DG Sue Diehm

Hello, Fellow Lions

Where has summer gone?! Our Lions year is now well underway. Even the clubs that take the summer off are beginning to meet again and start their projects. The first cabinet meeting was held on August 14, followed by the first round of zone meetings. The highlight of the zone meetings, to me, is the club reports. It is interesting to hear about each club's service projects and fund raisers. Lions clubs do so much in their communities! Many clubs have and are completing the Centennial Service Challenge—youth, vision, hunger, and environment—and several are working on Legacy projects this year. What can you do in your community to promote Lions? Plant flowers in the park, install a bike rack, put in a park bench, replace a rusted Lions sign? Just make sure you have a sign that says it was donated by Lions. We need to be visible! And remember to report your Centennial activities on LCI so your club gets credit and a patch for your banner. Another good thing about being 100 years old, it's a great time to recruit new Lions. As a sponsor, you will receive a special pin that says "100 Centennial Sponsor" on it, and the

new member receives a Lions pin with "Centennial" printed over the top. There are all kinds of special activities over this next year to promote Lions 100th Birthday. I hope you will consider attending the State Convention in Sandusky, May 12-14, 2017, and the International Convention in Chicago, June 30-July 4, 2017. We will be talking about these upcoming conventions as we make our club visits. As soon as the first round of zone meetings is over, I will resume my club visitations. Looking forward to seeing all of you soon!

It has been quite a steamy August, which is what summer is supposed to be in Ohio. It was a pretty “hot” month in respect to Lions’ events as well with the first Council of Governors Meeting, District Cabinet Meeting, and round of Zone Meetings taking place. It has been good seeing a lot of “old” Lion friends at these meetings, as well as at the few visitations I could squeeze in around them. Many clubs are gaining new members as well. Judging the

“Little Miss and Little Mister” contests at the Gallia County Fair was fun and meeting Little Miss Apple of Your Eye at Belpre started off visitations

to Belpre and Marietta Noon with a smile. Marietta is likely to be the first site for the Ohio Lions Legacy Project, entitled STEPS, which will take place in September of 2017. The STEPS program is a campaign involving annual 5K walk/runs across the state during Pediatric Cancer Month to help fund pediatric cancer research, the most underfunded area of cancer research. More will be reported on that project as the planning progresses. You should be making your reservations for the 2017

International Convention in Chicago if you plan to attend. There will be a Funbus, seating 54 attendees, out of Lancaster which will cost around \$150 per person for the round trip to Chicago. Check the DENS for details on the itinerary for the trip. We will send information to club secretaries as well. You can make your reservation with me at 459 Crestview Drive in Lancaster, Ohio 43130 or call 740 407-2403. The Crestview Drive address is new since I recently moved, and you might want to note that change in your district directory. PCC Jay Gray, Executive Director of Pilot Dogs, extends his thanks to all the clubs who continued their annual support of Pilot Dogs operations last year, while donating additional funds to the building project. That project is still ongoing and further donations to it are needed. The new kennel building is almost under roof and interior work is about to begin. If you want a visitation by Pilot Dogs staffers or wish to visit the facility itself, you can contact PCC Jay at 614 221-6367.

The West Virginia Flood Relief effort has been a generous outpouring of support from OH7 with over \$3900 being sent to Lions’ officials in West Virginia District 29C. Individual Lions from our district have also taken part in trips to our sister state with donations of clothing, toys,

cleaning supplies, etc. The word from IPDG Ken Valko of 29C is that further monetary donations are not necessary at this point. The monies we were able to collect and send to West Virginia in such a short time were very important in helping some families deal with the initial shock that comes with such a natural disaster. Thank you so much for your support of the district project.

Believe

The belief that Lions really do serve others is an understatement. While visiting clubs in Region 1, I saw just how much of an understatement it is. A special thanks to all of you who have helped with the West Virginia Flood Relief in C29. You are awesome.

