FVDG Newsletter Article:
January 2026

Dear Fellow Lions,

As we step into a new year, I hope that each of you has enjoyed a joyful winter and a meaningful holiday season. This time of

liontamarra@gmail.com

reflection and renewal reminds us of all that we cherish, family, friendship, and the spirit of service that unites us as Lions. For many, this season also brings moments of remembrance for loved ones, friends, and fellow Lions who are no longer with us.

Their presence may be missed, but their impact continues to shine through every act of kindness and service we carry forward. Let us resolve to honor them with a living legacy of compassion, community, and Lionism that endures through our actions.

Now, as we reach the halfway point of our Lions year, it is the perfect time to take stock of both our accomplishments and our aspirations. We can look back with pride at the difference we have made in our communities through vision screenings, food drives, youth programs, environmental projects, and countless other efforts that uplift those in need. Yet, as Lions, we know that the work of service is never complete. There are always new challenges to meet, new partnerships to build, and new opportunities to make a meaningful difference.

The coming months are filled with chances to reconnect, recharge, and be inspired. I encourage you to join us at upcoming district gatherings and conventions, where fellowship, fun, and purpose come together. These events are more than meetings, they are celebrations of what it means to be a Lion, opportunities to share ideas, learn from one another, and rekindle the enthusiasm that fuels our service.

Together, we grow stronger, and our shared passion for helping others becomes the spark that lights the way forward.

As we embark on the second half of this Lions year, may we do so with renewed excitement and dedication. Let us plan and execute service that truly reflects the needs of our communities, while keeping the heart of Lionism, kindness, courage, and hope, at the center of all we do. Like the crew of the *Enterprise*, let us continue to 'boldly go' where service is most needed, exploring new possibilities, reaching out to new people, and venturing beyond what we've done before. The future belongs to those who imagine it and who act with purpose and unity. The stars await those who dare to serve boldly.

Here's to a happy and prosperous new year, filled with fellowship, inspiration, and the joy of serving together as Lions, living long, prospering greatly, and lighting the way for generations to come.

Yours in Lionism,

ARE MAKING NEW YEAR RESOLUTIONS WORTH IT?

Traditionally, Americans like to make New Year Resolutions, and the fact is that 77% of those resolutions fail within one week after January 1. That's really discouraging. So why set yourself up for the first big failure of 2026?.

LionKitty77@outlook.com
740-503-4770

You can improve the resolutions you do make and set yourself up for success. Traditional resolutions are framed on tests of willpower. How often have you set a goal to accomplish something like cleaning out a room, spending more time on your hobbies, or even taking a cruise, but the enthusiasm in the beginning fades over time, so the room remains cluttered, the hobbies are not underway, and the cruise never comes to fruition? We are masters of great intentions.

Now let's shift our focus from our personal life to that of our Lions life. Have you ever taken time to stand in front of a mirror and asked yourself, "how can I be a better Lion?" Or "how can I help improve my club?" Or even, "how can I better my community?"

Maybe now is the best time of the year to consider making some positive changes in your Lions life. It doesn't matter if you just joined a club or you have been a Lion for 50 years, it isn't too late to "shake things up!"

When was the last time you undertook online Lions training? Would you like to learn how to master the Lions Portal? Have you thought how AI can help your Lions Club's community outreach? When was the last time you attended a zone meeting, district convention, or multiple district convention? Have you ever traveled to a Lions Forum or International Convention? How long has it been since you asked anyone to join your Lions Family? Is there a need within your community that you know would be a terrific service project for your Lions Club? Lastly, what is your passion for serving others?

So, let's "shake things up in 2026." Not just in your Lions life, but in your club, your district and your global Lions Family. We rarely focus on the accomplishments we achieve. Now is the time to build upon those accomplishments and resolve to do more in building better communities!

In Service,

2nd VD G Kitty

Lion Lydia is married to fellow Lion PDG Ric Houser. They have four children - Chris, Jason, Jeremy and Rachelle - and eleven grandchildren. Lydia's parents, PDG Freda and Lion Buck, were instrumental in her becoming a Lion. Lions is a family affair with her parents, husband, daughter (DG Rachelle), son-in-law Josh and now granddaughter working to form a Leos club. Serving together is extra special when the family works together to make a difference. (It seems more logical to have these two sections together.)

