CODE OF ETHICS

To SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To SEEK success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self -respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down others; to be loyal to my clients or Customers and true to myself.

WHENEVER a doubt arises as to the right or ethics of my position or actions towards others; to resolve such doubt against myself.

TO HOLD friendship as an end and not a means, to hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

ALWAYS to bear in mind my obligations as a citizen to my nation, my state, and my community, and to give to them my unswerving loyalty in word, act and deed. To give them freely of my time, labor and means.

TO AID my fellow man by giving sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE CAREFUL with my criticisms and liberal with my praise, to build up and not destroy.

LEO OBJECTIVES:

To provide the youth of the world with an opportunity for development and contribution, individually and collectively, as responsible members of the local, national, and international community.

LEO MOTTO:

Leadership – Develop skills as a project organizer, time manager and team leader.

Experience – Learn how teamwork, cooperation and collaboration can bring exciting changes to your community and the world.

Opportunity – Make friends and feel the rewards of community service.

LEO CLUB HISTORY:

Coach Jim Graver started the Leo ball rolling in 1957 and chances are that ball was a baseball. Graver was the baseball coach of Abington High School in Pennsylvania, USA and an active member of the Glenside Lions Club. With help from his fellow Lion, William Ernst, the first Leo club was chartered on December 5, 1957.

As the world's first Leo club, the Abington High School Leo Club created the Leo acronym – Leadership, Equality, Opportunity – and chose their school colors, maroon and gold to serve as the Leo club colors. Later, Equality was changed to Experience. In October 1967, the board of directors of Lions Clubs International adopted the Leo Club Program as an official program of the association.

The Leo Club Program has continued to grow within the last 50 years. Leos now constitutes an international network of over 6,500 clubs in over 140 countries. Community service remains the cornerstone of the program, fostering a lifetime commitment to helping others. Like their Lion counterparts, Leo club members enjoy serving their neighbors and watching positive results unfold.

**LIONS TOAST
INVOCATION AND BENEDICTION
SUGGESTIONS**

LIONS TOAST:

NOT ABOVE YOU
NOT BENEATH YOU
BUT WITH YOU

INVOCATION/GRACE:

As we commence this meeting, we pray that the true spirit of Lionism shall prevail and that the decisions made this day will confirm the aims of our Objects and Ethics. We seek to represent fairly and well those who have given us this task. May our efforts be blessed with insight, guided by understanding and wisdom as we seek to serve with respect for all. May our personal faiths give us strength to act honestly and well in all matters before us. We add prayers of healing for all those fighting illness to give them the hope and courage they need to face their battles, comfort them in their pain and bless them with healing and recovery. Bless this food now to the nourishment of our bodies and may we ever be mindful of others as we continue our Service Journey. Amen.

-OR-

Thank the Lord for all his goodness. Bless us as “We Serve”. Render to us the joy of our fellowship, and may this food sustain us in our works. Amen

BENEDICTIONS:

Lord thank you for the ties of fellowship we have shared and the renewal of our vision. We are grateful for the new, our friends and thoughts. Inspire us to pass on the benefits of this gathering to those who were unable to attend. Give us the words to challenge as we have been inspired. Protect us now as we go our ways and grant us the strength for the days and work ahead. Give us the

means for meaningful service and the words to comfort. Amen

-OR-

Gracious Lord, we give you thanks for the day, especially for the good we were permitted to give and to receive. The day has now passed, and we commit it to you. We entrust you the night, we rest in surety; for you are our help and you neither slumber nor sleep. Amen

MEMORIAL SERVICE

Remembering the service of our fellow Lions is an important tribute to their work. When a Lion passes, the following information might help celebrate their service:

- o Contact the family to inquire if they would like a Lions Service for their loved one.
- o Notify your Club Secretary and the District Cabinet Secretary and have them inform other Lions of the arrangements.
- o Download the Service of Remembrance from the District website – www.e-district.org/sites/14p - to be performed by the Club or (if requested) the District Chaplain.

