## Happy New Year!

I hope you all enjoyed spending time with family and friends over Christmas as much as PDG Steve and I did.....in fact this message is coming from Ohio where we have been enjoying an extended stay with family we don't get to see too often!

Despite the ups and downs experienced with MyLion since July 1 our District has successfully reported some 444 Service Activities; spent 12,765 hours serving a total of 75,000 people! Interestingly, many of those activities serviced Vision and Hunger needs in our communities, but we are becoming a well-known and recognized resource for the provision of Durable Medical Equipment. Thank you all for your dedicated service - I can only look forward to seeing what we can do in our next 6 months

**Membership still needs some work if we are to reach the goals set for this Lions year - at the halfway mark of our Lions year our membership number is 1,126 Lions, since July 1 we added 38 new Lions but sadly lost 34 Lions .....it is my hope that we can continue the work of attracting new members to our service and keep our current members involved in meaningful service as well as the many new projects I have been hearing about on my visits to Clubs this past few months. Please remember that our District Team is on call and ready to help you wherever it is needed.**

It is heartening to see how many of our Clubs are increasing visibility on Social Media and local news too – keep up the great work!

**I also thank you for the many 'gifts' you gave to those less fortunate than most of us during this Holiday season – from Thanksgiving Dinner or Christmas food baskets to coats and clothing to sending packages to our service men and women who were not able to be with family over the holidays – your generosity really does overwhelm me.**

Please continue to keep in your thoughts and prayers the families of those Lions suffering from illness and those we lost these past few months and in closing PDG Steve and I look forward to a New Year of new service, new activities and new members.

DG Marilyn

## From the 1st Vice District Governor Art Pecht

Wow where has the year gone, even the Lions year is half over and our DG Marilyn has done a GREAT job. DG Marilyn could not have done it with out you. Lets help her finish the year on a positive note.

We are getting to ring in 2020. When I see 2020 I think of eyes. Hellen Keller challenged us to be knights of the blind. We help many organizations that are eye related such as: Leader Dog, Lions Eye Bank of Delaware Valley, Kids Sight, we recycle eye glasses, Beacon Lodge, we help if a person can not afford eye care. Lets keep the ball rolling.

There are several dates I would like you to save for the up and coming year. The first one is March 31 which is Sight night by Lions Eye Bank. It is there way to Thank you. Next is April 25 for the District Convention. On Sat November 21 the Eye Bank will hold a Gala Dinner at the National Constitution Center in Philadelphia.

Last I would like to wish all a Happy New Year and a safe one.

## From the 2nd Vice District Governor Gary Hilbert

Happy New Year Lions.

As your 2VDG, I'm looking forward to meeting more of you and working side by side with all our District 14P Lions in 2020. Please contact me any time. I would love to talk with you.

Call me @ 610-468-4788 or email [glh40@comcast.net](mailto:glh40@comcast.net).

In Service and friendship,

Gary

**I want to wish a good 2020 to all of our Lions Clubs and members.**

So far, I have two Lions Club visits scheduled for January and one scheduled in March. A couple others have said that they are interested in an LCIF presentation in 2020. If your Lions Club is interested in having me visit to make a presentation on LCIF, please have your program director contact me. I will also contact our club officers.

**The last data I have is for the end of November, 2019. At that time, 13 of our 40 Lions Clubs in District 14P have made contributions to LCIF. This is about a third of our clubs. At the end of November, District 14P Lions have contributed \$6150 in cash received and another \$1991 in pledges in the future. The \$6150 cash received is about where we were last Lions year at the end of November. It is well below where we should be to make our yearly goal of \$56,281. I hope some Lions and Lions Clubs have contributed in December as I requested in last month's Lion Eyes.**

I am planning on participating in a conference call with our Area LCIF leaders on January 10<sup>th</sup>. I may have more information after that.

Best wishes as we go into the new calendar year of 2020.

IPDG David Hunsberger      District 14P LCIF Coordinator

## DISTRICT 14P KIDSIGHT

**As we close out 2018, the Officers and Board members of the KidSight program would like to thank the following clubs for their donations this past year.**

The KidSight trailer is able to provide a valuable service to District 14P through the donations from the clubs in the District. With your donations we are able to continue to provide this service. I would also be amiss by not thanking the Central Berks Lions Club for the original purchase of the trailer. Thank you for your kind support this past year, and looking forward to many more screenings in the coming year.

The Lions, Lionesses and Leos of District 14-P joined their partners in Service throughout the world in mourning the loss of Lions Clubs International First Vice President Judge Haynes H, Townsend.

