### **FROM ACTING DISTRICT GOVERNOR JACQUIE TRIPP**

Dear Lions of District 35-O,

Congratulations to all the clubs who increased their membership from March to May! You will find a list following this greeting of all the clubs that added a new lion, or two or three or four!

Right now as vice district governors we are setting goals for the year to come. They should be realistic but reachable. Mine are pretty lofty, Lions. If you want to get to the moon you must reach for the stars. The team will be focusing on the NET increase which means not only recruiting new members but retaining the ones we have in our clubs.

*(Continued Next Column)*

We want to see double digits in this column. We just can't keep losing so many Lions.

There are several ways to ensure we do not lose so many Lions. One is to treat each other well, with manners, kindness, and concern for the welfare of each other.

Another way is to make sure every Lion has a job to do within the club. When we are vested in our organization, we care and we stay. We promote it and we help out our community. Sometimes we have to step aside in our position in the club and encourage someone new or younger to take on the job.

Make our clubs fun! Have a social several times a year. Laugh together. Work together. Have a meal together.

It's not too early to plan your governor's visit for next year. This visit can include a formal meeting or an activity that I can work with you side by side. We can cover the "official" questions while we work!

Please complete your PU 101 forms. I would like a copy of your officers for the directory. Remember to purchase your ad for the directory.

The District 35-O ORGANIZATIONAL MEETING will be held on July 18, 2015 beginning at 10:00 AM at the Multiple District office in Orlando. At 12:00 noon, we will break for a working lunch with

*(Continued Next Page)*

training for presidents, secretaries, and treasurers. All region and zone chairs will meet with the administrative team at the same time for our goal setting session.

There will additional training available at the cabinet meeting on Sunday, August 2nd at the Daytona Beach Resort following the Florida Lions Foundation for the Blind breakfast. If you are unable to attend, just go online to the International Website at [www.lions.org](http://www.lions.org) and enter your position in the search box. You will be lead to links with Power Points, webinars, and manuals. Prepare for the year to come!

Thank you for your support during this transitional time. All of DG Carolyn's official club visits have been completed and I am now attending installation nights. There are many of you behind the scenes (you know who you are) who receive calls, texts and emails from me in regards to running this district. It takes all of us. With each of us knowing a part of the business, we can pull it all together and make our district #1!

Acting District Governor Jacquie

**FROM SECOND VICE DISTRICT  
GOVERNOR STEVE HILAIRE**

Well, it should be over by this time. Your club has an incoming Board of Directors. The incoming board can meet and start planning its activities for next year. The first thing is to ensure the present secretary has submitted officers' information to LCI. This is called the PU101 form but it can now also be submitted online. This will enable eligible officers to access MyLCI to report club projects, membership growth, club stats, order from the store and other lionistic activities. It also allows LCI to contact them throughout the year with key information to pass on to the club members. The district also needs a copy of the new officers contact information for its directory for the new Lions year. Send it to the Cabinet Secretary and incoming District Governor. Another very important aspect at this time is training of the incoming officers. Even if you have served before, things do change and so must you. GO to the training classes. You will learn something you didn't know before. There will be classes at the MD convention and the organization meeting. Incoming officers please attend. We want you ready to go from July 1<sup>st</sup>. But that isn't to say

*(Continued Next Page)*

there will be any slacking off by the current executives. Continue to serve your community well until the official handover. See you at the Convention. Continue to make a difference!

## Summer School

### Attn: New Members, Sponsors, & Mentors!

Recently I heard a new Lion say, "*There's no place online to learn about Lions*". I thought, "*Surely that can't be true. There must be information about the history of Lions, etc. on the Lions International website*".

I went on a hunt. I found a wealth of information and training opportunities but I didn't find exactly what I was looking for new Lions --the history and the basics of Lionism all in one place, neatly packaged for a new Lion to work through one subject at a time at their own pace. Then I found another website - Lions University!

Lions University is year round online training provided by the USA/Canada Lions Leadership Forum. if you are a new Lion who would like to learn about the topics listed below this is a site for you!

- 101 – Lions History
- 102 – Lions Club Structure
- 103 – Club Success
- 104 – Effective Club Meetings
- 105 – Dynamic Community Service Projects
- 106 – Club Governance
- 107 – Building Club Membership
- 108 – Member Motivation
- 109 – Conflict Resolution
- 110 – Public Relations

(Continued Next Column)

- 121 – Club President
- 122 – Club Secretary
- 123 – Club Finances
- 124 – Membership Committee
- 125 – Your Board, Your Team
- 126 – Mentoring and Orienting New Members
- 127 – Tail-Twisting
- 128 – Club Fun
- 129 – Lions Clubs International Foundation (LCIF)
- 130 – Beyond Your Club

Not being comfortable recommending without trying I registered and completed the first course -101 Lions History. Registration is quick, easy and free! If a course is marked "available" you will be viewing a video of a previous webinar. If a course is marked "scheduled" there is an upcoming live webinar in the near future! (Check the calendar on the website) There are links to 'handouts' you can view. When you "click" that you have completed the course a quiz is presented to you. Pass the easy quiz and the course is listed in your "account" as completed towards a Lions degree! Next you receive a printable Certificate of Completion via email. How fun it that?

