Patricia Hall
District Governor

International President Wayne Madden has now challenged every club to do their first "pit stop." He wants to make certain that we are still on the "fast track" to success.

In order to be on track each club should have done a project that involved the youth and have launched some type of a Reading Action Program. This could be as small as Lions reading to children in schools and libraries or reading to the elderly, etc. There is going to be some training at the next Council of Governors Meeting in Altamonte Springs in October. Please make certain that your club secretary inputs all your activities on line.

World Sight Day is October 11th and each club should try to recognize it. In fact October is Sharing the Vision Global Service Campaign as well as the Lions and Leos Membership Growth Month. I encourage each of you to get involved in all the activities. There are many activities described on the web site

www.lionsclubs.org.

Enjoy the coming of Fall weather (we hope) and stay busy sharing the Lions mission of, "We Serve!"

From Our New Governors

District 35-L

Hello Fellow Lions,

We are one quarter of the way into the year and fall is already here. The year seems to be going too fast with not enough time to do the things needing to be done but we always seem to find a way and to have fun along with the work.

First I want to thank all of the clubs that helped out at our Annual Kids Expo in Marion County – we could not have done this without you. This was a major screening event with Lions from area clubs, the Ocala Lions Screening Van, and other community groups participating. Although the weather did not cooperate this year we were able to do vision & hearing screenings for children as well as adults, diabetic screenings, children ID screenings, etc. and to give out needed information on preventive health care issues.

I was privileged to attend the USA/Canada Forum in Tampa in September. It was again wonderful to meet all our old friends as well as many new Lions during this time. The seminars were, as always, informative and timely in their content. Information on membership, leadership, ethics, fundraising, club officers, motivation, and much more was available for our education. Look for much of this information to be handed down to clubs during the next year. Many of our entities were also on hand to provide information to all interested Lions. Keynote speakers were inspiring and the entertainment great fun. There were many International Officers, both present and past that I was fortunate to meet, including IP Wayne Madden who is truly inspiring and his Reading Action Program is one that we should all support wholeheartedly. Kudos to all the Lions on the committees and their workers that helped make this an enjoyable event for all in attendance.

DG Pat Hall has been doing club visitations and both 1VDG Jeffrey Heisler and myself are honored that we have been asked to help with these when needed. I look forward to meeting with each of you and your clubs when asked to visit on her behalf and to spread her enthusiasm and message of service.

Service... the rent we pay for living on this planet. Yours in Lionism,

2nd VDG Bob

KidSight Project
By: IPDG Jerry Skufe, District Coordinator

We have reached a significant milestone in the implementation of the screening process for the detection and correction of lazy eye. All of the PlusOptix units purchased by the district, with the help of LCIF grant funds, are in place and ready for use. Lions from five (6) of the eight (8) clubs where the PlusOptix units are located have been trained, or are about to receive training, and are ready to go. We are working with Melissa in the UF KidSight Office to arrange training for the Tallahassee and Jacksonville Beach Noon Clubs so they can get started.

Clubs who have contributed to the KidSight Project but who are not a custodian club for a unit, are encouraged to request training so that they can get involved in the screening for lazy eye within their communities. In some cases, the custodian club may be willing and able to provide the needed training for other clubs to get started. If not, Melissa in the UF KidSight Office will provide the training.

Screening data is stored on USB flash drives for mailing to the UF KidSight Office for processing. The District will be purchasing 4 to 6 flash drives for each of the PlusOptix units for this purpose. Once the data is removed, the flash drive will be returned to the sending club and then the process is repeated.

Clubs where the PlusOptix units are located, along with the contact information for the Kidsight Project Lion, are as follows:

Name	KidSight Contact
Baker	Joyce Cosson joyceblalock@mchsi.com 850-537-2491
Jacksonville Beach Noon	Dennis Lynch railroadlynch@comcast.net 904-821-9002
Lake Butler	Ken Parrish klparrishsr@msn.com 386-496-3629
North Santa Rosa	Sid Braunstein sidandpathb@earthlink.net 850-598-9715

District 35-L Coordinators Grant Administrator: Jerry Skufe Technical: Gerry Gutman	jskufe@comcast.net 352-687-2603 gerryg@atlantic.net 352-368-3634

One last item. We are required to place a label on each of the units saying that it was purchased with LCIF Grant funds. We are in the process of preparing the labels and they will be mailed, along with placement instructions, to the custodian club for installation.

