Albion, Andover, Angelica, Attica, Avon, Batavia, Bolivar, Brockport, Chili, Churchville, Clarendon, Cuba, Dansville, Fairport, Gates-Greece, Hamlin, Hilton, Irondequoit, Kendall, Medina, Oakfield-Alabama, Scio, Scottsville, Varysburg, Walworth, and Wellsville

Hello fellow Lions, and I hope your 2024 is off to an amazing start. I have continued to enjoy the visits to our clubs, with only four remaining – I am looking forward to visiting Andover, Churchville, Irondequoit, and the Rochester Flaum Eye Institute Lions!!

I also have been enjoying visiting your other Lions events. I attended the annual Regional Meeting at Red Fedele's Brook House in January, where Region 3 opens up their invitation to all Lions in the District. We had an excellent guest speaker from Brazil, who described his many years as a Leo, and his adventures in Lionism. I had a wonderful time at the Dansville Lions' Freeze Your Buns Steak Roast at Stony Brook Park, and also at the Cuba Lions' annual steak roast last weekend. I also attended the Advisory Committee Meeting for Zone 2 this month for a most enjoyable gathering in Albion.

Please give a very special welcome to our new Second Vice District Governor, Lion Tom Flaherty from the Rochester Downtown Host Lions!! Lion Tom was officially elected as 2nd VDG at a special Cabinet meeting in January!!

Continued on Page 2

Membership has continued to drop for the District – as of today, we have added 48 new members, but lost 78, for a net loss of 30 since July 1st. Good news from our Leos, though, they are up 5 members! Let's continue to work towards Mission 1.5 so we can keep Changing the World for the better! More members mean more service!! Please let us know if the District can be of assistance for your membership team building events. You can also find many great ideas at the Member Resource Center at [Lionsclubs.org](https://lionsclubs.org).

We are still looking for a Leos Chair for the District, please let us know if you are interested.

Dr. Patti Hill reminds us that when Leos and Lions work together, everyone benefits, so let's work together to strengthen our service today and support the next generation of service leaders!

Peace Poster contest kits for 2024-2025 are now available at the LCI website. This year's theme is "Peace Without Limits". "For peace to be anything more than a possibility, we need to make it a priority. This year, we're asking our young students to create a poster that speaks to our world's infinite potential for kindness once we commit to pursuing the idea of peace without limits."

Looks like we are going to have an incredible turnout for the MD-20 100th Anniversary Convention in Binghamton! Both of the reserved hotels were quickly sold out of their blocks of rooms for this event, but there are several other hotels in the area – please don't give up!! This should be an amazing celebration!

Save the Date: DG Testimonial Dinner – May 19, 2023. Time and location to be announced.

Yours in Lionism,

DG Mel

MD20 Dues Increase is on the Ballot

Dear Lions,

At the 100th Multiple District 20 Convention in Binghamton this May, your Club's delegates will have the responsibility of voting for an important revision to the MD-20 Constitution & By-Laws. The MD20 dues increase was put on the ballot by the Council of Governors last October. The outcome of this vote will have a significant impact on the finances of MD20 and its capability to support the New York State and Bermuda Clubs and Districts. Here is all the information you need to make a sound decision.

Why it is necessary to raise dues

- The last dues increase was in 2011. Since then, we have experienced a slow but constant increase in the cost of living which has had an impact on expenses and the formation of the yearly budget.
- As costs have increased, the MD-20 membership has declined from 16,557 on 7-1-2011 to 13,126 on 12-31-2023. The loss of membership resulted in a corresponding decline in revenue for both the Multiple District and the individual sub-districts.
- Last October, the Council of Governors tried to balance our books and approved many changes to reduce expenses and increase revenue, including cuts to DG's reimbursements (\$6,500 savings), eliminating the following "Gift Pins": MD20 Flag Ceremony Pins (\$500 savings) and International Parade Pins (\$500 savings), increasing convention booth and registration fees.
- Despite the above changes, the MD20 Budget 2023-24 was approved forecasting an outflow of **\$9,525.00**.

What is in the ballot

After a lengthy discussion, the Council agreed there was no way to avoid the dues increase and voted to create a ballot item at the 2024 MD20 Convention.

The Council considered several options and decided to adopt the Financial Committee's recommendation to **increase the MD 20 dues \$5 in three years: \$1 in 2024, \$2 in 2025, \$2 in 2026.**

Final Considerations

- The approval of this recommendation will not only resolve the problem of next year's budget outflow but also stabilize the budget for the years to come, giving time to rebuild the membership to a level sufficient to sustain our districts and clubs.
- The Council of Governors strongly recommends the approval of the proposed dues increase.

LIONS CAMP BADGER

A Special Place...

Lions Camp Badger is a residential summer camp for individuals with special needs. We offer individualized camper-centered programming through a wide-array of activities. We believe in the capabilities of our campers and use a positive approach to help them reach their fullest potential.

