A Message from the 1st Vice District Governor Mike Hepner

Greetings fellow Lions,

I am starting to feel better after contracting COVID at the Q Center in St. Charles, IL. I unfortunately passed it on to my mother and brother who are recuperating. Besides the illness, the week was great. I met my learning group which consisted of Lions from the US, Canada, India, Iceland, and England. We learned more about Mission 1.5, SWOT Analysis, Action Planning, Goal Setting, and LCIF. We had another group from Germany, Austria, and Switzerland visit our classroom for a joint training session with a question-and-answer period. I also got the opportunity to speak with Past International President Brian Sheehan for a few minutes. 1st International Vice President AP Singh visited our class and everyone at the training had their photo taken with him. We had a Drum Circle which was very entertaining and a Karaoke Night. Yes, my group talked me into getting up on stage with them to perform. One of the highlights of the trip was a visit to Lions International Headquarters. Finally, I introduced myself to PDG Daniel Elkins. He is really looking forward to our District Convention.

I am looking for someone willing to serve as District Treasurer and a Global Extension Team Chairperson beginning in July. If anyone is interested, please contact me.

Yours in service,

FVDG Mike Hepner

A Message from the District 14 P Administrator Barry Marteny

I continue to pass along information from International, state and the District that I receive to the District Clubs. I have been reporting for a few Lions Clubs in the portal when they send me information. There are only 3 clubs that have not reported in the Portal. It would be fantastic to have all clubs reporting by the end of the year. Clubs are now able to include pictures in their service reports. If you need help with this please contact me. As of now 88% of the Lions Clubs in the District have reported in the Portal, and 588 service projects have been reported. Diabetes is the only focus area that the District Clubs have not reported a project for.

I am requesting that the District Officers and Cabinet Members have their District Service hours to me by the 29th of the month so that I have time to report them.

As always I am willing to assist in any way needed. Please feel free to contact me.

Respectfully submitted
District Administrator

A Message from the 2nd Vice District Governor Paula Hilbert

Hello Fellow Lions,

Another month flew by, and we are starting to look forward to Spring and Summer.

On January 31 PDG Gary and I traveled to Harrisburg for the 3rd State Council meeting. It was an exciting trip for me as I got to meet Mark Lyons who will be the International President the year that I am District Governor. As also got to see a Counsel of Governors in action to vote for our candidate for International Director. I am happy to say that our candidate is PDG Dick Sware and his wife Lion Jeanie Sware who is from our neighboring district 14-D.

On February 19 I visited the Amity Lions club and listened to a wonderful speaker from the Philadelphia Phillies Organization.

As the weather is getting nice I will be going out to get to know the clubs and am looking forward to meeting the members that I have not met yet. I have 3 visits scheduled so far in the next week.

We are completing preparations for the district convention. We will be having a photo booth there. Looking forward to seeing everyone there.

We Serve

2nd VDG Paula Hilbert

A Message from your 14p Lion Eyes Editor—Barry Marteny

I hope everyone is enjoying the Newsletter. I have been pulling articles from Facebook and some information on service projects from the new Lions Portal along with the articles that the clubs send me. Unfortunately, most of the information in the Portal does not have any pictures attached. It is now possible to place pictures in your service report. In the future I am hoping more clubs will send me articles and pictures to include. I hope that the District Secretaries are forwarding the Newsletter to all their members. If for some reason you are not getting the Newsletter, send me your e-mail and I will include you on the distribution list. If you have suggestions on what you would like to see in the newsletter please let me know.

Yours sincerely:

My Fellow Lion:

I assume by this time you have read the letter posted in last month's Lion Eyes my decision to step down as Chair and Chief Executive Officer of the 14P KidSight Program effective the start of the new Lions Year July 2025. I feel fortunate to be part of a foundation that has screened over 40,000 plus children in Berks and Chester counties and have collaborated with dedicated Lions who made it all possible. My plan is to remain on the board in an advisory capacity to ensure a smooth transition to New Leadership.

