

## DISTRICT 35-O NEWSLETTER

**SERVING OUR COMMUNITIES IN  
CENTRAL FLORIDA FROM THE  
SPACE COAST TO THE GULF COAST**

**April 2015**

### *In Memory of*

**District Governor Carolyn H. Sorg Lloyd  
December 8, 1943 - March 12, 2015**

---

**FROM ACTING DISTRICT GOVERNOR  
JACQUIE TRIPP**

### **ANGELS AMONG US**

**We were just getting to know each other  
when Carolyn became a heavenly angel.  
(Continued Next Column)**

I knew she was already an angel on earth. You could see it in her smile, in her grace, in her voice. Her laugh was contagious and inspirational.

We will never know the reason why but we will ask every day until the pain fades. We will gather a little more courage to carry on every day. We will remember her at special times and then smile.

She would have been proud of us at the conference, wearing of the green, line dancing, dressed to the nines on Saturday night. She would have been proud of us holding hands in prayer, and holding onto each other as we grieved.

What would she like us to do now? I can hear her teacher voice saying, "Move along now, don't lag behind. Keep up. We have work to be done." What do you hear her leading you to do?

In her honor now, let us keep calm and carry on...for our District Governor Lion Carolyn.

Let's Just Ask One, let's keep the members we have, let's start one new club, let's add a Leo Club.

Let's lift our glasses, and lift our hearts. We love and miss you, District Governor Carolyn

FROM SECOND VICE DISTRICT  
GOVERNOR STEVE HILAIRE

*“Clouds do not stand still  
Trees bloom, then shed their leaves  
Tides come to shore, then retreat  
Night follows day  
which in turn follows night  
Life is a constant cycle  
ever changing yet never changing  
And we are a part of it all  
We will be here for a time  
but only until our time is done  
We have only just so much time  
to make our mark  
So that we are worth remembering  
We should realize that we are  
as important as the clouds,  
the tides and the seasons  
We have our place  
and must play our part  
as best as we can  
in life’s ever-unfolding story.”*

Our beloved DG Carolyn was an awesome Lady. Saw her at Viera BBQ, all bright and animated and full of life. When she passed away she was in the middle of finishing plans for the Spring conference.

This was her project, her *baby*. It would be her wish that the show must go on we were told. Lions came with a heavy heart, wet eyes were all around, extra long silent hugs spoke volumes.

(Continued Next Column)

What a beautiful, bouncing *baby* the Conference was! She was definitely smiling down on us.

We did everything in her memory. We honored her with a look, a smile, a tear Strangely prophetic that a 35 O Necrology service was in the program. Surreal.

Special thanks to the Viera Lions Club for their efforts during the conference. It could not have been easy.

May her soul RIP. Shalom, Amen

---

## LAST REQUEST

Donna Norton, Cabinet Secretary

When DG Carolyn asked me to be Cabinet Secretary during her year I asked, "*Are you sure I can do it?*" She replied very matter-of-factly "*You can learn!*" I learned from her not only what a cabinet secretary does and how to be a better Lion but how to be a better person. She had that "something special" that made you want to work hard to achieve what she believed you could even if you had doubts. Working with her was a joy and a pleasure. I was lucky to be her secretary.

It was important to her to recognize Lions who serve including those that do so quietly day by day sometimes thinking no one notices. Her last request, the last time we spoke late in the afternoon on Tuesday March 10th reflected this. She said, "*I am way behind on sending out my "Thank You" notes. Will you create a special stationary for me so I can get that done very soon?*" Please allow me to close out her last request here. A very special "Thank You", on behalf of DG Carolyn, for a job well done, service to others, a kindness shown, helping her accomplish a task or plan a special event, for a gift you gave to her or in her honor, and for all the other reasons only she knows. She wanted to personally thank you in her own special way. It was on the top of her "To Do" list. She just ran out of time.

