## My First Month as District Governor

My first month as District Governor for Lions Clubs International was both humbling and energizing. Experience has offered opportunities for growth, teamwork, and renewed dedication to our core mission of service.

Preparation began even before my term started—studying Lions guidelines, listening to members, and forming a unifying vision. The induction ceremony marked a meaningful start to my journey as DG.

This whirlwind month has been filled with learning and connection. I am grateful for the support of fellow Lions and look forward to serving together, embracing new projects, and overcoming challenges as a team.

Attached my Action Plans I have sent into LCI. The main thing I would like is to get, ALL of our clubs to have 15 or more members by June 30, 2026. We can do this all you have to do is ASK. All they can do is say no, keep on them and ASK them on a later date or have them help you on a service project.

That is all for this month,

DG Kelvin Hite

With the **wrench** we tightening up on projects , goals, and friendships..

Our **hammer** enables us to pound things into place to secure them.

And the **saw** let's us cut through the obstacles that keep us from growth and more service.

## Raising \$20,000 for the Lions Project For Canine Companions

*A Community Effort to Empower Independence and Service*

The call to serve takes on many forms, and in this chapter of our Lions story, it resonates in the joyful barks and loyal companionship of service dogs. Embarking on a mission to raise \$20,000 for the Lions Project For Canine Companions, our district united with a renewed sense of purpose and compassion for those whose lives can be transformed by a four-legged friend.

### Setting the Vision: Why Canine Companions Matter

Service dogs provide invaluable support and independence to individuals with disabilities, offering not just physical assistance but also friendship and confidence. Recognizing the profound impact of these partnerships, our district is making it a central aim to support the Lions Project For Canine Companions. The goal: raise \$20,000 to help train and place service dogs with those in need.

### Looking Forward: Sustaining Impact

With our success comes new inspiration. The funds raised will help train, house, and place service dogs across our region, unlocking new levels of independence for those who need it most. As we look ahead, our district remains committed to supporting the Lions Project For Canine Companions and seeking new ways to serve both people and their devoted

canine partners.

In every wagging tail and grateful smile, we are reminded of the profound and lasting impact of giving—and the boundless rewards of serving together as Lions.

## 1st Vice District Governor Tamarra Parker Stephens

Dear Fellow Lions,  
 As members of Lions Clubs International, we are part of a proud fleet of volunteers who, like the crew of the U.S.S.

Enterprise, are

dedicated to exploring new frontiers of kindness, service, and community impact. Our mission? To boldly serve where no one has served before. Every club is its own starship, navigating the unique needs of its community. Whether you're running a vision screening in a school, packing meals for families in need, raising funds for disaster relief, or restoring a local park, your work matters. It is transformative. It is courageous. And it is worthy of pride. Like Captain Kirk, we lead with courage. Like Commander Picard, we serve with integrity. Like Captain Janeway, we stay the course. And like every Starfleet crew, we rely on one another's diverse talents and commitment to a shared mission. That mission, We Serve, connects us across borders, generations, and galaxies of difference. But even the most advanced starship needs a strong crew. Now is the time to grow our ranks and invite others to join us on this voyage. Imagine what your club could do with more helping hands, fresh ideas, and new energy. Imagine the impact of five more members, ten more volunteers, a whole new generation inspired by service. The Federation wasn't built overnight—and neither was a thriving Lions Club. It was built person by person, leader by leader, with a

shared belief in service for the greater good. Recruitment isn't about numbers—it's about legacy. It's about ensuring that our club continues to shine brightly for years to come. The next Spock, Uhura, or Data of service leadership could be right in your neighborhood, waiting for someone to invite them aboard.

So how do we attract new crew members? We show them what it means to be a Lion. We invite them to our missions—service projects, fundraisers, community cleanups. We make our passion visible, our purpose clear. Wear your Lions pin like a Starfleet badge. Share your club's story on social media like a captain's log. Host events that are welcoming, engaging, and meaningful. And above all, speak from the heart. Tell others what being a Lion means to you. Maybe it gave you a sense of purpose. Maybe it helped you connect with your community in ways you never imagined. That kind of story is more powerful than any recruitment flyer. It's real. It's inspiring. It's universal. Lions, we are not just volunteers—we are pioneers. We chart paths of compassion through the vast unknown. We bring light to places that have been overlooked. And we do it together. So lift your heads high. Beam up that pride. And let's boldly go—and grow—together. The future of service is calling. Will you answer? Engage. Recruit. Serve.

