# **DISTRICT 35-O NEWSLETTER**

# Message from District Governor Tito

Hello Lions, Lioness and Leos,

Happy New Year 2018 Lions of District 35 O! We finished 2017 with great success! The district through today has enjoyed a positive growth of members, and from all indications from many clubs there has been a lot more interest in recruiting new members looking to serve. Thank you all for a job well done and let us forge ahead in 2018 to make our district strong and continue to give great service.

Through the first six months of this Lions year there were several clubs who have completed 2 or more of the Centennial Service projects. Remember, continue serving and documenting your efforts to

achieve our International President's goal to serve 200 million people this year, even our smallest clubs can find ways to give back. And together we can join our International President and say: "We can and we will make a lasting impact on our communities and the world."

As we go into the New Year I still have many visitations remaining and lots of due recognitions. In addition to visiting the clubs, my time and efforts will then focus on making our clubs stronger through service. Thank you all for your continued service.

We hope to see all at the Winter Conference of Governors January 12-14, 2018, hosted by District 35 L at The Ocala Hilton, Ocala, FL. We will have special guests and also a special guest speaker, International Director Joyce Middleton, from Bridgewater Massachusetts. In addition, there is very good schedule of material lined up to help you polish on your leadership skills.

I would not like to depart without reminding you that January is Worldwide Week of Service to Fight Hunger. Let us not forget those in need, especially at this time of the year. Host a project to fight hunger in your community during January 8-14. Help stock a local food pantry, bag school lunches or distribute food to those who need it most. No matter how you choose to serve, be sure to join us for this Centennial Service event! Join Lions the world over for the Worldwide Week of Service to Fight Hunger and may God Bless You.

Happy New Year from both of, in friendship and Lionism,

DG Irving E. "Tito" and Lion Miriam Navarro

### Hello from 1<sup>st</sup> Vice District Governor Helene

#### Fellow Lions

Happy New Year! I hope you all had a happy and healthy holiday season. I love that the New Year falls right in the middle of the Lions year. It is a great opportunity to reflect and recharge. With half of the year gone, we can look at what we hoped to accomplish this year and see how we are doing.

Have we served as many in the community as we hoped? Have you added a service project that relates to diabetes? With the addition of the Global Service Team we have the tools to deal with these questions. Every club was asked to appoint a Service Chair and add them in MyLCI. Your Service Chair can work with our GST Coordinator, PDG Jacquie Tripp Spencer, on finding service projects that work for your club. There are so many ways to serve that are as unique as your club.

Are our fundraising goals being met? And have we supported our entities with some of those funds? We have a District Advisory Meeting in January at Lake Alfred. Please look at your budget at your next Board Meeting and see if you can bring checks for the entities to that meeting. Our entities are also at the half way mark and need your donations to accomplish their goals of service this year. Have we brought in new quality members? If you were involved in a holiday themed service project like food baskets or a parade, that is a great opportunity to recruit new members. Did you meet anyone at these events that seems service minded? Were there any other organizations there that you could partner with in the future? We are at our best at the holidays and other are too, so I hope you had your eyes open.

Are we engaging and encouraging our existing members? The New Year is a great time to resolve to serve our own members better. Think about the last 3 meetings. Who wasn't there at any of them. Let's find out why. And let's give them a reason to come back. Maybe just a call, we miss you. Or maybe they need a reason, why not get them involved in your next service project. Or do they have an idea for a new service project. Every good relationship is a product of commitment and communication. Our clubs are the same. We should be as committed to our membership as we are to our community. And we should have an open and ongoing dialog with our membership. Let's not take each other for granted.