LIONS CAMP BADGER 2024 SESSIONS

June 30-July 5	Young Adult Badgers (ages 18-25)	This session for our youngest adults is full of action and includes activities such as music, swimming, fishing, boating, arts & crafts, athletics, and evening programs.
July 7-12	Buddy Badgers 1:1 (ages 6 - 55+)	This program offers 1:1 staff support for campers who benefit from maximum physical or behavioral assistance. The pace is slower and the environment quieter, allowing campers who find larger groups challenging to succeed in this smaller, supported setting.
July 14-19	Senior Badgers I (ages 18+)	Recommended for ages 26-40, but all over 18 are welcome. Our "middle" adults enjoy all of the traditional camp activities, plus more opportunities for individual choices in programming. Social events are a big part of our week!
July 21-23	Family Camp 1 For families with children mostly 18 or over	Bring your family to camp! Each family has their own cabin and we provide staff support for activities such as swimming, boating, fishing, arts & crafts, etc.
July 24-26	Family Camp 2 For families with children mostly under 18	Family Camp is fully inclusive and open to person(s) with a disability, their siblings, parents/caregivers and an additional support person if needed. Enjoy networking with other families and an opportunity to bond with yours!
July 28-Aug 2	Junior Badgers (Children's Camp) (ages 6-17 only)	Our youngest campers will be placed in cabins by age, and the program is carefully structured to keep them busy and engaged. They will enjoy all things "camp", such as swimming, boating, cookouts, music, arts and crafts, social time, and athletics.
Aug 4-9	Senior Badgers II (ages 18+)	Recommended for ages 41-60+, but all over 18 are welcome. Our oldest adults enjoy all of the traditional camp activities, plus more opportunities for individual choices in programming. Quite often, they enjoy assisting with community service projects and planning their own social activities. The pace of this group tends to be a bit slower as compared to the younger groups.
1) July 7-12 2) Aug 4-9	Vocational Food Service Program (18+)	Returning campers ages 18+ may join us to learn employment and food service skills. Campers must be able to function within a 4:1 camper to counselor setting. Campers will receive food service instruction and training during the day in addition to regular programming in the afternoons and evenings. Spots are limited.

MISSION STATEMENT

Our mission is to provide services that enhance the educational, vocational, personal growth and independence of differently-abled individuals.

PROGRAMMING

We offer sessions to meet the needs of campers with intellectual and functional differences.

Our campers enjoy swimming, arts & crafts, music, athletics, boating, fishing, cooking, clubs, hobbies and special events.

Some favorite special events may include: Dance, Magician, Yoga, Archery, wildlife lessons from DEC.

✧ Scholarships Available ✧

Dear District Governors,
Please give this appropriate distribution within your district.

For the past eleven years members of the Lions International Trading Pin Club have personally donated funds to finance an international scholarship program for graduating high school seniors. Twenty-eight scholarships have been awarded so far and three of them have been given to New York students. The scholarships are open to Leos or children or grandchildren of Lions members.

Applications can be found at www.litpc.org and then open LITPC Scholarship Information" and then open *Scholarship Application Form". Completed applications with completed documentation must be sent to PCC James Schiebel, 748 Wiler Road, Hilton, New York 14468 by March 1, 2024. A committee of Lions will judge the applications and forward two to PDG Stephen for international consideration.

Andover Lions Club

The Andover Lions held a big Super Bowl raffle to benefit their administrative fund.

Angelica Lions Club

Just ended the 41st annual 200 club fund raiser. This is only topped by our 42nd annual Ham and Turkey party held on opening day of big game season in November. And this now is our second year of our Super Bowl raffle. With these great fund raisers we are able to hold our annual Senior Citizens Appreciation Dinner and our huge Halloween costume party for the youngsters.

Attica Lions Club

Christmas Party, Saturday December 2, 2023: Approximately 50 persons attended this annual event arranged skillfully by **Lion Nate Nate & Sandy Eck**. Attica's 10th Hole was festively adorned for the holidays and a DJ provided entertainment. Thanks to all who donated Toys for distribution this year!

SALVATION ARMY BELL RINGING

Lion Luke Harding looks awfully happy here! He must have received a large donation!

Once again **Lion Carl Kocsis** did an outstanding job of scheduling members, family, friends and students from both Alexander and Attica schools to ring the bells.

Student With Vision Problems

At our October Board Meeting we heard from Attica resident Daythin Hamilton regarding her son Adam who needed special eye therapy to correct a condition called Esotropia. A Go-Fund Me account was in progress but the over \$7,000 cost was still way out of reach. Our club donated \$2000. An appeal went out through the help of **Lion District Governor Melanie Adams** for assistance from other clubs in our district 20 E-1 and through the districts grant program. The Brockport, Chili, Churchville and Scottsville Lions sent contributions and a district grant approved for \$1,000. All total \$4,750 was raised!

On November 14th Adam's mother sent this note:

"I want to give a heart felt thank you to the Attica Lions Club as well as to the Scottsville and Chili Lions club and Brockport Lions Club. Because of your generosity, we were able to begin my son Adam's treatment for Vision Therapy Services. His first day is Tuesday November 14th. With out your help this would not have been possible. I can not thank you enough for the gift you have given our family. I will continue to update you all on his progress. Again, thank you and God Bless"

Throughout the month of December Lions Clubs from Churchville, Chili and Scottsville took to their bells and kept their Salvation Army Red Kettle full to the brim. Situated between the Aldi's Grocery and Pet Supplies Plus in Chili Center, the Lions weathered chill hands and feet to thank their patrons who donated whatever coins or soft money they could muster during this time of high prices for goods. A hearty salute to all Lions who gave of their time to the Red Kettle Campaign!
