

Boyertown Lions Club 80th Charter Night

Scenes for Spring Rally

Parkesburg Lions Club

We screened 60 kids and found 8 of them with vision problems. One of the 8 seen was an 18 month old baby who needed to see an eye doctor ASAP!! So happy they all were seen and screened and that we found out they had problems that needed to be taken care of. Thank you so very much to all who volunteered- Lions Dan and his Mom Betty Lou, Don, Dave, Melanie, Robin, Karen, Rhett, Linda, Michele, Todd, Barb, and myself - it was an awesome day and very successful screening!!

Thank to the Avon Grove Lions - Lions Dave and Eileen Priebe and Lion Eric Miller (an Ophthalmologist) for their help, the use of their camera and bringing the children's books that they gave to each child. Thanks to Lion Michele and Lion Todd for their generous contribution to make the Parkesburg Lions a Proud Sponsor of the Octorara OABEST EXPO, Lion Helen for the lollipops and vision things from Walmart and a big thanks to PDG Phil Shober, Lion Nelson "Mo" Mosteller and Lion Don Mohr from Exeter Lions who transported the Kids Sight trailer from Leesport to us and assisted us in the screening today! We couldn't have done it without the trailer. It was a very successful Kids Sight Screening and I'm so very proud that our club did this Community event!! GREAT JOB LIONS! 🙌👍

Chester County Association for the Blind and Visually Impaired (CCABVI)

Open House

Tuesday, July 9, 2019

9:30 am—2:30 pm

You're Invited: **Lion Bob Milliken**, who recently retired as Executive Director, served without pay for three and one-half years. **Please attend our Open House to honor him for his service.**

In addition to joining with us for glowing celebratory spoken words and commemorative gift(s) for Bob, we encourage all to attend at some point through the day to experience some of what Bob has enabled our organization to provide to Chester County: 1) Programs to educate about vision loss prevention; 2) Education and tools to learn how to cope with vision loss or blindness, and 3) Employment opportunities in our workshop for those who are vision impaired to gain confidence and life skills to smooth the way to re-entering the workforce.

A monetary gift to CCABVI in honor of Bob's service would be a wonderful way to acknowledge Bob's contribution. CCABVI would use these donations to fund our new **Vision Support Services Group** to serve those with vision loss who are trying to remain independent in their own homes. We will let Bob know of your support for this important program.

Highlights of the Day:

Vision Loss Prevention Tools:

- Diabetes screening & free testing supplies
- Lions KidSight™ vision screening trailer on-site for youth 6 months to 6 years.

Coping with Vision Loss

- Temple Univ. TechOwl™ on-site — help with accessible phones & other devices; loaners; tech financing help.
- Other tools and resources

Tour our Workshop

- Today we produce and package textile products
- There is space to expand into training for other employment

Lion participation:

- Including our newly installed District Governor Marilyn Wagner

71 South First Avenue, Coatesville, PA 19320

Directions: Enter from Harmony Street near the new City Hall. Use our rear entrance since we will be blocking off the First Ave entrance to our private drive at the side of our building. Parking has been arranged in the VFW parking lot next door to our warehouse. The driveway to our rear ramp is reserved for temporary use by Rover and drop off of those requiring a handicap entrance.
