It's the beginning of November and Lisa and I are just about a third of the way through our visits motivating clubs to continue serving their communities. We have had great response from the clubs and the members which lets us know the message is working. I would like to give a quick shout out to our Region and Zone Chairs for the District, every time we show up to talk to another club they are there supporting the club and Lisa and myself. Thank you for your support it means a lot and watching the interaction between the clubs and their Region and Zone Chairs is awesome. You can tell that the visits are being done by them and the relationships are strong between the ZC's and RC's and clubs. I have had the opportunity at some of our visits to install new members and give away some RJU's which is always fun.

We have a few projects we are working on in the district one of which is finding a new location in the Avon area for an emergency response building. If you have an idea or know where there is a building available please let me know so we can move forward with this project.

Also please keep in mind that my District Service Project for the year is Camp Badger and I am asking each club to either increase their usual yearly donation by \$100 or if that is not part of the clubs budget to please donate \$100 to them.

Please keep in mind that we need new Pin Chair, if you are interested please give me a call.

See you on the road!

I LOVE A PARADE

Over the years I have walked in a large number of parades, usually with my Lions Club in the Hilton Firemen parade, a few times in dress uniform with my Walker Fire Department and many times at the International Lions Convention. As I look at the various delegations in a parade, I often wonder what "message" they are trying to spread about their group. Is the group there for entertainment, are they there to pass out free stuff like candy or are they trying to create an image of "service". At the International convention there may well be over a hundred people in our MD20 shirts all walking together in rows eight to twelve wide. The Hilton parade may have a half dozen from the club.

WANTED

Can you image the impact if we had twenty five or more Lions and Leos walking in town parades? This could be done. Notice could go out over a telephone tree or computer announcement for members to show up at a location like the new Hilton fire station by 5pm on Thursday afternoon. Nothing would have to be very formal but I believe it would make a positive statement on the community. We might even ask to be included in town parades where there is currently not a Lions Club.

To be part of the "group" you just need to be on the list and then participate when you can. If you know of local parades that we might be able to take part in, send me the location and time of year. If we have enough interested Lions and Leos, we may be able to apply for a Public Relations grant from LCI to purchase vests and banners to spread our message of "service from the heart". If you would be willing to be on a committee to help run this let DG Curtis know.

Lions Quest and DEA Partnership

In 2018, Lions became National Partners with the DEA to help prevent addiction among youth. Operation Engage focuses preventing a resurgence of addiction in communities hit hardest by the opioid crisis. DEA staff members with expertise in community engagement, youth development and the science of addiction provide a wide range of local programs, resources and drug free activities for youth and families. For more information on the

[DEA Operation Engage.](https://www.dea.gov/operation-engage)

“[National Family Partnership](#), formerly the National Federation of Parents for Drug Free Youth, was established as a grassroots, nonprofit organization in 1980 by a handful of concerned and determined parents who were convinced they should begin to play a leadership role in drug prevention. Since its founding thirty years ago, NFP has devoted its efforts to the well-being of youth. Today, NFP is a national leader in drug prevention education & advocacy. Our mission is to lead and support our nation’s families and communities in nurturing the full potential of healthy, drug free youth.

NFP provides drug awareness by sponsoring the annual National Red Ribbon Campaign™. Since its beginning in 1985, the Red Ribbon has touched the lives of millions of people around the world. In response to the murder of DEA Agent Enrique Camarena, angered parents and youth in communities across the country began wearing Red Ribbons as a symbol of their commitment to raise awareness of the killing and destruction cause by drugs in America. In 1988, NFP sponsored the first National Red Ribbon Celebration. Today, the Red Ribbon serves as a catalyst to mobilize communities to educate youth and encourage participation in drug prevention activities.

Euchre Tournament – Was held on October 23rd. Lion Ron Tucker, euchre tournament organizer said it was a very successful turnout. Lion Larry Lazenby arranged pizza donations from nine local pizzerias. We filled 8 tables and many of the players bought 50/50 tickets. Lion Annabelle Day created some wonderful certificates to the pizzerias.

Soldiers Wish List – The club collected Items, such as personal care bags and puzzle books, etc. for Christmas stockings for our troops.

