

# The **ROARING** TWENTY-E1

**We Serve**

*The Genesee District of the Empire State  
October 2014*

## Fall Conference program...

In addition to the regular program there is now a trivia contest scheduled to be held Saturday afternoon during the District 20-E1 Fall Conference. Teams shall consist of one to six members each person paying \$5. You may bring and use any reference materials and/or electronic devices you wish but you may not “phone a friend”. Members of the winning team will split 50% of the funds collected with the other 50% to be used to purchase a vision camera. A portion of the questions will be Lions related and the balance will be general knowledge. Answer sheets will be numbered as you turn them in and in the case of a tie the first paper turned in wins. There will be a time limit so that the day’s program may continue. Contact PCC Jim Schiebel with any questions.

**The Irondequoit Lions Club...** has had a productive start to their new Lion year with a club visit by Lion ZC Joe Gorman, District SEE/Vision Screening Chair to train the members how to use the new Spot Vision Screener from Welch Allyn. The new device is much simpler than the previous version and allows Lions to have immediate feedback on whether or not the child requires further follow up

for a possibility of a problem. Irondequoit Lions have been doing vision screenings for the past 10 plus years in the town and will continue to offer this service to Irondequoit students in pre-k.

One of the club's budget line items is Freedom Guide Dog School. At a recent open house at the school attended by two members of the club along with their daughter and her dog, presented a check to Eric Loori, Founder and Director of the school. Lions Bev and Karl Bloss plan on training a future guide dog/puppy starting later this fall. They have done this in the past and really enjoy being able to give back to the school being that their daughter received a dog and training from the school.

## **Brockport Lions Construct Wheelchair Ramp**

Betty Sietmann was having an increasingly difficult time getting in and out of her home at the County Line Trailer Park. She contacted Brockport Lion and former District Governor Greg Lund who visited Betty and assessed the situation. Always looking for opportunities to

help those in need, the Brockport Lions Club gladly took on the task. A team led by Lion Walt Windus obtained lumber and materials for (all donated by 84 Lumber), designed, built, and installed a wheelchair ramp for Betty. The Lions met several evenings to build the sections of the ramp in Brockport and then transported the ramp for the final installation which occurred on Sunday, September 29<sup>th</sup>. The picture shows just some of the Lions who were involved in the project including Lions Brian Ingraham, Phillip Moore, Dave Moore, Betty Sietmann, Lions Tammy Deacon, Keith Marshall, and Charlie Deacon.

# Chili Lions Celebrate 50th Anniversary...

The Lions Club of Chili celebrated its 50<sup>th</sup> year anniversary at the River's Edge Party House on September 23. The club was formed in 1964 when the Gates and Spencerport Lions Clubs sponsored a club in Chili. Ever since then, the Lions Club of Chili has been doing whatever is needed to help their local community.

The club had a good turnout of friends and fellow Lions. There were 11 different area Lions Clubs represented. The club awarded 3 Robert Uplinger awards and one Melvin Jones award. The club was also recognized for good service by county legislator, Mary Valerio.

Lion Dorinda Foos (right) was presented a Melvin Jones Award by club president Bonnie Platt.

Douglas Alexander, from Brooklyn New York was the keynote speaker. He is a past Director of Lions Club International. Past Director A Lion since 1984, he has served many positions with the Lions, the Lions Foundation, and was the appointed Lions representative to UNICEF - New York. He gave an inspirational speech about his experiences as a Lion and promoted the "Ask 1" program.

PID Doug Alexander gave an inspirational speech about his experiences as a Lion and promoted the "Ask 1" program.
