DISTRICT 35-O
AUGUST 2013

A Note from District Governor Al Becker

Lions of District 35-O:

Having survived our trip to Germany and the International Convention, it is time to get to work and "Follow My Dream". International President Palmer wants us all to follow our dreams and he has set goals for all of us which are very reachable. His theme includes membership, literacy, poverty and youth.

For the first few months let's focus on membership by just asking someone to become a member. It's a simple thing to do but for some reason some of us find it hard to ask others to join the largest service organization that helps those less fortunate than us.

Also retention is very important once we get these new members. Put some fun and energy into your club meetings and activities.

This year I will ask all zone chairs to introduce the [Club Excellence Process](#) (CEP) to all clubs. This program allows your club to focus on the needs of your club in the community and evaluate what your clubs short falls are to help your club grow and help within the community.

Yes it takes a few hours to complete this task, but in the long run your club will reap benefits from this.

Our District Advisory meetings will also be fun not boring. Yes we will have guest speakers from the entities we support and they are only allotted 5 minutes to speak, so as not to bore anyone.

I think you will find this to be a new and exciting year for our District. If we all work together we can accomplish more. If we follow our dreams others will follow.

Lions of 35-O, let's "Follow our Dream" and show others just how great it is to be a LION.

From the Den of 1st Vice District Governor Carolyn Lloyd

Here we are at the beginning of an exciting new Lionistic year. I hope everyone will open the International Lions Magazine and our own Multiple-District Magazine and read about our 2013-2014 International President Barry Palmer. He is an exciting, dynamic Lion who has a huge passion for Lionism and asks a lot of himself and of all Lions. He will be very visible on social media. Those who met him when he visited Multiple District 35 know he is welcoming, friendly, energetic, and full of ideas.

Our District Governor Al Becker spoke of President Palmer's theme of "Follow Your Dream" and the goals he has set for Lions during the coming year. For the first few months we will focus on membership. Below is one idea for signing up new members but, it is only one idea. Lions who have tried successful new ideas, please, let me know, so I can share.

Yes, our district has many wonderful, hard-working Lions. Because of attrition we must constantly grow. For varied reasons there are many Lions who are great members and continue to support their club, but their participation in projects may be limited. By adding members who can work and bring new skills to clubs, there are more hands to serve.

Who do we ask to join and how do we do it? There are many approaches. Each needs to be comfortable to the person or club using it. For a long time, cold calls have been the method mostly used. Many Lions feel it was only moderate successful. An updated version is to make warm calls on area officials, business leaders, education leaders, law enforcement, etc. Begin by identifying those to approach. Prepare a letter explaining who Lions are, how a club benefits the community, how it provides an opportunity to volunteer, and while not the main objective, an opportunity for networking. Computers make it easy to personalize the letter for each recipient. Include a date that the prospective member will be called to arrange a meeting to discuss upcoming projects to visit. Seeing what Lions do provides a strong incentive for someone to visit a club meeting and, perhaps, to go ahead and join.

What is presented here is only a thumbnail sketch of this method. I encourage every membership chair to contact your district GMT for more in depth information and take what is learned back to their club.

OUR HANDS TOGETHER IN SERVICE

2nd Vice District Governor Jacquie Tripp

LESSONS LEARNED: PREPARATION!

Lions who are traveling this summer have had to prepare for their journeys. Mail must be stopped, reservations made in advance, clothing chosen and packed, house prepared by turning water off, and pets boarded. What happens if we aren't prepared? Mail will pile up and get lost, we won't be assured of a place to rest, pipes could break and flood, and pets would be neglected.

Lions must also be preparing for the upcoming year as a club: set membership goals including growth and retention, plan for productive fundraising and meaningful service activities, and prepare for exciting meetings.

In order to follow our dreams, we first identify them and then prepare to initiate the process of turning dreaming into reality. Club officers and members, start to prepare this month for the realization of a Lion's dream: WE SERVE!

Serving Beside You, Lion Jacquie

ARE YOUR LIONS CLUB AND FOUNDATION PROTECTED?

Although most clubs feel their assets are secure, member theft can and does occur. Dishonesty Bonds, also called Crime/Fidelity Bonds, are a form of insurance protection that covers the policyholders for losses that they incur as a result of fraudulent acts by specified individuals. They usually insure an entity (Club/Foundation) for losses caused by the dishonest acts (such as theft) of its members. These insurance policies protect from losses of Club/Foundation monies, securities, and other property. Policies are available through insurance agencies and are typically written for 1 or 3 years with discounted rates for a multi-year policy. If you have both a club and a foundation, make sure both are named on the policy or take out a separate policy for each. Also your Board of Directors should decide on the amount of the coverage needed to protect the assets of your organization(s). Rates may typically run about \$250 for a 3 year policy with \$10,000 coverage. Ask your insurance agent to provide you with a quote.

Also, LCI has arranged for a program of [supplemental insurance coverage](#) in which Lions Clubs, Districts and other authorized Lions organizations in the United States may apply to purchase certain coverage at discounted rates. Coverage is underwritten by Philadelphia Insurance and QBE Insurance.