On July 26th, I got to visit my home club. They are gearing up to sell funnel cakes at the Millersport Sweet Corn Festival on August 31st at 5 pm until September 3rd at 11 pm. They are going strong and still help the food pantry in Baltimore. August 1st, I went to Fredericktown and had a picnic with them. Everyone brought in something excellent to eat, even home grown corn. They are a busy club. On the 3rd, I got to visit West Muskingum. They are planning a walk-a-thon for their service project. They have lost a couple of members, but they are hoping to gain a few soon. The 9th, I visited Mt. Vernon Club for a picnic. 2 of their 3 new members that Assistant Zone Chair Lynn McCann inducted were in attendance. They even attended the Zone 1 meeting at Camp Echoing Hills. The members are planning a membership drive through a parade they are involved in. August 11th, I attended Amanda Club's meeting. Since the passing of Secretary Dan Claypool, Jonette Christy has stepped up to try to replace him. They are planning to work with community leaders to help refurbish the community playground. What a

great example of a legacy project. I want to let everyone know that clubs should start talking to preschools to let them know we have a team of 8 members that can test kids' vision for free. We let the school know which child needs further examination. You may contact Lilane Fox, Mary Bumpus or me to set everything up. We have 5 who are certified by Prevent Blindness Ohio and 3 others who help us. This is a most rewarding project and we can help others get certified so they can do this in their home clubs.

I will be visiting Carroll Club August 25th, Warsaw on September 6th, Licking Valley on the 8th and Duncan Falls-Philo on the 12th. I will be leaving for Omaha for the USA/Canada Forum on the 13th and coming back late on the 18th of September. On September 20th I am visiting West Lafayette, then Lancaster Tarhe on the 21st, Pickerington on the 22nd, Danville on the 26th, New Concord on the 27th and Summit Station on the 28th.

PDG George and I enjoy hearing all about your clubs and getting to know all of you.

Keep recruiting those new members to help make us more strong and able to serve our communities.

OH 7 Family News *In Loving Memory*

PICKERINGTON LIONS

It is with sadness -- but also with many happy memories -- that the Pickerington Lions Club reports the passing of **Lion Robert "Bob" Lindberg Gates**, a member since 1984. Although failing health in recent years kept Bob away from club activities, he tried to attend as many club meetings as he could. To celebrate Bob's life, his family asks that donations be made to a youth organization of your choice. Or, if you have a waiter/waitress who is working their way through school, leave them a big tip. Try to live as Bob always did: be generous, be kind, and always say "thank you, I appreciate what you have done for me." To those of you who remember "the grin" feel blessed.

BEVERLY LIONS

The Beverly Lions Club and many others are saddened by the passing of **Lion Walt Schaad**. Lion Walt had been a major part of their club for 25 years, and will be greatly missed. He was such a dedicated Lion and one of those who served behind the scenes. He was devoted to his grandchildren, and a great example of a man who loved others. Our hearts and prayers are with both his Lions family and his loving family.

HEATH LIONS

Our heartfelt sympathy is extended to the Heath Lions and the family of **Lion Dennis Klineman**. It was such a shock to hear of his unexpected death. Lion Dennis was a devoted Lion whom loved to share his ideas and philosophy on things. He was active in many areas both club and district level. He will be missed by many.

CENTERBURG LIONS

The club and guests gathered at the Bloomfield Cemetery near Sparta with Lion Sandy McCann conducting a demonstration on geo caching. Using an app on your smart phone you are given clues and gps coordinates to locate a hidden cache. Sometimes the clues come in two or more parts. For example at the Bloomfield Cemetery the first clue was to find the grave a Civil War soldier, the second clue was to find the grave of one of Helen Keller's teachers. Yes, we thought that was very appropriate for a Lions Club. The third clue lead to the cache; a small plastic box covered in camo tape under a bush. Once you have located the cache you may have to sign a log or you may "trade" a small item

from the cache. Participants keep a log on all the caches they have found. Sandy has enjoyed the many and varied places this hobby has taken her and the interesting facts she has learned along the way. Sandy discovered geo caching while she served as State Regent of Ohio Daughters of the America Revolution. In that position she travels a lot and has become a world class geo

cache. She has found caches in 18 states and 2 countries. Everyone enjoyed learning more about geo caching at our summer outing. The cemetery visit was followed by a stop at Highland Pizza

WARSAW LIONS

Warsaw Lion Jim Williamson coordinated the efforts of several other Warsaw Lions Club members to straighten and re-set over 125 old tombstones in Newcastle Cemetery. What a great way to serve in your community by doing the service of helping an area that is usually neglected or sometimes forgotten. In many cases having no one available to take care of it. Thanks Warsaw Lions!

