November 2016

Issue 5

DG Sue Diehm

Dear Fellow Lions,
 Someone reminded me today that Christmas is just two months away! It's been a busy October! On October 1, Carroll Lions celebrated their 70th Charter with a block party in Carroll. The first week in October took Lion Paul and me on club visitations to Reno, West Muskingum, and Frazeytsburg. Talk about timing—Lion Paul's birthday is October 6th, the night we visited Frazeytsburg. He had a special treat—Happy Birthday Frazeytsburg style! On October 9th we attended The Plains Lions Indian Mound Festival—and came home with a puppy! I'll explain that to anyone who is interested. ;-)
 On October 12th we did a twofer—noon for Pomeroy-Middleport and evening for Summit Station. Pomeroy-Middleport is busy organizing the Zone 7 meeting. Summit Station just had a wrap put on their food trailer with the 100 logo—it looks brand new! Millersport just added two new members, and is always busy with projects. Fredericktown served a wonderful meal and made us feel welcome. Logan, though small, did well with their elephant ears at the Millersport Sweetcorn Festival. On the 20th we held a Lions service

for an active Lion, Bob Pontious, who will be much missed by his club, Rushville Union. PDG Sue and I left the service and headed to Heath for a visitation. They do an amazing number of activities for their size. I tell them they are a poster child!
 Lion Paul, 1st VDG Dave, and I attended Gallipolis Lions 60th Charter Night on October 22nd. They even had one charter member in attendance! Several OH7 Lions joined the celebration. The last week in October saw Lion Paul and me visit Etna, New Concord, and Springfield Twp. It's been a busy month, but one of the most enjoyable parts of being a District Governor is visiting and witnessing how much work these clubs do and what a difference they make in their community! Next month will be filled with zone meetings. My goal is to see at least one member represent each club in the district—a lofty goal perhaps, but achievable!

Yours in Lionism,

DG Sue

Twice Blessed

1st VICE
Dave Stockum

It was a lovely October, and it sounds like November is going to start out in the same manner. My month was like the old Johnny Cash song, "I've Been Everywhere." I was on routes 7, 22, 23, 33, 35, 40, 50, 52, 70, 71, 75, 77, 78, and 83, not to mention a triple-digit road or two as well. A meeting at Wellston started the journey as they planned their Halloween Costume Contest.

At Scenic Hills, the local Superintendent of Schools explained the details of the school bond levy on the ballot, and at Noble County, they were getting ready for their bake sale the next day (I was their first customer - great chocolate fudge!) At New Concord, they were getting ready for vision screening in the three local elementary schools. A trip to Coal Grove, followed by a jaunt up to Toledo the next week showed the fall color that was emerging across our state. I caught Chauncey-Dover planning their Halloween Parade and was able to get to the parade before attending a meeting at The Plains. What a raucous club! They do a great job working with local agencies like the Sheriff's Office, Fire Department and a number of churches. Finally, I joined DG Sue and her husband Lion Paul in attending the 60th Anniversary of Gallipolis' Charter at Rio Grande College. I am looking forward to getting to Jackson before the second round of Zone Meetings occurs in November. It is pretty obvious that the clubs making up OH 7 from old district 13 J are continuing to do a super job in serving their local communities. It has been fun getting to know new folks and renewing acquaintances with old Lions' friends. As the Code of Ethics says, making friends is one of the most meaningful activities of Lionism. Please make an effort to make a zone meeting this November. We will be updating plans for the first District OH 7 Convention and sharing those things that make Lions so important to the communities they serve.

Believe

As you read about this, it is approaching the time to reflect about the things for which we are thankful. I know that I am thankful for the Lions Clubs I have visited and the work that each one is doing. I'm thankful for my wonderful husband that shares my passion for eye screening of children and traveling with me. What are you thankful for?

The month of October started out with visiting Heath Lions with a combined meeting with Hebron. What a feast they had and everything was good! The next day it was off to Chauncey with the Athens Lions to screen pre-schoolers. The 3 Athens Lions (who are going after certification to be eye screeners) were there to help. We enjoyed their company and their enthusiasm.