Buckman's Car Wash tickets – The club is selling Buckman Carwash tickets again this year. They make for great gifts and stocking stuffers. Contact PDG Mike if you are interested.

Bed Project – Sleep in Heavenly Peace is an organization that works with the community to

build beds for children. The cost to host an event is \$4,000 which will build many beds. Lions of Chili Lions want to reach out to several other local Lion Clubs to see if there is an interest in participating at \$1,000 and recruiting volunteers. Working two shifts we would need 40 volunteers. If Chili were to hold an event, we would be looking at a time in April 2022.

DG Visitation-Club President PDG Lion Mike Donner introduced District Governor Curtis Burdick and his wife Lisa to the group. Lisa spoke to the club and gave individual messages of encouragement with a surprise. DG Curt spoke to the group about his theme for this year – “Serving with Passion”. DG Curt mentioned that COVID while devastating was also an opportunity to serve and help people in need. Club service projects give the Lions exposure to the community and that we should be aware of projects other Lion groups are working on and help if we can. District Governor Curtis Burdick then awarded the Robert J Uplinger award to Lion Janine Wheeler for outstanding service to the club.

CHURCHVILLE Lions Club

The combined Lions Club / Fire Department BBQ was held on Saturday August 14th in Churchville. 518 meals were served in 2 hours via drive-thru.

The Churchville-Riga Chamber of Commerce held a Ribbon Cutting Ceremony on August 14th in the village to celebrate their ten new businesses. The Churchville Lions were stationed near the Nancy Steedman Village Gazebo handing out information about the Lions' mission to village-goers.

One of the Churchville Lions Leo Club alumni is now a teacher in Buffalo, New York. Her class is mostly made up of poor immigrant students. The Churchville Lions Leo Club donated some clothes to her class to distribute to her students. Both the teacher and students were SO GREATFUL, the students felt it was like going on a shopping spree!! This is another great example of how the Leo's make a difference in their service activities. Here is the Thank You card from the class.

LUMINARIA CELEBRATION AUGUST 4TH

This year's Luminaria celebration was held on August 4th at the Village Gazebo. This event is a fundraiser for the American Cancer Society. Donors purchased luminaria bags in Honor of Cancer Survivors or In Memory of Loved Ones Lost to Cancer.

After a concert by the popular Beatles Tribute Band "8 Days a Week" 280 luminaria bags were set out for display near the Village Gazebo. The ceremony is an emotional and moving experience for those attending as family, friends and neighbors are honored and remembered. After the ceremony those who purchased luminaria bags were invited to take them home for further remembrance and reflections.

The Churchville Lions Grill Team was there selling hots, burgers, and sausage during the event and the net proceeds were added to the luminaria total, all of which was donated to the American Cancer Society. The Lions Club would like to thank all who came out to help support this event.

The most important aspect of the Youth Scholarship Program is to help a young person pursue their education and follow their dreams. The LITPC takes great pride in fulfilling the motto of Lions Club International, **"WE SERVE."** During the SightFirst II Campaign, the pin traders contributed \$144,000.00 to LCIF. Irondequoit Lions Club

At their October meeting members of the Irondequoit Lions Club inducted a new member. Held at the Town library, Donna Bott was inducted as a Lion sponsored by Lion Judy Davis and sworn in by PDG Judy MacKnight.

Lion Donna, whose husband Ed Bott was a PDG from Iowa, came to Rochester over 10 years ago. Lion Donna is very active in the community and within her church. She has been very beneficial to the club through vision screening and she has been the club's official "Easter Bunny" for many years. Being a former school teacher she loves working with children and has supported the club with help in many projects and we welcome her as a Lion.

At the meeting thank you notes for the veterans at the Canandaigua VAH were returned and Lions Karl Bloss and Bill Davis, who are both veterans, will be delivering them on Monday November 8th. in time for Veterans Day.