THE PLAINS

It's that time of the year again for the annual **INDIAN MOUNDS FESTIVAL** sponsored by The Plains Lions Club. The dates are **OCTOBER 7th to OCTOBER 9th**. Be sure to take the time and check out all the different activities throughout the week end.

RUSHVILLE UNION LIONS cont.

On August 13th, the Eighth Annual Verne Ardrey Golf Outing took place. 22 teams competed for the overall championship with the Kern Granite and Marble team, led by Jesse Courtright, won shooting twelve under par! The Dupler team settled for the Lions Title. The Fred Love Crew won the family division, and the Collins/Ardrey team and Kevin Wilson teams won the mixed title. Two skins, skill prizes, raffle drawings and a 50/50 were also presented. This event has become a major fund-raiser, thanks to the efforts of Chairman Don Hillyard and his crew of sponsor seekers, Pit Boss David Ruff and his “firemen”, and

Betty Love and John Shaw and the dinner staff. This project also presents Lowell Fisher quite a challenge “keeping the books”, and we couldn’t do it effectively without his careful record keeping. Over half of the club and a number of faithful “volunteers” make this a successful event. Having traveled throughout the state the past few years and attending many club projects, I am proud to say “no one puts the Lion Power behind major projects any better than the Rushville Lions!” *(Quote from 1st Vice Dave Stockum)*

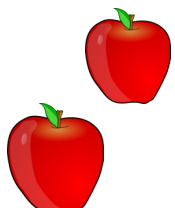

BELPRE LIONS CLUB

Lions of the Year

President Bobette Grimm (far right) had selected Lions Cathy Rose and Gloria Johnson as the Belpre Lions of the Year. Both of these Lions have hit the floor running helping and chairing numerous projects since becoming members (approximately 1 year) They have contributed many new successful ideas for the club, thus it wasn't difficult for President Bobette to select them as Lions of the Year. Congratulations to Lions Cathy and Gloria.

One of the many projects that Lions Cathy and Gloria had taken on was the providing of games and different activities for the children in the pediatrics unit at the new Belpre Farson Street Marietta Memorial facilities. They will be presenting this gold treasured chest for the children to enjoy to Dr. Caslow.

Mark your Calendar for **October 8th and 9th** for the Belpre Lions Annual APPLE BUTTER STIR OFF . Lots of new events happening and a variety of vendors and good things to eat.

LION BOB CROCK & FAMILY NEED YOUR PRAYERS

Lion Bob Crock and his wife Desni went through tough times beginning about 8 years ago. Their then 2 year old daughter, Bridget, was diagnosed with cancer. Bridget is now a 10 year old survivor. Her little sister, Anna, who is 7 years old, has just been diagnosed with cancer as well. Below is a message from Desni Crock (Aug 30, 2016): My eldest daughter had cancer caused by a gene mutation called Dicer 1 and that Anna also has this mutation. We are currently sitting at Nationwide with Anna and just learned that she too has cancer. There is a mass behind her eye. It is large and quick growing. We have not met with the oncologist yet and do not know the protocol, but will likely include chemo and the removal of the eye. I'm trying to avoid the pity party and Anna and I have been talking about how she will get to

wear the purple shirt at Relay for Life like her sister and be a BrAva Survivor like her too. (BrAva's a local organization developed in honor of Bridget and another local little girl, Ava, who unfortunately did not win her battle against cancer). She is pretty psyched for that, but cries at having her eye cut out and having to wear glasses because in her mind they are equally bad.

Many have said how unfair it is for us to "go through this again". For me, the battle never ended. This is not a new war, it just became intense again. I am a veteran to this war and am armed with knowledge, experience, and a ton of love and support. As I keep telling Anna, Daddy and I got Bridget through it, we'll get her through it too. While I would do nearly anything to bring awareness to the need for more childhood cancer research, this was not part of my plan for September. But when given lemons...so, many of you have asked how you can help. Here is how. You absolutely have my permission to share our story, Anna's picture and anything I post to promote childhood cancer awareness and research. This is unfair! It's unfair to all of us with kids with cancer. Don't pity us, I can't handle that. Help us fight this shit! Enough is enough. Keep prayers going! I can handle that and feel it.

