Fellow Lions,

The 2022 District 46 Annual Convention has come and gone. It was a rousing success; I believe a good time was had by all who attended. Personally I met a lot of Lions from around the state and even locally that I hadn't met before. I truly enjoyed the time I spent chatting with everyone.

First Night. Thursday April 28. Worldwide Induction of Lions that joined in 2022-2022 was held prior to the LV Aviators vs Tacoma Rainers ballgame. Local Newsmen and Honorary Lion Nathan Tannenbaum read a Proclamation from Las Vegas Mayor Carolyn Goodman Proclaiming the day as Lions Day in Nevada. DG Rex Velasquez inducted the new members who were then greeted and congratulated by ID Ken Ibarra and PID Jack Epperson.

## **2nd Convention Session.**

**Election Results.** 1st VDG Lion Kimo Harward of LV Aloha voted in as next District Governor, along with 2nd VDG Lion Adam Hopkins of Reno Cigar as 1st VDG and Lion Babs Cronin of Reno Host as 2nd VDG. Congratulations. Also passing was the Amendment to the District Constitution changing the Convention Committee to a new model for organizing Conventions starting in Lions year 2023-2024.

**Introduction of ID Ken Ibarra by PID Jack Epperson.** ID Ken spoke at length about what we do as Lions, paraphrasing his message: During the pandemic many clubs met only on ZOOM, people struggled physically and financially. Focus on the projects not recruitment. Non-Lions ask how to join because they see the work we do. Each member makes a commitment and takes it seriously. We can partner and assist with other organizations to complete the projects that need to be done. ID Ken appointed a Membership Coordinator-that developed a member orientation that can be edited and adjusted to fit our District and Clubs. Meaningful service is needed in addition to training and development. IP Doug Alexander encourages that KINDNESS MATTERS, and SERVE WITHOUT EXPECTATIONS. WE SERVE, WHERE THERE IS A NEED, THERE IS A LION. Continue doing what you are doing and serving your area. Build commitment with service and energy. Use the available resources: officer training, train your replacement, step up to the plate, push yourself. ID Ken then answered questions from the members. He is available to us for any questions you or club might have. Or find it if needed.

**LION ESTHER LOUIE-HENRY RECEIVES  
AMBASSADOR OF GOODWILL AWARD from  
International President Douglas Alexander**

*A surprising event occurred during awards presentations at the District Convention in Las Vegas.*

Esther Louie-Henry was presented the Ambassador of Goodwill medal by visiting International Director Ken Iberra. This is the highest honor awarded by Lions International and the number authorized each year worldwide is strictly limited. PID Jack Epperson read the accompanying letter from International President Douglas Alexander in which he thanked Esther for her exemplary work in supporting our communities for 31 years. Jack noted that to his knowledge no one in a Nevada club, except past International Directors who receive the award upon completion of their terms, has ever been awarded this distinction. He went on to mention that this resulted from a suggestion by Lion Marie Stamatolates that Esther deserves some type of lifetime achievement recognition. Since she was already recognized with all other International awards this was the natural choice.

Esther's friend and television personality Nate Tannenbaum was also present to extend his congratulations.

The award was approved by the International President after reviewing Esther's accomplishments. Having recently visited the Lions Burn Center at UMC, he was particularly impressed with her work in establishing and improving that facility. She was also recognized for her accomplishments with membership, chairing several District committees, and organizing hospitality events, including Host Night, at the 2018 International Convention in Las Vegas.

All attendees provided a well-deserved standing ovation as the award was presented.

*Article submitted by PID Jack Epperson...thanks Jack!*

## **Share Your Lions Story**

*By Lion Carol Confino, Las Vegas Black Mountain Lions*

Everyone loves a story. Whether telling or listening, a good story can give a powerful message. Every single Lion reading this has a story to tell about how they have touched a life or lives with their service. We can share our stories with each other at our meetings which is like preaching to the choir or we can share our stories outside our group to inspire others to join with us to help their communities. We should let people know who we are and what we do.

Adam Hopkins and I are working on a project to do just that. We have come up with a plan to invite Lions to share their stories of how they changed a life or given help to those who were having a life event that was too much to handle by themselves. We will join the stories from other Nevada Lions to tell how we live out motto of “We Serve” and create a 15-minute video that can be viewed at fundraisers to break the “best kept secret” of being a Lion. We want to send a copy of the video to all Websites for viewing by prospective members to encourage and inspire membership.

