A Message from District Governor Gary Hilbert

Happy Springtime,

The weekend of March 11-13 found 3 of our 14P District Lions snug as a bug in a rug at the Regional Lions Leadership Institute (RLLI) held at Red Lion hotel in Harrisburg, Pa. What is RLLI? -A highly concentrated, fast paced, long weekend of instruction designed to train potential Lion leaders that are committed to seeking positions of leadership throughout Pennsylvania. This includes club, district and state levels. Our district was represented by Lions Paula Hilbert and Geoff Littlefield of Boyertown LC and Lion Mike Hepner from Lionville Cyber Club. I asked them to share their experience with our district lions. Here is what they said:

Lion Mike-"RLLI was a great experience in that you learn and develop leadership skills that not only benefit you as a Lion but also outside the organization as well. You network with like-minded individuals and create friendships that will last a lifetime. I definitely recommend RLLI to anyone interested in becoming a leader within Lions."

Lion Paula-"We learned many things from time management to goal setting. It was very educational. We shared ideas and learned from each other. It was nice to see both seasoned and newer Lions working together in an encouraging environment. We had nice rooms and the food was plentiful. For anyone interested, I highly recommend as you will meet Lions and make new friends."

Lion Geoff-"This was my first experience with a weekend away with the Lions so I wasn't sure what to expect. The weekend was filled with food, merriment and learning. Strangers who became friends and some familiar faces. The hotel staff was very accommodating. The instructors kept us informed and entertained while educating us on being a better Lion. Some of us performed skits which helped us understand club dynamics better and how to handle problems. Interested in continuing my Lions education."

If these testimonials have picked your interest, you too can be a part of RLLI weekend next year. I will share the registration information when it becomes available later this year. By the way, our district pays for the tuition so there is no out of pocket cost for the event. All you need is transportation to and from the hotel.

Our district convention is coming up soon. You know spring is here when it's convention time. I hope to see many of you there. We have a full day planned. I'm delighted to announce our keynote speakers will be our very own PCC Marilyn and PDG Stephen Wagner. They will be sharing a message of service. Please participate in our food drive service project. See complete details in this issue of Lion Eyes.

Also another rite of spring... It is club officer election time. Thank you club secretaries for keeping up your club rosters up to date on MyLCI. The number of drops this year tells me there is a lot of cleaning house going on. Another important detail is entering your new officers for 2022-2023 lions year. Even if they are repeating, you still need to enter them for next year. This is much appreciated. If you need help, District Administrator PCC Marilyn Wagner, District Membership Chair Lion Matthew Hensinger, District Service Chair IPDG Art Pecht and myself are available to assist.

Yours in Lionism, DG Gary **WE SERVE FROM THE HEART**

A Message From 1st VDG Chrissy Smaltz

Dear Fellow Lions,

Well, winter is finally over! Hello Spring. We are coming up on our District convention on April 9th, we are hoping for a great turnout. This has been a long Lions year with Covid still impacting some clubs that are still meeting via zoom, while other clubs are meeting in person. I want to thank the clubs that I have had the pleasure of visiting so far this year, and apologize to the clubs that I have not been to yet, but I will soon. DG Gary and I have been very busy with meetings, and trainings for the upcoming Lions year to make it a great year for all our Lions. I want to encourage all club officers to please take advantage of the great training in My Lion learning tab, also there is great training in Lions University, please take advantage of these trainings. Our 99th State convention is coming up in May, and also the 105th International convention will be in June. I hope you can come and enjoy all the amazing programs that will be available to you. I am looking forward to a great upcoming Lions year, and I know with the support of all clubs in our district we are going to do great things this year.

Thank you, 1st VDG *Chrissy Smaltz*

The Hamburg Lions are cleaning out their storage garage and have quite a bit of float making supplies that they are looking to get rid of. Pictured are several large pieces and several boxes of misc. items.

Anyone interested, please call or contact ASAP– or they will be thrown away this month!

You may subtract \$225 from the prices listed above for individuals who will not register for the LCI Convention. PLEASE NOTE - At least one registered convention attendee must occupy each room we reserve in our Montreal Hotel.

