A Message from the 1st Vice District Governor Mike Hepner

Greetings fellow Lions,

March went by rather quickly and soon we will be having our annual District Convention on April 5th in Boyertown. I am really looking forward to this event, the Keynote Address by Director Daniel Elkins, and seeing all of you. Please remember to bring items for Beacon Lodge that are on their Wish List to the convention,

Please consider serving at the District level. I am looking for someone willing to serve as District Treasurer and a Global Extension Team Chairperson beginning in July. If anyone is interested, please contact me.

Yours in service,

1st VDG Mike Hepner

A Message from the 2nd Vice District Governor Paula Hilbert

Hello Fellow Lions,

As we are soon in the month of April. It always brings to mind that April showers bring May flowers. I love to see how the flowers we have planted in the past come back every year and bring us new colors after the winter thaw. It makes me think of the way Lions start every year with a vision of what we want to accomplish.

Today I attended a meeting for KidSight this is a Lions Charity that is near and dear to my heart. They are looking for help, if vision is a passion of yours, I ask if you can help, please consider stepping up and maybe out of your comfort zone and seeing where you can help. PDG Phil Shoher we be sharing information about KidSight at the District Convention.

Last month I was out visiting some clubs at the end of February and early March. Thank you to Shoemakersville, Bern Township and Shartlessville Lions Clubs for graciously hosting PDG Gary and myself to come and visit them. It was great connecting again with fellow lions that I have meet over the years. We got to hear different events that the clubs hold annually and new ideas that they are starting, and the different ways that they serve their communities. I have also attended several Zoom meetings this month on topics like growing membership and also for the district convention that will be on April 5th.

Letter from the President to You International President Fabrício Oliveira

Dear Lion,

To ensure a thriving organization, we must continue to innovate and involve even more people in our service. One of the best ways to achieve both is by increasing the number of young Lions and Leos. This will help us reach our *MISSION 1.5* goal and set us up for a bright future.

So collaborate with your club to ensure it's a welcoming, inclusive and energizing place that will attract young people—and all people|who want to serve. The next generation of Lions starts now.

At your service,

Fabrício Oliveira
International President

Lions Cub Program

More information is visible from Lions International.

Did you know that Lions International has a program for elementary children

A great way to get children and grandchildren involved in serving.

This special program is designed for kids ages 12 and younger to teach them the joy of volunteering and help them develop a lifelong dedication to helping those in need. Cubs don't need to be related to a Lions member to participate — they just need to be ready to help and have fun.

COVENTRY LIONS CLUB

CUB PROGRAM

EC Lion Cubs Create "We Care Kits"
Today (Tuesday, March 4th), the Lion Cubs created "We Care Kits" for the Trinity Reformed Church (which is located in the heart of Pottstown). The Lion Cubs took the time out to write a motivational/positive message and created goodie bags for those who were in need of a warm meal on a cold winter's night. The cubs assembled goodie bags that were filled with healthy and delicious snacks and treats that could be eaten at a later time.

NORTH COVENTRY CUBS

17 cubs and 1 advisor met for our March meeting. Since this week is Read Across America week, the students wrote positive messages on index cards and were tasked with slipping them into random books in our library. That way, when students read a book, they may stumble across a small note of positivity! We also celebrated Maintenance Worker Day (this Friday) by writing cards and making signs to hand to North Coventry's maintenance man, Mr. Kolb!

AG Charter ELC Cubs

Great time with the Cubs today. 20 kids present! They showed a PowerPoint about the Book Barn and explained how the field trip would work.

OWEN J ROBERTS MIDDLE SCHOOL LEOS

Last night, from 5:30-7:30 PM, a fantastic group of 8 OJ RMS Leos volunteered at In Ian's Boots. It was our final night of service at this local charity due to the owners' retirement. They will be liquidating the warehouse or "The Shoebox" as it's affectionately called, and their operations will be absorbed by The Blessing Shop located in Norristown. Owen J. Roberts Leos, both MS and HS, have been involved with this organization in some capacity or another for over a decade. It has certainly been our pleasure to be of service to such a fantastic organization. I know my Leos will miss our visit to The Shoebox.

AVON GROVE LIONS

Avon Grove Lions Senior Student of the Month from the Avon Grove Charter School. Ebunoluwa Ojikutu who goes by Ariel is new to our school, having joined us in her junior year. Ariel Ojikutu has wasted no time in making her mark. She has fully embraced the AGCS spirit, diving headfirst into academics, leadership, and community involvement. Ariel's dedication to excellence is undeniable. She challenges herself with AP level and dual enrollment classes while also being involved in a number of activities and clubs. At AGCS, she was recently recognized at our Student of the Quarter event, an achievement that speaks volumes about her academically and as a person in general. But Ariel's impact goes beyond the classroom. She is deeply involved in our school community, actively participating in five different clubs, and serving as secretary for three of them. Her leadership, drive, and passion for making a difference set an incredible example for all of us. Ariel plans to attend a 4-year college or university. For her academic excellence, leadership, and commitment to our school community, it is my honor to present Ariel Ojikutu as our Lion of the Month!

