What status do the Lions have at the United Nations?

A MESSAGE FROM YOUR DISTRICT GOVERNOR -- ART PECHT

Boy, the summer has turned very hot and dry. We could use some of that rain we had earlier in the year.

If you are having trouble with Lions Portal, PLEASE watch the videos on the home page or you can go to U Tube. They are very helpful. On the district level we also have some issues but be patient and check back often. We will be having our first Cabinet meeting in Boyertown on August 24 with a start time of 9AM. My four-cabinet meeting will be at 4 different locations. More on that as places are secured. One of my themes this year is to step up and help your district. WE NEED HELP. All of you have a special talent WE NEED YOU. If you have the time WE NEED YOU. Remember the Lions Motto is WE SERVE, not just clubs but our District. Below you will find the schedule for September visits, if your club is listed there and that date is not good for your club, please reach out to me.

I would like to create a new position called 3rdVDG. From this position you could get a feel for the district and get to know clubs and their members. You would attend cabinet meetings but not state council meetings. This position would only be 1 year, then you must decide that you would want to be 2nd VDG and eventually be DG. There are two qualifications, must have been a zone chair and club president. If you are interested, please give me a call.

I am attaching a copy of my visits for the month in September. If there are any problems, please call me ASAP to make other arrangements. My phone number is 484-680-4315

AMITY TOWNSHIP LIONS

We welcomed Robert Flowers, M. Ed, Director of Community Relations and Equity Awareness, Daniel Boone School District, to our June 19 meeting. In his role, Mr. Flowers shared that he promotes social inclusion of all students through positive discussions and interactions. He is tasked to resolve issues dealing with racial, gender or other social conflicts in the school district. He does this by inspiring students, interacting with them individually and in groups, and cultivating an environment where students can understand each other and remove discrimination barriers. Thank you, Lion Tim, for coordinating another great program!

As you all know, Scouting means a great deal to me. All five of my sons, my grandson and my four nephews have been in the program; it has made a me proud to see all of them grow to be better people in the program. We're conducting our Annual "Tent-In" where I will be stuck in my tent until I reach my fundraising goal to help in continuing this valuable program in my community. Please join me in supporting the impactful programs and experiences the Hawk Mountain Council, BSA provides to youth. Every contribution, big or small, makes a difference. Your gift empowers Scouts to develop leadership skills, build character, and embrace engaged citizenship through the thrilling world of Scouting in the Hawk Mountain Council. In 1948, Lion Carl Shoemaker helped found Vacations for the Blind, a summer camp designed for adults with vision impairment. Since then, the name was changed to PA Lions Beacon Lodge Camp. The program has also changed to include children and adults with a wide range of disabilities. By providing a sponsorship or joining us at the American Legion Country Club, you will be helping us continue our mission of providing a summer camp experience to our statewide community of Adults and Children living with Special Needs.

Lions Clubs International Code of Ethics

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as to the right or ethics of my position of action towards others, to resolve such doubt against myself.

TO HOLD friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

ALWAYS bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unwavering loyalty in word, act and deed. To give them freely of my time, labor and means.

TO AID others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE CAREFUL with my criticism and liberal with my praise; to build up and not destroy.