PLEASE keep this family in you thoughts and prayers. They are strong, but they can sure use the awesome power of prayer once again!

DISTRICT OH-7 POINSETTIA SALE 2016

Welcome to all the new clubs that now make up District OH-7. To help District Governor Lion Sue Diehm with her Convention in 2017, all the clubs in the district sell poinsettias, and all the profits go to the yearly District Convention. Last year we sold 228 poinsettias for a profit of \$1,080.00. Make it your clubs goal for every single person in your club to order 1 poinsettia!

The poinsettias are only \$8.50 each, and they come from Darrell Norris & son Greenhouses LLC in Racine, Ohio. So they are grown right in Ohio. They come in white and red, and are in 6 ½ ' pots. They make great door prizes at your upcoming Christmas Parties, they also make great gifts for Lions, family, friends, pastors, beauticians, barbers, mail carriers, paper carriers, housekeepers, and babysitters, etc.

Poinsettia money is due by Wednesday, November 23rd. Please mail your Order Form and check to Lion Fran Heimerl, 117 North 5th Street, Newark, OH, 43055. Please make your checks payable to: DISTRICT OH-7 LIONS and put "POINSETTIAS" on the memo line.

For those LIONS in Zone 6 and Zone 7, Poinsettia Chair Assistant, Lion Bobette Grimm, and Lion Vickie Boggs will be taking care of your area again, so no one has to drive too far to pick the poinsettias up. For those Lions not in Zones 6 and 7, pickup will be Saturday, December 3rd, from 11:00 a.m. - Noon at Hoback Park, 60 Dorsey Mill Rd., Heath, OH, 43056.

Any questions, please call Lion Fran Heimerl at 740-670-7205 (work) or (740) 345-5306 (home) or e-mail me at fran@newarkohio.net. Thanks!!!!

A **Poinsettia Sales Page** has been set up on the District OH7 website. Go to www.OH7Lions.com and click the Poinsettia Sales tab from the home page.

Gone Fish'n ...

The bidding at the State Convention's first ever Auction for the 2018 USA/Canada Forum was going hot and furious. The Fishing Charter donated by DG Dan O'Connor of District 13K drew several bidders and in the end two PDG's and two current DG's got the gavel to sound. Now What to Do?

Captain Dan, of D O C Charters, led the guys to a date that would hopefully be a good fishing day. The charter was for 6 people plus Captain (IPDG) Dan. The group consisted of PDG Tom Zickefoose, PDG Bill Schultz, IPDG Bob Allgood, CC Ben Cosgray, Tom's Son Josh and a friend Mark. July 10th was chosen and it turned out to be a great day for fishing. The day was sunny skies and 85 degrees with just a little wind. We boated out about 12 miles from Port Clinton and began fishing. We were within 4 miles of Canada's part of the lake and we could see power plants in Michigan.

We all fished for about 7 hours and caught 70– 80 fish. Not all were keepers but 24 of the walleyes made it over the 15 inch limit with several in the 19 – 20 inch size. The others were catch and release and included small walleyes, white perch, yellow perch, sheepshead and catfish. The keepers weighed in at 31 pounds and were divided evenly between the fishermen.

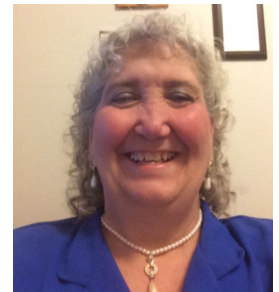

If you would like to book a charter with DOC Charters and can't wait for next year's auction, email Captain Dan at (740) 507-1266 . He is an excellent Captain and he knows where the fish are!!!

Brief Notes from your Newsletter Editor...

It is so EXCITING to hear what the clubs have done thus far. WOW starting off with a plus in membership and hearing about even more GREAT Lions coming on board. Even though I was unable to attend the Zone meetings others have been very helpful in getting information to me! Thanks so much! Please continue to share your upcoming events. This will enable others to know what is happening and possibly give them ideas for their club too. As a family we continue to work together, helping and encouraging each other as well as those in need within our communities. FYI Please understand at times I may have difficulties in transferring your attachments to insert in newsletter. I may have to redesign it in order to get it in, your patience and understanding is deeply appreciated.
