

## Shartlesville Lions Club

Doug and Liz Graybill of Veterans Making A Difference, a non-profit based in Reading, shared their story of outreach to Veterans at the Shartlesville Lions Club this month.

Both are Veterans themselves and they are “passionate about Veterans.” That outreach is over 20 years in action.

In their work they touch the lives of veterans of “6 war zones.”

That outreach includes providing meals, a food pantry, a place to meet with other veterans, and help with getting veterans benefits, as well as hands-on help. They are now located at the Hope Mission complex.

The club members were so appreciative of the work that they gave the duo a donation to help them in support of their services.

## The Eagle-Glenmoore Lions Club Donates to The Lord's Pantry & Downingtown Area Senior Center

The Eagle-Glenmoore Lions Club donated proceeds from their 20th Golf Outing held on October 10, 2018 at the Downingtown Country Club to two local service groups.

At a club meeting on February 15, 2019 Eagle-Glenmoore Lions Club President, Jean Thomas presented a check in the amount of \$1000 to Al Brady, President on the Board of Directors for the Lord's Pantry of Downingtown. The Lord's Pantry of Downingtown has been in operation for over 50 years. It

is a non-profit and remains 100% volunteer since its inception. It currently serves 700 registered families in the Downingtown School District. In addition to providing food, the Lord's Pantry also has ongoing distributions throughout the year to provide school supplies, sneakers, summer lunches, Thanksgiving baskets and Adopt-a-Family at Christmas.

After lunch at the Downingtown Area Senior Center (DASC) on January 17, 2019, Eagle-Glenmoore Lions Club President, Jean Thomas, along with three Lions Club members presented a check in the amount of \$2000 to Muriel Kennedy – Executive Director of DASC, towards future growth. DASC offers seniors of the Downingtown Area, and greater Chester County, the opportunity to socialize, participate in classes and clubs, receive assistance, and enjoy a warm meal at noon every weekday. The numerous programs and services are designed to encourage an active and healthy lifestyle.

**The next fundraiser for the Eagle-Glenmoore Lions Club is the Annual Spaghetti Dinner on March 9, 2019 at St. Elizabeth's Social Hall in Eagle, PA. The proceeds will benefit our local volunteer Fire Companies: Glen Moore, Ludwig's Corner, and Lionville. To purchase tickets, call 610-942-4123.**

**Cassie Wyatt is senior at Avon Grove Charter School.** Next year she is entering a program for Occupational Therapy and pursuing her Doctorate's degree. Her passion to pursue occupational therapy began freshman year when she co-founded a robotics team for children with special needs. The team consisted of three kids with different abilities, strengths, and personalities. Throughout the first year she was talking to one of the boys on the team and his older sister (who helped form the team) about his life and living with Cerebral Palsy. His sister told Cassie about his Occupational Therapist who helped design braces for him, allowing him to walk. From that moment she knew what she wanted to do with her life.

Over the past year, she has volunteered at the Barn at Spring Brook Farm. The Barn is a place where children with disabilities can take care of farm animals in order to develop social skills, as well as gross and fine motor skills. With the Barn, Cassie has worked with many children ranging in age and ability. For most of the year, she volunteers multiple times a week, and this last summer she volunteered for four weeks, five days a week at a summer camp at the Barn. Last summer Cassie also spent 8 days in Rochester, New York volunteering at a sports camp for visually impaired children, Camp Abilities. She was paired with a child and she worked with her to overcome some of her challenges and not let her lack of vision cause her to be left out. This camp is extremely beneficial to the students and the counselors because of the community created over those 8 days. This was truly one of best experiences she has had and truly helped her know she was prepared for college and Occupational Therapy was the right path for her.

**Kyle Shah has been named the Avon Grove Lions Club Student of the Month for January from the Avon Grove High School.** He is the son of Mrunal and Malini Shah of Lincoln University. Kyle's list of school activities includes AGTV, Computer Science Club, Cross Country, Indoor Track, Robotics and Student Council. Kyle has been active in the community by providing student consulting with the Avon Grove Education Foundation. Kyle's list of honors includes First Robotics (2015, 2016) and he has achieved Honors, High Honors and Distinguished Honors throughout High School. Kyle plans to attend DCCC for his first 2 years of college and then transfer to West Chester University to complete his B.S. in Computer Science focusing on Web Development. Teachers he has most been influenced by are Mr. Childs, Mr. Jones, Mrs. Penn, Mr. Terrizzi and Dr. Zook.