And what does the next half of the year look like? I believe our future is bright. We will be adding a new club in January and that is so exciting. We welcome the new Lions of the Nature Coast Lions Club in Spring Hill. I am so happy that the needs in that community will now be better served. The rest of the year will fly by, so keep your eye on the calendar. When is your next Zone Meeting? Almost every Zone has one scheduled in January or February, so mark your calendar. The deadline to submit applications for the Youth Exchange Scholarship is in February. The Regional Lions Leadership Institute and our last District Advisory Meeting are in March. The Conklin Center Night for Sight and the election of officers for your club are in April. The Multiple District 35 Convention is in Orlando in May. And many of us will head to Las Vegas for the International Convention in June. See you in Lake Alfred! Lion Helene Thompson, FVDG

# Greetings from 2<sup>nd</sup> Vice District Governor Greg Evans

New Year, new energy, more focus, more people and Lions server! Ok, now that I said that lets get started. Our newsletter has some "New Year's Resolutions" in it. When I was asked to give one, I actually had to look up the definition, as I have always kind of half-heartedly made some over the years that were just a whim and not really important. I found that it was something "a person resolves to change of an undesired trait or behavior." Because I have to report it to someone (District Treasurer and Newsletter Editor Lion Rita and you) I will have people helping me achieve my Resolution. I thank her and you for that, it's been something I have been putting off for a while. Can you find my resolution? It is listed somewhere in the District Newsletter. So, when I ask you to pass me more

bread at a Lions event you will kindly say no, that you are helping me achieve my goal.

Throughout the year your District Governors' Team has relayed the items that are important to them (Service, Leadership and Membership), and has also relayed how we can help you as a Club or as a Lion. Because it is "out with the old and in with the new," I hope you will take a few minutes to sit back and think about a few items.

<u>#1 Do you have a "New Year's Resolution?"</u>, something you personally would like to change or improve on? I hope you will make one or more. I encourage you to broadcast it or post it on your Facebook page. If you do that, others can help encourage you or remind you of your goal. One way to organize your Resolution would be to go to the Lions Learning Center and take the course on S.M.A.R.T. Goals. It will help you mold your goal so you actually have a great chance of accomplishing it. The Lions Learning Center has many great tools for Lions. Here is a link http://members.lionsclubs.org/EN/resources/leadership-resource-center/lions-learning-center/index.php

<u>#2 Can you have a "New Year's Resolution for your Club?"</u> Of course, you can! Add it on the next Board meeting or Club agenda. Think about how the past six months has gone for your Club. What goals did you set in the beginning? Are they being accomplished? If not, ask why, and then <u>use *change*</u> as your Club's New Year's Resolution. Write it down, post it and bring it up at every meeting. Change is something we often talk about in Lions. Change is something that usually does not happen on its own. I found 5,411 quotes about change.

<u>https://www.goodreads.com/quotes/tag/change</u> They are all pretty empowering but as Second Vice District Governor, they only give me one page in the Newsletter. LOL, lucky for you.

""Yesterday I was clever, so I wanted to change the world. Today I am wise, so I am changing myself." - Jalaluddin <u>Mevlana Rumi</u>

"Change will not come if we wait for some other person, or if we wait for some other time. We are the ones we've been waiting for. We are the change that we seek." — Barack Obama

"They always say time changes things, but you actually have to change them yourself." — Andy Warhol, The Philosophy of Andy Warhol

<u>#3 Do you have an idea for a Resolution for your DG Team?</u> If so, call or email anyone of us and explain how we can improve and how you could help us. I would love to hear from you. 386-453-4099 *This will let me know* that you actually read the newsletter. As a challenge to you, for the first ten District 35-O Lions that email me their "New Year's Resolution" to **liongregevans@gmail.com**, I will have a glass of wine waiting at the Council of Governors meeting in Ocala, or I will bring you a special token to the District meeting in Lake Alfred. I can't wait to help you achieve your goals!

# Notes from Donna (Cabinet Secretary)

**Happy New Year!** New Year's Day is the oldest celebrated holiday. Since we are an International Service Organization I thought it might be fun to look at a few New Year's traditions around the world. (*Plus, I'm last to contribute this month and the important things you need to know are already covered!*) We are publishing a few days early this month so there is still time to make one of these traditions your own! Personally I like grapes so I'm going with 13!