Lion Lydia retired from Wright-Patterson Air Force Base after 39 years as the Chief, Configuration/Data Management, Intelligence, Surveillance, Reconnaissance and Special Operations Forces Directorate managing a multi-billion-dollar portfolio of programs. She was also an instructor teaching many classes for Air Force employees and contractors. WHERE DO YOU FIND THE BEST BREAKFAST BUFFET IN OHIO?

Start the New Year off right, by savoring a delicious Country Cooking Breakfast Buffet in the beautiful hills of Lions District OH-7. Don't believe those naysayers that say "you can't get there from here." Not far from the intersection of State Highways 377 and 555, you can experience one of the BEST breakfasts within the Ohio Valley at the Chesterhill Lions Community Building at 8687 Boxer Mayle Lane, south of town.

On the first Saturday of every month, 7:00 – 10:00 am, the cooks, chefs and servers of the very friendly Chesterhill Lions Club, roll out a spread that would fill up even World Champion Nathan Hotdogs Eating Winner Joey Chestnut. No one goes home hungry at a meal that offers Crispy Bacon, Fluffy Scrambled Eggs, Fried Buttery Potatoes, Savory Sausage, Golden Brown French Toast, Heavenly Pancakes, Hearty Biscuits & Gravy, Wholesome Milk, Freshly Prepared Juice and Piping Hot Coffee. You can fill your plate for making a donation to the Club.

Sadly, the Lions Club Community Building needs urgent repairs and upgrades to enable the Chesterhill Lions to continue to serve others in one of the few handicap-accessible buildings in the area. They are currently raising funds for a new roof, new HV/AC unit, a new hot water heater, numerous kitchen upgrades, and much more. They are in the process of assembling a list with estimates to share with potential donors.

The Chesterhill Lions Club is a 501 C 3 non-profit organization. Any donation for any amount will be appreciated, plus they will gladly accept donations of labor, material and/or equipment. Checks or money orders made payable to CHESTERHILL LIONS CLUB can be sent to PDG Stan & Nancy Starling, 7666 Doctor Whitacre Lane, Chesterhill, OH 43728. If more information is needed, contact Stan or Nancy at 740-525-5148 or nastarling@yahoo.com

During the months of November and December, numerous Lions Clubs and Lion members have attended a breakfast and made significant contributions to the building fund. The Chesterhill Lions are humbled by the support they have received to date but still need to raise much more to be able to have a new roof installed. If you would like to pack up the family, some good friends or fellow Lions on the first Saturday of any month in 2026, the Chesterhill Lions will welcome you with open arms, feed you and gladly explain their ongoing building repairs project.

OHIO LIONS PEDIATRIC CANCER FOUNDATIONS Update

As the currently elected OH7 representative, I want to send out a reminder that my seat to represent the district on the state OLPCF board is up for election this year.

When I ran three years ago, I was under the impression there were term limits - there are not. However, I said I wouldn't run again to allow OH7 the opportunity to continue to grow new leaders who are passionate about our causes.

The past two years, IPDG Lilane and DG Kelvin have had to appoint someone to fill my position as OH7 representative as I have served as the Executive Director. At this time, I still believe OH7 should elect a new representative to ensure continuity and leadership growth.

We have recently had two more gas card applications approved in OH7 (as of 12/29). We have the need, and we need a strong Lion with a passionate heart, can keep donation records, and plan our annual 5k. I want to mentor the next leader for pediatric cancer and help you find your passion through this service!

If you are interested in running, please reach out to me, to ensure our policies for election are followed and complete for District Convention. A Lion must be in good standing with their club and club be in good standing with both international and the district. Applications must be submitted to the Parliamentarian prior to February 1 for the intention to run.

We Serve in many ways, and I am excited to help someone find their passion in OLPCF as I have over the past 7 years.

Hello everyone! I want to introduce myself. I am PDG Jackie Miller from OH5 and I am running for International Director. Many of you already know me as I've been all over the State for many years.