Haynes Henton Townsend, 64, of Dalton, Ga., went home to be with his Lord and Savior on Tuesday, December 17, 2019. He was the son of the late Clifford and Evelyn Townsend and was also preceded in death by his uncle, Emmett Henton.

Haynes had a servant heart and a love for community. He started working at Fraker Hardware at age 15 and later served as Chief Magistrate Judge for Whitfield County for 22 years. He was the current First Vice President of Lions Club International and was to be named President at the International convention in June 2020. He was an outstanding friend, loved photography and loved his family deeply. He loved to read and had an incredible sense of knowledge. Haynes believed kindness matters and was an example of how kindness can change the world.

He is survived by his loving wife of 40 years, Donna Lord Townsend; daughter and her fiancé, Morgan Townsend and Travis Vitali; daughter and son-in-law, Madison and Kenneth Rutledge, Jr.; mother-in-law and father-in-law, Henry and Becky Lord; aunt, Geneva "Nene" Henton; cousins, Brian and Teresa Henton and Debra and Chuck Harris. A memorial service was held at 3 PM on Sunday, December 22, 2019 at Dalton First United Methodist Church with Rev. Chuck Harris officiating. The family received friends prior to the service from 1-3 PM in the atrium.

The family requests that memorials be made to the Lions Club International Foundation, 300 W. 22nd Street, Oak Brook, IL 60523.

Good Morning Fellow Lions, Lioness and Lions,

Our Partnership with Four Diamonds is ongoing. However, this year's contributions are not flowing in very quickly. We are beginning a short-term challenge to help kick start our donations. The challenge is called the

## “PRINGLES CAN CHALLENGE”

Pringles come in 3 sizes: Personal snack size, 2.3-ounce size, and full size can.

The main challenge is for each Lion, Lioness and LEO to fill the 2.3 ounce can with pocket change between now and the February Council Meeting.

The Mini Challenge is to do the same with the snack size can.

The EXTREME CHALLENGE is to fill a full size pringles can.

There are 2 ways to turn in the funds collected:

1. Bring the filled and counted pringles can to the February Council Meeting (Not Recommended)
2. Encourage your clubs to have a “counting party” to count and wrap the money, taking pictures as you do so. The club would deposit the money in their Activities Account and send me a check (**Made out to Four Diamonds**). Included, with the check should be a list of those who contributed and the amount. Also, please include your club name and district so that when the funds are sent to Four Diamonds, everyone will be credited with their donation.

Make this a fun event and be sure to report the service on MyLion. Going to Sam's Club and purchasing a couple of cases of the 2.3 Ounce cans and then giving one to every club member will help you to kick off the challenge. PID Cindy and I have completed 2 of the 3 challenges. We have filled the Challenge Can and the Extreme Challenge Can and will continue filling a Challenge Can until the end of the Challenge period. Have Fun with this Challenge. You could place Cans around the community and ask for pocket change. Use your imagination and go for broke.

Remember the Pennsylvania Lions are always “For the Kids” FTK all the way.

Yours in Service

Dear International Board of Directors,

Lions Clubs International delivers support to our clubs and members around the world so we can advance our global mission of service together. The international support and work of Lions Clubs International is fueled by the international dues of our incredible members.

In recent years, it has become increasingly clear that the services Lions Clubs International has been able to provide to members with the available budget is no longer in line with what Lions need and expect.

Our executive officers undertook an extensive review of Lions Clubs International's financials, including the implementation of substantial budget reductions. After much consideration, we are proposing to increase dues effective July 2021, by \$3, then adjusted annually for U.S. inflation. We propose using a three-year inflation average not to exceed 3.0%, but also not to be lower than 1.5%.

We realize the organization has been reluctant to adjust dues over the years. We have not adjusted international dues since 2011. The option we're proposing will help us cover our costs and allow us to suitably serve our members' needs. With that said, we do not take this issue lightly, nor are we minimizing the value of each dollar that our members contribute.

When we consider a dues adjustment, it is essential that we keep in mind that our global efforts and initiatives support more than 1.4 million members in 48,000 clubs around the world. Through the support of staff that we are able to serve globally on the level that we do, keeping members and clubs fully supported with service resources, training software and events, club operational support, international meetings, language services, technology, Foundation support, leadership support, and everything else we have come to expect as Lions.

A dues adjustment will allow Lions Clubs International to provide improved support to Lions and to continue to invest in improving programs and digital products such as our website and MyLion. It will also allow us to invest in new programs such as the Learning Management System (LMS), development of new curriculum such as digital literacy, training videos, global advertising, marketing automation, digital and video storytelling and others tools and initiatives that will enhance our impact, our brand, and our membership.

Essentially, we have to decide whether or not we want Lions Clubs International to continue to grow and thrive.