## Protect the Environment and Be Part of the Centennial Service Challenge

Each April, Lions around the world focus on [Protecting Our Environment](#). Your club can get involved in the Centennial Service Challenge and celebrate Earth Day on April 22 by organizing special projects throughout the month that raise awareness and protect our planet. Ideas include planting trees, organizing a beach or roadside clean-up, establishing a recycling program, and hosting an environment-related seminar or workshop.

Environmental projects are a great way to engage the entire community in hands-on volunteer work that makes a big impact. Remember to ask non-Lions to participate with you! Start planning today for a greener tomorrow!

### A Message from The Chairman of the Lions Club International Foundation (LCIF)

I have the privilege of traveling the globe to see the amazing work Lions are doing. Every day, you provide disaster relief, empower our young people and serve our communities. You also remain committed to saving sight. Whether you are conducting vision screenings, providing

(Continued Next Column)

eyeglasses or medicine, you are giving the gift of sight.

Together with LCIF and partners like The Carter Center, Lions have helped to restore sight to 7.7 million people through cataract surgeries; prevented serious vision loss for more than 30 million; provided over 271 million treatments for river blindness; built or expanded 660 eye care hospitals and clinics; and trained 681,000 eye care specialists and eye health workers.

Congratulations, Lions!

As we celebrate these achievements, know that there is still much work to be done.

With your [contribution](#), LCIF will be able to support Lions all over the world who continue making a positive impact in the lives of people who are blind or visually impaired.

Thank you for commitment to saving and restoring sight.

### A Message From Our International President

We're on our way to reaching our goal of helping 100 million people through the Centennial Service Challenge. And thanks to you, we've helped 20 million people in just the first six months, and we're looking forward to serving millions more. To keep the momentum going, I am inviting you to join me for a special Centennial Service Challenge event in May.

The Worldwide Week of Service brings Lions around the world together for a special week of service during May 16–22. You can join us by hosting a service project that benefits youth, vision, hunger or the environment. If you're looking for another great way to serve, consider hosting a

(Continued Next Page)

project to help children in need in your community.

The Centennial Service Challenge is a great opportunity to strengthen your community, showcase your club and earn recognition. Be a part of our once-in-a-lifetime Centennial celebration. Don't miss out...start planning your Worldwide Week of Service project today!

Joe Preston  
International President

## Join The Lions Worldwide Week of Service May 16-22,

Is your club hosting a Lions Worldwide Week of Service project in May? Lions around the world are planning their service projects for May 16-22. This year, President

Preston made serving children in need a priority, so consider joining the Centennial celebration by sponsoring a service activity benefitting youth in your community.

Visit the [Centennial website](#) for project ideas and resources. And no matter how you choose to serve, remember to use the hashtag #LIONS100 in all your communications. We'll share our favorite photos on the LCI Facebook page!

## A FOUNDATION FOR YOUR LIONS CLUB

The Council of Governors has approved the free distribution of instructions and associated documents that will assist Lions Clubs in creating their own club-level, tax-exempt Foundation using the new IRS 1023-EZ short application form. This package is only for establishing new club-level 501c3 Foundations that have less than \$50,000 annual income and total assets under \$250,000. It can be used to reinstate those Foundations who have lost their tax-exempt status, but it is not for Clubs that have lost their 501c4 tax status.

Requests for the instruction manual should be made by e-mail; distribution will be made via electronic transfer in .pdf format and subject to the following provisions:

1. The instruction manual and related documents are not to be considered legal advice; the user takes full responsibility for the security of the material.
2. The instruction manual can be used solely by the Lions Club requesting the material and it shall not be distributed to any person or organization.
3. The material is being distributed free of cost. If the Lions Club decides to use the material to apply for their tax-exempt status, a suggested donation of \$100.00 will be made to the Florida Lions Foundation for the Blind; this can be applied to a Life Membership.
4. Following the delivery of the material, the Lions Club has 60 days to decide to use the material; after that, it shall be destroyed. This is a security issue, you can re-order.