**Brazil:** Many locals believe in wearing white and throwing white flowers and candles into the ocean for good luck. **China:** Painting your door red or placing red cutouts on your windows and doors is considered to be a sign of good luck for the coming year. **Denmark:** Broken glass is said to bring good luck, which is why locals smash their broken or unused

china and drop it onto a friend's front step. The bigger the heap of broken glass on your doorstep, the more popular you are! England: The first guest to arrive at a home is believed to hold the families good fortune and should bring a gift of coal for the fire or a loaf of bread for the table. Estonia: The number seven is considered good luck. In the past food was eaten seven times on New Year's for prosperity. Modern times allow for people to indulge in seven-course feasts instead! Ecuador: Carry a suitcase in and out of your front door 12 times for good luck travelling in the New Year. Germany: Everyone eats "Krapfen" or filled doughnuts on New Year's for good luck. The donuts are usually filled with fruit jam or chocolate . Greece / Crete: In Greece and Crete, a small sea onion is hung on the front door. A sea onion continues to grow new leaves and flowers even when uprooted. Resilience and good luck is believed to rub off on those who hang one. Italy: In Italy, people wear red underwear on New Year's Eve to be lucky in love in the new year. In Argentina the lucky color is pink! (Tradition holds that yellow will bring prosperity and success, white will lead to peace and harmony and green will ensure health and well being.) In the Philippines' it's polka dot unmentionables because the circle represents prosperity. Japan: New Year's bells are rung exactly 108 times at midnight throughout Japan for good luck. Norway: Norwegians make rice pudding with one whole almond. Whoever's serving holds the almond is said to be guaranteed wealth during the upcoming year. Peru and Spain: Eating 12 grapes, one each second starting at the stroke of midnight, brings good luck in the new year. In Peru they eat a 13th grape to insure their good luck!. Siberia: Brave divers plant the New Year's Tree underneath frozen lakes-sort of like a polar plunge - as a symbol of a new start. Sicily: Lasagna is served on New Year's Day, because any other noodle served is said to bring bad luck. South Africa: People throw appliances and furniture out the window on New Year's Day in order to symbolize casting away old problems and getting a fresh start.. Turkey Opening a pomegranate on New Year's Eve in Turkey will bring wealth and prosperity in the coming year. United States: For good luck, Americans eat certain foods. Pork is one because not only does the pig's plumpness suggests plenty, but also pigs dig with their snout in a forward motion symbolizing moving forward into the new year. New Englanders often choose cabbage to go with their pork as a symbol of prosperity. In the south it's black-eyed peas with pork for good luck. Not only do the "eyes" on the peas resemble a circle -- for the completed year, but the abundance of them symbolizes the hope.. At the stroke of midnight, many people toast to the New Year with a glass of champagne. Many Americans band together and sing "Auld Lang Syne," an Irish song bidding farewell to the old year. Some people grab a loved one or a friendly stranger and bestow the first kiss of the year. Kissing someone special at the stroke of midnight sets the tone and seals your fate for the coming year.

And there you have it. All around the world people wish for basically the same thing - a better tomorrow. As Lions we will spend the next year fulfilling hopes and wishes for those less fortunate than ourselves at home in our communities and around the world. It's what we do -- We Serve - We provide better tomorrows. Wishing you the best in 2018!

Lion Donna, Cabinet Secretary

## Cabinet Treasurer Ríta Talks Money

# HAPPY NEW YEAR

After a wonderful holiday season, it is now time to start to focus on your club's officers. Each Lion needs to look as to what needs to be done in the club and how to help get it done. Being an officer is a great way to help. Your club needs you.

Treasurers need to

- take the district leadership Treasurer's class
- be bonded
- pay club bills promptly
- make bank deposits as soon as monies are received
- have treasurer reports
- reconcile all bank accounts
- file taxes
- have books audited yearly

Presidents, Vice Presidents, Secretaries, Directors, and all other positions need to take the district leadership class as soon as you can. Responsibilities change each year so you need to stay current. Call the GLT Vivian Henegar for information on the classes.

# from your Global Membership Team

As we begin 2018 we have one new club chartered (Springhill Nature Coast Lions) whose charter night will be Jan 26th, see flyer. Even with the new club our membership is still on the minus side. I have been requesting all membership chairs to submit their membership plan which is required in their responsibilities, however it seems to fall on deaf ears. All club presidents please get with your chair person and get this done or find someone who can do the job. Without membership progression we will soon find ourselves redistricting again. With a new year we will be focusing on two more new clubs to charter but I need the help of all zone and district region chairs. Hope everyone had a Merry Christmas and a Happy New Year

### "Who is it"...

who drives me to every event? who buys the 50/50 tickets? reminds me to put a smile on along with that orange jacket?