Also holiday cards for the residents of the Shire will be addressed and plans are in the works to adopt another family from the Irondequoit Community Center for Christmas. A financial donation was also made to the ICC for Thanksgiving. Lion Bev Bloss was given a check for Freedom Guide Dog School to be given to Jeff Butterworth. Thanks to efforts of Lion Deb Muratore, eye glasses have been picked up from Vision Works and other locations and plans are being worked out to give them to Intervol, part of RGH to be sent to Belize. Eye glass containers are back in several locations within the town and Lion Karl Bloss is checking with our new Irondequoit Community Center for the possibility of putting a collection container there.

KENDALL Lions Club

The Kendall Lions Club started their busy Fall with their annual Pumpkin Patch Hayride held at Partyka Farms. Lion Jeff Partyka and his family donated the pumpkins that were given to the families. 275 families and children attended the event. The Lions were also present that day at the Kendall Community Scarecrow Festival selling hot dogs and hamburgers. The weather was perfect and there was a very large crowd resulting in it being a successful event for our club.

A membership key was presented to Lion Candy Minigiello by Lion President Gary at our October 21st meeting. This is presented to Lions who have sponsored at least 2 people in joining our club.

Save the Date

Our Annual Winter Chicken BBQ will be held Saturday February 12th in keeping with our tradition of holding it the Saturday before the Super Bowl. Take Out Meals will be \$12.00 each and support the funding of a KCS Student Support Fund.

PDG Mike Donner joined our meeting on October 7 to present Lion Julie Bunn with the New Voices Initiative Award for Service. This award celebrates the extraordinary achievement of and contributions by women in Lions. Originally PDG Mike wanted to present Lion Julie this award on two previous occasions. And true to Lion Julie, she was not available as she was committed to others in service. PDG Mike thanked Lion Julie for all she has accomplished as a Lion, such as stepping up to be our Treasurer, organizing our program during Covid to check in on our elderly community members, organizing delivery of food, and a Board Member of Kendall Food Cupboard, to name a few.

Our annual Election Day Spaghetti dinner was a success. We served 174 dinners. The drive thru went very smoothly. We were assisted by 7 Leos. Lion Eric Maxon stepped in to chair the event when several of our regulars were unable to attend. He thanked all Lions and community members that helped throughout the day. The club was very generous in their donations (as usual) of sauce and pasta.

Medina Lion and United Way of Orleans County Executive Director Dean Bellack presented a very informative program at our November 4th meeting. He shared the mission of the United Way of Orleans County to connect people, resources, and ideas for the betterment of our community. He gave a brief background on the agencies it supports, this includes the Kendall Community Food Cupboard. The United Way provided funds for new refrigerators needed when the cupboard moved locations to the elementary school. Lion Dean spoke of how funds are raised and allocated. \$100% of funds raised remain in Orleans County. They have been able to secure two very large grants from private foundations which allow them to fund the salaries for a grant writer and fund developer for 5 years. They will also begin implementing the Orleans County Digital Literacy Initiative. He ended his presentation by sharing ways the United Way can assist our club and ways we can assist the United Way.

*Wishing you
& your loved ones
a happy, healthy
and safe
holiday season !*

The Hilton Lions Club under the direction of President Brad Helmer was able to assemble a display in the Parma Public Library in the middle of the Village of Hilton on Main Street. Facing Main Street with a 24 foot window this gives the Club an opportunity to “show off” their membership, club activities and banners and pins from local clubs. The evening lighting brings out the assorted colors of the friendship banners on display. Several groups are seeking the space but the Hilton Lions Club is usually given two weeks when they want to create a display. Many of these items are found on display in Jim’s “barn” the rest of the year.

Lions Club of SCOTTSVILLE

On August 14, the Lions Club of Scottsville held its first fundraiser since Covid 19 sidelined everyone. We held a Chicken Barbeque at the American Legion in Scottsville. The meal included ½ a chicken, beans, salted potatoes, roll, butter and a cookie/brownie! We ordered 150 chickens and SOLD OUT! What a great way to start fundraising again!

On September 4th, the Lions Club of Scottsville, cooked for the Gary Ward Hall of Fame Reception held at the Scottsville Fire Department Pavilion. We celebrated and honored Coach Ward on his Wheatland Chili Athletic Hall of Fame induction after an amazing career as the girls soccer and basketball coach. Mr. Ward touched the lives of many generations and we were proud to be a part of his celebration!
