### Letter to Lions Clubs: A Message from the District Governor

Dear Lions Family,

It is with immense pride, gratitude, and a deep sense of responsibility that I address you as your District Governor for this remarkable year. As I embark on this journey, I am reminded of the profound legacy of Lions Clubs International and the extraordinary service our members continue to provide to communities across the globe. Together, we are changing lives, creating a ripple effect of kindness and compassion that transcends borders.

I would like to begin by expressing my heartfelt gratitude to my predecessors for their unwavering dedication and leadership. Their tireless efforts have laid a strong foundation upon which we stand today. To our club officers, members, and volunteers, I extend my sincerest thanks for your relentless commitment to our mission of serving humanity. It is your collective spirit that fuels the engine of this global movement.

As I reflect on my journey with Lions Clubs International, I am filled with gratitude for the countless opportunities I have been given to grow, learn, and serve. Each experience has been a reminder that when we come together with a shared vision, there is no challenge too great and no dream too distant.

This year, my focus as District Governor revolves around the theme: "We can FIX IT." This theme underscores the importance of not only addressing immediate needs but also empowering individuals and communities to thrive independently. It is about creating sustainable solutions, fostering leadership, and inspiring the next generation to carry forward the torch of service.

This year, I am thrilled to announce my District Project: \*Canine Companions\*. This initiative is close to my heart, as it embodies the values of service, compassion, and empowerment that define our Lions Clubs. Canine Companions will focus on training and supporting service dogs to assist individuals with disabilities, providing them with greater independence and a renewed sense of confidence. These remarkable dogs not only perform tasks that enhance daily living but also bring joy, unconditional love, and companionship to those they serve.

Through partnerships with training organizations, community fundraising events, and awareness campaigns, we aim to make a lasting impact. By extending our mission to this cause, we can touch lives in ways that truly resonate with the spirit of our Lions motto: "We Serve." Together, we can help bridge the gap between need and possibility, ensuring that everyone has the opportunity to thrive.

## District Governor Kelvin Hite...continues

To achieve our goals, we need the participation, energy, and creativity of every Lion in our district. This year, I challenge each of you to think beyond the ordinary.

Let us dream big and work collaboratively to turn those dreams into reality.

It is imperative that we continue to strengthen our clubs by fostering a welcoming environment, recruiting new members, and celebrating the achievements of our existing members. A strong club is the backbone of our organization, and it is where the true impact of our mission begins.

As we chart this course together, I am excited about the opportunities that lie ahead. From community projects to international collaborations, the possibilities are endless. Each step we take is a step closer to a brighter, more equitable world.

As we step into this new year, let us do so with hearts full of hope, minds brimming with ideas, and hands ready to serve. Together, we can make this year a defining chapter in the history of our district and Lions Clubs International.

I look forward to working with each of you, learning from your experiences, and sharing in the joy of service. Let us remember that every act of kindness, big or small, contributes to the tapestry of change we are weaving.

Thank you for entrusting me with this incredible responsibility. I am honored to serve alongside such passionate, dedicated individuals. Let us make this year one to remember—united in purpose, driven by compassion, and inspired by the limitless potential of what we can achieve together.

With warm regards and great optimism for the year ahead,

Kelvin Hite

District Governor

Lions Clubs International 2025-2026

With the wrench we tighten up on projects, goals, and friendships..

Our hammer enables us to pound things into place to secure them.

And the saw let's us cut through the obstacles that keep us from growth and more service.

"WE CAN FIX IT"

## 1st Vice District Governor Tamarra Parker Stephens

Hello Fellow Lions

Wow! I can't believe we're at the very beginning of the Lions year, again. As your 1st Vice District Governor I am honored to have this opportunity to serve with you and for you. Thank you for placing your trust in me.

**liontamarra@gmail.com**

**740-407-4002**

I will also be continuing my role as MD13 New Voices Coordinator, and encourage you to reach out to me if I may help you to reach your New Voices goals. The Recruiter's Passport is an excellent way to apply NV to each member's experience, so let me know if you need more copies, or would like me to come to your club to show you how it works.

I sincerely thank District Governor Lilane for her year of exemplary leadership, and wish incoming District Governor Kelvin the best as he begins his year.

Most Lions clubs have a lot of projects over the summer, and it is a very busy time. Please consider visiting or helping out another club with their projects... Sometimes when we need help, we forget to ask for it, and it would be a beautiful thing to see clubs working across Zones and the District together.

As for me, I have been doing a lot of training to get ready to serve you. I'm also spending a lot of time getting ready for the upcoming Millersport Sweetcorn Festival. If you happen to attend, please do stop by the corn booth and visit me. Also, if you would like to volunteer both the District Booth and Sweetcorn Booth would be very happy to have your assistance.

Lastly, I will be starting to do my round of club visitations, so please do either reach out to me to schedule, or expect a call from me in the next few weeks.

As we begin our Lion's year, I want to encourage you to serve boldly in all that you do. Be visible in your communities, be relevant in your service, and be compassionate in your interactions with others, Lions or not.

Yours in Lionism,

FVDG Tamarra

## 2nd Vice District Governor Kitty Keller

Meet Your New 2nd Vice District Governor:

LionKitty@columbus.rr.com  
740-503-4770

A True Country Girl at Heart I've thought about running for District Governor several times over the years, but life always seemed to point me in another direction. I didn't plan to run this year for 2nd Vice District Governor either — especially since DG Kelvin and 1st VDG

Tamara are both from my home club in Millersport.

But when no one stepped up at the State Convention, I found myself saying, "I'll do it." Of course, I first made sure the Lions of our District were comfortable with having another Millersport Lion in District leadership — and with their encouragement, I'm honored to serve in this new role.