It's Neil, Just Neil!

But he's not JUST Neil. He is my coach, confidante, and springboard. He listens to my thoughts, ideas and woes. But never advises.

He might remind me of consequences of my actions, but usually helps me see them myself. He is as gentle as the wind but as strong.

He knows instinctively when it is time for me to take a break or to take the lead. He is my calm, and my peace.

Neil is always there for me, his family, and for Lions of Florida. Thank you for all your support, Dear!

#### Aloha Lions!

Earlier this calendar year, I visited Rovaniemi in Finland (MD 107). This is considered the birthplace of the mythical Santa Claus. However, it struck me that the essence of the mythical legend giving gifts to children in need — is not at all mythical. Any one of us can be Santa Claus to the millions of children who sleep hungry every day. Also, while Santa Claus makes an appearance just once a year, we can perform his role every day.

The world is always a happier place during this time of Christmas.

Let us make the world a permanently happier place by filling the stockings and stomachs of every good child around the world. All the best.

Thank you & Joyous Regards,

Mrs. Navita & Dr. Naresh Aggarwal International President

The newest member of the club, she is a 4-month-old yellow lab that has been sponsored by the CGLC. She was named in honor of the members of a very active family. Lions Nancy, Kim, Kenneth and our very special Bobby. She is being raised by Lion Nancy Hester who also is a member of the CGLC.

#### **ORMOND BY THE SEA**

Ormond By the Sea Lions Club had a busy November.

In honor of National Diabetes Day, members listened to speaker Joan Royal, RN, Certified Diabetes Educator from Florida Hospital on November 1 with good information on diabetes awareness.

On Monday November 6 members of the Club held their successful fish dinner fund raiser at Alfie's Restaurant. Lions Club District 35-0 Second Vice District Governor Greg Evans is owner of the restaurant and allowed the Ormond By the Sea Lions Club to use the restaurant for our fund raiser. Almost all members participated, we served 186 dinners and made over \$3,000.

Saturday November 11 seven members of Ormond By the Sea Lions Club traveled to Cypress Creek High School to attend the District 35-0 meeting along with 65 others Lions from across the District. Guest speakers were Jamie Farrell, Foundation Donor Coordinator and J.L. Bielon, Foundation Director of the Lions Eye Institute in Tampa

November 12 saw nine Lion members and friends conducting their quarterly Adopt a Highway and Adopt a Beach Clean Up. Items found were socks, roofing shingles, nails (on A-1-A by beach parking), tooth brushes, cigarette lighters, plastic bottles, aluminum cans and even a hypodermic needle (sorry to say).

Ending on November 25, members held their Thanksgiving Gently Used Book Sale in the Ormond Mall parking lot to raise funds. The Club welcomed two new transfer members Lion Jack Rowles and Lion Chance Eriksen and one new member, Lion Maureen Washington.

#### **INGLIS YANKEETOWN LIONS CLUB**

The Grinch stole Christmas in the movie but on the Inglis Yankeetown Lions Christmas Parade Float PDG Al Becker, as the Grinch, stole the show!

Placing 3rd in the Inglis Christmas Parade the Lions float rolled down Hwy 40 on a chilly Saturday Dec. 9, 2017, while club members alongside gave out goodies to the crowd.

The Lions 3rd place float was followed by the Lions Grinch-Cart. The float was designed and built by the Lions local business partner *"Bungalows Home Décor and More"* with assistance from Lions Club members and family members.

Shown Left to Right: (Front Row) Lions Karen Klein, Poco French, Lynne Tate, (Middle Row-Standing) Lions Al Becker, Donna Norton, Steve Norton (Club President). Jeanne Brennan, Jim McGrath, (Back Row) Lions Rob French, Peter Bloomfield, Larry Feldhusen; Di Bradley and in the rear riding atop the Grinch-Cart overseeing the festivities...Lion Leo.

