Dear Fellow Lions,

It's hard to believe that this Lions year is winding down. Have you held a Membership Night for prospective Lions members yet? Approximately 2/3 of the Lions clubs in OH7 have taken in at least one new member this year. That's the good news—those clubs who have not added a new member this year, there's still time! Centennial membership is special—the pin for the new member looks like ours but "Centennial" is printed over the top of it and the Lion who sponsors that new member receives a special pin with "100" on it. This is a great time to become a Lion!

My visitations are nearly over. I visited the New Lexington Lions Club in April and will induct the new officers in the Jackson Lioness Club on May 10. Speaking of new officers, please remember that PU101s are due to Lions Clubs International on May 15. You should be in the midst of doing your 3 readings of new officers at your club meetings. It is important that you report your new club officers so that they are correctly listed in next year's District OH7 Directory. Please send a copy of your officers just as soon as your election of officers is completed to Governor-elect Dave Stockum at davestockum@gmail.com. Thank you!

New officers, new members, and all other Lions greatly benefit from our yearly District OH7 Leadership School. The deadline is April 26, which will have passed by the time you receive this newsletter. However, I hope many of you will take advantage of this great training opportunity. Not only will you learn something new—several new topics and new presenters—it's nice to see other Lions in our district and meet new ones. It's always a goal of mine to see at least one member from each club in our district attend Leadership School. This will be the first leadership school for our new district so there will be a new star pin that says OH7 on it, so you can start a new series of danglers for that pin.

Just a week after Leadership School is our State Convention in Sandusky. There will be great celebration there, commemorating our 100th birthday. There is too much going on to list it all here, but Helen Keller will be speaking and Melvin Jones will be giving the response—and most of the attendees will be wearing 1920s attire, so it will be a lot of fun. I hope to see a good representation of OH7 Lions!

Yours in Lionism,

DG Sue

Greetings All,

It has been a spectacular Spring so far with the flowering trees offering a glorious display and the early flowers showing a welcome variety of colors. The only real downer has been the loss of some wonderful Lions that a number of clubs have suffered. Having been to too many Lions' services this Spring, I am still impressed the way club members and Lions' friends join the families of our departed fellow servants in saying good-bye. The Souper Project is over 18,500 donations – thanks to the many clubs reporting donations! Check the calendar and DENS for the chicken barbeques, pancake breakfasts, and other events that are being queued up as we complete our centennial Lions year. I have listed my tentative Summer Schedule below. I have had confirmation for most of these dates, but if there is a conflict, let me know ASAP so we can reschedule. Also, please continue sending me a copy of your PU-101's as you get your officers for the coming year elected. I look forward to seeing many of you at the Leadership School on May 6. I would love to hear your flattery at Big Al's Corned Beef Dinner later that evening.

I am so excited that the clubs in District OH7 are starting to pick up on vision screening of preschoolers and Athens Lions Club is doing city schools. Nine members are now background checked and may go into public schools to screen.

DISTRICT TEAM – has screened an after school program in **Baltimore** on April 3 with 19 screened and 5 being referred.

ATHENS CLUB– has screened 44 at **Chauncey** preschool on April 5 with 10 being referred. The Athens Club - spent 4 days April 10th-13th screening the Athens City Schools. They screened 136 with 43 being referred. Many thanks to **Athens** Club along with the help from PDG Janice & Larry Arnold and Scenic Hills 2VDGe Greg Randolph.

I want to personally thank Lion Lilane Fox for getting this started in working with children and getting the District Team together. If you are interested in getting this going in your community, please give me a call.

One child saw green at first on a Christmas tree and asked what it WAS. When he first saw it, it was just a blur, just a shape in the yard. He couldn't see the pine needles.

It is a honor to screen the kids and help them to see a better world they live in, to grow up in in and enjoy their activities.

If any club would like to start screening kids in their community please contact Lilane Fox or me. We would be willing to help you get started.

Seeing a better world thru sight!

PDG George Bachman (Baltimore) worked with the alphabet shapes and different colors.

HEATH LIONS CLUB

It was a warm sunshiny day in Heath last Saturday and things were hopping at John Geller Park. The members of the Heath Lions Club were hopping around getting everything ready for their 53rd annual Easter Egg Hunt. The Easter Bunny was hopping around visiting with all of the boys and girls. Over 400 children were hopping around looking for the 3,000 plus candy filled plastic eggs that had been put out by the Heath Lions. Seventy five children found prize eggs and hopped on down to the picnic shelter to get their prize which was a stuffed animal or an Easter basket.

Heath Lions Easter Egg Hunt Chairperson Vickie Boychan said they had prepared 450 bags of candy to pass out to the children that participated and over 400 were passed out. The Heath Lions prepare for the hunt by meeting at Hoback Park and bagging the candy. When the hunt is over they subtract the number of bags remaining to determine the number of children participating.

THE PLAINS LIONS CLUB

The Plains Lions Club working with AEP (American Electric Power) and 3 sections of 5th grade science students from The Plains Elementary School planting Dogwood and Crab Apple trees at The Plains Community Park on April 26, 2017. In addition to these trees AEP is providing 250 white pine seedlings that we are planning to plant in The Plains Area with the help of Athens High School Leos, Athens Lions Club, The Plains Garden Club, and The Plains Elementary School Classes. A large number of these pine seedlings will be planted to provide a border on the North and South sides of the 5 acre Lions Club Community Park in The Plains, Ohio.