"My perspective of the weekend was that I came away learning so much more than I had anticipated. I left the weekend with so many ideas to promote our club, for service projects and better awareness of what it is to be a leader in my club. It was great to meet fellow Lions from across the state and left with many new friends."

"The 2025 RLLI Conference presenters were exceptional! The seminars were engaging, well-organized, informative, and enjoyable. The daily mix-up format fostered new friendships, and the hands-on training renewed my passion for Lions. Group meals allowed us to connect over our challenges and successes. This structured learning and fellowship made the weekend rewarding. Every club should consider sending a district representative for this training in 2026!"

"I thought it was a great opportunity to interact with other Lions and clubs from across the State and hear about their challenges and successes and to develop skills to help myself, my club and Lionism as a whole succeed and become stronger to better serve our communities and beyond. I would strongly recommend any Lion, regardless of your position, attend an RLLI when you're able."

Dear Lion Secretary or President,

As in the past, the Beacon Lodge Golf Outing is coming up in August. Again, we are asking your Lions Club to sponsor a hole. The cost is only \$100.00. Our District has a great reputation for their support of Beacon Lodge. PCC McCarl and I want our district to be the first 100% contributor to this great project. That means that each club in the district will be the sponsor of a hole and the district also contributes. We unfortunately did not reach 100% last year. **This year let's make it 100%**

If your club sponsors a hole, there will be a placard on display at the hole and recognition at the banquet that evening. Let us show the rest of Pennsylvania how our District comes through when needed. I will also be calling in May to remind you of this much needed support. As you can see below, there are other sponsorship levels as well.

Your checks can be sent directly to me at the above address. Do not send them directly to Beacon Lodge. Make your checks out to: PA Lions Beacon Lodge Camp and please consider adding this to your club's yearly budget.

Sincerely,
 Lion Bill Jaeger

Middle Atlantic Blind Golf Association

www.MABGA.org

Dear Fellow Lions and Friends,

I have the pleasure, with my hair sticking out everywhere, to manage membership for Middle Atlantic Blind Golf Association, MABGA.

MABGA started in August 1948, a nonprofit, to give the blind and low vision a safe, full of smiles day out surrounded by friends while not having to worry about falling in a rabbit hole, tripping over a fallen branch or twisting an ankle on a vole tunnel. We have a junior program for ages 7 through 21 and an adult program for ages 21 through existence. One member is a 96 year old gentleman who still has fine mobility and golfing skills! I am sure his doctor thinks he is getting a little senile when he talks about golfing with fellow blind yesterday.

Each blind golfer has a "coach". The coach gives the blind golfer the lay of the land, distance for which club and lines the blind golfer up to swing. Of course the coach is the one driving the cart - the backseat driver is sitting right next to them. After a day of golf, however many holes are played, lunch is available. Some of our blind golfers and their coach play all 18 holes, others are a happy medium, while some swing sometimes and mingle more - each are muchly jolly to be out. There are moments of pretending it was a hole-in-one, not a lost ball in water or jungle brush just as in everyday golfing. The fish are curiously awaiting for the big eggs to hatch as the squirrel still can not crack the white nut.

Signing up to be a coach, a blind or low vision golfer is easy and fast! We play an average of 29 outings a season - each outing is in a different course. The MABGA outings swing smoothly! Our web site lists them. We have 37 adult members and 13 perspective members, Perspective members are those coming out for the first time this year and will decide if they enjoy the heartfelt "crazy". Junior golf has a roster of 75, 37 are active - directed by Michael Molloy 215-400-0599 mgmolloy@aol.com

May the day be soon when all of these members are playing golf saying "Wow, I played better when I was blind" because new eyes became available. We have members that were born blind, lost their eyesight over time and those who lost it all in a car or other accident. Appreciate what you have today, be careful what you wish for - you may have more money tomorrow but not your eyesight.

We have a golf fundraising tournament each August to celebrate our anniversary while raising funds to keep MABGA swinging smiles strongly. A blind golfer created and runs our web site! As we continue to grow and serve our community, we ask for your ongoing support. The success of MABGA depends on the commitment of our members, coaches, friends and donors. Will you join us in helping MABGA continue to thrive and provide opportunities for blind and low vision golfers? Turning obstacles into opportunities!

Many Smiles!

Most Bestestness!

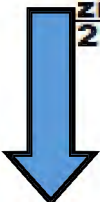

Yours in Lionism,
