold our baked goods and cookbooks there. We passed out a number of Lions brochures, and talked to a few people who seemed interested in visiting our club. We may not get any new members from this, but it's worth a try!

Governor Richard and 1st VDG Dan have just returned from the International Convention in Toronto. I'm sure they will be sharing their experiences from the Convention in the district newsletter and when they make their club visitations.

I have set up several of my club visitations, and am looking forward to visiting the Lions clubs in Region 1.

Yours in Lionism,

2nd VDG *Sue Diehm*

(continue Moos from Governor Richard)
CST Sharon is working very hard on the District Directory and we hope to have it ready for the printers soon. One hold up is that some clubs still have not sent a copy of the PU101 or at least a note explaining who their club officers are. **We need the names of the officers with their address, e-mail, phone number, and the office they hold.** These are needed to get the correct information in the directory.

PLEASE RUSH!

The District needs a volunteer from Zone 2 and Zone 8 to be Central Ohio Lions Eye Bank Trustees. We also need a Lions Project for Canine Companions for Independence Trustee. Their information will be in the directory. We need them fast

District 13K has been assigned the speaker for our District Convention It is ID Mike Molenda from District 5M6 of Hastings MN. Lion Mike Molenda is scheduled to speak at 10 other conventions in the next year and a half. He and his wife Linda will be traveling North America and keeping very busy. Lion Sharon and I were lucky to meet the Molenda's at the International Convention. They are very nice and I hear that he is a very good speaker. More will come as I learn more about the Lion Molenda's.

Chesterhill Lions Club

Chesterhill Lions celebrated 60 years of service to their community. It was a very nice evening. The Mayor thanked the Lions Club for all their service and how much they are Appreciated them. Pictured are IPDG Bill Schultz presenting outgoing President Nelson Myers a certificate of Appreciation.

Another highlight of the evening was (13F) Lion Jackie Christenson portraying the famous challenging speech of HELEN KELLER. She did a fantastic job and gave an enlightening encounter of the event and the history of the Lions.

Millersport Lions Club

SWEET CORN FESTIVAL IS ABOUT LIONS TEAMWORK

On August 27 thru August 30 the Millersport Lions Club will host their largest fundraising project, the ever popular Sweet Corn Festival. While year round preparation and planning by its members have been the key to its success, it takes the support, dedication and teamwork of their fellow Lions and Lioness Clubs to host an event of such size and reputation.

The Millersport Lions wish to publicly thank all of the members of the clubs that are the backbone and foundation of the Sweet Corn Festival: Baltimore Lions Club, Glenford Lions Club, Heath Lions Club, Hebron Lions Club, Logan Lions Club, Millersport Lioness Club, New Albany Lions Club, Pickerington Lions Club, and Rushville Union Lions Club. The District 13-K Lions working together as a team representing many other clubs will operate a game booth again this year to help raise funds for Lion charities.

PDG Larry & Lion Char Roberts provide a classic car and drive the District Governor in style in the Grand Parade. We are also appreciative of the numerous members of the District Cabinet that attend and help all of the clubs participating during the four day event.

The corn will sure be sweet, but the Lions teamwork will be even sweeter, so make plans to show your support for Governor Richard and CST Sharon Sweeney in the Wednesday evening Grand Parade, see Diamond Rio in concert on Friday night and Jo Dee Messina performing on Saturday night. There will be plenty of delicious food, lots of contests, a large midway, games for all ages, nightly tractor pulls, and a chance to win \$10,000.00. Come see why we are earresistible! East Knox Lions Club

Provides an Apple iPad for local student

Jessica and Lion Jerry Lindstrom with her new iPad.

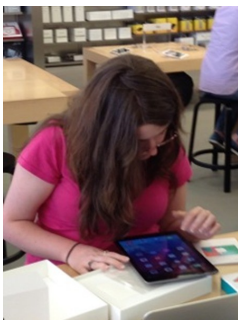

The East Knox Lions Club of Howard, OH has purchased an iPad for a recently graduated student of the East Knox School system. The student, a young lady, is legally blind with tunnel vision and will need considerable help to achieve her goal of becoming a journalist. The unique capabilities of the iPad will be of great assistance to her in life and at college in the fall. This is the same young lady to whom we gave scholarship funds.

An Apple iPad has voice recognition and voice feedback to interface with all the Applications. It can be used to dictate documents, read emails, read books, navigate via GPS and lots more. Its technology has become a lifeline to visually handicapped persons.

Lion Jerry Lindstrom of the East Knox Lions headed the effort to get donations totaling \$1200 from the club, friends of the club, funds facilitated by the Knox Community Foundation and the First Congregational Church.

She was taken to the Apple store where she got the iPad and keyboard/cover. Apple employees set it up totally as hers and downloaded special Apps that she will need to make it work for her. She was really excited and learned very fast.

This is the second device the East Knox Lions Club has worked to gather funds for recently. In March 2013, they headed the efforts to provide a computer assisted "Optical Reader" for a kindergartner. It allowed her to read the blackboard and written material. Its need was totally different than the iPad.

Jessica is using her iPad and learning all the different functions it has for her to use in the future.

