A Message from District Governor Art Pecht

My last State Council meeting was held in person in Harrisburg on May 14. It was good to see my council in person and catch up on happenings around the state. We had a great meeting, and fellowship after the meeting. I am happy to report that there will be no increase in dues to International this year. They have put off the vote until next year. There will be another ballot question that should be very interesting to all PDG's. The question is about serving a second term. The International directors are looking to allow you only to serve one term.

I am hoping all Lions have gotten vaccinated. Based on the new CDC guide lines, those that have can stop wearing masks. My thought is I am comfortable with that, but if you are not, please feel free to keep wearing them. That being said I would hope all clubs would start meeting in person. I feel the Zoom meeting is still a valuable tool. This can be used for a committee meeting's rather than travel to meet somewhere. Also, you can use Zoom if there happens to be bad weather on your meeting night.

I would like to report that there are a handful of clubs that I have not visited because they were not meeting. I have reached out to them, but they have not gotten back to me. I had about half my visits on Zoom, if there are any clubs that are now meeting in person and would like me to visit them I would be more than happy to do so.

The golf outing is Saturday June 12, I hope to see many of you there.

A Message From 1st VDG Gary Hilbert

Greetings Lions,

As of Friday May 28 @ 8pm, my official training is completed. For the past 2 years I've been consumed by class instruction at our State Council weekends, symposiums, ALLI, workshops, webinars and DGE seminar to prepare me for July 1 2021. Some events were mandatory while others were there just as an option. Believe me I took advantage of every thing available. You see, I'm not trying to be a District Governor. I'm training to be a DG. I felt it was necessary to learn all I could to move our District forward.

We are in a state of change. The Current state is how things are done today It defines who we are. It may not be working well, but it is familiar and comfortable because we know what to expect. Some of you are in this state.

-The Transition State is messy, disorganized, unpredictable and constantly in flux. It is often emotionally charged, with emotions ranging from despair and anxiety to anger, fear or relief. The transition state requires us to accept new perspectives and learn new ways of doing things.

-The Future State is where we are trying to go. It is often not fully defined and can shift as we are moving through the transition state. The future state is supposed to be better than the current state in terms of performance. Above all else, the future state is unknown.

The words you just read in red are from an e-learning course entitled "Jeff Hiatt's Change Management Model". This course was part of my DGE seminar. This class taught me why change is necessary to stay relevant. Remember Blockbuster? 20 years ago, we flocked to the video store to rent the latest movie to watch with our families. How many Blockbuster stores do you see today? Now it's all about streaming services such as Netflix, Disney plus and Amazon Prime. Do we really want our Lions Clubs to become the next Blockbuster? Let's talk about it. Here is my contact info.

We Serve from the Heart,

DGE Gary

Keystone Deaf & Hard of Hearing Services

As the new Lions District 14P Charity Rep for Keystone Deaf & Hard of Hearing Services and I would like to tell you about their services. First of all they used to be known as Berks Deaf & Hard of Hearing but they have changed quite a bit. They now have offices in both Berks and Lancaster counties and serve the communities as far North as the Poconos, West to Harrisburg, South to the Delaware border and East through Chester County. Yes COVID has caused a lot of those changes but also increased demand have required more services. KDHS has transformed everything including selling their building in Berks to move to a smaller leased property, and unfortunately reducing staff while requiring remaining staff to do more. Their Board has a good plan going forward that will serve the communities while maintaining the financial viability of KDHS.

Now what do they do –

- Provide translation services to School Districts and Intermediate Units in both Berks and Chester counties. At the start of Covid deaf students unfortunately were unable to attend school for the remainder of the year. During this school year all deaf students properly attended school.
- Provide Video Phone translation services to residents in all of the served areas. This is super important to the deaf since a level of trust is built with the clients who put them at ease when dealing with banks, utility companies, etc.
- Provide on-site translation services including assisting with mail for those that cannot read & write to pay bills. Help in times of eviction, homelessness, layoffs, aid with unemployment, assist in courts, represent at job site, aid in hospitals. I was surprised to learn that many born deaf can only read and write at the 1st to 3rd grade level.
- Service Support Provider - Provide a physical guide for those that are both Deaf & Blind to take them to Doctors, Grocery Stores, etc. With people that are both deaf and blind (partial or full) they sign into the hand.
- Hearing Screenings for Preschools – This program is still being performed but it is no longer supported by United Way so unfortunately the preschools must be charged for this service
- Current Hearing Aid program provided by KDHS – 65 years and older meeting financial eligibility requirements can obtain hearing aids at a cost of \$125 for one or \$250 for 2 hearing aids through a program sponsored by the Office of Aging (I have already sent an application to each Lion Secretary but I can also provide more or they can be obtained from KDHS). This program is particularly important since International Lions has discontinued their \$900 hearing aid program.
- The Hearing Aid program for those less than 65 years old is currently suspended since the start of Covid. KDHS hopes that program will resume in the near future.
- Used Hearing Aids – Yes KDHS will take used hearing aids. They are sent for refurbishment and reprogramming then issued to people that cannot afford them. When your club collects them have the hearing aids & new batteries brought to the District meeting and I can take them to KDHS or you can drop them off yourself or mail them. When my club is asked if we take hearing aids we say “yes, just drop them off in one of our eyeglass collection boxes”.

