From the Governor Marilyn Wagner

The month of January was, surprisingly a fairly quiet one for me.....most of my Club visits are completed and thoughts are already turning to our Lions Year of 2020 – 2021, however, having said that I must make mention of a wonderful evening I spent with the Leo's of Avon Grove High School this past week – I was invited by Leo Club President Joshua to complete his vision of having the first Installation of Officers and Induction of new members for some time. There were many parents in attendance and a special video had been put together to show them what this

Service Club was doing. It was also an evening where I discovered that this Leo Club Chartered almost 20 years ago and that he was proud to be the third member of his family to hold the office of President. I confess that I am in awe of the splendid projects all of our Leo Clubs are involved in – the wonderful service these young adults either assist our Clubs with, or act on independently is amazing and we should not forget the reality of these fine young men and women being our future - and should be encouraged at all times. I am hoping to share more of the recently introduced Leo Lion Clubs program with them over the course of the remainder of this Lions year - an opportunity for graduating Leo's who are not heading to College to form their own Young Leo Lions Club and continue their service beyond High Schoolor you could simply join us at our District Convention at Trinity Church in Boyertown on Saturday April 25th 2020 to discover more!

Steve Jobs said "Let's go invent tomorrow instead of worrying about what happened yesterday"

I attended a couple of webinars this week too - one that really wowed me was called "Technology – Embracing MyLion and Lions Learning Center" Huge shout out to PID Jerome Thompson and LCI's Liz Huskey for detailing the recent updates – you could not help but be excited at their enthusiasm and clear explanation of what was New and Improved!

I am also happy to report that we have a number of our Lions who will take part in our upcoming Certified Guiding Lion Workshop on Saturday March 7th, 2020 at the offices of Good Life Financial – the flyer is in this edition and there are still a couple of places available if interested.....just contact either PDG Carl Gundrum or myself to join us on that Saturday - as I hope to emulate the second webinar of the week "How to Host an Exceptional Certified Guiding Lion Training" – you can be the judge if you attend!

In closing I would like to thank all of our Clubs who participated in the Four Diamonds 'Pringles Challenge' I have been very pleased to hear from you and the generosity of your members.

I am not sure how many of you follow the Lions Eye Bank of Delaware Valley on social media, but over the Thanksgiving holiday they had some interesting posts that the local new media even pick up on.

They have a fairly new employee named Alex Cummings. She was following a post on Instagram about Simeon a young man who lives in Jamaica that lost his sight in his one eyes 10 years ago due to industrial accident. She found out that he needed a cornea transplant. She asked the CEO Lion Jim Quirk if the eye bank could donate a cornea. He said YES. Alex then made arrangements for a doctor to fly in. She and recovery technician Greg Dorn then flew down with 2 corneas. They took 2 corneas in case there was a problem with the first one. Don't you love when a plan comes together as it did. After several day Simeon was feeling better then he had in the past 10 years and his vision is steadily improving. The 2nd cornea also was used on another person in need.

This happen because of your generosity and the Eye Bank Gratis Program.

From the 2nd Vice District Governor Gary Hilbert

Congratulations to our District 14P clubs who recently experienced a growth spurt. Because of your recruiting new members our District finished the half year mark with a positive number despite the December drops.

Another feel good story is happening in our neighboring District 14U. Minersville Lions Club recently held a reorganizing meeting with newly elected Officers and several new members. They were on the brink of disbanding. A plea sent out by a past Officer over social media to the community to save the club. People responded.

What really amazes me is the timing of all this. These events all happened during the "busy Holiday season". Between the decorating, shopping and parties etc some very dedicated Lions found time to increase their service footprint. Who will be the next 14P club to buy a bigger pair of shoes?

Sincerely, SVDG Gary

This month I will begin with a little about our LCIF efforts in Australia and Puerto Rico. As you know, when disasters strike as have occurred in these two areas, LCIF is there with help very quickly.

A report that I saw in early January said that LCIF grants of \$143,000 had been given for disaster relief due to the Australian bush fires. Of this \$103,000 had been awarded for water tanks and there were four, \$10,000 emergency grants awarded in different areas of the country. A January 20th, Face Book post from LCIF said that the amount granted was now \$343,000. The post did not indicate a

breakdown for the grants given.

Another January 20th Face Book post focused on one city in Puerto Rico where tremors were continuing. Thousands of people have been displaced and are living in tents, because their houses are unstable. Our Lions Clubs, with the help of LCIF, are assisting with both short and long term needs.

The Face Book post reported that one family in Puerto Rico had been in their house for 28 years. They did not have any damage from hurricane Maria but the recent earthquake had destroyed their home. They spend nights with family, but sit outside their ruined home during the day to protect it from looters. When told that the Lions Clubs would help them recover, they were very appreciative.

My report to our state LCIF coordinator for the month of December indicated that 17 of our 40 Lions Clubs in 14P are now participating in donating to LCIF. This was an increase from 13 clubs that I reported to you in the January issue of Lion Eyes.

At the end of December, our District 14P had cash donations of \$7575 and another \$1940 in pledges. This is an increase of \$1375 from the end of November. Another report that I saw indicated that we have had \$2350.50 in donations from individual Lions so far this year.

Thank you for your donations in the first half of our 2019-2020 Lions year, especially individual Lions Club members who have donated as I have been asking in my club visits. However, our total raised or pledged so far is only 17% of our goal for the year of \$56,281. So I encourage all of our District 14P Lions Clubs and as many of our individual members as possible to donate to LCIF before the end of June.

The Bally Lions Club recently partnered with Boy Scout Billy Geiger from Troop 291 Sassamansville, Pa. to build a hospital equipment storage building. Scout Geiger used this project as his Eagle Scout Project. He conceived the project, help raise funds, organized work crews, and attended planning meetings. The Bally Lions put over 500 man hours in to the projects construction. Lions of Pennsylvania Foundation donated \$5000 to the cause.

The Club plans to store hospital beds, wheel chairs, walkers, commodes, shower chairs, crutches and canes that it loans free of charge to the community. The building is located in the community park, next to the community walking trail which was the clubs legacy project in 2017.

Dear Lions, Lioness and Leo's of District 14 P,

This is the time of the year that we ask for your individual support of the Beacon Lodge 500 Club for 2020 this is an opportunity for each member to make a personal contribution of **\$5.00 or more** to Beacon Lodge to help with the much needed maintenance and repairs at the camp.

As you know we no longer receive any funds from the State so this makes your personal donation more important than ever. Each year as the camp gets older there are always additional needed repairs. This year we need to redo the Waste treatment system, purchase a van to be used to transport campers as well as several other much needed improvements.

This is a very important fund raiser, and we encourage all clubs to consider 100% participation. This is one donation where you can actually see you money at work.

Once again the children and adult campers thank you for your continued support of them. Without the Lions, Lioness and Leo's they would not have a summer camp. Also included is the 2020 wish list of items the camp is in need. You gather them up and I will see they are delivered.

For Berks county Clubs:

Please make checks payable to Beacon Lodge 500 club and mail the checks to: Charles Finney 360 Wisteria Ave. Reading, Pa 19606.

I also have a Program on Beacon Lodge if you would like to be updated on what is happening at the camp. You may have seen it before but remember you have taken in new members since. Cell 484-333-0059

For Chester County Clubs

Please make checks payable to Beacon Lodge 500 club and mail to: Robert Moskel Sr. 40 Carlin Drive, Coatesville, and Pa. 19320.