You can contact me or Adam to let us know of your interest. Thank you for all that you do.

### **Las Vegas Diabetes Wellness**

The LV Lions Diabetes Wellness Club has been very busy the last 6 weeks serving our community starting with volunteering at an event supporting the 300 Afghanistan refugees living in as Vegas. We then held 4 Foot Screenings at 4 different senior centers checking for neuropathy that could be associated with diabetes. After that we cooked a meal for families staying at the Ronald McDonald House. Saturday, April 9, several of us volunteered at National Siblings Day sponsored by St. Judes Ranch for Children.

After that, we toured the Nevada Diabetes Association's Camp Vegas in Potosi Pines about 45 minutes from Las Vegas. During the school break, the overnight camp allows children from 6 to 16 with type 1 diabetes to enjoy the outdoors and all kinds of fun activities while learning to live a good life even though they have diabetes. For the past 3 years we have raised money to send children to the summer camp. October 9th we will be holding our 4th Annual Poker Run raising money to send more children to summer camp. More information will be coming soon.

Continuing our schedule, we had 7 people participate in the Worldwide Induction Day at the Las Vegas Ballpark. Next, several club members attend District 46 convention where our club secretary, Lion Lisa Radin, was presented with the Melvin Jones Fellowship Award.

To culminate our 6 weeks of community service, several of our members volunteered to help set up the auction display at the Nevada Diabetes Association golf fundraiser "Take A Swing At Diabetes."

“We are so happy to donate, prepare and serve a BBQ lunch to the members of the Blind Center of Nevada again! We have missed seeing these smiling, appreciative faces. It felt great to get back to “normal” and do what we love to do...help improve the lives of others in our community.” *from Facebook*

The pandemic shut down this great service project. Lions from LV Black Mountain and LV Breakfasters joined the crew from W. Charleston. The cookout is the last Tuesday of each month; started up again on March 23, 2022.

## Carson City Host

Carson City Host Lions were whacking weeds on Saturday, June 4th at the Ronald D. Wilson Park. The weeds didn't stand a chance with nine Lions on the attack, especially after they were armed with coffee and donuts. Carson City Host Lions annually assist the City with an environmental clean-up project at the Park.

**Antelope Valley Lions Club** had their 22nd Cow Pasture Golf Tournament. The game was dedicated to Lion Clint Hershey who passed away Thursday. Not your everyday golf game. Great fun..great BBQ ribs cooked by the club and of course raffle prizes!!!

***A quick message as a reminder as to why it is so important for all Lions to report their service.

# Why report service

By sharing our impact, Lions and Leos inform, inspire and grow our global legacy of service.

## Strengthen storytelling

Details give stories power. Saying you fed 87 families is more powerful than saying you organized a food drive. Saying your club contributed 1,265 volunteer hours last year is more powerful than saying your club serves the community. When your club reports service, you collect the details needed to share powerful stories of your club's impact.

## Inform decisions

Documented club achievements reveal what's working and what's not. For example, what if your diabetes education program is growing in attendance, but your annual club fundraiser is shrinking? Reviewing past service reports helps your club make better decisions, including choosing service activities and setting realistic goals.

## Inspire service

Your reported service projects can be viewed within your district and around the world. That means your club's creativity and impact can inspire Lions and Leos to embrace new causes and serve in new ways. Reports also help Lions International staff identify best practices to share globally.

# Why report service

## Grow partnerships

Collaborating with other organizations in your community is a great way to increase the visibility, reach and quality of your service projects. When approaching potential partners, your club's service reports provide tangible evidence of your club's effectiveness to help persuade other organizations to join with you.

## Enlighten leaders

High levels of service reporting are a sign of healthy clubs, zones and districts. Knowledge of your club's service history provides invaluable insight to current and future club officers. In addition, district, zone and Global Action Team leaders can best support your club when they understand how clubs in their area serve their communities.