#### Lake Sumter

Lake Sumter Lions Club's 10-Year Anniversary of their Charter celebration took place on December 1, 2017 with 62 in attendance including 14 of the Charter Members: Lions Hal Bellis, Harriet Hansen, Ken Jeffries, Bob Jones, Steve Miller, Bob Mills, Gary Nelson, Sharon Nelson, Roe Occhipinti, Paul Occhipinti, Elaine Teetsel, Esther Tranby, and Jane Trinkle. Joining by special invitation was District Governor Irving E. "Tito" Navarro and his wife Lion Mariam. District Governor Navarro also inducted a new Lion into Club.

The Lake Sumter Lions Club was started as a branch club of Orange Blossom Gardens Lions Club in 2006. In a short time, it grew to 20 members and received its Charter on December 8, 2006. As time went on, the club continued to build membership and raise funds in order to carry out the ambitions of the new club . . . to serve individuals and the community, particularly in the areas of sight, hearing, and diabetes.

As the club grew, men and women - some of whom transferred from Lions Clubs in their home states and some of whom were new to Lionism - came together and began to serve. Friendships were made that would continue over the years. Members enjoy fellowship with fellow Lions within the club and in other clubs in the District.

The community was responsive - in some measure because they or someone they knew had been helped by the Lions and some because they knew of the Lions and what they represented. Businesses, too, supported the Lions in their endeavors and continue to do so. Throughout the last 10 years the Lake Sumter Lions Club has expanded its services to the community in such projects as KidSight, and regularly-scheduled golfing for the visually impaired just to mention two. They continue to support and contribute to the raising of seeing eye dogs, diabetes screenings, the Peace Poster awards, scholarships, judging the science fair, and the collecting of glasses and hearing aids. All of this is made possible by the efforts of all the members in such fundraising events as the Chinese Auction, Re-Sell It Day, White Cane Days, the Can Run, and donations.

The Lake Sumter Lions Club has 54 members and meets on the 1<sup>st</sup> and 3<sup>rd</sup> Wednesdays of the month at 9 am at Canal Street Recreation Center in The Villages, Florida.

#### Mount Dora

#### **57TH Annual Mount Dora Christmas Parade**

It was a beautiful day in Mount Dora on December 2, 2017, when 65 Units marched down Donnelly Street to participate in the 57th annual Christmas parade. This year, the theme was "Parade with a Purpose". A total of two tons of non-perishable food items were collected from parade participants and watchers which benefited the Lake Cares Food Pantry.

The parade was sponsored and organized by the Mount Dora Lions, but a special recognition goes to Parade Chairman Lion Terry Askins for once again arranging a successful event.

Thanks to the Lions Leo Club, one of the Mount Dora High School students' community service group, who followed along the parade route collecting the donations. Thanks to the Mount Dora Parks and Recreation and to the Police and Fire Departments for their cooperation insuring the parade participants and watchers had a safe day!

And a special thanks to Santa Clause, Mrs. Clause, and Rudolph for putting a smile on every face.

Plans are already in the works for next year's parade. Hope to see you there!

The Mount Dora Lions meet at the Historic Lakeside Inn the fourth Tuesday of each month at 6:30 PM. Join us!

# New Year's Resolutions

GMT PDG Al Becker wants to make District 35-O the outstanding district by building membership with more new clubs

CS Donna Norton's 2018 New Year's Resolution is to get more sleep –in both quality and quantity.

2VDG Greg Evans' 2018 New Year's Resolution is to lose 30 pounds before MD Convention. He says, "Wish me luck!"

1VDG Lion Helene Thompsons' 2018 New Year's Resolution is to listen better. Whether its verbal or an email she resolve to give each communication the time and attention it deserves.

CT Lion Rita Fawcett's 2018 New Year's Resolution is to get better organized, be kinder to others, and continue to do her best to uphold our Lions motto "We Serve."

# South Eastern Guide Dogs

## When you give, you give Robbie freedom to explore.

"I moved to a new community and had to start all over finding my way around. When I didn't have a dog, I wasn't really a recluse but I had a lot of anxiety trying to get familiar with the new property. Now it's so easy working with Sara. I wake up happy now, and I'll be doing more traveling for sure. Sara loves to learn; she's very excited and proud to learn. She finds things with such enthusiasm."