On Saturday March 15th, 2025, there will be a General Membership Meeting. The purpose is to have a discussion to develop a plan to ensure the continued success of the foundation. We need to fill vacancies on the board of directors and recruit and appoint new board officers. I look forward to seeing you on March 15th, your input is needed help to continue the work of KidSight. I have attached the meeting flyer, please confirm your attendance as soon as possible.

Yours in Lionism
Philip Shober, PDG

District Convention Opportunity for Service Project

Hello Fellow Lions

DG Art has requested that we use this year's District 14-P Convention to incorporate a service project {Yes - We Serve!!!}.

The day of the Convention, April 5, we will collect products donated in support of Beacon Lodge according to their "wish list". A copy of the Beacon Lodge "wish list" is attached. (It can also be found at the Beacon Lodge website at [Beacon Lodge Wishlist.pdf - Google Drive](#)).

My suggestions:

Pa Lions Beacon Lodge Camp Wishlist

Alert your club now to the items described, forward to each member and advocate for donations

Schedule all your club members to bring donations to your last club meeting prior to the District Convention date of April 5th

Lions Club members from your club who will be attending the convention should collect donations at that time and bring donated items to the convention

There will be a staging area at the Convention where you can leave the donated goods (outside the front door or just inside (depending on weather)

(Let's have a good attendance for the Convention from your club!)

If you have no one to bring your donated items to the Convention: by March 27th, for product pick up, contact

Berks County: contact Lion Doug Yingling to pick up items: 610-952-6455, douglasy@ptd.net

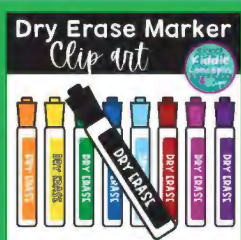

Chester County: contact FYDG Mike Hepner to pick up items: 610-384-4992, mwhepner@gmail.com

Finally, if you want to send items to Beacon Lodge for direct delivery, via Amazon or other, that is very helpful. Just send me a note of what you gave so I can report on our efforts!

Let's make this effort work!!!

Lion Doug Yingling

Leos Continue your Service by becoming a Leo Lion

A Message from Lion Toby Gelman

LEO LION PROGRAM

Remember to promote the Leo Lion Program:

To all the younger Leos in your Leo Clubs. "Leos make great future Lions."

Quick start guide: How to become a Leo-Lion

Membership has its benefits

- 50% discount on international dues
- Entrance or charter fee waiver
- Exclusive Leo-Lion membership pin
- Years of Leo service credited to the Lion record
- *Exclusively for Leo-Lion members:* LinkedIn Leo-Lion professional networking group // Request to join
- Eligible to serve as a Leo-Lion board liaison info sheet
- Eligible to serve as a Leo-Lion cabinet or council liaison
- Option to serve in a Leo-Lion Club or any other Lion club type
- Continued connection to the Leo identity under the name "Leo-Lion"

Leo-Lion Program Scholarships

- Leo-Lion Cultural Exchange Ambassador-International Service Scholarship opportunity info sheet

Leo-Lion Online Learning Courses

A special online learning path is available on the Lions Learning Center (LLC) developed using responses from Leo-Lions who were surveyed from around the world. Topics included were identified by Leo-Lions as most important to them for their leadership and personal development.

While your path is unique and presents many options, the basic steps to become a member are easy.

- ☐ Yes, I am eligible for the Leo-Lion membership type.
 - ☐ I have served as a Leo for over a year.
 - ☐ I am between the age of legal majority through age 35.

**Letter from
the President to You
International President
Fabricio Oliveira**

Dear Lion,

One of the wonderful aspects of our organization is that our members come to us with diverse talents and abilities. The knowledge, drive and expertise of our members helps not only your clubs and communities, but it is also vital in helping our organization thrive. By finding ways to put your unique talents and passion to work for your community, you can make a real difference and inspire others to join our mission. And when we encourage our fellow members to share their skills, we can bring out the best in our clubs, our service and each other.

At your service,
Fabricio Oliveira
International President

Why are you a Lion?

It's a simple question with profound answers—friendships made, joy in helping others and countless more. To meet the challenges ahead, we must grow. MISSION 1.5 is our path forward. Will we rise to the call, as we always have, or let those needs go unanswered? The choice is ours.

