Dear Fellow Lions, Lionesses and Leos..... we find ourselves living in strange times indeed.

Writing this today is difficult for me..... I am, by nature, a *SOCIAL ANIMAL* and I sorely miss the company of my family and friends as well as the fellowship and service my husband PDG Steve and I share with our Lions Club friends!

I sincerely hope all of you are keeping safe and well, and keeping in touch with your fellow members, especially those who live alone. Many of you have shared the sadness you feel at having to cancel seasonal events as well as regular meetings - as indeed we reluctantly cancelled our April 25th 2020 District Convention – a decision that was not taken lightly, but in light of today’s announcement that we

need to continue our home confinement until at least the end of April it was right decision. It remains our hope that we can hold a celebratory event once this pandemic is over and we can return to near normal. In the meantime I ask you to continue to stay strong and vigilant – help our local communities where you can and use whatever means you can to keep in touch – I have included options to consider on another page of this edition.

Having said that, there are a few Constitutional Issues we need to address, along with a few housekeeping items arising from the cancellation of our District Convention. A summary of the most urgent ones are detailed below:

District Election of 2020 – 2021 District Governor and First Vice District Governor and a search for a Second Vice District Governor candidate will still be held! The Call for the election is posted in this edition of Lion Eyes and details will be sent to all Club Presidents and Secretaries in the next few days.

Club Elections must still be held and new Officers listed on MyLCI by April 15, 2020 – we have received advice from LCI on how they can be conducted, and I will be issuing those guidelines to all Club Presidents and Secretaries in the next few days.

District Fundraiser Raffle – for those who purchased tickets please make sure you forward monies and stubs to Lion Barbara Smith as detailed in your ticket packet. This Raffle will still take place – at this time we believe the drawing will take place at the **District Cabinet Meeting – Saturday May 23, 2020** at the Henrietta Hankin Library, Chester Springs – this gives a little more time to get all 100 Tickets sold!

District Basket Raffle – many of you have written asking if refunds for sold tickets should be returned to the buyer and unsold tickets returned. Well, since we are going to plan for another event later in the year, I did ask Clubs if they would consider having a Basket Raffle at that future event and most said yes! The choice is for your Club to make.

Please do not hesitate to contact me if you have other issues that need addressing!

Stay strong, stay safe and this too will pass.

In Service and Friendship - DG Marilyn

From the 1st Vice District Governor Art Pecht

There is no I in team

Everyone should know this. I would like to take a look at something that happen in our district recently.

There was an article in Saturday *Reading Eagle* about a young man that had life give him a bad turn. This is about Brandon Warbington who was in a car crash that left him paralyzed when he was 4. He is completely dependent on his parents. His mom died in 2015 in steps his dad Arron. Brandon needs around the clock care of which his Dad and his fiancée Cindy Cartwright provide when the nursing care leaves for about 8 hours per day. Brandon attends Reading Central Middle School. They have to get his 230lbs of equipment down a make shift ramp and when he gets to school he sits in a chair that is too small for his size. The proper chair will cost \$2000.

After seeing this article in the paper PDG Charles Finney reached out to ZC Patrice Crammer. Who reached out to several Lion Clubs, she got them to donate \$500 each to Brandon. The clubs were Spring Township, Exeter Township, Mohnton-Cumru and Shillington. Several other clubs are considering make a donation to the family.

Then she reached out to the Bing Miller Foundation for the rest of the money. The foundation gave up to \$5000 if needed.

THAT IS A GREAT STORY AND TEAM EFFORT.

The word TEAM stands for Together Everyone Achieves More. GREAT JOB TEAM.

Please stay safe looking forward to getting back to normal in the near future.

Greetings Fellow Lions,

There is not much I can add to our current Covid-19 pandemic that you haven't seen or read. I will leave that to our healthcare professional , news commentators, and politicians.

This is what I can share with you.

“In the best of times, our days are numbered anyway. So it would be a crime against nature for any generation to take the world crisis so solemnly that it put off enjoying those things for which we were designed in the first place: the opportunity to do good work, to enjoy friends, to fall in love, to hit a ball , and to bounce a baby. “ – Alistair Cooke (1908-2004)

Lions Clubs International Foundation

I hope you are all well. We have all canceled our club meetings and our District Convention, but the state convention in mid-May is still scheduled.

LCIF is continuing to serve and recently gave a \$350,000 grant to support local medical and emergency management work in Italy which is leading the world in deaths due to coronavirus. I spoke with our Area Coordinator Bob Browning from West Virginia a few minutes ago and he told me that the LCIF Board of Directors is meeting soon and may have some more grants to announce.

Our foundation is accepting donations for coronavirus support through the general disaster relief fund.

According to the myLCI report that I looked at today, our District 14P has donated \$12,237.16 to LCIF so far this year. This is only half of the total donation last Lions year. We have 22 of our 40 clubs participating which is the same as last month. Reporting of donations may be delayed because much of the staff in Chicago are working from home.

This is a bad time to ask for donations, but like I said, LCIF is trying to support efforts to combat this virus and needs our help. I hope that as we go into the last quarter of this Lions year, we can pick up our support and get back to at least what we donated last year.

Thank You.

