FROM THE DEN OF DISTRICT GOVERNOR CAROLYN LLOYD

How great that the second district meeting, hosted by the South Orange County Lions and the Cypress Creek Leos, is just about here. Our keynote speaker will have information about the new canine assessment center at Southeastern Guide Dogs. This is a wonderful and interesting program. Again, there will be recognition for brand new Lions and their sponsors. These new Lions have brought District 35-O
(Continued Next Page.....)

into positive net growth. More importantly, there are many new hands to help do all the things we do. The theme this time is "Feed the Hungry." Lions are asked to bring as many nonperishable food items as possible.

Plan ahead! At the Spring Council of Governor's Executive Conference in Cocoa Beach, there will be a lot of fun to be had by District 35-O Lions starting with a St. Patrick's bash on Friday evening. It will likely not be a surprise to find corn beef and cabbage along with some other goodies. The 'wearing of the green,' is strongly encouraged.

On Saturday evening the recognition banquet will be a "Roaring Twenties Extravaganza" with good food, great outfits, and awesome recognitions for many very deserving 35-O Lions. International Director Esther LaMothe, from the great state of Michigan, will be joining in the excitement. Roaring twenties or Great Gatsby costumes are welcomed. Yes, it is still formal. Be creative and whimsical.

At the Saturday afternoon district meeting, a very special necrology service will be held to recognize and honor all those 35-O Lions who, this year, have crossed the Rainbow Bridge to the Great Pride in the Sky. This will be a beautiful and moving service to both remember the fellowship and dedication of these many Lions.

The dates of the Spring COG are March 12 - 14, 2014. The Friday night social will be on March 13, the district meeting and necrology service on the afternoon of March 14, 2014 and the Roaring Twenties on the evening of March 14, 2014. There will also be a Florida Foundation for the Blind meeting on Sunday morning, March 15, 2014. All these festivities will be held at the International Palms Resort in Cocoa Beach.

Please look for more information regarding dates, times, and costs to be sent to presidents and secretaries soon.

Our Pride in Service

One Hundred Million Acts of Service by 2017!

FROM FIRST VICE DISTRICT GOVERNOR JACQUIE TRIPP

GET ON THE BUS AND SERVE!

THE ENERGY BUS by Jon Gordon is an inspirational, motivational, and life-changing book. Our school administration read it this summer. I heard about it's positive impact from one of the staff, and asked my principal to borrow it. WOW! I am now energized, focused, and charged with the mission to do my best in leading and guiding our clubs as governor next year.

George is the main character. We watch him travel the city bus to work every day
(Continued next page...)

since his car broke down. His daily driver (coach) is Joy and she guides him to see how positivity has so much more energy than negativity. He even decides to continue riding the bus to work every day even after his flat tire is fixed!

We will begin our bus ride in June 2015. We need and must have a positive, strong, and team-minded group of Lions to be on the 35-O bus. To be part of the team, I am offering you a ticket at the next cabinet meeting. On the back of the ticket, sign up for the cabinet position of which you are inspired to serve. Part of our DGE training is to begin to build our district cabinet. Please volunteer for a position that you have passion for and have the energy to perform.

Get on the bus! We will have fun and make a difference in our communities and the world by being part of serving part of the 100 million in the years before the centennial anniversary of LCI.

Serving Beside You,

1VDG Jacquie

We Serve

FROM SECOND VICE DISTRICT GOVERNOR STEVE HILAIRE

Fellow Lions, online training has taken a brand new direction – LIONS UNIVERSITY! Lions now have the opportunity to earn degrees, Bachelor's, Master's and Doctorate. Courses are offered via live webinar but if you cannot make it, each one is recorded so it can be reviewed at a later date. Credit is received for a passing grade in each course (yes there is a simple test). The Bachelor's degree is to help Lions develop the skills necessary to lead a club. The Master's focuses on giving support to clubs through its District Leaders and the Doctorate for those wishing to go further and become Training Facilitators. This program is part of an all year-long training initiative of the USA/Canada Leadership Forum and details are not available on the LCI site but only at www.lionsuniversity.org Lions are welcome to take any course that interests them, in any program, in any order. Credit however is only given towards the degree that the course is under. With these programs, Lions will enhance their knowledge and skills to better serve their
(Continued next page...)

communities. Just imagine yourself with a degree making your Lions family proud. Go for it.

Also start thinking and planning for the Centennial Anniversary "Lions Worldwide Week of Service" in January (Jan 10-16). Visit the website for details.

Have a Happy Thanksgiving and remember those who would be thankful for a meal.

"Together we can make a difference."

PLAN YOUR PARTY!

Donna Norton, Cabinet Secretary

Happy Thanksgiving

Would you host a Thanksgiving party without a plan? Probably not. Most likely you will write down some of the plan to ensure you don't forget important details. Attendees will be impressed at how smoothly the event progresses. They will notice instead of rushing hither and thither you are relaxed and able to confidently enjoy interacting with your guests. They will feel honored that you took the time to efficiently plan an event for them.