Any questions, please e-mail me.

Yours in Lionism,

PCC Bill Ringelstein

## SPOTLIGHT ON DELAND LIONS CLUB'S New Outdoor Mural

# Inglis Yankeetown Lions Adopt a Highway

The Inglis Yankeetown Lions Club, in keeping with the it's long time civic involvement in the area, has signed up for the Adopt-A Highway initiative and agreed to clean the two mile stretch of highway from Inglis to the 4-way stop sign in Yankeetown. Community volunteers and club members decked out in reflective

vests hit the road Saturday March 8th, 2015 for the first two hour, history making, clean up.

Lions Vice President Steve Edmonds, chairman of the project said, " Across the country, various volunteer groups have signaled their commitment to

keeping America beautiful by adopting stretches of highway and pledging to keep them litter-free. Our partnership with the Florida Department of Transportation enables us to keep this major gateway to the Gulf of Mexico clean and welcoming. The club will be scheduling more clean-up days during the year.

## We Serve

## MEET LAWRENCE *A Student at the* FLORIDA LIONS Conklin Center Graduate!

### *A Special Contribution To the District 35-O Newsletter*

When I was born, I was fully developed with perfect sight and good health. I lived a normal childhood. I played soccer from preschool through high school. I was also an Editor in Chief of the yearbook for three years and graduated high school with honors.

After high school, I attend the local community college and I had multiple positions at Macaroni Grill. I was always able to drive and liked being able to make my own money.

On July 22, 2007 my life changed. I was in a car accident with a semi-truck on the interstate. My car slammed into the truck and was totaled. I don't remember any of it because I was so severely injured, I spent a month in the Neuro ICU in a drug induced coma. My injuries included breaking every bone in my face, my jaw was broken in three places and I had a traumatic brain injury. I lost all vision in my left eye, but I have very limited in my right. I have no feeling on the whole right side of my face, I can't smell because they removed my sinus' and I'm deaf in my right ear. Due to the surgeries to my mouth I have to drink from a straw all the time. I was in the hospital for 3 months and had to do physical and occupational therapy in rehab. When I was released from the hospital, I continued to live in Wesley Chapel, FL. I was very depressed and had to start taking medication. After about 5 months, I started  
(Continued Next Column)

to be able to move around better and do more things for myself. I knew that I was here for a reason and that I had a purpose. So, in 2009 I decided that I wanted to move to Orlando and rent a house with a few of my friends. I was able to cook, clean, pay my own bills. I really just wanted to be able to work and do the things I used to do. I tried going to The Lighthouse for the Blind and Visually Impaired, but they had limited services for me in Orlando.

I moved back home again and The Division of Blind Services contacted me and recommended that I go to the Conklin Center. My main goal was to get my life back. I learned a lot of things that enabled me to feel independent and like an active part of society. I now have a job working part-time at Dunkin Donuts and am independently living in an apartment (Conklin's). I am on my way to having my own apartment and will graduate by May!

## **“Promise Yourself**

**To be so strong that nothing  
can disturb your peace of mind.  
To talk health, happiness, and prosperity  
to every person you meet.**

**To make all your friends feel  
that there is something in them  
To look at the sunny side of everything  
and make your optimism come true.**

**To think only the best, to work only for the best,  
and to expect only the best.  
To be just as enthusiastic about the success of others  
as you are about your own.**

**To forget the mistakes of the past  
and press on to the greater achievements of the future.  
To wear a cheerful countenance at all times  
and give every living creature you meet a smile.**

**To give so much time to the improvement of yourself  
that you have no time to criticize others.  
To be too large for worry, too noble for anger, too strong for fear,  
and too happy to permit the presence of trouble.**

**To think well of yourself and to proclaim this fact to the world,  
not in loud words but great deeds.  
To live in faith that the whole world is on your side  
so long as you are true to the best that is in you.”**