## Be proud

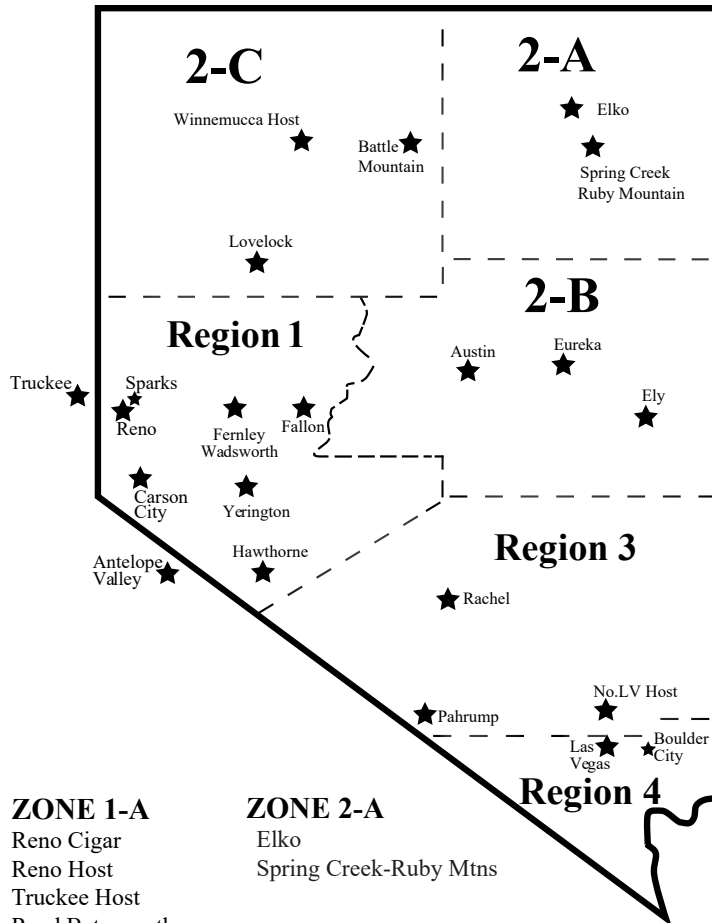

Service data gives us the ability to communicate how **We Serve** around the world. For example, in 2021, Lions and Leos served more than 350 million people! We can take pride in that achievement thanks to the leaders who reported over 1 million service activities. Through service reporting, your club joins in that pride and is eligible for service awards.

***The Story of Lions -  
Most know it, new members should learn it.  
A little refresher for us all.***

# Our Story

**1917 The Beginning** // Chicago business leader Melvin Jones asked a simple and world-changing question – what if people made a commitment to improving their communities? More than a century later, Lions Clubs International is the largest service club organization in the world, with more than 1.4 million members in 48,000 clubs acting on the same simple idea – when Lions come together for the good of humanity, there’s nothing we can’t achieve.

**1920 Going International** // Just three years after our founding, Lions became international when we established the first club in Canada. Mexico followed in 1927. In the 1950s and 1960s, international growth accelerated, with new clubs in Europe, Asia and Africa.

**1925 Saving Sight** // Helen Keller addressed the Lions Clubs International Convention in Cedar Point, Ohio, USA, and challenged Lions to become “knights of the blind.” Since then, we have worked tirelessly to aid those who are blind or visually impaired.

**1945 Uniting Nations** // We were one of the first nongovernmental organizations invited to assist in the drafting of the United Nations Charter. We host an annual Lions Day with the United Nations to continue our partnership and identify global solutions to the challenges facing humanity.

**1957 Organizing Youth Programs** // We started the Leo program to provide the youth of the world with an opportunity to serve and lead with Lions. There are approximately 180,000 Leos and 7,200 Leo clubs in more than 140 countries worldwide.

**1968 Establishing Our Foundation** // Lions Clubs International Foundation (LCIF) assists Lions with global and large-scale humanitarian projects. Through our global Foundation, Lions have received more than US\$1 billion in grants to help meet the needs of their local and global communities.

**1990 Launching SightFirst** // Through the support of LCIF, Lions are restoring sight and preventing blindness on a global scale with the SightFirst program. Launched in 1990, Lions have raised more than US\$351 million for this initiative that targets the major causes of blindness.

**2017 Celebrating Our Centennial** // Lions celebrate a century of service by serving more than 250 million people around the world through a special Centennial Service Challenge.

**2018 Rallying Around Global Causes** // Lions unite to support the global causes of vision, hunger, the environment, childhood cancer and our new global focus, diabetes. LCIF launches *Campaign 100: LCIF Empowering Service* to raise US\$300 million to increase the service impact of Lions around the world.

**2020 Responding to COVID-19** // Lions found innovative ways to safely serve their communities during this global health crisis. Our global Foundation, LCIF, donated millions of dollars in emergency grant funds, providing critical supplies and equipment to hospitals, medical clinics and emergency management systems, including front-line health care workers and first responders.