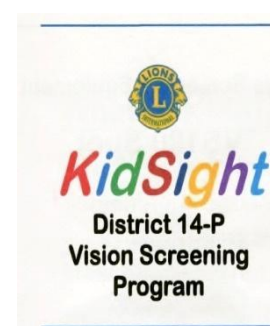

CLUB CONDOLENCES

If the above service is declined by the family, then a simple Letter of Condolence should be sent to the family – suggested wording is detail below.

The Club President or Secretary should send the letter on behalf of the Club and may make mention that a memorial donation is to be made in memory of their loved one. (Many Clubs in our District donate to the Beacon Lodge Memory Walkway).

“On behalf of Lions International and the _____ Lions Club and the community we represent we extend our condolences to you, the family of Lion _____.

We know the circle has been broken, not only in your home, but also in our Club where Lion _____ has served. He/She shall be missed in the home, in the family, in the community and in our Club.”

Introduced to our District as a District Governor Project by Past District Governor Phil Shoher (2011 – 2012). **KidSight** is an initial screening program to detect vision problems in pre-school children and conducted by the Lions Clubs of Berks and Chester Counties. **KidSight** screens with a Welsh Allyn Spot Camera designed to

work as easily with toddlers as well as with teenagers. The spot camera takes 100 photos per second of the back of a child’s cornea and retina and generates a reliable comprehensive report for follow up by an eye professional. **KidSight** has expanded its use from pre-school day care centers and schools with the addition of a **KidSight Trailer** and is available for use at Lions Club Functions,

Community Days Country Fairs and Festivals in Berks and Chester Counties. To book the Trailer for your event please contact:

for this award submitted by

14-P CLUB AWARDS

Recognizing members for their service is an essential part of Lionism. It is important to thank our members for their distinguished service to our organization and the community: Listed below are a couple of International, and Foundation Awards that can be applied for and presented to a Club Member

LIONS INTERNATIONAL FOUNDATION: MELVIN JONES FELLOWSHIP

www.e-districts.org/sites/14p

The Melvin Jones Fellowship (MJF) recognizes donations of US\$1,000. It is the backbone of LCIF, providing 75 percent of the foundation's revenue.

As recognition of humanitarian work, an MJF is an honor presented to those who donate US\$1,000 to LCIF or to people for whom a donation was made by others.

Contributions can be made by individuals (including non-Lions), clubs or districts. Donations may be in one sum, or in installments of a minimum of US\$100 over a five-year period. Melvin Jones Fellows receive an attractive lapel pin, a plaque and a congratulatory letter.

It is possible to donate and choose the MJF recipient later. Write "Melvin Jones Fellow to be named later" on the check or bank draft. When an individual's or group's personal donation(s) are accumulated for a club's or district's use to select a Melvin Jones Fellowship recipient, LCIF needs the signed consent.

LIONS OF PENNSYLVANIA FOUNDATION FELLOWSHIP:

The mission of the Lions of Pennsylvania Foundation is to assist those afflicted with sensory impairment, particularly those relating to vision and hearing. Supporting the Fellowship program is one way that the funding of these grants is secured. A Club may recognize an individual's contribution to the Club and community or years of service with a donation of \$500. This will provide the recipient with a Fellowship pin and pinnacle, which will include the recipient's name and year of donation. There are also several progressive levels available – these can be found on the website listed below.

www.lionsofpafoundation.org

PENNSYLVANIA LIONS HEARING RESEARCH FOUNDATION AND FELLOWSHIP:

This Foundation is designed to purely provide grants to assist with RESEARCH, not conservation or other assistance for the hearing impaired. Research grants are provided for researchers only in the State of Pennsylvania and 100% of donations received from the Lions of Pennsylvania is used for research and not expenses.

The success of this Foundation is dependent on the support of the Lions of our State.

A new opportunity is supporting this much needed work is a recently introduced Fellowship program named for PDG John F. Crone who served 21 years as Chairman.