All participants on this trip will need a VALID PASSPORT to cross the border. THE PASSPORT MUST HAVE AN EXPIRATION DATE AFTER SEPTEMBER 29, 2022. Under current guidelines, anybody crossing the border into Canada MUST BE FULLY VACCINATED, SHOW THEIR VACCINATION CARD, and PROVIDE PROOF OF A NEGATIVE COVID-19 TEST within 72 hours of entry. We will continue to monitor these rules and provide updates.

We MUST HAVE at least 30 people register for the trip by JANUARY 20, 2022, to cover the deposit for Wolf's Bus Lines, which will hold our bus and our hotel rooms in Alexandria Bay. We MUST HAVE at least 40 people register by FEBRUARY 28, 2022, to confirm the trip. If we do not have 40 registered by that date, those who have registered will decide if they are willing to pay an additional fee for the trip.

If we can get 40 people to sign up for the trip by JANUARY 7, 2022, those who are registering for the LCI Convention will get a \$50 discount in their registration fee. If we have 50 or more people sign up by February 28, 2022, everyone will receive a \$50 discount on the price of the trip.

Nobody will be registered for the LCI Convention until we have at least 40 people signed up for the trip or until a group of less than 40 decides to move forward with the trip for an additional fee.

Trip insurance is available through Wolf's Bus Lines. Insurance must be purchased within 14 days of registering for the trip in order to cover cancellation due to a pre-existing health condition. This insurance will cover cancellation due to COVID-19. Participants are advised to include the cost of their hotel room in Montreal in the amount of insurance coverage they purchase. Call Wolf's Bus Lines for more information: 717-528-4125 or 800-692-7804. Dial extension 211 and ask for Kristen.

This trip is open to Lions from other districts. We will be traveling along Interstate 81 from Harrisburg, PA, to Collins Landing, NY. If interested, we invite Lions who live close to Interstate 81 to contact us about the possibility of joining us on our trip to Montreal.

From International President Douglas X. Alexander...

Dues Adjustment Resolution Will Be Voted on at 2022 International Convention

Dear Lion,

Lions Clubs International supports clubs and members around the world so we can advance our global mission of service together. Our international support and the work of Lions Clubs International is fueled by the international dues of our incredible members.

In recent years, it has become increasingly clear that the services Lions Clubs International has been able to provide to members with the available budget is no longer in line with what Lions need and expect.

The International Board of Directors voted in October 2019 to approve an international dues adjustment resolution that would be voted on at the 2020 International Convention, but it was postponed due to the cancellation of our 2020 convention and the move to a virtual convention in 2021 as we adapted to the pandemic. *The new dues adjustment model will be voted on at the 2022 International Convention.*

The Board of Directors undertook an extensive review of Lions Clubs International's financials, including the implementation of substantial budget reductions. After much consideration, the board proposed to adjust dues \$7 over a three-year period.

Under the proposal, international dues would be adjusted according to the following schedule:

- \$3 increase on July 1, 2023
- \$2 increase on July 1, 2024
- \$2 increase on July 1, 2025

Why an international dues adjustment is needed

We realize the association has been reluctant to adjust dues over the years, and we have not adjusted international dues since 2011. The proposed adjustment will help cover our costs and allow us to suitably serve our members' needs. With that said, the Board of Directors did not take this issue lightly, nor are we minimizing the value of each dollar that our members contribute.

As we consider this dues adjustment, it is essential that we keep in mind that our global efforts and initiatives support more than 1.4 million members in 50,000 clubs around the world. Through the support of staff, we are able to serve globally on the level that we do, keeping members and clubs fully supported with service resources, training events and software, club operational support, hybrid convention, international meetings, language services, technology, Foundation support, leadership support, and everything else we have come to expect as Lions.

A dues adjustment will allow Lions Clubs International to provide improved support to Lions and to continue to invest in improving programs and digital products such as our website and MyLion. It will also allow us to invest in new programs such as the Learning Management System (LMS), development of new curriculum such as digital literacy, training videos, global advertising, marketing automation, digital and video storytelling and other tools and initiatives that will enhance our impact, our brand, and our membership.

Why your help is needed

Essentially, we have to decide whether or not we want Lions Clubs International to continue to grow and thrive. Lions is more than a way of life. It's also an investment of money, time, energy and passion. As with any good investment, the more we put in, the more returns we see.

For more information on this go to: [international dues adjustment FAQ and PPT](#).