On the 11th we visited Zanesville Host and listened about their latest project, a golf tournament and ball drop. They are excited about doing it again in 2017. The club is very busy and getting new members, On the 12th we were off to East Knox for a quick bite and listened to what a small club can accomplish. They will be sponsoring a gun show on November 5th.

Limestone Valley was our next stop on our traveling tour with 85% of the club attending on October 19th. The church ladies and a man put on a dinner fit for royalty. Zone 3, watch out, they will be bringing their peanut brittle in for sale. Is it ever delicious!

We made a stop on the 20th to Frazeyburg Lions with apologies for not attending their auction and supper. They told me it was a success. They are passing out their calendars that they had printed up. I made a mental note to myself for a future fundraiser. Nice project.

Finally, back to home club Baltimore Lions on the 25th with guest speaker Lion Lilane Fox on vision screening. It will be nice to see all our fellow Lions again and get some project planning done.

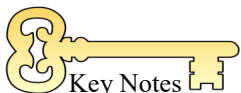

The 26th of October we will visit Summit Station, and the 27th off to Pataskala to visit with them. We will be visiting Bloom Carroll on the 3rd of November and December 13th we will go visit Lancaster. That will leave 2 clubs to schedule. We will be at all Zone meetings in November.

I want to thank all the clubs for all their support and good wishes for George's eye surgery. I just wanted to let you all know that he had the second of a three part procedure on the 21st of October with all doing well. He will be looking back to his normal self by convention. We will be looking forward to meeting all of you then so mark your calendar for March 3, 4, and 5 2017.

George and I would like to wish you a safe and happy Thanksgiving!

Keep believing in Lions

LICKING VALLEY LIONS

The Licking Valley Lions join forces with their Licking Valley Leos and assist with the World Service Week Project. One of the many ways they can show their club continues to demonstrate the Lion's motto of "WE SERVE" throughout the community.

Working on these projects can be so tiring, and it looks like a few of the youngsters hitched a ride.

SUMMIT STATION LIONS CLUB

Summit Station Lion, Mayor Mike Compton, stands in front of their newly wrapped food trailer. WOW! It looks brand new! It really looks awesome!

Lion Don Bringardner, (far left) 1st VP of Summit Station Lions, shows DG Sue Diehm their Turkey Shoot range. One of the many functions in which they sell food from their trailer. Sounds yummy to me!

POMEROY-MIDDLEPORT LIONS CLUB

There were 40 of them, and 9 are still accounted for! They plan to build a shelter house in the park in Middleport in the spring. They still look very sturdy!

GALLIPOLIS LIONS

For the guest and Lion members of the Gallipolis Lions Club, it was an evening of lots of fun and enjoyment celebrating the history of the clubs existence. Three outstanding Lions had been selected to receive the International Presidents Certificate of Appreciation. (the fourth highest award)

Pictured with each of the recipients is Past International Director Steve Glass from Clarksburg, WV. (Left to right) Zone 8 chair, Lion Ollie Paxton, Gallipolis President, Lion Rick Howell, and Central Eye Bank Trustee , PDG Lion Chris Homer. Congratulations is extended to these members along with the many other Lions in Gallipolis for their dedication to the city. Several proclamations had been presented to the club for their devotion and dedication to different functions within the city.

Governor Sue Diehm presented the closing remarks at the Gallipolis 60th Charter Dinner. She reflected on what the economy was like in 1956, the beginning and how dedicated the club had remained together helping their community despite the different trials and tribulations . A legacy to be very proud of as the club continues to thrive and to touch the lives of their community. She gave those in attendance a lot of food for thought as we each reflected where our clubs had also began.

Brief Notes from your Newsletter Editor...

I can't believe it is November already, good grief, what happened to the summer months? Time continues to fly by and some are even getting ready for the holiday season around the corner. Please don't forget to order a few of the poinsettias to give to shut ins, door prizes, or family. The funds will help with our convention costs. There are lots of exciting things happening within and our of the District. Your support to other clubs are deeply appreciated. Visiting the other clubs is always fun because you make new friends and you get to visit with old ones too. It's a win win situation. As always, keep that news coming my way so I can share your club's happenings. As a huge family its nice knowing how everyone is doing. I hope you each have a wonderful Thanksgiving.

Loving Lionism,

Lion Miss Vicki
