Lions District 46 - Nevada

Volume #3 No.10

December 2017

Temple's Topics

By DGE Barry Temple

Happy New Year Lions of District 46!!!

We have had an exciting and productive Fall and I am hopeful that the Spring will be even better.

Our cabinet meetings have been fun and productive and we have hosted the first of the Women's Leadership Seminars (or whatever we're calling it this week). We have a lot on the agenda going forward. The February Cabinet meeting in Boulder City is shaping up to be a real "Barn Burner" with Zip Line, Shooting outing, and Shopping Poker Run activities, good food and some fun entertainment. If you haven't signed up, "git er done". Zip Line and Shooting Activities MUST be reserved at least one month in advance with Walter or Steve. The specifics were in a previous email, if you didn't see it, ask your club secretary.

Our Second Women's Leadership Seminar will be January 27th – 28th in Las Vegas. You should have seen a flyer already. If not, contact Marcia Newyear or your zone or region chair. This one is dedicated to dear friend of the district, Karla Harris. Karla and Clarence's daughters have been invited. We are not sure if they are able to attend. The speakers and activities should make it worth the trip.

Don't forget we have our district convention and the international convention on the horizon as well, so now is not the time we can sit back and relax. There is a lot more Lionism to be had in District 46 still to come this year.

On a personal note, Judi and I have been so thankful for the time we have been able to spend with you so far this year. We have seen clubs tackle huge projects successfully while still keeping up all their regular activities. We have seen the personal touch that each of you puts on the things that you provide for the children and needy. We have seen great acts of kindness from almost every club in the district, and seeing those things is what makes this job so great. Please keep us posted on your club activities and projects. You never know what we'll show up to help with!

Visiting UNR Centennial Lions. DG Barry visiting and extending support from D46 anytime needed to King Lion [Kathryn Conway](#) Nice visit and great company. — at [Laughing Planet Cafe Reno](#).

Our Pal Al

By 1st Vice District Governor Al Van Gordon

We have a new application completed for a new club. Please reach out to them and welcome their club and members to District 46 Lions. Nevada Peacemakers Lions Club President- Sharifa Wahab email is acompassionatehealthcare@yahoo.com

Congratulations to Las Vegas Philippine American Lions Club for increasing their membership by 57.14%.

District 46 Lions Clubs have completed 786 Service Activities, 19,496 service hours, serving 399,697 people. All this is with 33 of 49 clubs reporting. I know we are doing a lot more in our communities.

The next cabinet meeting is February 9-10 in Boulder City, Convention is April 5-7 in Las Vegas.

District Governor Barry Temple has said if you are not having fun, you are not doing it right. For a good time, come to the cabinet meeting and the District Convention.

Pride News

Lions Pride Program

By Lion Kay Harmon, Pride Contest Chair

Happy New Year District 46 Lions. I hope Santa was good to you and you had a very Merry Christmas. Here's hoping that all you cub Lions are working hard and recording everything you do for the Lions pride contest. Things are looking good for the contest. I have already received some applications and am hoping for more to come.

Remember March 31st is the deadline for having your applications turned in to me. Be sure that you include your tracking sheets and hours. If anyone needs an application, call or email me and I will get one to you. I will also have them available at the upcoming Cabinet meeting in Boulder City.

See you there.

Peace Poster Winners

It is my pleasure to announce District 46 Peace Poster Contest:

- 1st Place Chiara Kieper
 - LV Breakfasters Club

- 2nd Place Paeton Carver
 - Boulder City Club

DIABETES AWARENESS

By Bill DePew

District 46 Diabetes Awareness Chair

Diabetes Awareness. We all hear this almost every day, but, as with many things we hear about now days we soon seem to become immune and don't think about it when it is brought up. My job is to remind us all about this and try to get all Lions to join together to help our fellow man in fighting this pandemic disease.

In 1925 Helen Keller challenged Lions to become her "Knights of the Blind". We have done a great job in this battle. Then in July 2017 we were challenged by Hellen Keller's Grand Niece to take on Diabetes in a new service cause.

Diabetes impacts over 420 Million people and takes the live of 5 million people a year. Everyone is impacted personally by this disease in some way.