I hope that you will see this adjustment as we do: as an investment in the future of Lions. Through your support, we can ensure that Lions are positioned for success in the future.

Yours in Service,

Douglas X. Alexander
International President

Lions Clubs International FOUNDATION

I am happy to tell you that my home club, the Bandon Lions Club, has agreed to become a model club. We submitted the commitment form on February 28th. At that point, we had 39 members, so we need to get to a total contribution (since 2017) of \$19,500 to reach the commitment. We have three years to pay the approximately \$6000 left. We are confident that through club donations for Melvin Jones Fellowships and personal donations we will make that commitment.

We are the only club in our District 14p which has committed to being a model club. A couple other clubs are close to being able to be a model club. If any club is willing to become a model club you would need to fill out the commitment form by this June 30th, and then would have another three years to raise the \$500 per member average.

Our Campaign 100 chairman, PIP Dr. Jitsuhiro Yamada, reports that as of March 15th, we have raised \$265,790,364 worldwide and have until June 30th to raise the balance in cash and pledges. We had 4459 model clubs as of that date. Also, as of March 15th, 951 grants have been awarded during this fiscal year for a total of \$27,943,842. Thank you for helping LCIF reach this level of service.

Our Foundation Friday webinar on March 18th was titled "Why I give what I can to LCIF". It featured two videos on service projects supported through our foundation. You can find this video at lionsclubs.org/virtual.

Please donate to LCIF through your Lions Club and individually by the end of the capital campaign on June 30, 2022. Thank you.

Eyeglass Recycling Report

Both the months of December 2021 and February 2022 are very busy months for the Eyeglass Recycling committee.

On Dec. 3, PDG Dave picked up 650 pairs of eyeglasses from Coatesville Lion Bob Moskel.

Zone Chair Lion Toby had set up December 4th for all of her clubs to bring their collected glasses to the West Goshen shopping center. PDG Dave and I were there to collect the glasses.

Eagle Glenmoore Club turned in 2,600 pairs of glasses.

PBM Club turned in 1,900 eyeglasses, 299 sunglasses, and 875 single lenses

West Goshen also donated glasses (however, I am not sure how many).

After leaving the West Goshen shopping center, PDG Dave and I stopped by and picked up 1,200 pairs of glasses from the Kennett Square Lions Club.

I have also received correspondence from Lion Peg about glasses from West Goshen Lions Club. She has many boxes with glasses, but they are not counted yet.

If I have missed any of your Clubs that gave us glasses, please let me know. It seems like we received glasses from other clubs, as well.

On Feb. 4, I received notification from Senator Carolyn Comitta. She has committed herself to helping with the collection of used eyeglasses. She has an eyeglass drop-box in the atrium of her office at 17 E. Gay Street, West Chester, PA. Her notice seems to indicate that these glasses may be used locally. However, this is not the case. Due to Federal and State laws, we are prohibited from giving glasses to residents of the U.S. That being said, we still want her office to collect used glasses for us. Can anyone who lives closer to West Chester, keep an eye on the location, and pick up glasses as needed?

I will also be in touch with Senator Comitta to explain how the recycling program works. Perhaps we can also get some of the laws changed, so that we can use the donated glasses for people in our own country.

Thank you, Zone Chairs Lions Toby Gelman and Tracey Melia, as well as Lion Linda Long for forwarding the information to me.

On Feb. 10, PDG Dave met Noble Woodall in Parkesburg and picked up 10 Boxes of glasses from the Kimberton Lions Club, about 2,200 pairs of glasses.

Respectfully submitted,

PDG Dave and Lion Linda Sampson

Lion Minerva Hoppes, for the past five years has been helping Alzheimer patients. Minerva creates Twiddle Mats by using soft crocheted mats and attaches once familiar objects, such as a watch, chain, zipper, etc. She also creates a binder from calendar pages to form visual aids for the patients.

Minerva has shared her mats with family members of those afflicted with Alzheimer's and she even had one of her mats shipped overseas!

When speaking with Minerva, you can feel the passion she has for what she is doing and for those she works with – trying to make a difference in an ill person's life is the best medicine. Unfortunately, the number of Alzheimer's patients has grown over the years; hopefully this is one disease we can find a cure for in the near future.

Thank you Minerva for your dedication!

What is Elder Abuse?