Lions is a way of life and an investment of money, time, energy and passion. As with any good investment, the more we put in, the more returns we see. I hope that you will see this proposal as we do: as an investment in the future of Lions.

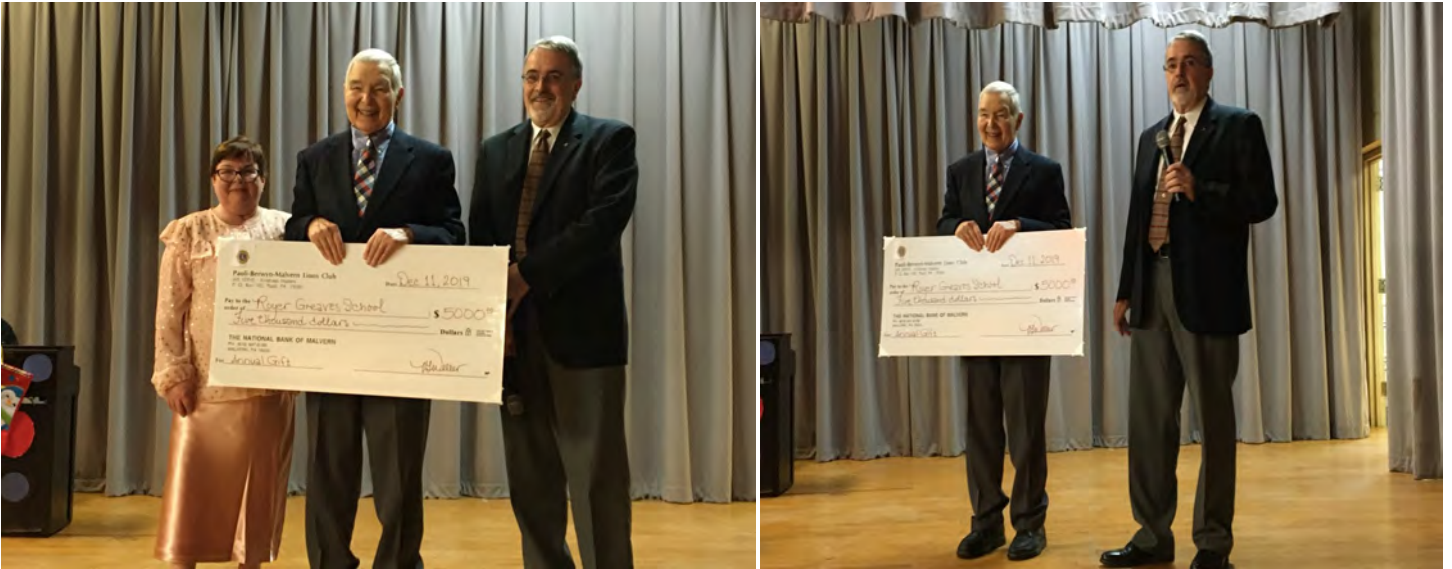

Through your support, we can ensure that Lions are positioned for success in the future.

Regards,

## "One Wednesday" Program

It only takes **One Wednesday** a month  
to provide a ride for one of our clients,

many of whom are homebound. VRC clients want to get out and get active in their community!

**To do that we depend on drivers to provide transportation to our Wednesday activities, whether they are local social activities, lunches, or support group meetings at 2020 Hampden Boulevard.**

Our drivers are special people who not only give rides to clients, but also become friends of both our clients and our staff. Drivers are welcome to get active along with clients and enjoy the social aspects of volunteering.

## Lions Clubs of Pennsylvania

*In 2018, the PA State Council of Lions Clubs and Four Diamonds announced a new multi-year partnership, PA Lions "Care - For The Kids", which mobilizes the PA Lions' 19,000 member network to raise funds and awareness to benefit Four Diamonds' mission to conquer childhood cancer. In its first year, the PA Lions "Care - For The Kids" campaign raised nearly \$70,000 to help children and families that are facing a childhood cancer diagnosis. As childhood cancer kills more children in the United States than any other disease, PA Lions Clubs are committed to providing ongoing support to Four Diamonds for years to come.*

FOUR  DIAMONDS  
CONQUERING CHILDHOOD CANCER

The Four Diamonds mission is to conquer childhood cancer by assisting children and their families through superior care, comprehensive support and innovative research. Because of the community's steady and generous support, Four Diamonds has assisted 100 percent of the childhood cancer patients who have been treated at Penn State Children's Hospital. In addition, Four Diamonds provides essential funding for some of the nation's most promising laboratory and clinical research programs with one goal: to create a future filled with better treatments and cures for childhood cancer.