Remember, if your club contributed to the KidSight Project and wants to provide screenings in your community, you can arrange for the use of a PlusOptix unit by contacting a custodial club. Clubs are not restricted to the closest custodial club. It's just a matter of making contact, arranging the assignment period, and agreeing on the pickup and return dates.

Lions KidSight Early Childhood

Vision Screening Comes to Levy County

Cedar Key, Florida. Cedar Key Lions Club members have been in training to operate early childhood vision screening equipment to identify children up to 6 years old with undetected vision loss due to Amblyopia factors (Lazy Eye) and refractive errors.

Amblyopia is easy to treat, but early detection before the age of 6 is vital, as correction must take place before the age of six while a child's visual system is still developing.

KidSight, a Lions International program, has now expanded into Levy County with the Cedar Key Lions Club working in collaboration with the University of Florida Pediatric Ophthalmology Department.

Through this partnership, Lions Club volunteers and UF vision professionals offer free of charge screening at area preschools and daycare centers.

Lions Club members are trained to conduct the vision screenings. Lions volunteers arrange the screening sessions and use a special hand-held camera that takes digital photographs of the eyes that is used by the University of Florida to identify potential vision problems.

After the Lions Club conducts the screening, the screening information is sent to the University of Florida Pediatric Ophthalmology Department where screening results are interpreted for possible vision problems. After the screening photographs have been interpreted, results are reported back to families.

Parents receive a notification form that tells them that their child passed the screening, or the photo was unreadable, that a borderline or mild problem was detected, or a vision problem was identified and their child should be examined by a specialist.

Cedar Key Lions KidSight coordinator Judy Duvall says, "Our free screening is conducted at any child care center in Levy County that requests one. We do it wherever the kids are, be they daycare centers, kindergartens or preschools. Our goal is to screen every child aged 1-5 in Levy county. "

"KidSight screening is so important, because it goes beyond the regular vision screening provided in schools. With specialized KidSight equipment that the Cedar Key Lions Club has helped purchase, we can detect children's vision problems early, giving the child an opportunity for having a good start of going through school with their vision corrected," she explained.

Cedar Key Lions members attended a special three-hour training session to learn proper operation of the camera and how to check the child's information form. "The screening itself is quick and easy. It's as simple as taking a picture. It takes five minutes and the life-long effect that it can have on a child's vision is well worth our volunteer time." remarked Duvall.

In areas of the country where the Lions KidSight program has been running, tens of thousands of children have been screened with hundreds of children aged 1 through 6 diagnosed early enough for treatment to correct their vision before it was too late.

To schedule a vision screening clinic, call Levy County KidSight coordinator, Lion Judy Duvall at (352) 507-1177.

More information on the Lions KidSight program can be found at <http://www.peds.ufl.edu/kidsight>

A moving video in a parent's own words on how the Lions KidSight screening saved her pre-school child's vision can be seen at <http://www.peds.ufl.edu/kidsight/family-resources.asp>

ATTENTION MD-35 PAST DISTRICT GOVERNORS

Let it be known that the 2013-2014 Council of Governors will hold interviews for the position of 2013-2014 MD-35 Council Chairperson during the Winter Conference to be held on January 11-14, 2013 on the MD-35 Bahamas Cruise out of Miami.

Requests for interview including resume that are received on or before December 28th, 2012 via email will be considered.

Send your email to all 1st Vice District Governors and MD Secretary Gary Nieskes at:
jcmoosman@aol.com, albecker@earthlink.net, jhei195797@aol.com,
lionbent@batelnet.bs
nieskes@comcast.net

We appreciate your service. See you on board!

On behalf of the 2012-2013 MD35 Council of Governors, I would like to thank all of those who volunteered at the USA/Canada Lions Leadership Forum in Tampa September 13-15! We had volunteers from every district in every aspect of the Forum! From our Host Chair to Facilities to Goody Bags to Manpower to Opening Ceremonies to the Forum Store to Registration to Seminars to Sergeant at Arms to Host Committee Office to VIP Transportation to Hospitality to Protocol to Exhibitors to Peace Poster Exhibitors to Pin Traders to Closing Ceremonies to Photography, you had it covered and it was much appreciated!

As I was talking with Lions from throughout North America throughout the week/weekend they only had positive things to say about the MD35 Lions and Host Committee! Everyone came together to get the job done and Lions **YOU DID IT!**

I would like to say a special thank you to the Leos from Bonita Springs for their support! You were awesome! They accomplished the following: worked inputting the evaluation data received from attendees of each Seminar and on several occasions, helped with room monitoring at specific seminars. After the dinner and presentations on Thursday night, they posted all evaluations from that day until 1:30 a.m. and were back again at 8:00 a.m. on Friday to begin again. They worked through the day Friday until 5:30 p.m. and Saturday until 4:30 p.m. and then helped with packing up and loading all of the equipment for transport. When you see these young people, please congratulate them on a job well done!

