A Message from District Governor Chrissy Smaltz

Happy February fellow Lions,

There are a lot of exciting things that have happened this year. District 14-P had our peace poster winner win State and now her Drawing is at international level, let's keep our fingers crossed. I am also excited to tell you that Avon Grove has 30 new Leo's. I am filling the paperwork for a new branch club that will cover Thorndale, Downingtown, and Exton, we have 8 new members for that club and I am hoping it grows from there.

Our District convention is approaching fast, it will be here before we know it. We have an amazing guest speaker, I really hope we have a great turnout to support our speaker so I am reaching out to every member to please come and show your support. Thank you.

I am also pleased to announce that we officially have a 1st VDG Mike Hepner and a 2nd VDG Jane Rice, Jane will be attending RLLI in March. Well I am a little over half way through the year and I want to thank everyone for all of your support through everything. You all made me truly feel like family. I have learned a lot from the various clubs and am looking forward to learning more from the rest of the clubs.

Respectfully submitted

DG

A Message from First Vice District Governor Michael Hepner

Greetings fellow Lions,

This is the first time messaging you as First Vice District Governor. I wish to thank all the PIDs, PCCs, PDGs, DG Chrissy, the Parkesburg Lions Club, and countless Lions for their support. I greatly appreciate it. Along with our DG and 2ndVDG Jane Rice, we were at the Red Lion Inn in Harrisburg Friday the 3rd and Saturday the 4th of February at the MD-14 Council Meeting. While there I received training and participated in a service project. Monday February 6th I am flying out to St. Charles, Illinois and returning Friday for the FVDG / DGE Seminar in the Q-Center.

I am really looking forward in serving you as District Governor. I am hoping to visit as many clubs as possible before July, so I get to learn about your clubs and get to meet their members.

Yours in service,

FVDG Michael Hepner

From PDG Art Pecht

Fellow Lion's I am looking for PDG pins for the following Lion's, if you have them and are willing to give them to me for a project I am trying to complete please reach out to me. My contact information is the following: artpecht413@gmail.com or 484-680-4315.

PDG Henry Hoffman, PDG Merlin Zimmerman, PID Abram Summers, PDG Kennell Summers, PDG Joseph Snook, PDG James McElpatrick, PDG Walter Welsh, PDG Elroy Gomez, PDG Donald Spang, PDG Woodrow Yeingst, PDG Eugene Wheeler, PDG Larry Guth, PDG Thomas Sheetz, PDG James Buchanan, PDG John Stout, PDG William Barnes, PDG Anthony Kiaver, PDG William Locker, PDG William Potts, PDG Pat Kutz, PDG Gus Meyer.

December 2022 was a busy month for both PDG Dave and me with the eyeglass collection program. To begin with, on December 1, we delivered approximately 120,000 pairs of used glasses and sunglasses to the New Jersey Lions Eyeglass Recycling Center. (This was previously reported in the January 2023 Lion Eyes.)

Then on December 10, we met with some of the Lions from Zone 4B in the old Acme parking lot in West Goshen. Here, we received another 4,000 pairs of glasses. Thank you, again, to Lion Toby for taking the lead in setting up this event. Also, thank you to all the Lions who help make this event a huge success.

On a final note, we are still looking for someone to take over the Eyeglass Recycling Program for our District. Please consider donating your time and energy to this wonderful and rewarding program.

Thank you all, for supporting this worthwhile program.

Yours In Lionism,

PDG Dave and Lion Linda Sampson

Lions Clubs International Foundation

Half of our Lions year 2022 to 2023 is complete and here are our results so far. As of January 23rd, fifteen of our District 14p Lions Clubs have donated a total of \$11,975 to LCIF. Our goal for this year is a little over \$24,000. So, a little less than half of our district Lions Clubs have donated close to half of our yearly goal.

The LCIF website listed grants that were awarded in the July to August period of this Lions year. There were 64 grants awarded worldwide for a total of \$3,932,485. Here is a list of grants awarded in the United States during this time period:

Expand WEMA water line	\$3000
Equipment for Children's Hospital	\$5899
Ice cream for first responders	\$1961
"Stop the Bleed project"	\$3000
K9 bullet proof vests	\$973
Renovation of school courtyard (Leo project) (ADA Accessible)	\$5000
Basketball court	\$1000
Multi-use mobile screening unit	\$100,000
Special Olympics event	\$5000
Special Olympics event in Florida	\$95,888

I do not have any further information on the above list of projects, but you can see that it is a variety of projects accomplished by both Lions Clubs and a Leo Club with the assistance of our foundation.

Finally, February 15th is International Childhood Cancer Day and February is Childhood Cancer month. Our statewide Lions Clubs have been supporting the Four Diamonds Fund and Hershey Medical Center to help with costs for families with childhood cancer patients. LCIF awards many grants to support our Lions Clubs with projects in this area.

Please support LCIF with both your club and personal donations.

Thank you.

TOGETHER WE CAN STEM LEOS

“I want to be seen as me and not the blind lady,” said Cindy Lou, an individual with retinitis pigmentosa. Cindy Lou is one of several interviewees who have participated in the program run by the Downingtown STEM Leo Club known as InSights. The purpose of this program is to spread awareness and destigmatize visual issues to not only students in high school but also others around the world. At least, to those who are interested in watching the STEM Leo Club’s interviews on YouTube @STEM Leo Club! These interviews allow high school students in the Downingtown STEM Academy high school and other young volunteers of the STEM Leo Club to take an active role as an interviewer and ask relevant questions to facilitate a meaningful conversation. Like the name of the program, the STEM Leo Club hopes that this program can give others InSight into the issues that can often be faced by those who are blind and visually impaired. Besides the InSights program, STEM Leo Club organizes many other programs such as Gardening with the Blind at the CCABVI or hand sewing flowers of strength and hope for graduates in Guiding Eyes for the Blind, an organization that provides guide dogs. There’s an activity for everyone in the STEM Leo Club and we hope to create a worthwhile impact in our community through creative ways and inspire others to do so too.
