If you are coming from the South of Homosassa such as Tampa, my recommendation would be to take the Suncoast Express Way North till it ends on Route 98. Take a Left and head West on Route 98 until you reach US 19. Take a right and you will be heading north. Once you reach Homosassa Springs which you will drive thru on US 19 you will take a right on 490 (W. Homosassa Trail) and you will be headed east. About 1/4 to 1/2 a mile you will see our club house on the left. It is at a large curve in the road. The building has a mural of Lions painted on the side of the building.

If you are coming from the North of Homosassa, such as Crystal River, stay on Route 19 until you come into Homosassa Springs and take a left onto Route 490 (W. Homosassa Trail) and will be heading east. About 1/4 to 1/2 a mile you will see our club house on the left. It is at a large curve in the road. The building has a mural of Lions painted on the side of the building.

If you are coming from the East, such as Ocala thru Inverness then the following will apply: Follow Route 44 (also known as Gulf to Lake Hwy.) West towards Crystal River. When you get into Lecanto, Not really a town, you will pass Route 491 and there will be a "Circle K" on your right. Continue on Route 44 to the next light and take a left onto Route 490 (also known as W. Homosassa Trail). Continue on R-490 for about 10-15 minutes. (Sorry I don't know the mileage to our clubhouse from here). Our club house is off this Route but just before you get to Route 19. Also, just before our clubhouse you will come to the outskirts of Homosassa Springs and the road will start into a sharp "S" curve. Look to your right and you will see our building. The building has a mural of Lions painted on the side of the building.