So how about it new Lions? Do you have a few hours to take the classes that interest you most? Or do you have 15 to 20 hours to take all the classes listed above Ready to start? Why wait? --- Let's go to summer school this year at Lions University!

Lion Donna Norton,  
Cabinet Secretary

## **Celebrating World Immunization Week**

**A Message From Barry J. Palmer Chairperson  
Lions Club International Foundation**

**Dear Lions,**

I was just preparing to send my message to you when a devastating earthquake struck Nepal. Lions Clubs International Foundation (LCIF) immediately granted a US\$100,000 Major Catastrophe grant for relief and reconstruction efforts. This is a frightening reminder that disasters occur frequently and without warning. Please consider making a donation so the Lions of Nepal can continue their service to those most in need.

World Immunization Week, April 24-30 this year, is an opportunity for Lions to continue advocating for routine immunizations alongside the World Health Organization (WHO), the United Nations Foundation and other Lions partners. Every year, this week presents an opportunity for us to raise awareness of measles and the importance of vaccinations. Lions around the world are hosting events all week to show their commitment to the One Shot, One Life: Lions Measles Initiative. It saddens me to know that 400 people still die every day from measles, most of them children. Measles is highly contagious and can cause severe complications, including blindness. But there is a simple, cost-effective vaccine available. That is where Lions make a difference. With your help, millions of children have received this life-saving vaccine.

Keep your eye on our blog, Facebook

*(Continued Next Column)*

page and Twitter account throughout the week for interesting statistics and information about immunization efforts around the world. Be sure to tag us in your own social media posts to let us know about your clubs' activities, and search #vaccineswork to join the conversation.

Thank you for your dedication to our immunization efforts!

Sincerely,  
Barry J. Palmer  
Chairperson, Lions Clubs International Foundation

In the wake of the 7.9 magnitude earthquake in Nepal, LCIF has awarded a US\$100,000 Major Catastrophe grant. Local Lions are already hard at work providing disaster relief in the affected areas. Our thoughts and prayers go out to the victims,

*(Continued Next Page)*

their families and the Lions of Nepal in this time of need. This is a great start but more help is needed in the weeks and months ahead.

#### WAYS TO DONATE:

Donate to LCIF (From Activity Accounts, Administrative Accounts, or Individual Members).

To donate to LCIF click on this link: <http://www.lcif.org/EN/support-our-work/areas-of-giving.php> Funds contributed to LCIF can be designated for "Disaster Relief". Funds donated to LCIF are eligible for Melvin Jones award credits.. (Note: It is not possible to specify/route funds to a specific club in the disaster area when donating through LCIF. Aid is distributed to the area with the most need.)

Donate to Twin Clubs: ( From Administrative Accounts or Individual Members)

The International Club Twinning Program is a voluntary and mutual agreement between clubs in different countries. Club twins actively illustrate the Third Purpose of the Association: *To create and foster a spirit of understanding among the peoples of the world.* Several clubs in District 35-O have 'twins' in the region effected by the earthquake. If you would like to help a particular club assist their twin club in any manner that they choose to send relief to the earthquake area, understanding that the receiving club may use the funds in any way that they see fit, contact the local 35-O club to find out how to help.

Lion John Kerr, Secretary-Ormond Beach Lions Club, has volunteered to compile district wide records for this effort. (Ormond Beach twins with Kathmandu Lions in Nepal) If your club or a member in your club donates please send the Club or Individual Name /Club Name plus LCIF Contribution Amount or Twin Club Contribution Amount, to Lion John at

*(Continued Next Column)*

[jrkerr@cfl.rr.com](mailto:jrkerr@cfl.rr.com) Lion John encourages everyone to act promptly so relief can get to the people of Nepal as soon as possible. A report of the District efforts will be read out at the first District Meeting for 2015/2016.

## SOUTHEASTERN GUIDE DOGS

### "A New Leash on Life"

Recently graduated Jamie Dolan has returned home to St. Petersburg with his new yellow Labrador guide, Landin, where they've joined Ryan, his Vizsla from Southeastern Guide Dogs that retired about a year ago after eight wonderful years; a frisky little Chihuahua named Gizmo; and Jamie's wife and two teenagers.

Jamie knew all along that Landin would fit right in. He's "incredibly smart, very affectionate, and amazing,"

(Continued Next Column)

according to Jamie. Landin and Jamie are already like "two peas in a pod," and have the same strong-willed personalities.

Jamie lost his sight in an instant back in November 2004, when a gunman entered the Radio Shack store where he was a manager trainee and opened fire, killing two and severely wounding Jamie before taking his own life. With help from Ryan first and now Landin, having a guide dog means independence and mobility without his cane.

With Landin by his side, it will now be a changed world when Jamie begins studying IT security at St. Petersburg College in the fall, working towards his degree. And when the day comes to proudly receive his diploma, Landin will be right by his side. Jamie says he can sum up what Landin means to him in two words, "Freedom and independence... it's that simple." And it really is.
