August 2016

Issue 2

Hello, Fellow Lions!

I wrote last month's article shortly before Lion Paul and I left for Japan, knowing we wouldn't be back until July 6. The International Convention was held in Fukuoka, Japan, a large city (1.4 million) in the northern part of the island Kyushu. The other 6 Ohio District Governors and I attended training classes for three days, followed by the International Convention. There were 3 Plenary sessions. At the end of the third one, June 28, our spouses or partners in service pulled off our "Elect" ribbons and we officially became District Governors. The following day, Lion Paul and I took a Lions Post Tour for the next week with 21 other Lions from the U.S. and U.K. We visited Hiroshima and the museum there, many beautiful shrines and temples, Japanese gardens, a waterfall, and the famous Mount Fuji. We rode the bullet train twice—quick transportation! We experienced Japanese cuisine at nearly every meal—most of it very good (lots of fish and veggies). We even spent a day at an authentic Japanese hotel where we donned Kimonos to eat dinner and slept in a "real" Japanese living quarters with tables at eye level, rice mat flooring, and a mattress on the floor for sleeping. It was an interesting experience, but I must admit I was happy to sleep in a regular bed the next night! While I was away, West Virginia experienced severe flooding. Fortunately, 1st VDG Dave and 2nd VDG Barb stepped up and began collecting funds to help. They pledged \$1,000 and by now, several hundred over that amount has come in. Thank you, Lions of OH7! The additional money will be sent to the flood victims. 1st VDG Dave will have more to report in his column.

Our new International President, Chancellor Bob Corlew, is from Milton, Tennessee. His theme is "New Mountains to Climb." His focus this year is Membership. As other service clubs, membership has been declining the last several years. We know that particularly in Ohio, as our reduced numbers has forced us to redistrict. The Centennial officially started in 2014 and will end in 2018—what an important time to become a Lion! Please encourage friends and neighbors to join during this special celebration. Both new members and their sponsors will receive a special Centennial pin. It's a great time to become a Lion as we begin a second century! (continues on page 2)

GOVERNOR SUE's article continues...

My theme for the year is "Communication is Key." As a retired editor, I have always felt communication is important—in our community, in our clubs. We need to advertise ourselves—be it on the web, on Face book, in newspapers. If we are doing an activity, be it a service activity or fundraiser, we need to tell others about it. We don't want to be known as a "best-kept secret." I have been busy working on the district directory, which is now available on the Ohio Lions website. It is now at the printer's, so I'm finally starting my visitations. I have scheduled them so far through November. My visitation schedule is listed below. I'm looking forward to visiting your club soon!

Yours in Lionism,

Governor Sue Diehm

It has been a pretty hot summer so far, and the new Lion's year is starting to heat up as well. Thank you to the clubs that have contributed to the West Virginia Flood Relief Project so far. 2VDG Barb and I delivered a \$1000 check to the IPDG of West Virginia District 29C, Lion Ken Valko. Another \$1000 has been sent to DCT Ed Otte to go south to West Virginia. The

recovery from the devastation caused by the "once in a thousand years" flood will continue well into the future. Please keep the donations coming in. They can be sent to: DCT Ed Otte, 2625 East Park Street, Millersport, Ohio 43046. I enjoyed a visitation to the Ironton Noon Lions and appreciate the tour of the old State Route 75 Haunted Tunnel and Ironton Scenic

"The entrance to the Ironton Noon Lion's Haunted Tunnel."

Overlook that Lion Joe Jenkins gave me. After a nice drive along the Ohio River on Route 52 past Coal Grove and Chesapeake, I eventually reached Route 7 passing through Gallipolis and Pomeroy where I headed up Route 33 to Athens. That put me in or around six of our "river" clubs in one lovely day which ended with a super meeting with the Athens Club at the O'Bleness Hospital Cafeteria in the evening; ended, that is, if you don't count the dusting I took at the card table at the hands of some astute Athens poker players prior to heading up the road to Lancaster a sadder and a

wiser man. Thank you, Athens Lions, for a generous donation to the flood relief effort and an informative meeting. It was great to see over 70 per cent of the club's membership at the meeting. I am confident the Athens Club will have an outstanding year. I am looking forward to visiting a few more clubs in August, as well as attending all the Zone Meetings. If I forget to RSVP, count me in please. Below I have listed the visitations I have scheduled in addition to those I listed in the July Newsletter. Have a good month!

What a great time I have had visiting Region 1 clubs. It has started out with Hebron Lions meeting at Buckeye Lake Museum. What a busy club. They're planning to help Canal Park in their town. They donated to the West Virginia Flood Relief Fund. They are busy planning their fund raising events for the coming year. The next stop was Rushville Union. They are taking in 4 new members at their next meeting. They are gearing up for the Sweet Corn Festival. What a great group of guys. Baltimore was my next stop, with an outing to the Buckeye Lake Winery. They are a busy club getting ready for the festivals that they do. They are a small club that donates back to the community.

Centerburg Lions sure are busy for a small group. I enjoyed their speaker of the evening talking about geocoaching. When I retire I think we will be active in this. It is free and a lot of fun. I also found a grave in the Bloomfield Cemetery in Sparta that had a plaque for a teacher who taught Helen Keller. That was most interesting. I enjoyed the food afterward.

I am looking forward to visiting Fredericktown on August 1st, West Muskingum on August 3rd, and Mt Vernon on August 9th before the zone meetings. On August 25th, I will visit the Carroll Lions, then off to the Millersport Sweet Corn Festival for 4 days helping different booths along with Baltimore Lions. Come visit and try the pumpkin funnel cake. Is it ever good. So many Lions have such good food there to purchase and get your taste buds going, and other Lions Clubs have fun games to play when your belly is full.