Please join me in this battle, and it is a battle we can win.

Please, if you are holding an event anytime soon dedicate it to diabetes awareness. Then let me know about it so we can report it to LCI.

I have reported other events that this district has held this year to make people more aware of this disease that affects 1 in 4 of our loved ones. Remember, we all know someone who is or has been touched by this terrible disease and it continues to spread.

So, help me to spread the word about diabetes and fight this disease for all. Wdepew55@gmail.com

For access to all the diabetes education materials we've prepared for you, please visit lionsclubs.org/fightdiabetes.

Las Vegas Twin Lakes Lions Club Ladies Rock in Amargosa Valley

By

King Lion Salve Edelman

All right, all right, all right! Miracles happen when a group of powerful women work together for a worthy cause. Las Vegas Twin Lakes Lions Estelita Paulin, Evi Paolillo, Helen Marucut, Amna Khawaja and I descended on a tiny village called Amargosa Valley; population: 1,456 of medically underserved miners and farmers.

We had decided to do vision screenings there, when Lion Bob Knipes brought to our attention the plight of some of the poorest individuals living in our state who are badly in need of vision care. With the help of Amargosa's Town Board Members Tony and Richard, we were able to set up our EyeMobile at their park and recreation area.

We screened 14 individuals: five adults tested with peripheral vision issues, and two children with refractive issues. All were referred to the Lions SightFirst Foundation of Southern Nevada for follow-up care. We did the screenings inside the Foundation's newly-acquired EyeMobile. Lion Amna drove it and Lion Evi served as navigator and back-up driver.

This EyeMobile is available to all Lions Clubs in Southern Nevada who wish to conduct vision screenings in any open area where parking is available, such as a park, a parking lot at a church, school, community center, etc. The EyeMobile will be in front of the Lions Twin Lakes Community Clinic of Southern Nevada in late November. Starting in late November, the clinic will be providing Preventive Health and Wellness Services: Screenings for vision, diabetes, hypertension, etc. as well as health-

LAS VEGAS BREAKFASTERS LIONS CLUB

Las Vegas Breakfasters Lions partnered with the Rock church to donate socks & shoes to all the students at Whitney Elementary School. For 3 days, November 7-9th, all the kids were fitted by Lions & church volunteers. The kids were in preK thru 5th grade. We even had DG Barry there helping us put smiles on the kids faces.

LAS VEGAS PROFESSIONAL LIONS CLUB

Las Vegas Professional Lions Club has helped with this program since 2003. Summerlin Lions Club has supported this for the past 5 years. Lions donate paper goods every year. The first year 2003 the Professional's club donated lap blankets. This year we had members attend from Aloha Club, Professional's and Summerlin. This year Lions donated two large carts of paper goods to the school.

District 46 Lions were called upon to honor the memory of a Lion recently moved here from New York. His name is Anthony Paradiso, and he served in the New City Lions Club. He was President of his club for two terms, he served as District Governor for 20-R1, and is a recipient of the Melvin Jones Award. District 46 Lions attended his funeral at his daughter's request. You are never alone when you are a Lion.

WINNEMUCCA HOST LIONS CLUB

Festival of Trees “*Christmas Around the World*”

Tea with Mrs. Claus was a magical event with Mrs. Claus telling stories, and singing songs, of course there were reindeer games to play. We want to thank Pizza Hut for sponsoring this event by supplying the refreshments.

Saturday Morning Pajama Breakfast with Santa and Mrs. Claus is always a delight. Pictures with Mr. & Mrs. Claus, singing songs, and playing games.

We would like to thank the Model T for their generosity of supplying the refreshments as well as cooking the breakfast for this event.

Lion Jenny dressed for the occasion

This year we had “Santa Paws”, with our four-legged family members! They enjoyed dressing up, visiting, and taking pictures with Santa too! There was also a picture contest, “Best in Show!”

And let us not forget the reason for this big event, the Magical Forest and the beautiful decorated donated trees and wreaths, that are auctioned off to help with meeting the needs of our community. Lions use the funds generated by this fundraiser to cover the expenses of eyecare, trade scholarships, Dat-So-La-Lee Campers, Canine Champion for Independence along with other donations to help our community. Where there is a need, there is a Lion! We Serve.