Looking forward towards Overland Park we have three Lions from MD35 on the Planning Committee! Congratulations to Lion David Skillin for being chosen as Webmaster/Newsletter Chair, ID Stacey Jones for being the Board Appointee, and PID Neil Spencer for being chosen as Opening and Closing Ceremonies Chair!

Looking forward to seeing everyone at upcoming Council of Governors Conferences and at the MD35 Convention in Daytona Beach!

Yours in Lionism,

MD35 2012-2013

Council Chair Donna Spencer

Jacksonville Beaches Lions Club Presents
"BARK-TOBER FEST 2012"

A Gala to Support **Guiding Eyes for the Blind Guide Dog School**

Date: October 19, 2012, 6:30 to 11:00 pm

The Jacksonville Beaches Lions Club would like to sincerely thank you and your organization for last year's generous contribution which help make our fund raising dinner a tremendous success. Thanks to your sponsorship, we were able to raise over \$12,000 and help advance the mission of Guiding Eyes for the Blind. Our second annual Guide Dog fund raising dinner will be on October 19th, and will again be held at The Vineyard in Atlantic Beach.

To increase the effectiveness in our fund raising efforts, we recently established The Jacksonville Beaches Lions Foundation, Inc., a non-profit 501(c)(3) organization. We hope this will make it even easier for you to continue to sponsor this important event. Thank you in advance for your support.

LIONS CONKLIN CENTER

Hello Lion Friends,

This is going to be an especially busy fall at the at the Conklin Center and I hope to see you at one (or more!) of these upcoming events.

The 10th annual *Ride for Sight Poker Run* will be held Sunday September 30. Later that week, on October 3rd, we will hold a luncheon at the Conklin Center to recognize area businesses that employ Conklin Center students and graduates.

On October 6 we invite you to the *White Cane Walk and Lions Visitation Day*. This is a great opportunity to meet our students and personally see how you are helping people who are blind achieve their dreams of being able to live full, active and productive lives. This is also our statewide *Lions Visitation Day* - I hope to see each of you here to show your support for the Conklin Center!

During *Biketoberfest, October 13 - 21*, the 1950 Harley Panhead we will give away in March 2013 will be on display at the Iron Horse Saloon in Ormond Beach. If history is any guide, you'll find hard-working Lions at the Iron Horse staffing our ticket booth!

And, on October 26, the *2nd Annual Halloween Bash* will be held in Ocala to benefit the Center.

Recently Bob Hightower, Board President, and I wrote to all the Clubs in Florida asking that funding for the Conklin Center to be included in each Club's budget. These fall events are a great way for you and your club to get involved.

You'll find more information and links to registration below. Please contact us with any questions at 386-258-3441.

We need the support of each and every Lion so we can continue to create opportunities for blind Floridians. Again, I hope you can join us October 6. I'm looking forward to showing you how your support makes a difference in the lives of our students and graduates!

Robert T. Kelly

Executive Director

Put on your walking shoes, gather club members, friends and family and join us for the *White Cane Walk and Lions Visitation Day* on Saturday, October 6. Then check out the Sensory Trail.

How many times have you said *I could do that with my eyes closed?* Wearing a blindfold or special glasses that simulate common eye conditions you can try your hand at basic, everyday activities at stations along the trail. Learn how people with little or no vision rely on other senses to perform routine tasks.

Set a fundraising goal for yourself or your club and make a meaningful difference in the lives of hundreds of men, women and children who are blind or severely visually impaired. Your help has far reaching effects...what students learn at the Center stays with them for the rest of their lives.

Everyone who raises or donates \$20 will receive a t-shirt. Drawings for prizes will be held for those who raise a total of:

- \$100 - Dinner for two
- \$250 - Prize basket
- \$500 - Weekend hotel stay in Daytona Beach
- \$1,000 - To be announced

Registration will open at 10:00 a.m., the Walk begins at 11:00. Lunch will be available for \$7.00.

Click [here](#) to download the Walk form with complete details.

Still have questions? E-mail [Denise Harlow](#) or call her at 386-258-3441.

Would you help spread the word? Please forward and encourage others to walk with or support you.