Keep Believing in all you do for your communities

19TH ANNUAL CAR, TRUCK, And MOTORCYCLE SHOW

The car show was a winner! Lion Gene Savage estimates total revenue to be

around \$4500. The weather was perfect. Owners of 62 vehicles and many visitors enjoyed the day. A 50/50 drawing, food, drinks and our door prizes were a success.

As usual DJ Spike Man was a hit and has been “reserved” for our June 17th show next year.

KINDERGARTEN VISION SCREENING EAST MUSKINGUM ELEMENTARY SCHOOLS

The New Concord club will be conducting a Vision Screening Program using the Cambridge Lions non-invasive mobile screener. The Plusoptix vision screener is easy to use and can detect, in less than one second, common vision disorders including:

- Hyperopia
- Myopia
- Astigmatism
- Anisometropia
- Anisocoria
- Strabismus

Three to 4 members are needed to work in the program. Screenings are projected to take 1 to 2 hours at each school. Each child will be given a New Concord Lions *I HAD MY VISION SCREENED TODAY* sticker.

President Bennett will be coordinating the program. Please contact Brian if you would like to volunteer.

MILLERSPORT LIONS

SWEET CORN FESTIVAL IS ABOUT LIONS TEAMWORK

On August 31 - September 3 the Millersport Lions Club will host their largest fundraising project, the ever popular Sweet Corn Festival. While year round preparation and planning by its members has been the key to its success, it takes the support, dedication and teamwork of their fellow

Lions and Lioness Clubs to host an event of such size and reputation.

The Millersport Lions wish to publicly thank all of the members of the clubs that are the backbone and foundation of the Sweet Corn Festival: Baltimore Lions Club, Glenford Lions Club, Heath Lions Club, Hebron Lions Club, Logan Lions Club, Millersport Lioness Club, New Albany Lions Club, Pickerington Lions Club, Reynoldsburg Lions Club and Rushville Union Lions Club. The District OH-7 Lions working together as a team representing many other clubs will operate a game booth again this year to help raise funds for Lion charities.

PDG Larry & Lion Char Roberts provide a classic car and drive the District Governor in style in the Grand Parade. We are also appreciative of the numerous members of the District Cabinet that attend and help all of the clubs participating during the four day event.

This year marks the 70th Anniversary of the Millersport Lions Club and the Sweet Corn Festival. To celebrate the famous "Franzen Performing Animals" will host several shows daily just east of the Charles Holliday Covered Bridge.

The corn will sure be sweet, but the Lions teamwork will be even sweeter, so make plans to show your support for Governor Sue and Lion Paul Diehm in the Wednesday evening Grand Parade, see Lee Greenwood in concert on Friday night and Lonestar performing on Saturday night. There will be plenty of delicious food, lots of contests, a large midway, games for all ages, nightly tractor pulls, and a chance to win \$10,000.00. Come see why we are earresistible! Comfortable robes for everyone!

District Governor Elect Sue not quite our Governor. Just a little bit more time before it's official.

Assisting Fellow Lions from WV

In the wake of the terrible flooding that has recently occurred in Greenbrier and the surrounding counties in West Virginia, immediate support of relief efforts is needed. It can be accomplished in many ways. District Governor Sue Diehm has approved providing some immediate monetary aid for the stricken residents through a fund called the MD 29C Flood Relief Fund, initiated in part by Past International Director Bob Browning from West Virginia. We have taken \$1000 from the 13K account, prior to its transfer to OH 7, and will hand deliver it on the 30th of June to MD--29C District Governor Ken Valko to be deposited in the 29C Relief Fund. It is our belief that these funds will be replaced in the new OH 7 account as a result of donations, both personal and club-approved, from members of our new district. It is also our belief, based on past generosity in supporting district projects and in recognizing the extent of the devastation of this natural disaster, OH 7 support of this project will far exceed the initial donation of \$1000. As a matter of fact, over \$850 was pledged at the Thornville Lions 65th Charter Celebration June 28th. All funds donated beyond the initial \$1000 will be sent to the relief fund at appropriate intervals. Certainly, a number of communities in our district have dealt with the aftermath of major flooding, and we are all aware of the damage Nature can inflict in its many forms. Our neighbors in West Virginia, many of them only an hour or two away from our "river" clubs, need our support now and in the coming days. Please support this district project as you are able.

Checks can be sent to: CST Ed Otte, 2625 East Park Street, Millersport, Ohio 43046. Write checks to "District OH 7" and put "29C Flood Relief Fund" on the memo line.

From Lion Sharon Sweeney, Eyeglasses Recycling Chair,
An update...

District 13K donated nearly 50,000 pairs of eyeglasses for the 2015-2016 year. A big thank you to Lions John and Jonda Crutcher for helping load the glasses into our pickup truck, to PDG Richard Sweeney for driving his pickup loaded with glasses to OSU optometry school, and to my grandson Sergei Weidner for helping unload the pickup. Thanks again to those who helped sort the first load of eyeglasses--Lion Jonda Crutcher, Lion Paul Diehm, PDG Bill Schultz, DG Sue Diehm, and PDG Richard Sweeney.

Thanks to all clubs and individuals for your donations. Below is the message I received from OSU Optometry Lions Club representative.

Let's continue to collect for such a worthy cause.

From the OSU Optometry School sent to Lion Sharon Sweeney

Hi Sharon,

We got to counting and estimate that you brought over 25,300 frames!

That is incredible! Thank you so much for collecting the glasses.