Leadership

Winnemucca, NV was so wonderful to us hosting the first District 46 Women Lions Centennial Leadership Retreat October 13th and 14th. We had 23 attendees for a great training presented by Past Council Chair Liz Crooke from California and a lot of bonding of our Lion ladies of the District.

Our speaker at lunch confirmed our training we had in the morning regarding goals. She set a goal to refurbish and bring back the Winnemucca that she remembers. With her mother's help, a couple of partners and the Winnemucca Lions, she has refurbished the whole business section of Winnemucca.

In the evening we were honored to have the Mayor of Winnemucca who had her very interesting story about her life. She also was raised in Winnemucca and came back from college with a degree that had no chance of a job offer. She set her goals and got into a business that never had hired a woman. She ended owning the business. She has been Mayor for 11 years and this was her last term.

Of course I must mention the fun that all participants had visiting all the businesses of Winnemucca collecting all the charms for Winnemucca's Centennial.

You do not want to miss the next session of the Lady Lions in Leadership (Facebook) session which will take place January 27th and 28th in Las Vegas. See information below.

LEADERSHIP

Make sure you don't miss signing up for the second District 46 Centennial Women's Retreat.

Place: Delta Point (UMC), 901 Rancho Lane, Las Vegas 89106

Date: January 27–28, 2018

Time: Arrive on Friday evening (26th)– leave on Sunday afternoon (28th)

Hotel: Arizona Charlie's Decatur, 740 South Decatur Blvd., LV 89107
(702) 258-5159 Rate: \$59.89 plus \$7.50 resort fee. This rate is for a minimum of 2 night stay.

Code when you call for reservations is **C-Lions**

You are encouraged to come in on Friday. We will gather for dinner at the Olive Garden. We will be ordering from the menu so you will be responsible for your dinner. We will have a chance to greet our trainers and ladies who were not at the first session.

We will start the leadership program Saturday morning , 8AM at Delta Point.

Our trainers are Past Council Chair Mary Rynearson from California and PDG Barb Daily from Arizona.

Saturday lunch will be provided for us by the District and we will have a speaker following lunch.

Saturday evening we have tentative plans to eat at this marvelous steak house that is located at Arizona Charlie's. If you wish to join us, we need to collect the cost ahead of time. The Hotel has not given me a price yet, but will let you know when they do.

Sunday morning we will continue with our session, completing it by noon.

Any questions or for reservations for the Leadership training,

contact PDG Marcia Newyear at 661-269-5645

661-406-8925 Cell. Email: flash.newyear10@gmail.com

On Membership

On Membership

Ordinarily, Lions wait until June to worry about retention of members. In truth, retention should be a year round effort. Probably the most important Lions to concentrate on are the newer members, the rationale being that older members (older in service, not in age) are more familiar with what is going on than newer members. An impressive induction, proper orientation and immediate involvement are all important, but the one area which is often overlooked is how the dues structure works in Lions Clubs.

There is an initial, onetime fee to become a Lion, ranging from a minimum \$35 which goes to LCI plus whatever an individual Club may tack on (for badges, etc.). Then, and this is the part many new members don't realize or aren't told, there are the annual dues. About \$68 goes to LCI and District 46. Anything else goes to the individual Club. These dues are prorated depending on when a member joined.

Unfortunately, too often we've seen new Lions who say, in effect, "I just paid money. Now you want more. I'm out of here." Obviously, it is imperative that the dues structure is an integral part of the orientation process.

I hope to have a seminar on retention at the next Cabinet meeting so get out there and "net one" so you can use your new retention skill on them.

Bill Newyear, District GMT Coordinator

Congrats to our Graduates of ALLI

Lions Kristyn Krueger, 2nd VDG Barbara Hertz and Cathy Downey

MGM Grand Holiday Lion

Advanced Lions Leadership Institutes focus on building the skills of Lions leaders to prepare them for leadership responsibilities at zone, region and district levels.

International Convention News 2018

International Convention Update

By PID Jack Epperson

Registrations are arriving, hotels are being booked and the Lions of the world are excited about the upcoming 101st International Convention in Las Vegas. Meanwhile your Host Committee is working hard to ensure everything from this end goes smoothly. It is a large and complex task to plan all the services required of the host city. Fortunately, the committee chairs understand their duties and continue to be fully prepared for June.

