

**Reno Host Lions Club
Invites you to their
Centennial 1/2 Celebration
June 4, 2021**

To our Lions family,

Be a part of our Centennial Celebration!

You are invited to join us for this once in a life time celebration for the Reno Host Lions Club. As we celebrate our Centennial. Since we couldn't celebrate it in December on our Anniversary date, we will have a Centennial ½ Gala on June 4, 2021.

Join us at the Silver Legacy Hotel and Casino to see tables filled with our club's artifacts from the past 100 1/2 years. We will have photos, guest books and other items. We will have a continuous slide show of photos, and hear stories from our oldest members, and how things have changed.

***Welcome Our Guest Speaker
From Lions Clubs International
Past President Joe Preston.***

We hope you will come to Reno and celebrate with us!

Lion Tamara Sternod
Reno Host Lions Club President

**We will be accepting payments for Registration and Ads at the District Convention

Reno Host Lions Club

Centennial Program Book

As part of our Centennial, we will have a special edition program for all participants.

We invite your club to place an ad. Our goal is to have an ad from every club in District 46 so in 2120 when they go into the archives, they can see who we were.

Put your club ad or a special message to the Reno Host Lions Club for their Centennial Celebration.
