Lions International President Patti Hill's Message to all 1.4 million Lions of the World: **"Changing the World"**

There is an old saying – it's the journey not the destination. Changing the world is a journey. There is no middle and no end. There is, however, a beginning.

With every small act of service, you contribute one step towards change. Like rain filling a bucket, we can change the world one drop at a time.

In fact, we all are changing the world with every decision we make. Truly meaningful changes will occur when we are intentional about the kind of changes we want to make.

When we strive to make positive changes - in our lives and in the lives of others - we put good into the world. We Lions have been doing our part to change the world for more than 100 years. In every project we do, with every donation we make, we contribute to positive change in our communities. As we fill our own buckets, our communities raise with us.

We are all connected. When we see that connection, boundaries and barriers disappear.

We realize that while global challenges may seem daunting, there is always a place where we can begin. The place is here. The time is now.

Our world is a beautiful place. Let the rain fall. Drop by drop, fill your bucket.

Help those around you fill theirs. Every day, in big ways and in small, let's serve to make our world an even better place for all.

Pioneer Oil Days 6-18-23 thru 6-25-23

Pioneer Oil Days is a weeklong series of events under the supervision of Club President Steve Otto, culminating in a parade and car show. The events during the week are too numerous to describe here but a visit to: pioneeroil days.com will give you an overview and timeline of the festivities. The Bolivar Lions Club has produced this fund raiser since 2015. This year we were able to raise nearly \$7,000.00 in net proceeds. The two principal members in the production of many of this year's event were Lions Deanna Worth and Tracie Edwards. They say the key to future success is not to remain static and simply reproduce the events the same year after year. Each year they craft new innovative ways of interacting with the public which raise awareness of not only the Bolivar Lions but the work of Lions International as well. This is an event which requires significant effort from club membership. Make no mistake, the Bolivar Lions Club membership takes the motto "We Serve" with enthusiasm. Stay tuned, this is only going to get bigger and better. If you have any questions about how to create a similar event in your hometown, please contact PDG Forest Shaner.

Brockport Lions Club

The Brockport Lions helped cut down, cut up and pick up the 5 remaining dead ash trees at the Brockport Area Vets Club.

Many thanks to The Village of Brockport, Mother Nature and once again to our amazing community for coming out to show support for our town!

On June 28th the Camp Abilities sports camp at the Campus at Brockport College once again employed our Churchville Lions to grill up both breakfast and lunch for children and teens who are blind, visually impaired, and deafblind. Campers were treated to pancakes and syrup with fresh fruit and juice in the morning session, then at lunchtime were served grilled chicken sandwiches with fixings, fresh fruit, chips and drinks. Camp Abilities has been held in Brockport in the last week of June every year since 1996. The below pictures are from the

Churchville Lion PID John Rabideau (Ret.) Takes Off in Honor Flight

Honor Flight Rochester (HFR) Mission 78 flew the weekend of June 17th-18th. Sixty veterans attended including 5 Cold War veterans, 2 Cold War/Vietnam War veterans, 52 Vietnam War veterans and 1 Post Vietnam War veteran. Their branches of service are: Army (26), Navy (20), Marines (12) and Air Force (2).

Honor Flight was created to honor America's veterans for their sacrifices. They fly their heroes to Washington, DC to visit and witness memorials created to honor the lives of those they once fought alongside. Honor Flight is a not-for-profit and free to all American veterans.

On Saturday, June 17th, Mission 78 departed the Greater Rochester International Airport at 6 AM and returned to Rochester on Sunday the 18th at 1:15 PM.

On the flight to D.C. PID Lion John commented on a special remembrance in his own words:

"One of the highlights of the trip was 'Mail Call!' Each veteran on Mission 78 received four letters from students in the surrounding school districts. I say four because that was what I received. My letters were filled with 'Thank You's' and questions regarding my time in service. The students that participated in 'Mail Call' were third to fifth graders. As I recall receiving my letters I am again overwhelmed with emotion and gratitude for the youngsters that took their time away from whatever 3rd, 4th and 5th graders do to write to us. It means more than you can ever imagine."

On June 4th the Churchville Lions were invited by Wegmans Food Markets to cook another of their World Famous Chicken Barbeques. The event was an appreciation picnic for tractor trailer drivers and their families. An estimated 1000 people attended.

COMMUNITY KITCHEN

The Medina and Albion Lions assisted at the Orleans Koinonia Kitchen on June 1 and July 6. Vickie Hutchinson and Terri Moriarty helped in the kitchen. What a fantastic way to spend the day!

MEDINA LIONS' COMMUNITY YARD SALE

June 3 was a hectic day throughout the village. It was the 20th plus Community Yard Sale and Chicken Barbeque by Chiavetta's. The BBQ was a sell-out! Jim Hancock was the event chairperson, with well over 70% of the Medina Lions participating in making the event a success. In addition to the 30-plus vendors at the Olde Pickle Factory, there were numerous yard, porch, and barn sales in the village.

Lions Phyllis Winters, Donna Bushover, Jim Punch, Dave Bellucci, and Dean Bellack were stationed at the corners of Main and West Center Streets, handing out maps with the sales locations. President Jim Punch displayed items available from the Medina Loan Closet.

The Lions had delicious food for sale in three ways. The "Weinermobile" crewed by Pete Kaiser, Chris Leavitt, and Matt Kreutz traveled the village selling hot dogs. Lions Chris and Julie Keller oversaw the Hotdog/Hamburger stand, with many Lions assisting. Rob Robinson and his band provided musical entertainment at the Olde Pickle Factory.
