### Old Town Trolley of St. Augustine.

With nearly 500 years of history, including rule by Spain, Britain, and the U.S., St. Augustine is full of sights and attractions that entertain and educate. For over 30 years, Old Town Trolley Tours has provided sightseeing tours highlighting the best of St. Augustine. Hop aboard one of our trolleys and you'll experience Transpertainment, a delightful combination of transportation and entertainment. Our friendly conductors narrate the St. Augustine tour with a fascinating and fun mix of trivia and humorous stories. It will be our pleasure to guide you through America's oldest city on one of our orange and green trolleys.

**Old Jail**

As a St. Augustine resident, I assure you that Old Town Trolley Tour is the best way to see the city. Because we cover the entire city, you can avoid costly parking and city driving. The tour is also designed so that you can hop on and off and explore on your own at any time. With frequent pickups at all our stops, this helps you avoid walking long distances.

**Here are just a few reasons why Old Town Trolley is the best sightseeing tour in town:**