Would you hold a meeting without an agenda? Unfortunately, despite all that's known about how to make meetings more effective, otherwise competent leaders ad-lib when it comes to organizing their meetings. A simple written meeting agenda is an important tool for ensuring a successful, productive meeting.

Agendas focus participants in ways that verbal guidance cannot. Agendas help members know what's going to happen in the meeting and help keep the meeting on track and on schedule.

Agendas, distributed in advance, let
(Continued next column...)

members know what they need to prepare, which saves time and eliminates embarrassment.

Having your club secretary collect agenda ideas from members makes it easy for members to provide input and for the club president to review, prioritize and finalize an agenda in a timely manner.

And like it's nice to have photos afterwards to remember your party, it's important to capture your club's membership and service activities in MyLCI every month!

Wishing one and all a safe and happy Thanksgiving!

A MESSAGE FROM BARRY J. PALMER

Chairperson,
Lions Clubs International Foundation

Dear Lions,

With [World Sight Day](#) taking place earlier this month, I was thinking about the amazing accomplishments that Lions and Lions Clubs International Foundation (LCIF) have been able to achieve together. The theme of World Sight Day this year was "No More Preventable Blindness," which is something we have been working towards for years by fighting diseases through [SightFirst](#) and working with partners to make a difference.

Our [Sight for Kids](#) partnership with Johnson & Johnson Vision Care Companies (JJVCC) is a great example of what can be achieved. The Sight for Kids program has screened the vision of more than 20 million schoolchildren in Asia Pacific who might not have received a vision screening otherwise. And, the partnership program provides glasses and
(Continued next page...)

follow-up care as needed, all for free to students in need.

I am proud to share with you that [we have expanded Sight for Kids beyond Asia Pacific into Kenya and Turkey](#). Click to [watch a new video online](#) to learn more about Sight for Kids and about our expansion into these two new countries.

Our partnership program really works, and I am very happy about this expansion. I want to encourage you to continue sight-saving efforts through your club, your district, and beyond. Every project helps reduce preventable blindness and save sight, just like [every donation](#) to LCIF can help make a difference.

Sincerely,
Barry J. Palmer
Chairperson, Lions Clubs International
Foundation

From President Mary Pezzo

October 8, 2014 was a great night! Lion Ray Grimnes (New Smyrna Beach, Host Club) and Zone Chair Jeff Folmer held a
(Continued next column...)

combined Zone 8 & Zone 9 Meeting at the Center. About 70 Lions were present. Most took tours of the Conklin Center! A delicious meal was prepared by the Conklin Staff! If you are interested in holding a special event at the Conklin Center, to raise awareness, please let me know.

Have you ever wondered what a great gift would be for a special occasion (e.g. *in memory of, in celebration of, in appreciation of*) or how to make a donation because you wanted to share your lotto winnings? A gift to the Conklin Center in someone's name is a unique way to show how special an occasion is for you and honors the recipient. Recently, I received a birthday invitation for a couple of very special Lions in Lake Alfred. I have sent a birthday donation to the Conklin Center in their honor! Estate planning is another way to support the Conklin Center and make a difference in the lives of the blind with an additional disability. If you need help with

[Giving Opportunities](#) contact the Center and they will happily provide assistance! Are you aware that the Center has a "Wish List" on the website for new or gently used items? See it at this [link](#).

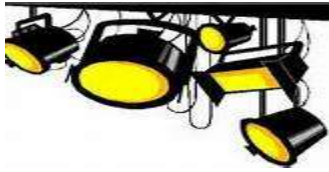

Update on the *A State of Vision* plates: As of October 1, 2014, there are 1,998 mini billboards on the highways – my personal goal for the plates is 2,500 by June 30 – don't wait until your registration is up for renewal, just visit your DMV office soon or [order online](#)!

We are one third way through this Lions year. Giving from District O to the Conklin Center is 27% to goal. Your generosity is noted and much appreciated! Keep up the good work!

Thanks to all the great Lions and Lions Clubs that support *YOUR* Florida Lions Conklin Center!

SPOTLIGHT ON LAKE ALFRED LIONS

What do you do when 3,000+ people are coming to Lake Alfred? Throw a beach party? Well, sort of! How about Hydroplane Boat Races? That is exactly what the Lake Alfred Lions did on October 17-19, 2014.

Friday started with coffee and donuts at the driver's meeting held in the clubhouse. While that was going on the parking lot was filling up with spectators. The room was full of drivers and their crews from around the world – Estonia, Italy, Poland, Germany, Brazil, United States of America, and other countries. Time trials started at 10:30 so they could test their boats and qualify for Saturday and Sunday racing. Following qualifying there was a "Greet and Meet" in the clubhouse to introduce ourselves and talk about boat racing.

Early Saturday morning brought another round of parking cars while the drivers were meeting in the clubhouse. Spectators were happy to be there and enjoyed the hot pretzels and popcorn Lions were selling! Several high school volunteers worked alongside Lions, smiling and enjoying the fun and fellowship we always have as well as the beautiful weather. Boaters raced hard all day and were ready to enjoy the evening banquet. Lions and volunteers served a delicious meal of pulled pork sandwiches, baked beans and coleslaw. Some Lions stayed in the kitchen baking and decorating cupcakes. The racers were delighted to have a homemade treat. The fun did not stop there!