Brief Notes from your Newsletter Editor...

Dear Fellow Lion,
I finally feel that the warm weather has finally arrived and the Lions are going full force. The up coming summer months have provided numerous different projects throughout the District. Picnics, egg hunts, cook outs, fairs, festivals, and all the fund raisers to benefit all of our different communities. Eye screenings, safety town functions, and other projects that service our neighbors and surrounding areas. Keep those pictures and articles coming. It is really exciting as we continue to welcome NEW LIONS into our family from through our district.

HEBRON LIONS CLUB

Hebron Lions Club Member Arnold Johnson passed away last month. He was 82 years old and had joined the Hebron Lions in 1971. We extend our deepest sympathy to his family and friends.

We are deeply saddened by the loss of several of our Lions family. Our love and prayers are extended to each of these Families who have lost their beloved.

PICKERINGTON LIONS CLUB

With great sorrow, the Pickerington Lions Club reports the passing of a wonderful Lion Jeannie was a **Melvin Jones Fellow** and was honored this past October -- along with her husband, Lion Herb Sharp -- with the club's **Distinguished Service Award**, given at the club's 70th Charter Night. **She had 41 years in Lionism, first in the Pickerington Lioness Club and then the Pickerington Lions Club.** She was a beloved Lion and will be missed.

NOBLE COUNTY LIONS CLUB

It is with a heavy heart that we share the news of Lion David Miller of the Noble County Lions Club passing away. His memorial service was held on Saturday, April 29, at the Presbyterian Church in Caldwell. His wife, Lion Candy Miller, is secretary of the Noble County Lions. He was a longtime member of the First Presbyterian Church in Caldwell, where he served as Elder and Treasurer, and as a faithful blood donor for the American Red Cross, he donated over 22 gallons of blood during his lifetime. Our deepest sympathy is extended to Lion Candy and her family.

MILLERSPORT LIONESSE/LIONS CLUB

Lion Harriette was an active member of the Millersport Lions and Lioness Clubs, Fairfield Beach, Millersport and Buckeye Lake Senior Citizens Club, and The American Legion Women's Auxiliary Post #637. A Melvin Jones Fellow award recipient of the Millersport Lions Club. It is with extreme sadness that we report the death of Life Member Harriette Refinati. She has been a Millersport Lion/Lioness since 1980, serving in many capacities as an officer or committee chair. Her highest office she served was as District 13-K Lioness President. She and deceased husband, Past President Jim, enjoyed attending district conventions and fellow club projects and fundraisers together. She definitely had one of the best singing voices in the Millersport club. She will be missed.

Our hearts continue to be sad...

HEATH LIONS CLUB

It is with a heavy heart to share the loss of another great lion. Lion Jerry Boyles. He was such a wonderful man. He enjoyed working at the Davis-Shai house as a volunteer, was a member of the Heath Lions Club, a Life Member of the State College, Pennsylvania Elks Lodge #1600 and the Heath United Methodist Church.

Jerry loved music but could not carry a tune no matter how hard he tried. He also loved to play golf and tennis. He especially enjoyed working with wood, watching Penn State University football, cooking, traveling and reminiscing about old times. He had a good sense of humor and enjoyed watching FOX News. Jerry would always say "I'm ready, let's go". He had a great love of riding roller coasters and watching NCIS.

It was a privilege to have Lion Jerry and Linda visit my club (Belpre) on April 1st at our Pancake Dinner. We were extremely touched that we traveled the few hours to support our cause. We had lots of fun joking about being really hungry for pancakes. His thoughtfulness will always hold a special place in my heart.

Our deepest heart felt condolences are extended to Linda, his wife of 27 years and his other family members .

FUNDRAISING OPPORTUNITIES AWAITS

Is your Lions Club thinking about a new "turn key" way to raise funds for that next community service project or Centennial Legacy Project? Maybe the Millersport Lions Club can help your club achieve its goal.

There is no investment on your part. For every ticket your members sell you keep 1/2 of the proceeds and only have to return the other 1/2 of the proceeds, all ticket stubs and any unsold tickets before opening day of the Sweet Corn Festival. It doesn't get much easier than that for a way to raise big dollars quickly. The tickets sell easily because of the top prizes, the funds benefit worthy causes and the event has been around for over 70 years.

If you want to learn more about this proven fundraiser or want to place an order for an allotment of Major Prize Tickets, contact Lion Kevin Hite at 614-354-3159 or kelvinhite@gmail.com today. Kelvin serves as the Chairman of the Major Prizes for the Sweet Corn Festival and is Vice President of the Millersport Lions Club.

The Sweet Corn Festival is the oldest and largest annual project of the Millersport Lions Club which was founded in 1946 and will be held on August 30 - September 2 at Historic Lions Park in Millersport. Patrons can enjoy hot dripping ears of sweet corn, a large midway, tractor pulls, square dancing, contests, clogging, our heritage village, and lots of festive foods. There is a grand parade on Wednesday at 6:00 pm; Restless Heart in concert on Friday and Pam Tillis and Collin Raye appearing on Saturday at 8:30 pm; a 5-K Run on Saturday at 9:00 am. Come see why we are ear-resistible fun! Admission is free, \$10 per vehicle parking fee.