Lions Cub Program

Did you know that Lions International has a program for elementary children

A great way to get children and grandchildren involved in serving.

This special program is designed for kids ages 12 and younger to teach them the joy of volunteering and help them develop a lifelong dedication to helping those in need. Cubs don't need to be related to a Lions member to participate — they just need to be ready to help and have fun.

More information is viable from Lions International.

By starting a Cub Program in your community, you are helping to provide our youngsters a program of service and training a generation of youth who will lead.

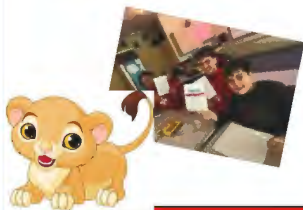

East Coventry Lion Cubs Send Love to Manatawny Manor Residents

On Tuesday, February 4th the Lion Cubs were able to create Valentine's Day cards for our senior citizens that are residing at Manatawny Manor. We are hopeful that we were able to brighten someone's day by showing them how much we care!

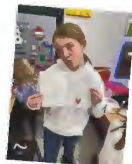

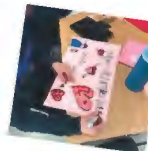

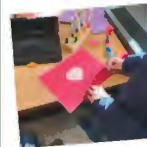

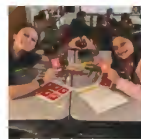

COVENTRY LIONS CLUB CUB PROGRAM

I don't mean to sound like a copycat, but NC's Cubs did the same thing as EC's cubs.

Yesterday, we had 18 cubs and 1 advisory who learned all about Manatawny Manor and the types of residents they have there. We then thought it would be a good idea to make sure we put smiles on their faces by delivering Valentine's Day cards and signs. The cubs were very thoughtful in their cards and did an excellent job!!

Happy Valentine's Day

East Vincent Cubs

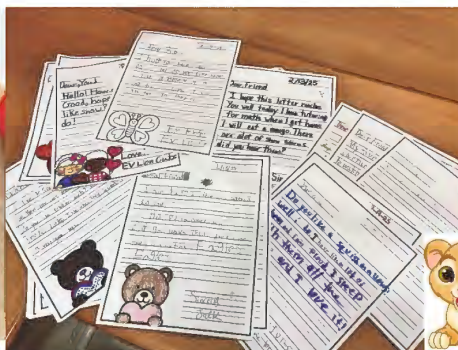

Yesterday 2/13, 30 cubs and 2 advisors met for our February Lion Cubs meeting and activity. We celebrated National Letter to an Elder Day on 2/25. Letter to an Elder Day was started in 2020 by Jacob Cramer, who wanted to reduce loneliness and isolation in seniors. Cramer's efforts began with writing letters to seniors in his community. The cubs' letters will be distributed at Daylesford Crossing Senior and Memory Care. The cubs were excited to receive their new Lion Cub t-shirts. Our next meeting is 3/13, when we will start our annual spring food drive.

Avon Grove Charter Early Learning Center Cub Program

We are thrilled to announce the launch of our very first Lions Cub Pack at AGCS. Our 21 cubs - 1st, 2nd and 3rd graders - were nominated by their teachers and are ready to make a difference.

This program encourages kids and adults to serve together, fostering a lifelong dedication to community service through Lions Club activities. For our first service project, our Cubs spread kindness by making Valentine's Day cards and crafts for a local nursing home. The students were excited to share love and joy with the community, and this is just the beginning of their journey in giving back!

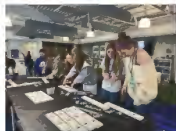

AVON GROVE CHARTER SCHOOL LEOS

HS Leo club students built toolboxes and coat racks from scratch with the help of our facilities department. The boxes and racks will be donated to Hebetate for Humanity.

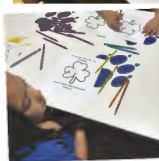

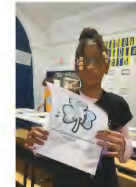

MS Leo club students stained the toolboxes and painted the coat racks.