Since I didn't have the chance to run an official campaign, I thought I'd take a moment to introduce myself to those who may not know me yet.

I grew up on a small farm in the foothills of Appalachian Ohio, in Morgan County. I'm number seven in a family of eight — two brothers and five sisters — and I'm eight years older than my baby sister. We're a close-knit family and, though we live a few hours apart, we've all stayed in Ohio.

Growing up on that little farm gave me room to stretch my legs, play in the creek, and climb trees to my heart's content. After high school, I moved to Columbus in 1977 to find work and began my career at State Auto Insurance Companies, where I stayed for 37 years until I retired.

I met my husband, Ron, at church — he was my Sunday School teacher — and we were married in 1979. That same year, Ron became a Lion. We've been blessed with two sons, a daughter, and eight wonderful grandchildren. I officially joined the Lions in 1994 and have proudly served for over 30 years.

I'm so excited — and a little nervous — to step into this new role. I can't wait to visit each club, reconnect with familiar faces, and meet all the new Lions I haven't yet had the pleasure to know.

Thank you for your trust and support — I look forward to serving alongside each of you!

We Serve  
2nd VDGe,

*Kitty Keller*

## Lions Clubs International FOUNDATION

Hello Lions of District OH7.

District Governor Kelvin has asked us to be District Co-coordinators for Lions Club International Foundation. Lion Greg Randolph has done a fantastic job as District Coordinator for the last 3 years. It is going to be hard to follow in his footsteps, but we will give it our best try.

It is our goal to keep you informed of how your donations to LCIF are being used to benefit others throughout the world. Also, we will be encouraging clubs and individuals to include LCIF when making charitable donations. With that in mind, we plan on attending all 3 cabinet meetings, and meetings in every Zone at least once (and hopefully more than once).

We will know more about our roles and responsibilities after the training we will be taking in early September.

Yours in Lionism,

Rick and Ollie Tipple

### *Notes from your Editor...*

Hello Great Lions of MD13 OH7,

It is so hard to believe that we are starting a new Lions year. I continue to look forward to your club news and upcoming events. Communicating and sharing with others, helps us all to grow more in service. Keep those stories, fund raisers, and service projects coming in. Don't forget to include the names, event shown. Submit upcoming activities and I will put it on the monthly calendar too!

# LICKING VALLEY LIONS CLUB

Lion Lori Baker was awarded a Melvin Jones Fellowship Award. She has been a member of the Licking Valley Lions Club for 19 years. Lion Lori is a dedicated Lion who can be counted on time and time again! She will always say, "I will be there!" and she will! She leads and serves others by example and we are all better for having the opportunity to serve alongside her!

CONGRATULATIONS! Lion Lori!

Lion April Cooperrider is the new President for the Licking Valley Lions Club. She is looking forward to helping our club grow and flourish while doing it all with a smile!

Look what Lion Kathy Klein discovered while sorting and counting bags and bags of donated eyeglasses! What an interesting treasure!

The Licking Valley Lions Club made a donation to the California Lions Foundation in response to the wildfires. Instead of mailing that donation, we sent a check to Hollywood with Lion Jodi and Andrew Nichols. They were able to meet with MD 4-L3 PDG Carol Ann Wright Emmett and personally deliver the check.

*From PDG Carol,  
On behalf of my Santa Monica - Pacific Palisades Lions Club, and

# SWEET CORN FESTIVAL

*It's ear-resistable fun!*

Trey Johnston to Bring Southern Rock Grit and Country Soul to the Hickory Grove Bandstand at the Millersport Sweet Corn Festival

Millersport, Ohio — The Millersport Sweet Corn Festival is proud to announce that rising country artist Trey Johnston will take the stage at the Hickory Grove Bandstand on Saturday, August 30, 2025, delivering a high-energy performance filled with storytelling, soul, and Southern swagger.

With musical influences ranging from Tyler Childers and Zach Bryan to Lynyrd Skynyrd, Trey Johnston blends rugged country roots with a southern rock edge. His sound is a gritty, heartfelt reflection of small-town life—equal parts rowdy and reflective.

His debut single “Leave it in a Mess” dropped in February to growing acclaim, followed by “Good Ole Music Man” in May. Fans won’t have to wait long for more—Johnston’s upcoming EP, “Snowin’ in the Summer,” is set to release later this summer, featuring a compelling mix of temptation, heartbreak, and small-town nights.

Trey Johnston takes the stage at 6:00 PM on Saturday night. Admission is free, and festival goers are encouraged to arrive early to enjoy the rides, food, and the famous sweet corn before the show begins.

Held annually in Millersport, Ohio, the Sweet Corn Festival is one of the largest independent festivals in the state. Operated entirely by volunteers, the event supports more than 60 local nonprofit organizations and is beloved for its family-friendly atmosphere, signature sweet corn, and unforgettable live entertainment.

Don’t miss Trey Johnston’s performance at the Hickory Grove Bandstand—a night of real country music and hometown celebration!

For full festival details, visit [www.sweetcornfest.com](http://www.sweetcornfest.com) or follow the festival on social media.

# BLOOM CARROLL LIONS CLUB

The Bloom-Carroll Lions hosted their annual GOOD picnic at Slate Run Metro Park on Thursday evening, June 19. Approximately 100 people, including students, their families, and club members enjoyed the picnic. The Bloom-Carroll Lions furnished food and beverages.

The GOOD program was begun by Lion Ron Derry in 1995 when he began to lose his eyesight as a result of diabetic retinopathy. He realized he could either Go On Or Defeated (GOOD). The program recognizes students with good citizenship. The Bloom-Carroll Lions was one of the first Lions clubs to participate in the program, now in its 30th year.

The students receiving the honor this year are pictured with founder, Ron Derry.
