

# MD20-E1 SERVICE PROJECTS & FUNDRAISERS

2017-2018

This document is designed to give the Lions of 20E-1 ideas for service projects and fundraisers to make our communities a better place to live and to help support the worthy causes we as Lions do every day.

2017-18 District Governor Chuck Switzer, Issued July 2018

[cnswitzer@rochester.rr.com](mailto:cnswitzer@rochester.rr.com), cell 585-752-9152

This document is designed to give the Lions of 20E-1 ideas for service projects and fundraisers to make our communities a better place to live and to help support the worthy causes we as Lions do every day.

I began collecting information from each club I visited beginning with the Fairport Lions Club on Tuesday September 5, 2017 and concluding with the Rochester Flaum Eye Institute Club on Thursday May 24, 2018.

As you review this document you will see some unique service projects and fundraisers and you will also see many service projects and fundraisers that multiple clubs do.

I truly hope that your club will find this document very useful as you review the activities your club does, and you search for new activities your club may wish to do.

The data in this document was derived from the clubs meeting reports and discussions when I visited each club, the activities as reported to MYLCI, and copies of budgets that many clubs have listing their service projects and fundraising events.

As you review your clubs section please let me know if I need to change any items, subtract activities you no longer do, or add activities that I have missed. I have planned the first revision of this document for the end of September 2018. Please email me with any changes at [cnswitzer@rochester.rr.com](mailto:cnswitzer@rochester.rr.com) by September 20, 2018.

Lastly, I suggest that you make a copy of this document and place it in the folder with your membership plan. That way both documents are in the same place and can be referenced quickly as needed.

Thank you everyone for allowing me to be your District Governor. I truly enjoyed serving our district and the wonderful Lions of 20-E1.

## **ALBION LIONS CLUB**

### **Service Projects**