OWEN J ROBERTS MIDDLE SCHOOL LEOS

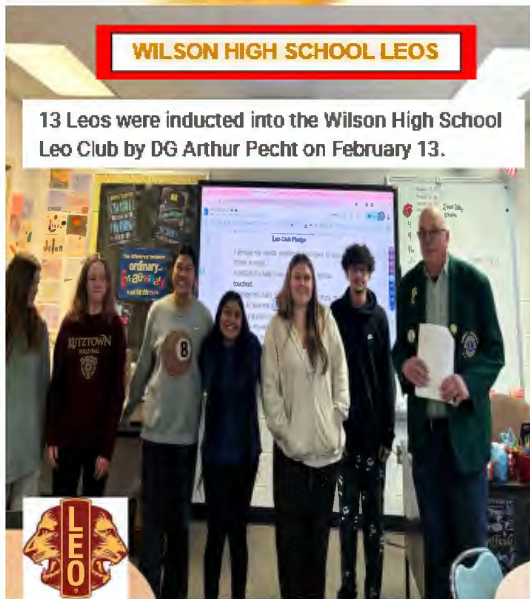

At our last club meeting, on January 31, OJ RMS Leos made birthday greetings for senior citizens who are part of an outreach agency, DOROT*. One of the agency's goals is to help aging citizens feel less isolated. This fits in with Lions International's goals of humanitarian health and wellness, and it was a great way to spread some kindness beyond our own zip code! We made over 30 greetings and mailed them to the agency based out of New York.

DOROT is the Hebrew word for "generations."

“Leadership, Experience, Opportunity.”
That’s what makes a Leo. Members of Leo clubs embody the best qualities of our incredible organization. They are devoted young people who realize the power of action. Together, Leos and Lions form a powerful partnership — one of mutual respect where Lions learn from the innovative insights of Leos, and where Leos gain access to the proven strategies of those who’ve successfully served the world for decades.

WEST GOSHEN LIONS

Hello fellow Lions. As noted in previous minutes, our club is having our 4th Annual Spaghetti Dinner on Friday, April 28th at the VFW Post #106 in West Chester from the hours of 5PM-8PM. This year's fundraiser will support our basic West Goshen Lions Club programs and charities. As part of the soiree, we are creating a commemorative booklet to educate the public on our history, mission and impact of our club on the local community. We are soliciting sponsorship donations from individuals and companies to help defray the costs of the event. (See attached flyer.) This is where you, our members, can really help. It would be great if each of you could contact ONE local business, preferably in West Goshen, and secure an ad or in-kind donation. This could be from your barber, hair stylist, dentist, hardware store, restaurant, dinner etc. Feel free to copy and share the flyer with others who can help or donate.

Leadership is hard to define.
Let us be the ones to define it with justice.
Leadership is like a handful of water.
Let us share it with those who thirst.
Leadership is not about watching and correcting.
Let us remember it is about listening and connecting.
Leadership is not about telling people what to do.
Let us find out what people want.
Leadership is less about the love of power
and more about the power of love
As we undertake the role of leader let us be
the servant leader
In leading let us never fail to follow.
In loving let us never fail.
Amen

Their service to mankind will endure

When a loved one or a friend passes, we feel a profound sense of loss, an emptiness we know can never again be filled. We are saddened, and we grieve for the departed, but we are heartened by the cherished memories they leave — that in knowing them we may become better human beings ourselves.

So it is with our fellow Lions who have passed from us. We mourn them and will miss them dearly, but they have left something very precious behind. their legacy of unswerving commitment to the ideals of Lionism, unselfish service to people in need and loyal and devoted fellowship with all other members of the Lions family

The memory of these Lions who walked with us in service fills us with an inner contentment, bringing about peace which affects every sector of our lives. They have also provided us with a challenge to continue our high standards and dedication to the needs of others.

Through their commitment, courage and perseverance they have shown us the way. Let us continue along this noble path.

The Lions whom we pay homage today, have exemplified humanitarian ideals of Lionism. They gave unselfishly on behalf of others and what they achieved shall forever stand as personal monuments to their integrity and selfless dedication to the wellbeing of humanity.