Where Are They Now?

A Monthly Update of Past District Governors

PDG Phil Shober

2011-2012

The question is...WHERE ARE THEY NOW?

To get to that answer we need to start at the beginning, 32 years ago when I became a member of the Exeter Township Lions Club. Like many good Lions I participated in the club functions and fundraisers. In 1994 I had the honor serving as club president.

In 2003, PDG Charles Finney approached me to see if I would be interested in becoming a trustee of the Lions Eye Bank of Delaware Valley. I first learned of the Lions Eye Bank when my father-in-law received a cornea transplant at Wills Eye Hospital. Being a trustee would give me a chance to give back, and thanks for his cornea transplant operation. Little did I know how much that decision would change my life as a Lion. For the first time as a Lion, I got to see a firsthand look of Lionism beyond the club level. I got to meet and share with trustees from New Jersey, Delaware, and Southeast Pennsylvania; many of whom were Passed District Governors. At the time, Past International Director Gene Polgar was the President of the Eye Bank and became an influential mentor. PID Gene introduced me to members of the International Family, and encourage me to become more involved with District and International Lionism. His favorite way of introducing me was -"here is a future District Governor".

I often joked there are three reasons why I could not be a District Governor. (1) I have a full-time job and I do not have the time, (2) I do not know of anybody who would be my District Secretary, and (3) I do not want to wear a green jacket and white pants. That all changed 2008 when the company I worked for retired all salesman over the age of 65 due to market conditions. It did not take long for PDG Charlie Finney (another of my mentors) to approach me and volunteer to be my District Secretary if I ran for District Governor. So, I ended up wearing a green jacket and white pants.

My time as District Governor was extremely rewarding. My wife Candy and I, got to meet and make lifelong lion friends from all parts of Pennsylvania and the United States. We traveled to Seattle for the International Convention and to Rochester Michigan to see Leader Dog. The experience of being blindfolded and walking with a leader dog was a thing we will never forget. The accomplishment I am proudest of when serving as DG is the founding of District 14 P Lions KidSight Program. We started with two spot cameras (thanks to Coventry Lions Club) and a small group of Lions the first year. To date, KidSight has six cameras and a screening trailer and have screened over 30,000 children in Berks and Chester County. After my term as District Governor, I served as Chairman and CEO of the Lions Eye Bank of Delaware Valley and a member of the Constitution and Bylaws Committee for Pennsylvania Multiple District 14. The above was only accomplished with the help of many of my fellow Lions of District 14 P and my mentors like PID Gene Polgar and PDG's Walt Labs, Charlie Finney, Dave Smith, and Barry Hinkle. The most important support came from my wife Lion Candice who made multiple sacrifices to ensure my successful term as District Governor. So where am I now?

I am still an active member of Exeter Township Lions Club, Secretary/Treasurer of the Lions Eye Bank of Delaware Valley, Constitution and Bylaws Chairman and Parliamentarian for District 14 P, and Chairman/CEO of 14P Kidsight.

Yours in Lionism, *PDG Phil*

Avon Grove

The Avon Grove Lions Club Senior Student of the Month for May from the Avon Grove Charter School is Madison Ollis. Since attending charter, Madison has been a part of the cross-country team and was even the girl's captain for two years. In addition to running cross country, she is also a part of the Yearbook club. Madison has always enjoyed helping others, so apart from school, sports, and clubs she often helps out in her community. Every year, she helps pack book bags for kids who can't afford bags or school supplies. In addition, she also helps out in Shop-With-A-Cop, an event in Coatesville where kids go Christmas shopping with police officers. She has also volunteered at the Chester County Food Bank and her local place of worship. After graduation, Madison plans to attend Penn State Brandywine and major in Sports Marketing

Sophia Crossan has been named the Avon Grove Lions Club Student of the Month for May. She is the daughter of Kim and Bryan Crossan of Landenberg. Sophia is active in school with SADD, Avon Grove Minds Matter Club, Girls Ice Hockey, Allied Health Program & NHS. Sophia has been active in the community with KMC Dance. Sophia was inducted into the National Honor Society, awarded Student of the Quarter for TCHS – Allied Health and academically has achieved High & Distinguished Honors throughout High School. Sophia plans to attend Villanova University, afterwards attend medical school and become a Psychiatrist. Teachers she has been influenced by are Mrs. Rurode and Mrs. Young.