"How do we Meet and Communicate during this Pandemic"

- Connect with every member; either by phone, e-mail, letter or a video conference to inform them that Lions are alive and well and that we want their participation. Remember older members who may not have the technology or ability to use some of this technology.
- At the club level, develop a list of members who can contact everyone. Then, divide that list among several club members and ask them to make weekly contacts to check on their group. Consider the same at the District level with the Zone Chairs continuing connections to the clubs.
- Hold a Zone Meeting via video to see how clubs are doing and how they are
- Establish technology experts in the District and Clubs to help train others remotely on the use of the technology.
- Consider a Technology Leader at the District level to help coordinate all of this and train the trainers.

Electronic meeting options

- Zoom - \$14.99/month, includes video option and can be used on a phone, tablet or PC.
- Zoom Discount for 501(c)(3) -- <https://www.techsoup.org/zoom>
- Skype - 50 members
- Some have options for recording (useful for the secretary)
- Use screen sharing for visuals
- Use face to face opportunities to better connect
- Look at options for voting on motions

Online Meeting protocols

- Ensure that everyone has a chance to talk
- Use raise hand option
- Call out to "quiet" members
- Continue good meeting practices - agendas, time limits, etc

Connecting in other ways

- How to include those without devices - look at dial-in options
- MailChimp to stay connected (look at automated birthday options)
- Consider post cards (meeting reminders, connecting with non-digital members)
- Survey Monkey

SENIOR CORPORATE COUNSEL

LEGAL DIVISION

Dear Lions Leaders,

As global concerns surrounding the Covid-19 virus (“Coronavirus”) expand and world governments take steps to minimize the spread of illness, many districts and multiple districts are inquiring about the obligations and the challenges in holding constitutionally-mandated conventions. LCI understands those concerns, and supports the efforts of districts and multiple districts to ensure the safety of our Lions convention attendees and the community at large.

For districts and multiple districts in areas that are unaffected, and who are able to safely conduct normal business, we recommend that conventions be conducted as planned, but that you continue to monitor the situation in your respective districts.

For those Lions Districts (single, sub- and multiple) that are located in countries where government restrictions are limiting the ability of the district to conduct elections, or where public gatherings are being discouraged in order to protect the safety of citizens and minimize the potential spread of illness, please be advised that alternative methods for conducting the requisite elections, and conducting voting on any resolutions that are not able to be postponed, will be permissible if district conventions cannot be held in person.

Many of the provisions of your district’s constitution and by-laws must still be applied to conducting elections, including the following:

- a. Issue an Official Call detailing the time, date and location of the convention
 - i. If not being held in person, the official call must indicate
 1. the manner in which voting will be conducted,
 2. when outstanding dues must be paid in order to be entitled to delegates,
 3. when elections will end and ballots must be received (or postmarked if by mail) in order to be considered valid
 - ii. District must be able to provide evidence sufficiently demonstrating that all Lions Clubs in the district received the necessary information
- b. Nominating Committee must be named

SENIOR CORPORATE COUNSEL
LEGAL DIVISION

- i. Candidates must submit their intention to contest for a respective office, and the nominating committee shall validate candidates as provided in the district's constitution and by-laws

- c. Credentials Committee must be established
 - i. Committee must verify club delegate credentials and ensure that only those clubs entitled to delegates are permitted to vote
 - ii. Committee must ensure that those clubs eligible for delegates receive formal ballots for voting purposes

- d. Elections Committee
 - i. Committee is responsible for establishing the ballot format and other election materials, vote tabulation and resolving all questions concerning the validity of individual ballots
 - ii. Vote tabulation must be conducted in the presence of the full elections committee, including each candidate-appointed observer

We strongly recommend that all districts seek to comply strictly with the International Constitution and By-Laws and mandatory provisions of the Standard District Constitution and By-Laws in order to minimize the likelihood of an election complaint being filed.

However, please note that all actions taken in good faith by a respective district in an effort to ensure a free and fair election will be taken into consideration in the event a formal election complaint is filed.

If you have any questions, please contact the Legal Division at legal@lionsclubs.org.

Kindest regards,

David Kingsbury

From International Lions Headquarters

We Serve

Dear Lion,

The Board of Directors has voted to cancel the 2020 Lions International Convention due to concerns about the coronavirus (COVID-19). This means that the next International Convention will be held in 2021 in Montreal, Canada.

After evaluating a variety of different options including moving the convention to a different venue or postponing the convention to a later date, the Board of Directors voted to cancel the 2020 convention. This decision was made with the health and safety of our Lions, staff and vendors in mind.

Canceling the International Convention for 2020 impacts international officer continuity and candidate elections. After review of the International Constitution and By-Laws, this impact is outlined below:

- **Executive officers and international directors will continue in their respective positions until the 2021 convention in Montreal. All candidate elections for these positions shall comply with the provisions of the International Constitution and By-Laws for election at the convention in Montreal.**
- An international director from the areas of Africa and Australia, New Zealand, Papua New Guinea, Indonesia and the Islands of the South Pacific is permitted only in even-numbered years. As a result, no director from Africa or Australia, New Zealand, Papua New Guinea, Indonesia and the Islands of the South Pacific would be eligible for election until the 2022 convention.
- Barring any district election complaints, district governors, first vice district governors and second vice district governors elected during a convention of their respective districts will be accepted by Lions International. The International Board of Directors intends to authorize commencement of the DG terms beginning July 1, 2020.

We are disappointed that we will not be able to move forward with this international event, but we are optimistic that with each new day there is hope, and as Lions we will continue to find new ways to put our kindness in action while safely serving our communities.

Regards,

Dr. Jung-Yul Choi
International President