Additionally, we are beginning to see convention committees from other countries come to town in preparation for their members to visit Las Vegas. So far we have seen representatives from France and Italy with more to come. Thanks to DG Barry for arranging to provide assistance to those groups.

The ongoing discussion about whether to hold the parade indoors or outdoors was debated at the last meeting of the International Board of Directors and it was decided that the parade will occur outdoors. Whether you agree with this decision or not, it is our responsibility to support International's decision and to direct our energies to making it a success. LCI will provide tents, misters and cooling stations to mitigate the effects of the heat and has obtained the services of a local Destination Management company to assist with parade logistics. PDG Bill Newyear has developed a plan for staging plus a shorter parade route. Guidelines for preparing for the heat will be provided to all marching units when they pick up their materials.

Meanwhile, we are still in need of volunteers and funds. If you have not already done so, please go to www.lions2018lasvegas.org and volunteer online. We also have a limited edition commemorative belt buckle as well as presale convention polo shirts available for purchase. Please support the convention foundation by acquiring merchandise.

Fall Cabinet Meeting/Reno

Crazy Hat Meeting

Lion Anabelle and Gilad Savion are members of the Las Vegas Diabetes Wellness club. The Savion's did a presentation for their club on their product and the benefits to a Diabetic. Lion Dr. Denise Tropea was presenting facts and evidence of their amazing products. Please contact Lion Anabelle if you wish to have more information. I'm sure they would be willing to give a presentation to your club if you are interested. With Diabetes taking over the world, we need to help in any way we can.

Las Vegas, NEVADA – November 30, 2017 – LAVIOR is a leading manufacturer and distributor of pioneering, natural skincare products that effectively treat and heal diabetic wounds and ulcers and other dermatological problems. All LAVIOR skincare solutions are based on a unique extract, AGS BOTANICALSM, a breakthrough formula made of the most active ingredients of organic Inula Viscosa with other leading medicinal botanicals. This proprietary blend features anti-inflammatory, antiviral, antibacterial, antimicrobial, antifungal and antioxidant properties.

What makes LAVIOR so uniquely different? It is our groundbreaking AGS BOTANICALSM formula and our medical understanding of chronic skin disorders that result in breakthrough natural treatments for skin conditions.

Inula Viscosa, deemed the "King of Medicinal Plants," features anti-inflammatory, anti-viral, antibacterial, anti-fungal and anti-oxidant properties, to effectively soothe and heal damaged or irritated skin. LAVIOR's newly-launched product line includes "D-Care" for the treatment of diabetic wounds, and "Organic Moisturizer" to soothe dry and cracked skin often associated with diabetic wounds such as foot ulcers and bed sores. When applied directly to the wound, the product's fast-acting effect quickly penetrates the skin directly into the wound, disrupts the biofilm layer and reduces inflammation, and ultimately heals the wound.

"LAVIOR products are fast-becoming the skincare product of choice for numerous diabetics who suffer from chronic diabetic wounds and ulcers," comments Gilad Savion, LAVIOR Co-Founder, CEO & Chairman. We are especially excited about this product line that will help diabetes sufferers by treating and healing their wounds, preventing amputation and improving their quality of life."

LAVIOR'S D-Care skincare product line includes a diabetic wound care product and a general wound care product for bedsores, pressure ulcers, burns, skin irritations. The product launch also includes a natural shampoo and an organic moisturizer developed for diabetics that are exceptionally gentle and hypoallergenic.

Certified as cruelty-free and vegan, all LAVIOR products are free of parabens, cortisone, steroids, artificial colors and fragrances. All products are hypoallergenic, dermatologist-tested and safe for sensitive skin. The company grows and cultivates its own unique specie of Inula Viscosa, the richest and most potent of this plant species.

The company is scheduled to launch a comprehensive range of new products by January 2018, all dedicated to the unique healing, soothing and relief of various skin conditions, including eczema, herpes, molluscum contagiosum (water warts), and other chronic skin disorders.

For more information, visit the website at: www.lavior.com.
