Greetings Lions!

Welcome to a new year. We have a new International President, Brian Sheehan, whose motto is

“Together We Can.” Guess we were thinking along the same lines because my motto is: “**Lions Work Together.**” It’s true – working together we can accomplish so much.

We have leadership opportunities.

Still looking for a 1st Vice District Governor. And upcoming is the MD20 Lions Leadership Institute. It is scheduled for October 6-8 in Binghamton. Please contact me or PDG Curt if interested.

Also coming up is the Fall Conference. It will take place on November 5 at Artisan Works in Rochester. Brochure is coming out. A great way to meet with fellow Lions and enjoy various speakers.

Looking forward to my club visitations and seeing what clubs are up to.

## IRONDEQUOIT Lions Club

**Our Irondequoit Lions Club is pleased to announce** the winner of the Dr. Robert Santo Memorial Irondequoit Lions Scholarship -

Megan Noble, a June graduate of Eastridge High School. Megan impressed the members of the club with her ability to balance volunteering at school and out in the community plus maintaining high grades.

Her ambition is to attend Geneseo College and become an elementary school teacher. From an early age she always wanted to help out her classroom teacher and also work in the library. Members were also impressed with her sense of responsibility and ability to communicate with her peers. She stated in her essay, "One of the lessons I want to share with my students in the future is the importance of having a sense of community and respect for everyone you meet."

We congratulate Megan and wish her the best in her future years. Other club news we are still collecting eye glasses from multiple locations within the town and we recently collected 293 pairs of glasses which will be picked up by Intervol the organization we have a working relationship with.

**Officers for the incoming Lions year 2022-23** who were installed at the year picnic by incoming DG Judy McKnight are as follows: Lion Scott Davis will be the new president, Lion Judy Smith club vice president, Lion Beverly Bloss secretary, Lion Bill Davis treasurer, Lion Jim Verni membership and sight committee, Lion Karl Bloss tail twister and Lion Judy Davis club reporter. For the time being, Club meetings will still be held at the town library and first one is scheduled for September 26<sup>th</sup> beginning at 6pm

## MEDINA Lions Club

### COMMUNITY KITCHEN

On June 2, the Orleans Koinonia Kitchen (coy-no-knee-uh) reopened at the Harvest Christian Fellowship. The Albion and Medina Lions will be serving on the first Thursdays of the month. The new kitchen is fantastic. This month Albion Lion Kevin, Medina Lions Ann, and Kelly assisted. It is an honor to be back. The kitchen is a true example of the community working for the benefit of the community. We are scheduled to work again on Thursday July 14<sup>th</sup>.

### COMMUNITY YARDSALE

Saturday, June 4, was a beautiful, sunny, breezy, comfortable day for the Medina Lions Club-sponsored Community Yard Sale. The community came together to make this event a success at the Olde Pickle Factory field and around the village.

The event took months of planning and dedication by the Medina Lions and the community. Fifty-five vendors set up at the Olde Pickle Factory. Numerous yard sales were happening throughout the village as well. Medina Lions Lance Mark, Jim Punch, Dave Bellucci, Jared Saj and Dean Bellack distributed free maps indicating where shoppers could find the deals.

### Shopping is an appetite builder.

The Lions offered three options: a sold-out delicious Chiavettas chicken BBQ; a sold-out Hot-dog/Hamburger Food booth; and the Weiner Mobile for the shoppers in the village.

### JUNE DINNER MEETING

Our final well-attended dinner was held on June 7 at Jr. Wilson's Sportsmen's Club. It was an evening of awards, laughter, and camaraderie.

New members three were inducted. They are Kathy Keppler, sponsored by Mary Herbert; Stacey Levitt and Matthew Kizvetz, hosted by Dean Bellack. Our new member total for the year is seven.

The Medina Lions thank the Orleans-Niagara BOCES Welding Fabrication students and teacher Adam Zerby for building a grill hood and placing a Lions emblem on it. It is stunning.

Judy Holbrook received the R.J. Uplinger Award for her years of dedicated service. Jim Hancock received recognition for his service to the president, Ann McElwee received the Lion of the year, and Tim Moriarty received an award for his service.

Officers and board members inducted for the 2022-23 year are Jim Punch, President; Tom Robinson, First Vice-president; Howie Gardner, Second Vice President; Billy Roman, Third Vice-president. Ken Dunham continues as Treasurer and Carol Bellack as the Secretary.

## LOAN CLOSET

Jim Punch, the chairperson of the loan closet, shared that the closet is busy and doing well. Presently we have twenty-five beds out in the community.

## DAY OUT WITH THOMAS

On June 10-12, Thomas the Train visited the Medina Train Station. Medina Lions were present, selling Hot dogs, Hamburgers, Cheesedogs, Cheeseburgers, and French Fries. It was hard work but lots of fun!

## PROGRESSIVE DINNER

Seventeen Lions and guests enjoyed a wonderful evening at the Progressive Dinner. We had delightful salads with lots of toppings at Cindy & Tim Winters's home. Then we traveled to Julie, Chris, and Christopher Keller's for a fantastic main meal of pulled pork with home-made rolls, grilled chicken, three vegetables, and a baked potato bar. What a lot of great choices! Then we traveled to Carol & Dean's home for a homemade strawberry shortcake with vanilla ice cream and enjoyed the evening on their large deck until nightfall. What a fun night we all had!

## CAMP ABILITIES

Camp Abilities Brockport is a one-week educational sports camp for children and teens who are blind, visually impaired, and deafblind. The camp provides a one-on-one instructional situation for each person, often contrary to other camps designed for people with visual impairments.

The counselors come from physical and special education undergraduate and graduate programs across the U.S. and overseas. Since its first summer, the camp has had more than ninety counselors each summer and has trained more than 2,000

future teachers in sports and recreation for children with sensory impairments. Many of the specialists are blind themselves and serve as excellent role models for our children, some of whom have never met or socially interacted with another person who is blind.

On July 1, 2022, Tim Moriarty, Terri Moriarty, Tom Robinson, Jared Saj, and Pete Kaiser served pizza, celery, carrots, fruit, and cookies. As always, it is a fantastic way to spend an evening. The campers and their counselors are amazing.

## WEBSTER Lions Club

Webster Lions once again participated in the Webster Firemens July parade this summer. Always anticipated and the hit of the Club's float was, of course, the LION!