Elder Abuse is a term used to describe any knowing, intentional, or negligent act by a caregiver or any other person that causes harm or a serious risk of harm to a vulnerable adult. Elder abuse can come in various forms:

Physical/Sexual Abuse

Hitting, pushing, kicking, punching, pinching, biting, unnecessarily restraint, intentionally causing pain, intentional misuse of medication, sexual abuse/exploitation, etc.

Verbal Abuse

Calling names, put-downs, making fun, embarrassing/humiliating, criticism, etc.

Emotional Abuse

Threats of harm or abandonment, manipulation, mind games, gaslighting—making you feel crazy, isolation, non-communication, intimidation, control, etc.

Financial Abuse

Pressure to make or making undue changes to legal, financial documents, theft of or withholding of funds, identity theft, etc.

Neglect & Self-Neglect

Deprivation of basic needs: food, water, housing, clothing, hygiene, medical care, emotional/social engagement, etc.

Self-Neglect involves an older adult, living independently, who is unable/unwilling to care for themselves leading to an environment threatening to health and safety.

Risk Factors for Elder Abuse

There are some factors that can put an older adult at increased risk for experiencing abuse including:

- An adult child who is still dependent on their older parent for financial assistance or housing—especially in cases where the adult child suffers from mental illness or a substance abuse disorder (addiction).
- A history of domestic violence in the home or family—as families grow and age, present problems of domestic violence often continue.
- Living with others in isolation—prevents likelihood of reporting of abuse.

PA Statistics on Elder Abuse

In national statistics, 1 in 10 adults 60+ have experienced some form of abuse. In Pennsylvania, since 2016, we have seen a **32% increase** in number of reports of elder abuse—with a **38% increase** in substantiated, or proven, claims of abuse.

- The age group most reported to be in need of protective services in PA were those between the ages of **81—90** and **almost half** of them lived in their own homes.
- **46.8%** of perpetrators of abuse were between the ages of **30—59** and **16.7%** were identified as family members.
- The most common substantiated forms of abuse were: **self-neglect, caregiver neglect, financial exploitation, physical, and emotional abuse.**

Reporting Abuse

In the state of Pennsylvania, if you work with and suspect abuse of an individual over the age of 60—you are mandated to report it to the appropriate authorities.

PA Statewide Elder Abuse Hotline

1-800-490-8505

- If you believe an adult is being abuse and their life is in imminent danger, call 911 immediately! Then report directly to protective services.

To make a report you may need to know:

- Age of the victim
- Address of the victim
- Victim's level of physical/mental capacity
- Date of the incident
- Whether or not there are weapons present in the home, if there is a history of drug/alcohol abuse or domestic violence in the home.
- How the alleged perpetrator might react to a worker coming to the home
- What the best times to visit may be

abuse is a crime.*

PTCP Trading Post

March 2022

President's Message

Greetings to all Lions and Fellow Pin Traders.

I hope that all pin traders got through the Holiday Season and that are in good health.

The Circus and Carnival Series will be winding down soon, a new series is to begin with so many great choices to choose from. There should be a lot of pins that can be designed in the new Agriculture and Gardening series starting at our Alternate Swap Site in Williamsburg Virginia.

The PTCP venue changed this year from York to the Red Lion Hotel in Harrisburg. We had a great turnout with around 85 tables in use for the swap and around 75 registered pin traders.

My presidency of the PTCP comes to an end soon, how fast the time went. I enjoyed serving as the President for the past two years.

We are hopeful that the PTCP will continue to grow their membership and am looking forward to the fellowship. Will see everyone at future swaps.

In closing I hope that everyone is in good health and has good fellowship in pin trading.

PTCP President Mike Fenicle

PTCP Officers:

President: Mike Fenicle
Vice President: Jason Radmann
Secretary: Lana McCaulley
Treasurer: Kay Shatzer

At the breakfast on Friday morning the Pennsylvania Pin Traders presented LITPC President Steve Sherer with a check for \$650.00 for the Sight First Campaign.

The swap had seventy-five attendees with seventy-nine 8 foot table full of pins. Lions from Canada, New Hampshire, Connecticut, Massachusetts, New York, Virginia, North Carolina, South Carolina, Georgia, Mississippi, Kentucky, Ohio, West Virginia Missouri, Oklahoma, California, and Washington were in attendance.