The Fellowship is available at a cost of \$500 and the recipient is presented with a fellowship pin an acrylic block which will include the recipient's name and the year of donation. Application forms and more information can be found on the website listed below.

www.palh.org

BING MILLER FOUNDATION AND FELLOWSHIP:

(The Bing Miller Foundation) is dedicated to continuing to serve the people of Berks and Chester counties by continuing to build permanent charitable capital in order to enable the giving of philanthropic grants to needy individuals and families through our network of Lions Clubs that contribute to the health and vitality of their community.

There are two ways in which to support this Foundation:

- A (Bing) Miller Fellowship requires a donation of \$300 which will provide recipients with a Fellowship pin and wall plaque, which will include the recipient's name.

- The Lion James E. (Bing) Miller Charitable Foundation Knights was established later in order for an individual Lion to contribute and support this program. The cost of a Knight membership is \$100 and can be paid in four (4) installments. Once the \$100 is paid in full the recipient will receive the beautiful 'Knight' pin shown below.

- Details of both the Foundation and Fellowship application forms can be found and downloaded from the district website.

www.e-district.org/sites/14p

PENNSYLVANIA BEACON LODGE CAMP

This beautiful retreat in Mount Union, PA provides a 'safe haven' for Adults and Children with disabilities to enjoy vacation activities most of us take for granted.

There are several ways in which the Lions of Pennsylvania can support the activities of Beacon Lodge both as a Club and as Individuals.

As a Club:

- The Carl Shoemaker Fellowship was established in 2014 and so named for the founder of this Special Services Camp. This requires a \$500 donation to Beacon Lodge and the recipient will receive this beautiful medallion and ribbon.

- A club member can also have a Brick placed in their name on the recently established Governor's Green. There are 4 options to choose from ranging from \$100 through to \$1000.

As an Individual:

- Club Members can donate to the 500 Club, the idea of which is to donate at least \$5.00 per year to support the camp's maintenance. Membership to be renewed annually on October 1 each year. A Life Membership pin is given once an individual's donation reaches \$100.

Information and forms can be found on the website:

www.beaconlodge.com

LEADER DOGS FOR THE BLIND

Members of Lions Clubs International founded Leader Dogs for the Blind in 1939 and since that time have become dedicated ambassadors and loyal supporters of the mission since that time. Over 4,900 Lions Clubs both nationally and internationally contribute financially to Leader Dog.

Lions identify people in their community who could benefit from Leader Dog's services, offer assistance to our clients, and widely communicate information about our programs throughout their hometowns and districts. Lions step forward to support the people we serve in significant ways, acting as Leader Dog Chairs in their districts, as puppy raisers and hosts for our breeding stock dogs and as advocates for the community of people who are blind or visually impaired.

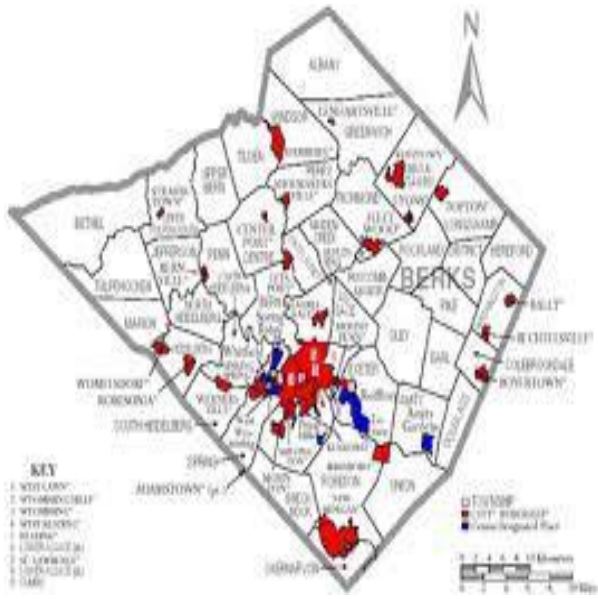

There are several ways in which Clubs and Individuals can support this worthy Foundation:

- Clubs contributing \$100 or more annually receive a banner patch.