Eagle-Glenmoore

Eagle-Glenmoore Lions Club Awards Scholarship to STEM Academy Senior

This is the 7th year the club has participated in the scholarship program at the Downingtown STEM Academy. 19 seniors applied for the scholarship and completed an essay answering the question: "What teacher or event, in school or out inspired them to choose their field of study?"

This year our recipient, Sean Herrmann, son of Melissa and Steven Herrmann of Downingtown was unanimously chosen by three Lions who read the essays independently. Sean will study Biomechanical Engineering inspired by his years of volunteering for Special Olympics. When he saw the Olympians in the track competition wearing prosthetics, he decided he wanted to create similar devices.

The awards ceremony will be virtual when Sean receives the \$500 scholarship.

2021 Virtual Camp at PA Lions Beacon Lodge Camp

We are happy to announce that Beacon Lodge Camp will be offering Virtual Camp during the 2021 camping season!

We will not let the pandemic stop us from getting together and having fun with our Beacon Lodge family!

Virtual camp will run from July 10 through July 14, for two hours each day, and will replace in-person Camp for the following sessions:

Adults – Transitional Care, Assisted Living, and Hearing Impaired.

Children- Camp ALIVE, Assisted Living, Blind/VI, and ENERGY

The daily schedule will be as follows:

7:45 AM to 9:45 AM – Adult Transitional Care and Assisted Living

10:00 AM to Noon – All Children's sessions

1:00 PM to 3:00 PM – Deaf/Hearing Impaired

For Virtual Camp attendees, the Camp fee will be waived for this year!

What will be required: \$100 Registration Fee, Online Registration Form, Recent photo of camper (so we can recognize their smiling faces), signed Photo/Video Release Form, and a valid email address.

Virtual Camp is online, so an internet-connected device and high-speed internet service (able to stream video) will be needed. Also, if the camper may require assistance, please make sure someone is available to help.

Upon receipt of the above-listed payment and documents, a confirmation email will be sent to the email address provided. Prior to virtual camp, an access link for the first day's session will be emailed to all attendees. Each day a new access link will be emailed for the following day's activities.

We will not require the Medical Form for Virtual Camp, but we do recommend that any camper who has a seizure disorder consult a doctor before enrolling.

What to Expect

Each day of virtual camp will begin with the National Anthem, flag raising, and the Pledge of Allegiance.

Each day will also have a theme – color of the day, word of the day, hat day, pet day, etc...

Each day may include – Singing and dancing, Storytime, Exercise, Campfire Talks, good hygiene practices, round table discussions for thoughts and comments from campers, and more. There will also be cameo appearances from Itowe, the Camp mascot! We will have arts and crafts as well, but don't worry – you don't have to go shopping! Each registered camper will receive a package in the mail with all the needed supplies, mailed to the address on the registration form.

We are excited about Virtual Camp and are looking forward to reconnecting with all of our beloved campers - old friends, and new!

P.S. Virtual Camp forms can only be filled out online. Visit BeaconLodge.org to find the forms for your session.

LCICon2021
103RD LIONS CLUBS INTERNATIONAL CONVENTION

VIRTUAL

Due to the continuing concerns about the coronavirus (COVID-19) pandemic, the board of directors voted to transition the 2021 Montreal Lions Clubs International Convention to a virtual event that will be delivered totally online. This decision was made with the health and safety of our Lions, staff and vendors in mind as limiting international travel and large gatherings is key to global containment strategies.

Here are some important details about the 2021 convention we would like to share with you now:

- Our 2021 convention will be a virtual event that's open to all Lions and Leos around the world.
- Registration is now open. The registration fee will be US\$75 beginning April 1. The registration fee for Leos will be US\$30 regardless of date. Convention is currently scheduled for **June 25-29**.
- Executive officer and international director elections will be conducted electronically, and voting procedures will be forthcoming.
- Convention updates and details will be posted here at lcon.lionsclubs.org as they become available.

This global health pandemic has forced us all to make decisions and changes that place health and safety first. However, we are optimistic that with each new day there is hope, and as Lions, we continue to find new ways to stay connected, safely serve our communities and continue our global mission of service.
