

DISTRICT 35-O NEWS

**SERVING OUR COMMUNITIES IN
CENTRAL FLORIDA FROM THE
SPACE COAST TO THE GULF COAST**

MARCH 2015

FROM THE DEN OF DISTRICT GOVERNOR CAROLYN LLOYD

Congratulations to all Lions worldwide. The first six months of the 2014-2015 Lions year has seen 20,000,000 acts of service. *"Where there is a need, there is a Lion."* Proudly, District 35-O Lions have performed 63, 931 acts of service. What a stupendous accomplishment. The interesting thing is that in reality, that number should be much larger. Many district Lions are out there serving and their efforts are not reflected in their club's

(Continued Next Column)

service activity report. The service reports are the only way acts of service can be identified for everyone to see. Clubs not completing these reports need to contact their zone chairs for help. Also, don't forget the intrepid 35-O cabinet secretary. She is ready, willing, and able to offer assistance. Come on now! Complete those reports and get them in.

The 2014-2015 Lions year is rapidly coming to a close. Clubs need to remember that now is the time to recognize outstanding Lions. Think about choosing a "Lion of the Year" and presenting president's appreciation medals and certificates. Recognize those who are contributing members. Those who are committed, dedicated, and hard-working.

Also, remember to make club donations to District 35-O entities. Entities can be looked upon as silent partners. They do their work, Lions know what they do but, many times they are not thought about until they are needed. Outright donations are always welcome and will be gladly received at the last District Meeting in Cocoa Beach. District entity donations are very low this year. One way to help out is to recognize deserving Lions with a Melvin Jones Fellowship, a Grand Lion, or a life membership. Contact the various entities to see what kind of recognitions they have.

(Continued Next Page)

Cost ranges from very small to very large. Every donation counts. Something for everyone.

The final 2014-2015 District Meeting is being held at the Spring Council of Governor's conference March 13-14 at the International Palms Resort on Cocoa Beach. All Lions are welcomed and encouraged to attend. Refer to this and past newsletters for information on activities. March 3 is the last day to register for meals.

This District Meeting on March 14 at 2:00 PM will be somewhat different from most. Some reports but, mostly there will be recognition and remembrance. Come celebrate our Lions work and our Lions.

Our Pride in Service

FROM FIRST VICE DISTRICT
GOVERNOR JACQUIE TRIPP

IT HAPPENS

Lions of District 35-O and MD 35,

Be careful with your words. Once they are said, they can only be forgiven, not forgotten." We just don't filter before we

(Continued Next Column)

Speak. It happens. Then, it's out there, and we can't take it back. It happens.

It slips. There is no rewind after the words come spilling out of our mouths. It happens.

So, Lions, be careful. Stop and think before you state your opinion, your retort, or your rebuttal. Words do hurt. And they are not forgotten. They sting and they resonate. These actions tear down relationships, and our clubs. It happens.

Remember the adage "If you can't say anything nice, don't say anything at all?" Let's follow that suggestion. Let's build each other up. Let's complement each other. Let's just be nice!

FROM SECOND VICE DISTRICT
GOVERNOR STEVE HILAIRE

It's that time again. It's always that time in Lionism. The Lions routine begets order and effectiveness. It's time for nominations and elections. Firstly, appoint a nominations team to report to the club nominations meeting in March. The team usually consists of some of the past presidents. Then set a Nomination meeting

(Continued Next Page)

date and inform all club members. This is very important as nominations can be made from the floor at this meeting for any position. Members, ensure you have someone to second and the consent of the Lion being proposed if you are going to make a nomination. Remember one of the principles of Lionism is the development of Leaders. We all know the club's President has been doing a great job for the past 5 years but, it is time to develop somebody else. Let the Immediate Past President (IPP) do a great job as an adviser. The IPP might be longing to move from the head table back to the middle of the meeting. Always try new blood, that's why we have Vice Presidents (and VDGs:)) . Get ready for the voting in April and let members know the date and the slate of Candidates. No further nominations are possible at the elections meeting. So you want to be on the Board? Let people know! You can get nominated and the members will get a chance to decide on elections day. Early congrats to the incoming board. Start meeting and planning when you get your remit. Together we can make a difference!

"YourLCI"

Donna Norton, Cabinet Secretary

For many people there's an anecdote your family has told and most likely embellished over time. Something you did that no one forgets. It's said that my Mom told me that

(Continued Next Column)

we were going to Miami to visit relatives. This must have been at the age I was beginning to use pronouns. But I could not grasp the concept of "My Ami" . She had pronounced it to be her "ami" and I believed. To me it was "Mommy's Ami" and I refused to say differently!

At first "MyLCI" seemed a rather strange name but it's becoming clear there was vision behind the title. Have you visited the international website in the past few weeks? Major rework has been done to improve the entire site!

Open the link www.lionsclubs.org and take a look. Scroll across and hesitate the cursor on the titles on the yellow bar "Who We Are, How We Serve, Be A Lion, and News & Media, to view the drop down menu subject lists! Click on "Member Center" in the white space and do the same with the drop downs for the Member Center yellow bar subjects: *Lions, Leos, Clubs, Districts, Serve!, Events and Resources*. Take some time to explore the info under all the headline topics.

The website really is becoming "YourLCI" Not just a website for club officers to report membership and service activities but a true user friendly, easy to navigate, guidebook for anything YOU want or need to find about Lions!

I say, "Thanks International! Much Improved! Job well done!" I think you will too when you take a trip to visit

"YourLCI" Website

COCOA BEACH CONFERENCE!