FLORIDA LIONS CONKLIN CENTER LOOSE CHANGE PROJECT UPDATE

By Lion Mary Pezzo, 352-735-9629, mtpezzo@yahoo.com

“Loose Change” around the state is finding its way to the Conklin Center. Frankly, the project requires more volunteers than I anticipated, so if you have a little time to pass the word – it all helps!

The project will continue until the last Cabinet Meeting of 2014 in Districts L, I, O and N. Lions are asked to bring their loose change to the Cabinet Meetings; a representative from the “Conklin Center Loose Change” Committee will be available to collect the change and provide cans if anyone wants one. Lions can use any suitable container for dropping the loose change they may have in their pocket at the end of the day! The Clubs should combine the loose change from the members; the change (or a check made out to the Conklin Center labeled “Loose Change”) should be brought to each Cabinet Meeting. Let me offer a mighty Lions Roar for all the Lions that helped raise the \$3,084.76 last Lions year!

ENGAGING OUR YOUTH IN SERVICE

One of the best ways to strengthen communities is to engage our youth in service. Young people need to learn the value of service. And they need experienced Lions like you to show them how it's done.

Our August Global Service Action Campaign is devoted to [Engaging Our Youth](#). International President Palmer is asking you to invite Leos and local youth to organize and carry out a service project. It could benefit a school, community center, hospital or area seniors. LCI offers [planning guides](#), [project ideas](#) and [flyers](#) to rally your members and get youth involved. When you involve youth in service, you play an important role in shaping the next generation of volunteers, leaders, and Lions.

THE SCOOP ON CLUB DUES – DISTRICT BILLS HAVE BEEN SENT OUT

District Treasurer: Lion Dana Comeau, Treas.350.Dana@gmail.com, 352-382-0619

Lions Clubs International bills each club directly in January and July for the number of members as of December 31 and June 30. When you add new members, LCI bills your club as they are added, prorated by time left in the current billing period. The amount of the clubs dues depends on the number of regular, family, life and student members in your club. These dues are paid directly to LCI.

Multiple District 35 (MD35) bills each of the four Districts in January and July for the number of members as of December 31 and June 30. The rate is \$10.50 for six months for all members except for student members; that rate is \$5.25. MD35 does not bill the clubs immediately for new members. They are prorated and added at the next billing. Then each district bills each of their clubs accordingly.

District 35-O bills each club using the same method as MD35 except that there is no discount for students. Our District dues are \$4 for six months. The district bills each club for this amount plus the dues owed to MD35. Checks are to be payable to Florida Lions District 35-O for the total amount billed.

Example: A club had 30 members on June 30, 2013 and added 2 members in April, 2013; no students.

MD-35 DUES: 30 x \$10.50 = \$315.00

MD Prorated for new members in April: 2 x \$5.25 = \$ 10.50

DISTRICT 35-O DUES: 30 x \$4 = \$120.00

District Prorated for new members in April: 2 x \$2 = \$ 4.00

TOTAL CLUB DUES PAYABLE TO DISTRICT 35-O = \$449.50

INTERNATIONAL PRESIDENT BARRY J. PALMER

JUST ASK!

You know, I became a Lion quite by accident. Back in 1976, I was running a retail business, and I stocked fruitcakes that the Hornsby Lions Club, my local club, was selling in the community. After selling 20 cartons of the cakes, the club decided to honor me with a certificate of appreciation. Afterwards, Lion Bill Atlas finally asked me to attend the next club meeting. I said, "Bill, why didn't you ever ask me to join?" And he said, "I thought you were too busy."

As Lions, it's our duty to ask community members to join our clubs. How many friends, family members, community and business leaders would say "Yes" if asked to join? There's only one way to find out—just ask! We've got a great new resource to help your club invite new members.

The [*Just Ask! New Member Recruiting Guide for Clubs*](#) is designed to help your club recruit new members. It gives your club the tools to create and implement a growth plan that's right for you. New members can help achieve your service goals, bring fresh ideas to the club, and ensure club health. Inviting new members is something that every Lion can do. Because there are a lot of people out there—like I was—just waiting to be asked. Download [*Just Ask!*](#) and share it at your next club meeting.

**Club Excellence Process
Learn more now!**

There is little time to waste, so I am encouraging all club presidents to use the [*Club Excellence Process*](#) (CEP), a resource that can help clubs reach their true potential. I'm asking you to lead by example and take CEP to your own club, then share it with others. CEP is a fun, interactive process that can help you improve member satisfaction, make your service projects more effective, and set goals to ensure your club stays on the path to excellence.

We've made it easier for you to take advantage of the Club Excellence Process by offering two versions: CEP Pro (Led by a trained Lion facilitator) and CEP Lite (Led be member of your club).

Choose the version that's right for your club, and get on the path to club excellence!

Kind regards,
Lion Barry J. Palmer