Yours in Service,

Lion Tamarra, 1VDG

We are Lions, serving boldly together

### A Busy Month in Lion Country!

What a whirlwind month it's been — the countdown is on for the **Sweet Corn Festival, August 27–30!** This year promises a few surprises, so mark your calendars and come join us. I'll be in the office during the festival, so stop by the window and ask for me — I'd love to see you!

### Adventures in Orlando

PID Ron and I recently attended the **2025 International Convention** in sunny Orlando, Florida (and no, we didn't make it to Disney World this time!). The event was originally slated for Mexico City, but with only nine months' notice, the Florida Lions pulled off an incredible convention spread across multiple hotels.

Our hotel just happened to be hosting the **Miss International United Pageant** — contestants ranging from ages 5 to 50 were everywhere, practicing their walks and speeches. To get to the Convention Center walkway, we had to weave our way through a flurry of pageant preparation— quite the unexpected entertainment!

Monday kicked off with the **parade**, and let me tell you, Florida heat takes “hot” to a whole new level. Despite the sweat, Ohio Lions made a strong showing — small in number, but mighty in spirit.

One nice surprise this year: convention badges came with QR codes for instant check-in and

voting. Quick, easy, and painless — a definite win for technology!

The plenary sessions were inspiring, especially the final one featuring **AP Singh**. Without notes or a teleprompter, he spoke directly to us — even translating his own speech into sign language for the deaf community. He tied his message to the work and vision of Walt Disney, making it both inspiring and relatable. Having worked with him during Ron's time as ID, I already knew he was sharp, but his presentation truly impressed me. I believe we're in for a great Lions year under his leadership.

### A Little Pageant Closer to Home

On July 26, PID Ron, DG Kelvin, and I traveled to Gallipolis to judge the Gallipolis Lions Club

Little Miss and Little Mister Pageant at the Gallia County Fair. We had 33 bright and talented young contestants — singing, reciting poems, and pledging with pride. Some were shy, others chatterboxes, but all were a joy to watch. Choosing just one Little Miss and Mister was no easy task!

### Looking Ahead

Thank you for letting me serve you for the next three years. I'll be calling in September to schedule visits to your clubs. If there's a specific date you'd like me to attend, please email me at [LionKitty77@outlook.com](mailto:LionKitty77@outlook.com) (note: my old columbus.rr.com email is no longer active).

See you soon — and don't forget to come enjoy the Sweet Corn Festival!

## Lions Clubs International **FOUNDATION**

PDG Rick Tipple and I have been spending time getting familiar with LCIF.

We have been viewing all reports that we receive.

The following clubs have accumulated enough donations to award a Melvin Jones Fellowship: Carroll, Centerburg, Danville, East Knox (3), Fazeysburg, Lancaster (2), Lancaster Tarhe, Licking Valley (2), Newark (3), Pickerington, The Plains, Thornville (2), and Warsaw (8).

Three clubs need to donate less than \$100 to be able to present a MJF. They are Mount Vernon, West Lafayette, and Zanesville Host.

We will be attending all the cabinet meetings this year. We will be attending all the first round of Zone meeting. During the second round of Zone Meetings, we will attend the meetings in zone 1, 2, 3, and 4. And during the third round of Zone Meetings, we will be attending the meetings in Zone 5, 6, 7, and 8.

We have noticed that several clubs have not designated a club LCIF chairperson. If your club hasn't already done so, please go into the Portal and designate a chairperson. If your club doesn't have a LCIF chair, Lions Club International recommends that it be the Immediate Past President of your club, but anyone in the club can serve as the LCIF chair.

We look forward to working with each of you.

Some are on the same day and time, while others are spread a little further apart. Please keep your projects and service coming in so I can share with other clubs. We have been encouraged to support each other by attending or*

*helping out if at all possible; whether it is a small or large Club. Help is always appreciated!! Our small clubs need the help in performing those large fund raisers or service projects and extra hands can make a big difference. The large clubs may have more people but outside help can energize them when it seems like they are worn out! Again thank you for sharing your club activities.*