**THE DEADLINE IS
UPON US!**

Hi Lions,

DG Carolyn's last district celebration for her year as District Governor is coming up quickly! The Viera Lions are hosting the weekend's events in Cocoa Beach. Some may be a little confused because DG Carolyn is doing things a little bit differently. DG Carolyn has planned two full days of events. Please share this info! Bob Lastinger Award

International Director
2003-2005
E. Robert "Bob"
Lastinger (Lois)

This award is given in memory of Past International Director Bob Lastinger from Multiple District 35, a very loyal and dedicated Lion. It is given to a grass root Lion who attends meetings regularly, is willing to help the Club with projects, serve on committees and always willing to lend a hand. This Lion will go above and beyond what is expected of them.

Every Club has someone who should be nominated for this award. It's that extra special Lion. Write a letter nominating your grass root Lion. Include in the letter your reasons for nominating this Lion and examples of things they have done in service to Lionism. Please send your letter of nomination postmarked by March 31, 2015 to:

Cabinet Secretary
DONNA NORTON
4780 N WILLIAMS AVE
CRYSTAL RIVER, FL 34428

Daylight Saving Time will begin in the United States at 2 a.m. on Sunday, March 8, 2015. At that time clocks will "spring forward" one hour. Of course that means the weekend will be an hour shorter.

**MEET VICTOR - A Recent
FLORIDA LIONS Conklin Center Graduate!
A Special Contribution To the District 35-O
Newsletter Written Prior To Graduation**

**Victor receiving certificate from Conklin Center
Executive Director Robert Kelly**

Hello, my name is Victor & I am a student at the Conklin Center in Daytona Beach.

Before my car accident in which made me become legally blind in 2006, I was a very active teen who loved to play sports, hang out with friends, my girlfriend, & do my best in high school (well for once at least until we had finally moved to Florida from the Bronx, N.Y.). My vision was above average, because I had 20/10 vision.

When we moved to Florida, we thought it would be a new start in life for us & we could do so much better in our lives until that dreaded date of November 24th, 2006 in which I was involved in a car accident that nearly took my life away & sadly took my best friend, Michael Angel Mumford's life away. I suffered a Traumatic Brain Injury (aka T.B.I.). I was given 24 hours to live, in a coma for 3 weeks, & was told I would never walk, nor see again. I was involved in different kinds of therapy before I could ever walk, see, talk, or write correctly again.

Thankfully, after months of rehabilitation, I was walking, talking, & writing again, and even seeing a little bit. That is how I truly found out how Jesus Christ is our Lord & Holy Savior, because He redeemed my mind, body, & soul after a surgery to fix my broken left femur & 2 failed brain

(Continued Next Column)

surgeries (Shunt placements).

From 2007-12, I was a member of Lighthouse Central Florida Program for the Visually Impaired in Orlando which was a great source of rehabilitation for me to learn how to be mobile, sociable, & active again. I met a lot of nice people who had different kinds of visual impairments. I was a member there until I aged out at 22 years old in 2012. I had some nice, fun, & memorable moments there.

After months of not doing much at all, I was finally approved to be a student at the Conklin Center which is the only program in the country that helps people who are visually impaired & suffer from a secondary disability like I do with my T.B.I. I've been in evaluation & training for nearly a year & this has truly been one of the greatest chapters of my lifetime. This program has taught me how to be independent, how to cook, clean, work, walk outside in public, live in my own apartment (training apt. of course), earn money, & manage my money.

One of my favorite classes here is Workshop with Ms. Colleen, because we helped build car parts that were sent to the factory to help build car ignitions & other car parts. Then we would also cut plastic tubing that was used for electrical wiring. We would receive a paycheck every 2 weeks from Workshop class for my participation & productivity in it.

It has truly been so much fun, an honor, & such an exhilarating experience & blessing being a member of this wonderful program. I appreciate every single staff member I've worked with & student I've been affiliated with. It just saddens me that I'm graduating already on the 6th of February.

I will forever be grateful for my time spent here & pray for the staff members & students here, they've all been so wonderful & special to me. I will always cherish their presence in my life & hold them in my heart. This is definitely one experience I will never forget, may God

(Continued Next Page)

continue bless everyone who's a part of this wondrous program & all that's prosperous in their lives.

One Hundred Million Acts of Service by 2017!

Dear Lions,

Last year, we set a goal to help 100 million people in celebration of our Centennial in 2017. I'm happy to announce that Lions have helped 20 million people worldwide in the first six months of the challenge. That means we're on our way to achieving our goal thanks to the incredible response from Lions like you!

Great things happen when Lions work together for the benefit of their communities and the world. From the Centennial Service Challenge to the Lions Worldwide Week of Service in January, Lions everywhere are coming together to serve and celebrate LCI's 100th anniversary.

We're off to a great start, but we still have a ways to go. I hope you'll keep serving and supporting the Centennial Service Challenge. Visit Lions100.org for more info and start planning your next Centennial service project today. Remember, when Lions come together to serve, we can change the world!

Together in service,

Joe Preston
Your International President

LET'S HELP ERADICATE MEASELS

Dear Lions,

As a Lion, I truly believe that there is strength in numbers. There's tremendous strength in partnerships, too. That's why Lions Clubs International Foundation (LCIF) decided to partner with Gavi, the Vaccine Alliance. With our help, Gavi has averted the deaths of seven million children.

I recently represented LCIF at "Reach Every Child," a pledging conference for Gavi, hosted by German Chancellor Angela Merkel in Berlin. To help fight this deadly disease, Lions have committed to raising US\$30 million to improve access to vaccines through Gavi.

I am sure that I don't need to remind you that measles is an extremely infectious disease. Every single day, 330 children die from measles. You can [make a contribution](#) to LCIF today to create a healthier, brighter tomorrow for the children who need you most.

Thank you for continuing to [fight against measles](#) to ensure all children everywhere receive life-saving vaccinations.

Sincerely,

Barry J. Palmer
Chairperson, Lions Clubs International Foundation