Sunday morning came --more car parking, the final driver's meeting and the final day of racing. Lions parked cars, sold popcorn, programs and made sure everyone was enjoying themselves.

Miss Lake Alfred, Dakota Fawcett, was at the event all three days. She served snacks Friday night, dinner on Saturday night and presented trophies on Sunday. Many
(Continued next column...)

commented on how pretty she is, how well she socialized with everyone, how she worked hard and what an asset she is to her title. Her older sister, Tabitha, sang our National Anthem "The Star Spangled Banner" on Saturday and Sunday during the opening ceremonies. Many commented and complimented her beautiful voice!

The racers love racing on Lake Alfred as many world records have been set there over the years. Some of those records still stand today. This year in the 750 cc class, the world champion was an American. This was a first in the history of this class. Lake Alfred Lions feel lucky to have such wonderful partners in this endeavor – Race for the Kids, Today & Tonight, Polk County Sports Marketing and the many local business who purchased advertisements in the program. If you missed this event – don't worry! With the City of Lake Alfred having its Centennial Anniversary, Lion Chair Steve Fawcett is already planning a bigger and better event for next year! Keep up the great work Lake Alfred!

LCIF RECOGNIZES TOP CONTRIBUTORS IN 2013-2014

Each year, Lions Clubs International Foundation recognizes the Lions districts and clubs that

were top contributors in financial support of the Foundation. It is through this kind of generosity that LCIF can save and preserve sight, provide disaster relief, support youth and meet humanitarian needs in local communities and around the world.

(Continued next page...)

You can [view this year's list online](#).

The LCIF recognition categories include the top five districts in each constitutional area based on total giving; the top five districts in each constitutional area based on per member average; the top five clubs in each constitutional area based on total giving; the districts in which 100 percent of clubs donated to LCIF; and more. Thank you and congratulations!

LCIF Awards Humanitarian Grants

More than US\$4.4 million was awarded in [Lions Clubs International Foundation](#)

[grants](#) during the

October 2014 Board of Trustees meeting in Scottsdale, Arizona, USA. With these funds, 56 grants will support life-changing projects around the world. Lions will expand an orphanage in South Africa, support volunteer emergency services in the United Kingdom, provide children's vision screening equipment in the United States, MD300 Taiwan and Japan, equip a home for the elderly in Portugal, fund a food program for women in Burkina Faso, and much more. Lions will help millions of people worldwide through these grants, which were made possible through your support. Thank you for [your contributions to LCIF](#)!

Peace Poster Contest

(FINAL REMINDER!)

November 15 is the Postmark deadline for a club to send one winning poster (per contest sponsored) to the district Peace Poster Chairman:

Steve Zawadzki (Cocoa Beach Seaside)
470 West Rd., Merritt Island, FL 32952
Cell: 321-961-7290 szawadzki@cfl.rr.com

Posters may be brought to the November 15 District Meeting. Hand delivered posters must be turned in by the DG. They will not be accepted after the meeting. Mailed posters will not be accepted if they are postmarked after November 15.

Filing Form 990-N (e-Postcard) With The IRS by NOV. 15th (Final Reminder!)

Tax-exempt organizations whose gross receipts are normally \$50,000 or less must file Form 990-N with the IRS. The 990 N e-Postcard (electronic postcard - filed online) is due every year by the 15th day of the 5th month after the close of tax year. (See last months newsletter for more detail).

IMPORTANT

Solicitation of Contributions

The Solicitation of Contributions Act requires anyone who solicits donations from people in the state of Florida to **register with the Florida Department of Agriculture and Consumer Services and renew annually**. The department collects registration fees and has authority to impose penalties for non-compliance. The department provides financial disclosure regarding organizations on the online [Gift Givers' Guide](#) or information about a specific charity may be obtained by calling the Consumer Assistance Call Center at 1-800-HELP-FLA (435-7352), or out of state at (850) 410-3800.

WHEN IS YOUR CLUB'S SOLICITATION OF CONTRIBUTIONS RENEWAL DUE?

Unlike the *Federal* 990 N e-Postcard due date which is determined based on the last day of an organizations fiscal year (all Lions Club's end their fiscal year on the same day-June 30th) **the STATE of FLORIDA Solicitation of Contributions renewal is annual based on the date of a club's original registration.**

Therefore club renewal dates differ! Each club must know their own date. A renewal notice is sent from the State of Florida but it is still important to know when to expect the renewal notice and call to find out what happened if your club doesn't receive a notice on time! Penalty for late renewal is \$25 per month or portion of a month.

Not only must a club renew annually but there are requirement that must be followed such as the posting of Disclosure Notices, Conflict of Interest policies, etc. New more stringent laws were passed effective July 1, 2014.

More information about the Solicitation of Contributions can be found at this website:
<http://www.freshfromflorida.com/Divisions-Offices/Consumer-Services/Business-Services/Charitable-Organizations>

Note the Notice of Law Change (effective July 1, 2014) in the shaded box on the right side of the web page.