Zanesville Host Lions

The Zanesville Host Lions will be receiving two new members into their club at their

August meeting. They also are helping with the "Tools for School" program and will be having a Red Cross Blood drive on **AUGUST 4th.**

As you read this, the first month of our Lions year is over.

What were the results from last year?

How many individuals were “Served” by our Lion activities and donations?

How many additional individuals could we “Serve” with additional Lions?

The 2013 – 2014 membership results for District 13 K:

We added 82 new Lions in our 50 clubs.

Thirteen of our clubs were up in membership at the end of the year by a total of 24 members.

We dropped 136 members during the year (22 of this number were deceased).

Twenty-three of our clubs were down in membership by a total of 78 members.

The result is we started July 1st with 1346 members in 50 clubs (Previous year started with 1400 members in 51 clubs).

I want to CONGRATULATE the following clubs who were up in membership this past year:

Zone		
Alexander	+3	8
Amanda	+1	4
Beverly	+2	7
Chauncey Dover	+1	8
Glenford	+1	5
Hebron	+1	3
Licking Valley	+2	3
Logan	+1	4
Newark	+3	3
Pataskala	+4	2
Pickerington	+1	4
Roseville	+1	5
Zanesville Host	+3	6

I would encourage someone from each of these clubs to share with all of us what you have been doing as a club to GROW your membership. Please send your thoughts and actions you have taken to increase your membership to me at: lion-greg@outlook.com . I would like to compile what you write and share with Lions through this District Bulletin. (continues on next page)

Zone Meetings

I will be attending all of the zone meetings in August. I would appreciate being able to present a **Lions Membership Matters Round Tuit** to every Membership Director from each Club in the District at these meetings. Please come to the zone meetings and share your success stories with others. Lions learn and are encouraged by other Lions. I look forward to meeting and sharing with hundreds of Lions at these seven Zone Meetings (Zones 4 & 5 will have a joint meeting).

Round Tuit Inscription (information)

This is a Round Tuit. Guard it with your life. Tuits are hard to come by, especially the round one. It will help you become a much more successful person. For years you've heard people say "I'll do this when I get a round tuit." Now that you have one you can accomplish all those things you put aside until you got this **Round Tuit**.

Announcement

There will be a meeting of interested Lions at the Rushville Clubhouse;
August 18 @ 5:00 pm. The focus of the meeting will be how to obtain and keep **young** individuals as members in our Lions Clubs. This is before the Zones 4 & 5 meeting. This focused meeting will end about 6:00 pm to not interfere with the Zone Meeting activities. Please consider being a part of this meeting if you can.

Message from PDG Don DeVault:

Diabetes Awareness

To all my Fellow Lions:

I will not be attending any of the zone meetings, except my own Zone 3, in the month of August, (and that is, IF I am able); nor will I be attending the first cabinet meeting either. This is due to the fact that the chemo drugs during the treatment months four and five, have had some severe side effects. Once I have completed with the final and sixth treatment in August, I am thinking positive that I will be in remission. The governor has designated one or two Lions to help me cover Round One Zone meetings during this period so I don't not have to travel. All of this is temporary. Thank you for your help and understanding.

NOTE - Checks from Diabetes Awareness should be sent and ***made payable to O.L.E.R.F.*** (Ohio Lions Eye Research Foundation) AND THEN in the memo section of the check, put Diabetes Awareness and mail to PDG Don DeVault, per Lions Directory.

Please keep PDG Don and Lion Irma in thoughts and prayers as they go through all of this.

Update is from Lion Sandy Crossan, Given by PDG Don DeVault.

South West Licking Leo Club

Held their first annual GLOW in the DARK KICKBALL TOURNAMENT

It was held on Friday, July 11th from 9pm until 3am on Saturday July 12th at our city park Foundation Park in Pataskala. We had eight teams, each paying \$150.00 to play in the double elimination kickball tournament and the Pataskala Lions Club helped us with concessions and umpiring and of course the Leos had many many hours prepping for, running it, and cleaning up after the event.

The Glow in the Dark aspect was really neat and in addition to painting bases with glow in the dark paint we had glow in the dark kick balls and each team had to have glowing uniforms. The best team uniform was awarded flashing light pins and certificates, and the 1st and 2nd place teams earned a lighted trophy. Black lights were used to luminate scoreboards, made by the Leos. We also put glow sticks inside balloons and used glow necklaces for decoration, it was a REALLY fun time!

Team Kicking Grass, 2nd place winners are located on the left side and Team Sally's Hearth is on the right side. Celebrating being 1st place.

Say good bye to that “elect” ribbon because it is NOW Official. We present to you... Governor Richard Sweeney of MD 13K of OHIO!!

Pictured with Governor Richard and Lion Sharon is Orlando from Recognition Services. He helped design the pins for Governor Richard and Lion Sharon. They had their pin set on exhibit at the pin booth in Canada. Lion Sharon is holding the display of the pins.

Looks like the Governor and Lion Sharon are ready to chow down, or did they just finish a yummy meal? Either way rub a dub dub bring on the grub!

Lion Kitty and PCC Ron Keller along with 13B IPDG Francis Hensel cheers on the speaker.

PDG Ed Otte is looking on at the International Ceremonies.
